 - (b) The safeguards for privacy of patient records and its success in protecting patient privacy;
 - (c) The persons authorized to view the data collected by the program;
 - (d) The schedules of controlled substances monitored;
 - (e) The data required to be submitted on each prescription or dispensing;
 - (f) Any implementation criteria deemed essential for a thorough comparison; and

- (3) The secretary shall review any agreement on an annual basis to determine its continued compatibility with the Kentucky prescription drug monitoring program.
- (4) The secretary shall prepare an annual report to the Governor and the Legislative Research Commission that summarizes any agreement under this section and that analyzes the effectiveness of that agreement in monitoring the prescribing and dispensing of controlled substances in the Commonwealth.
