

Senate Bills

Includes opposite chamber sponsors where requested by primary sponsors of substantially similar bills in both chambers and jointly approved by the Committee on Committees of both chambers. Opposite chamber sponsors are represented in italics.

SB 1 - See Introductions on February 3, 2009.

SB 2 - See Introductions on February 10, 2009.

SB 3 - See Introductions on February 3, 2009.

Introduced Jan. 6, 2009

SB 4/CI (BR 331) - D. Kelly, E. Worley, W. Blevins Jr., D. Boswell, T. Buford, P. Clark, J. Denton, D. Harper Angel, R. Jones II, G. Neal, J. Rhoads, K. Stein, J. Turner

AN ACT relating to crimes and punishments and declaring an emergency.

Create a new section of KRS Chapter 196 to require the Department of Corrections to develop an intensive secured substance abuse recovery program for substance abusers seeking or utilizing pretrial diversion in certain circumstances; amend KRS 431.515 to conform; create a new section of KRS 431.510 to 431.550 to require pretrial screening of felony substance abuse offenders and allow testing and treatment as a condition of pretrial release; create a new section of KRS 533.250 to 533.260 to require felony substance abuse offenders to demonstrate suitable participation in and compliance with substance abuse treatment or recovery before being eligible for pretrial diversion; amend KRS 533.250 to allow referral of certain persons on pretrial diversion to the secured recovery program; amend KRS 532.120 to allow credit for time served in the secure treatment facility or a residential treatment facility; EMERGENCY.

SB 4 - AMENDMENTS

HCS/CI - Amend to include additional due process guarantees prior to entry into secure treatment, to require that qualifying substance abuse be recent and relevant, to allow a defendant to offer additional assessment information, and to allow a court to grant full or partial credit for time served if a person leaves a treatment program with good cause.

HFA (1/FN/P, T. Burch) - Attach provisions of HB 490 HCS.

HFA (2/FN/P, T. Burch) - Attach the provisions of HB 490 HCS.

HFA (3, T. Riner) - Amend to specify that substance abuse treatment may be obtained from a secular or a faith-based program.

Mar 5-reported favorably, 1st reading, to Calendar

Mar 6-2nd reading, to Rules

Mar 9-taken from Rules Committee; placed in the Orders of the Day

Mar 10-3rd reading, passed 97-0; received in Senate

Mar 11-enrolled, signed by each presiding officer; delivered to Governor

Mar 20-signed by Governor (Act ch. 28)

SB 9 - See Introductions on January 7, 2009.

SB 10 (BR 69) - R. Jones II, B. Smith

AN ACT relating to the civil rights of deaf and hard of hearing persons.

Amend KRS 163.510 to require the Commission on the Deaf and Hard of Hearing to advise the Commission on Human Rights on adequate technological means of providing closed captioning for motion picture theaters; amend KRS 344.130 to require movie theaters with five or more screens to provide closed captioning for deaf and hard of hearing persons; amend KRS 344.190 to require the Commission on Human Rights to review and approve available closed captioning technologies and set the minimum numbers of closed captioned showings of a movie which must be offered at each covered theater.

(Prefiled by the sponsor(s).)

Sep 24-To: Interim Joint Committee on Judiciary

Jan 6-introduced in Senate

Jan 8-to Licensing, Occupations & Administrative Regulations (S)

SB 11 (BR 180) - J. Westwood

AN ACT amending 2008 Kentucky Acts Chapter 127, relating to corrections, and declaring an emergency.

Amend 2008 Kentucky Acts Chapter 127, the state/executive branch budget bill, to delete language pertaining to the calculation of probation and parole credit and to the minimum expiration of sentence required for final discharge of prisoners; include noncodified provision relating to the effect of the bill's provisions after the bill's effective date; EMERGENCY.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate

Jan 8-to Appropriations & Revenue (S)

SB 12 (BR 38) - J. Pendleton

AN ACT relating to fuel ethanol-blended gasoline.

