26. 1600000572					
URS Corporation 500 West Jefferson Street, Suite 1600 Louisville, KY 40202	September 04, 2015 - January 01, 2027	Engineering	\$2,074,153.57	Increase by \$949,655.00; Federal / Road Funds; Provide funds for updates to the final plans for KY-32 in Elliott County. There were extensive changes during the right-of-way phase, including changes in ownership and various topo updates such as new mobile homes, septic tanks, ponds, and more. This will also provide for updates to the pavement design to use cement stabilized roadbed. The project length was shortened to get the project in a Fall 2025 Construction Letting requiring earthwork to be reevaluated to make sure that adequate rock quantities were available within the project limits and no additional right-of-way would be needed for these purposes. This also provides for updates to preliminary and final drainage submittals, four additional coordinate control sheets, updates to the striping plans per the November 2023 Value Study report, four additional erosion control sheets, updates to all typical and cross sections due to updated pavement design, updates to all summary sheets, and additional meetings and coordination because of the Value Study and right-of-way changes. This provides for geotechnical investigation and structural design for 11 reinforced concrete box culverts (RCBC) throughout the project limits.	Provide engineering services to perform final roadway design services on Elliottsville- Newfoundland (Kentucky 32) in Rowan and Elliott counties.
