

230.775 Definitions for KRS 230.775 to 230.785.

As used in KRS 230.775 to 230.785, unless the context requires otherwise:

- (1) "Hub" means an international wagering hub, a business which, through a qualified subscriber-based service, conducts pari-mutuel wagering on the horse races that it simulcasts and other races that it carries in its wagering menu;
- (2) "Qualified subscriber-based service" means any information service or system, including but not limited to a closed-loop system, that uses:
 - (a) A device or combination of devices authorized and operated exclusively for placing, receiving, or otherwise making pari-mutuel wagers on horse races by a customer subscriber base through accounts established with the operator of the hub;
 - (b) An effective customer verification and age verification system; and
 - (c) Appropriate data security standards to prevent unauthorized access by nonsubscribers or minors;
- (3) "Foreign jurisdiction" means states other than Kentucky, a territory of the United States, a foreign country, or any political subdivision thereof;
- (4) "Corporation" means the Kentucky Horse Racing and Gaming Corporation or its successor; and
- (5) "Call center" means that portion of a qualified subscriber-based service that is physically located in the Commonwealth, where wagers are placed, received, or otherwise made by a customer subscriber base through accounts established with the operator of the hub.
