 - (a) Federally licensed firearms dealers holding a license appropriate for the type of firearm sold; or
 - (b) For a firearm which was used in a homicide, any person who certifies on a form provided by the Department of Kentucky State Police prior to placing a bid that he or she will, upon completion of the auction, leave the firearm with the Department of Kentucky State Police for destruction. A state or local government or agency thereof shall not purchase a firearm under this paragraph.

 - (a) Conduct any auction specified by this section;
 - (b) Retain for departmental use twenty percent (20%) of the gross proceeds from any auction specified by this section;
 - (c) Transfer remaining proceeds of the sale to the account of the Kentucky Office of Homeland Security for use as provided in subsection (5) of this section; and
 - (d) For any sale pursuant to subsection (1)(b) of this section, destroy the firearm.
- (3) Prior to the sale of any firearm, the Department of Kentucky State Police shall make an attempt to determine if the firearm to be sold has been stolen or otherwise unlawfully obtained from an innocent owner and return the firearm to its lawful innocent owner, unless that person is ineligible to purchase a firearm under federal law.
- (4) The Department of Kentucky State Police shall receive firearms and ammunition confiscated by or abandoned to every law enforcement agency in Kentucky. The department shall dispose of the firearms received in the manner specified in subsections (1) and (2) of this section. No police or sheriff's department shall apply for a grant to replace existing body armor unless that body armor has been in actual use for a period of five (5) years or longer. Any department applying for grant funds for body-worn cameras shall develop a policy for their use and shall submit that policy with its application for the grant funds to the Office of Homeland Security as part of the application process.
