

164.7894 Kentucky Coal County College Completion Program.

- (1) The General Assembly recognizes that the bachelor degree attainment rate in the coal-producing counties of Kentucky is lower than the state average. It is the intent of the General Assembly to establish the Kentucky Coal County College Completion Program to assist residents of coal-producing counties who are attending postsecondary education institutions located in coal-producing counties by providing:
 - (a) Scholarships to:
 1. Decrease the financial barriers to bachelor's degree completion; and
 2. Encourage students to remain in the area; and
 - (b) Grants to community colleges located in coal-producing counties to enhance the extent and quality of student support services and program offerings necessary to increase student success and degree production in the area.

- (8) A student otherwise eligible for the KCCCC scholarship who is enrolled in a nonparticipating institution shall be eligible to receive the KCCCC scholarship if he or she is enrolled in a bachelor's degree program in a field of study that is not offered at any participating institution. A program shall be clearly unlike any degree program offered by a participating institution to be eligible. The authority shall promulgate administrative regulations to establish procedures to designate the approved programs of study at nonparticipating institutions for which an eligible student can receive the KCCCC scholarship, which shall include a program review process that requires fifty percent (50%) or more of the courses offered in a program to be different from courses available in a program offered by a participating institution. - (18) Every four (4) years after implementation of the Kentucky Coal County College Completion Program, the authority shall evaluate the program to ensure the policy objectives are being realized and to suggest adjustments to maximize the increase in bachelor's degree completion rates.
- (19) Each participating institution, nonparticipating institution, and recipient of a KCCCC student services grant shall make data available to the authority for the report and evaluation described in subsections (17) and (18) of this section.
