  - (c) "Medical professional liability insurance" means insurance to cover liability incurred as a result of the hands-on providing of medical professional services directly to patients by an insured in the treatment, diagnosis, or prevention of patient illness, disease, or injury.
- (2) Insurers offering medical professional liability insurance in the Commonwealth shall make available, as a condition of doing business in the Commonwealth pursuant to this chapter, medical professional liability insurance for charitable health care providers and persons volunteering to perform medical services for charitable health care providers, with the same coverage limits made available to its other insureds.
- (3)
  - (a) Premiums for policies issued under subsection (2) of this section shall be paid by the Commonwealth from the general fund upon written application for payment of the premium by the health care provider wishing to offer charitable services. A health care provider shall submit an application for payment of premium to the Department of Insurance no later than one (1) year from the expiration of the policy for which payment is being requested.
  - (b) The Department of Insurance shall, through promulgation of administrative regulations pursuant to KRS Chapter 13A, establish reasonable guidelines for the registration of charitable health care providers. The guidelines shall require the provider to supply, at a minimum, the following information:

  - (d) Any premium refund for medical professional liability insurance issued under subsection (2) of this section received for any reason by the charitable health care provider shall be promptly remitted to the department for transmittal to the general fund.

  - (6) The Department of Insurance shall retrospectively review on an annual basis the premiums paid pursuant to this section as opposed to the expenses incurred by the insurers covering risks under this section to determine if the profits made for those risks were consistent with reasonable loss ratio guidelines. If the determination is made that the profits were not consistent with reasonable loss ratio guidelines, the Department of Insurance shall determine the amount of the premiums to be refunded to the Commonwealth.
  - (7) The Cabinet for Health and Family Services shall make available to the Department of Insurance information on its registration of charitable health care providers for the purpose of obtaining medical malpractice insurance.
