

189.715 Checking of personal articles other than automobile equipment -- Posting of notice.

The customer may contract to check personal articles, not properly the equipment of an automobile, by obtaining an additional check for such articles. All parking lots and garages which park or store automobiles for hire and assume to act as bailees for said automobile shall post a sign of not less than twenty-four (24) inches by thirty-six (36) inches having bold lettering bearing the inscription "Responsible for Contents Only if Checked Separately." The sign shall be placed in a conspicuous place at or near the entrance of the parking lot or storage garage, at or near the eye level of a motorist seated in an automobile, and shall be well-lighted at all times while the parking facility is opened for business.
