If sufficient funds and qualified personnel are not available for this purpose for every campus, the local board of education shall fulfill the requirements of this subsection on a per campus basis, as approved in writing by the state school security marshal, until a certified school resource officer is assigned to and working on-site full-time on each campus in the district.

- (12) Any school resource officer who fails to successfully complete training requirements within the specified time periods, including any approved time extensions, shall lose his or her school resource officer certification and shall no longer serve in the capacity of a school resource officer in a school.
