

164.0406 Annual report to Interim Joint Committees by public postsecondary education institutions.

Each public postsecondary education institution shall review the cost of its healthcare programs, as defined in KRS 164.0401, in relation to the realistic earning potential and employability of the institution's graduates and submit a written report to the Interim Joint Committees on Health Services and Education no later than September 1 of each year. The report shall include:

- (1) The current tuition of each healthcare program at the institution for in-state and out-of-state students;
- (2) The student capacity of each healthcare program;
- (3) The number of total applications for enrollment, in-state applications for enrollment, and out-of-state applications for enrollment for each healthcare program;
- (4) The total number of students, in-state students, and out-of-state students admitted to each healthcare program;
- (5) The minimum number of years required to complete the healthcare program and the average number of years graduates of each healthcare program were enrolled;
- (6) The average amount of student loans of the graduates of each healthcare program;
- (7) The graduation rate of each healthcare program and the graduation rate of in-state and out-of-state students;
- (8) The passage rate and first-time passage rate of graduates of each healthcare program on the healthcare credential examination;
- (9) The employment rate of graduates of each healthcare program within twelve (12) months after graduation; and
- (10) A summary of all new actions taken by the institution during the reporting year to reduce the financial barriers to healthcare professions.

Effective: March 22, 2023

History: Created 2023 Ky. Acts ch. 65, sec. 6, effective March 22, 2023.

Legislative Research Commission Note (3/22/2023). Pursuant to 2023 Ky. Acts ch. 65, sec. 9, a reference to the Interim Joint Committee on Health, Welfare, and Family Services in this section has been changed in codification to the Interim Joint Committee on Health Services.
