

**214.995 Penalties for disclosure of HIV test results or identity of person upon whom test is performed -- Exceptions.**

- (1) A person who discloses, intentionally in violation of KRS 214.181(5)(d) or 214.625(5)(c), the identity of a person upon whom has been conducted a test to detect human immunodeficiency virus infection shall be guilty of a Class A misdemeanor.
- (2) A person who intentionally releases any name or other identifying information in violation of KRS 214.645(3)(j) shall be guilty of a Class A misdemeanor.

**Effective:** July 13, 2004

**History:** Created 2004 Ky. Acts ch. 102, sec. 5, effective July 13, 2004.

**Legislative Research Commission Note (7/14/2023).** 2004 Ky. Acts ch. 102, sec. 5, which created this statute, contained a reference in subsection (2) to "subsection (3)(j) of Section 4 of this Act." Although Section 4 of the Act amended KRS 214.645, the reference was erroneously codified as "KRS 215.645(3)(j)" instead of "KRS 214.645(3)(j)" This manifest clerical or typographical error has been corrected under the authority of KRS 7.136.

**Legislative Research Commission Note (7/15/2008).** 2008 Ky. Acts ch. 150, sec. 1, inserted an additional paragraph into KRS 214.181(5) and changed the existing paragraph (c) to paragraph (d), but that Act failed to include a conforming amendment to change the reference to that paragraph in subsection (1) of this statute. Under KRS 7.136(1)(e), that change has now been made.
