

**217B.510 Powers and duties of Structural Pest Management Advisory Board.**

The Structural Pest Management Advisory Board shall have the following powers and duties:

- (1) Review commercial structural pest management and commercial structural fumigation enforcement proceedings and to make written recommendations to the department;
- (2) Hold hearings on the denial of an application for a license pursuant to KRS 217B.540;
- (3) Review the structural pest management licensing examinations;
- (4) Serve as a resource group to keep the department informed of current technical advancements in the structural pest management industry; and
- (5) Review and make recommendations to the department concerning statutes and administrative regulations, including any proposed revisions, affecting the structural pest management industry.

**Effective:** June 29, 2021