Create new section of KRS 363.900 to 363.908 to define terms; require that all fuel terminals that sell gasoline in Kentucky offer for sale, in cooperation with position holders and suppliers, fuel ethanol-blended gasoline, fuel ethanol, and unblended gasoline; provide that terminals that only offer for sale federal reformulated gasolines shall be exempt from the requirement to offer for sale unblended gasoline; permit all fuel retail facilities, wholesalers, distributors, and marketers to purchase ethanol from any terminal, position holder, fuel ethanol

producer, fuel ethanol wholesaler, or supplier; permit biodiesel-blended fuel to be freely mixed or co-mingled with conventional diesel fuel and sold at retail without any penalty, fine, punishment, or regulatory impediment; and permit fuel ethanol-blended gasoline to be freely mixed or co-mingled with unblended gasoline and sold at retail without any penalty, fine, punishment, or regulatory impediment.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate
Jan 8-to Natural Resources and Energy (S)

SB 13 (BR 45) - B. Leeper

AN ACT relating to nuclear power.
Amend KRS 278.600 to require that nuclear power facilities have a plan for the storage of nuclear waste rather than a means for permanent disposal; define "storage"; amend KRS 278.610 to delete the requirement that the Public Service Commission certify the facility as having a means for disposal of high-level nuclear waste; change all references to the disposal of nuclear waste to the storage of nuclear waste; repeal KRS 278.605.

SB 13 - AMENDMENTS

HFA (1, M. Denham) - Prohibit construction of low-level radioactive waste disposal sites in the Commonwealth except as provided in KRS 211.852; and require the Kentucky Public Service Commission to determine that construction of a nuclear power facility would not create low-level radioactive or mixed wastes that would be required to be disposed of in low-level radioactive waste disposal sites in the Commonwealth.

HFA (2, M. Denham) - Prohibit construction of low-level radioactive waste disposal sites in the Commonwealth except as provided in KRS 211.852; require the Kentucky Public Service Commission to determine that neither the construction nor the operation of a nuclear power facility, including ones constructed by entities regulated under KRS Chapter 96, would create low-level radioactive or mixed wastes that would be required to be disposed of in low-level radioactive waste disposal sites in the Commonwealth.

SB 14 (BR 182) - K. Winters

AN ACT amending 2008 Kentucky Acts Chapter 127, relating to corrections, and declaring an emergency.

Amend 2008 Kentucky Acts Chapter 127, the state/executive branch budget bill, to delete language pertaining to the calculation of probation and parole credit and to the minimum expiration of sentence required for final discharge of prisoners; include noncodified provision relating to the effect of the bill's provisions after the bill's effective date; EMERGENCY.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate
Jan 8-to Appropriations & Revenue (S)

SB 15/LM (BR 12) - D. Ridley, J. Rhoads, D. Boswell

AN ACT relating to public infrastructure authorities.

Establish KRS Chapter 175B and create new sections thereof to provide definitions; establish the Kentucky Public Transportation Infrastructure Authority; specify membership, meeting requirements, staffing, and operations; state the purpose and powers of the authority; direct the authority to evaluate potential projects; require that projects be proposed by a local government and approved by the department; permit tolling, establish requirements for level of tolling, and direct how proceeds of tolls and other revenues shall be used; permit the authority to contract with the department for construction and operations; specify that the authority shall maintain control of projects and revenues from projects; authorize projects constructed by the authority to include interchanges with existing roadways; permit the authority to issue administrative regulations; permit public utilities to utilize rights-of-way under specific circumstances; permit agreements for use of real estate assets of the authority by the Commonwealth; authorize issuance of bonds; provide that bonds are not a debt of the Commonwealth; permit incidental use of rights-of-way for specified purposes; authorize trust relationships; authorize state agencies and localities to invest in bonds; exempt bonds from state taxation; allow the authority to contract for provision of maintenance services; direct that projects shall revert to ownership by the Commonwealth when all bonds are retired; require issuance of an annual report, require an annual audit; prohibit officers and employees from directly investing in authority bonds; indemnify board members and employees from personal liability; authorize previous planning and other work to become a part of the function of the authority; amend KRS 176.420 to require the activity of the authority to be evaluated as a part of the six-year road plan.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate
Jan 8-to Appropriations & Revenue (S)

