District personnel should include local officials, broadband boards/committees, and other relevant stakeholders with knowledge of broadband in the community. These meetings should review unserved and underserved locations and enforceable commitments for accuracy. Discrepancies in service shall be submitted by the District to the Office's Challenge Portal, before it closes June 10th with evidence sufficient to establish a challenge as described in the Office's Initial Proposal Volume 1, and attached in Appendix B; review the Office's lists of Community Anchor Institutions and Multi-Dwelling Units during each county meeting to ascertain whether each is served, unserved, or underserved; and collect information, including contracts, address lists, and other relevant documentation, related to any county commitment of local funds for broadband deployment projects and report this information to the Office.
