66. 2100000584 University of Kentucky Research Foundation 337 Peterson Service Building Lexington, KY 40506-0057	October 01, 2020 - September 30, 2021	Traffic Data Quick Response Team	\$36,160.00	Federal 100%; Monthly.	Provide funds to develop and execute a traffic records data and analysis quick response team at the Kentucky Transportation Center (KTC). The aim of this project is to increase access to data from the six traffic record systems, but especially to increase access to expert resources with a more in-depth knowledge of the databases. Accordingly, KTC will develop and host a free traffic data service to enable users to "access an expert" to conduct small studies and get answers to traffic safety problems. These answers would ordinarily be out of reach due to: a) difficulty and expense of contracting; or b) lack of awareness that such expert resources exist and are available to them. The project will also develop a website documenting and publicizing the service.