SB 16/LM (BR 279) - T. Buford, K. Stein

AN ACT relating to urban-county government police and fire employees.

Amend KRS 67A.300 to provide that police and fire employees of an urban-county government who are laid off or suspended due to economic necessity caused wholly or in part by an increase in employer contributions to the policemen's and firefighters' retirement fund shall be provided a monthly benefit of 40 percent of salary and health insurance benefits not to exceed ten years or the date of reemployment or retirement; require the urban-county government to certify whether or not a police or fire employee who has been laid off or suspended is eligible for benefits; allow the employee to petition the Circuit Court if he or she is determined to not be eligible for benefits; EMERGENCY.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate
Jan 8-to State & Local Government (S)

SB 17 (BR 288) - E. Tori

AN ACT relating to the military family assistance trust fund.

Amend KRS 36.474 to make military personnel and their families eligible for military family assistance trust fund grants for 180, rather than 90, days after the end of deployment; provide for grants for a demonstrated need for several members of the military or their families if approved by a majority of the military family assistance trust fund board.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate

Feb 5-reported favorably, 1st reading, to Consent Calendar
Feb 6-2nd reading, to Rules
Feb 10-posted for passage in the Regular Orders of the Day for Wednesday, February 11, 2009
Feb 11-recommitted to Veterans, Military Affairs, & Public Protection (S)

SB 18/LM (BR 224) - D. Seum

AN ACT relating to the storage of explosives and declaring an emergency.

Create a new section of KRS Chapter 67C prohibiting the location of explosive magazines within 3,000 feet of water installations within a county containing consolidated local government; establish penalties for violations; EMERGENCY.

(Prefiled by the sponsor(s).)

Jan 6-introduced in Senate
Jan 8-to State & Local Government (S)

SB 19/FN/HM (BR 448) - T. Buford

AN ACT relating to insurance coverage of dialysis treatments.

Create a new section of Subtitle 17A of KRS Chapter 304 to define "provider"; limit patient travel for dialysis to 30 miles from patient's home or the nearest dialysis facility if more than 30 miles from patient's home; prohibit specified actions by the insurer that would result in a shift in primary responsibility for reimbursement to any governmental program; require advance written notice of any proposed decrease in reimbursement rates; prohibit consideration of governmental reimbursement in determining out-of-network reimbursement; requirement reimbursement for dialysis treatment be made to the provider and not the patient; create a new section of Subtitle 99 of KRS Chapter 304 to impose monetary penalties for violation of this Act.

Jan 6-introduced in Senate
Jan 8-to Health & Welfare (S)

SB 20 (BR 339) - B. Leeper, C. Borders, D. Boswell, D. Givens, R. Palmer II, D. Ridley

AN ACT relating to the Kentucky Infrastructure Authority.

Amend KRS 224A.030 to add one member to the Kentucky Infrastructure Authority representing the Kentucky Municipal Utility Association; establish initial and subsequent terms.

(Prefiled by the sponsor(s).)

SB 23/AA (BR 364) - T. Buford

AN ACT proposing an amendment to Sections 30 and 31 of the Constitution of Kentucky relating to elections of the General Assembly.

Propose to amend Sections 30 and 31 of the Kentucky Constitution to extend the terms of State Representatives from two to four years; submit to voters.

Jan 6-introduced in Senate
Jan 8-to State & Local Government (S)

SB 24/LM (BR 241) - T. Buford

AN ACT relating to campaign finance reports.

