

**151.605 Water service coordinators -- Supplemental funding -- Assistance by state agencies.**

- (1) The water management planning councils or multicounty planning councils may employ a water service coordinator. Planning councils may jointly employ a water service coordinator. The water service coordinator shall assume the role and function of the county long-range planning representative appointed under KRS 151.114 and the water supply planning process set out in KRS Chapter 151 and administrative regulations of the cabinet. In addition, water service coordinators shall assist the water planning councils or multicounty planning councils in developing the plans required under KRS 151.603.
- (2) The Kentucky Infrastructure Authority may establish by administrative regulations a program to provide or supplement funding for a multicounty planning council water service coordinator for a period of three (3) years from July 14, 2000. There shall be no more than one (1) position funded per area development district.
- (3) All state agencies shall cooperate with and assist the water management planning councils as appropriate to accomplish the purposes set out in KRS 224A.300.
