

394.730 Recognition of electronic nontestamentary estate planning documents and signatures.

- (1) A nontestamentary estate planning document or signature on a nontestamentary estate planning document shall not be denied legal effect or enforceability solely because it is in electronic form.
- (2) If any other law of this Commonwealth requires a signature on a nontestamentary estate planning document to be in writing, an electronic record of the document satisfies the requirement.
- (3) If other law of this Commonwealth requires a signature on a nontestamentary estate planning document, an electronic signature satisfies the requirement.

Effective: July 15, 2026

History: Created 2026 Ky. Acts ch. 134, sec. 46, effective July 15, 2026.