Amend KRS 121.180 to eliminate the requirement for a duplicate copy of a campaign report to be filed with the clerk in the county in which a legislator resides.

Jan 6-introduced in Senate
Jan 8-to State & Local Government (S)

SB 25/LM (BR 456) - R. Stivers II

AN ACT relating to anatomical gifts.
Create, amend, and repeal various provisions relating to anatomical gifts and create the Revised Anatomical Gift Act to make consistent the provisions relating to organ donation across the states; clarify certain provisions of earlier uniform acts; apply provisions to donations from deceased donors as a

result of gifts made before or after their deaths; the manner of making an anatomical gift before the donor's death; procedure for amending or revoking an anatomical gift before the donor's death; the refusal to make an anatomical gift and the effect of that refusal; the preclusive effect of an anatomical gift, amendment, or revocation; who may make an anatomical gift of the decedent's body or part; the manner of making, amending, or revoking an anatomical gift and the purpose of the anatomical gift; search by law enforcement and hospital for document of gift; the delivery of document of gift not required during donor's life, and the right to examine; the rights and duties of procurement organization and others; the coordination of procurement and use; prohibition of the sale or purchase of parts; other prohibited acts; immunity for certain parties; law governing validity; choice of law as to execution of document of gift, presumption of validity; the effect of an anatomical gift on advance health-care directive; cooperation between coroners and medical examiner and procurement organization; uniformity of application and construction; and the relation to electronic signatures in global and national commerce act; amend and repeal various sections to conform.

Jan 6-introduced in Senate
Jan 7-to Judiciary (S)

SB 26/CI (BR 455) - R. Stivers II, J. Rhoads

AN ACT relating to inmate recidivism reduction.

Create new sections of KRS Chapter 197, relating to prisons, to permit the Department of Corrections to operate a Prison Industries Enhancement (PIE) program in which the labor of prisoners is leased to private entities to make products and perform services for private employers; create a commission to oversee the activities of the program.

SB 26 - AMENDMENTS

SCS/CI - Retain original provisions except change provision relating to prison labor charges from Environmental and Public Protection Cabinet to Labor Cabinet; change provision relating to deductions from prisoner wages to specify deductions for taxes, family support, restitution, and victims' compensation fund and set limits on deductions; specify how deductions for court costs and fines are to be paid; require employer to comply with the National Environmental Policy Act.

SFA (1, R. Stivers II) - Make numerical corresponding correction.

SB 28 (BR 365) - J. Pendleton, D. Seum

AN ACT relating to charitable gaming.

Amend various sections of KRS Chapter 238 to extend the definition of charitable gaming to include electronic, computer, or other technologic aids; extend the definition of manufacturer to include bingo paper and charity gaming tickets and the provision of electronic and computer devices; provide authority for the Office of Charitable Gaming to establish and implement standards for electronic systems of accounting and recordkeeping; grant the office authority to approve all electronic, computer, or other technologic aids; provide that intentionally making false or misleading statements constitutes grounds for denial of a license; grant employees of the office authority to inspect the books and records of a licensed manufacturer or distributor; require a charity to be located in the county, or a contiguous county to the county, in which charitable gaming is conducted; provide acceptable costs to be included in calculation of the 40 percent rule; prohibit inaccurate reporting of the financial records of charitable gaming events; permit advertisement of linked bingo prizes in excess of \$5,000; require charitable organizations to obtain office approval prior to using any electronic, computer, or other technologic aid in the conduct of bingo; grant the office authority to promulgate administrative regulations concerning linked bingo games; limit carryover or progressive prizes in seal card games to no more than \$7,500; require records and books to be maintained in accordance with generally accepted standards of accounting and require charity to maintain records for six years at their offices or at a location designated and approved by the office; require any charity participating in linked bingo to use a point-of-sale system; permit the office to require reports to be filed electronically within six years; prohibit certain activities by an owner, officer, or contractee of a licensed charitable gaming facility; provide penalties for making intentionally false or misleading financial statements; designate sanctions against individuals found to be the cause of one or more serious violations and define serious violation; provide requirements for appeals to administrative actions by the office.

Jan 6-introduced in Senate
Jan 8-to State & Local Government (S)

SB 29/FN/LM (BR 213) - A. Kerr

AN ACT relating to breast-feeding.

Amend KRS 211.990 to establish a fine of 100 dollars for the first offense 200 for each subsequent penalty for any person who violates any provision of KRS 211.755, which establishes that breast-feeding is permitted by a mother in any location, public or private, where the mother is otherwise authorized to be.

Jan 6-introduced in Senate
Jan 8-to Health & Welfare (S)

Introduced Jan. 7, 2009

SB 9 (BR 434) - J. Carroll

AN ACT relating to a compensatory leave sharing program.

Create a new section of KRS Chapter 18A to create the compensatory leave sharing program for state employees; require that employees who have accrued more than fifty hours of compensatory leave be allowed to transfer any additional compensatory leave time to another employee under certain circumstances; set eligibility guidelines for employee participation in the program; require the secretary of the Personnel Cabinet to promulgate administrative regulations to implement the compensatory leave sharing program; amend KRS 18A.025 to conform.

Jan 7-introduced in Senate
Jan 8-to State & Local Government (S)

SB 30/LM (BR 183) - J. Schickel, D. Seum, D. Kelly, A. Kerr, J. Westwood

AN ACT relating to public records.

Create a new section of KRS 65.750 to 65.760 to specify that tapes of communications with a 911 center or emergency dispatch center are not public records; provide for court-ordered release of transcript of conversation; provide for release copies of the actual tapes with permission from persons making the call and persons referenced in the call.

SB 30 - AMENDMENTS

SCS/LM - Delete reference to any agency other than a 911 communications center; add provision allowing release of tapes without court order to law enforcement agencies and prosecutors; remove provisions requiring court order for release of transcript of information from a tape, redacting personal and other information, and limits on fees for making copy of transcript; permit any person to listen to tape at 911 facility and to make written or other notes or full transcript of tape but not record the tape; require rather than permit court to release copies of tapes for court proceedings; create a Class A misdemeanor for unlawfully recording or broadcasting a tape recording of a 911 communication.

SFA (1, R. Jones II) - Amend bill to delete requirement that attorneys in civil and criminal actions must obtain a court order to obtain a copy of a 911 communication and provide instead that copy may be obtained by subpoena duces tecum.

SFA (2, J. Schickel) - Retain original provisions; include other forms of

communication retention than tapes; provide that the transcript only of a 911 communication can be released pursuant to a request under KRS 61.872 and delete reference to KRS 61.378.

SB 38 (BR 874) - T. Buford

AN ACT changing the classification of Junction City, in Boyle County.

Reclassify Junction City in Boyle County, population 2,184, from a city of the fifth class to a city of the fourth class. As provided in Section 156A of the Kentucky Constitution, the population requirements for the classification established by the former Section 156 of the Kentucky Constitution remain in effect until changed by law. Therefore, classification as a city of the fourth class requires a population of 3,000 to 7,999.

SB 38 - AMENDMENTS

SCS - Retain the original provisions except reclassify the City of Sadieville, in Scott County, population 289, from a city of the sixth class to a city of the fifth class. As provided in Section 156A of the Kentucky Constitution, the population requirements for the classification of cities established by the former Section 156 of the Kentucky Constitution remain in effect until changed by law. Therefore, classification as a city of the fifth class requires a population of 1,000 to 2,999.

SB 40/HM (BR 449) - T. Buford, D. Boswell, J. Carroll, P. Clark, J. Pendleton, J. Rhoads, D. Ridley, D. Seum, K. Stein, K. Winters

AN ACT relating to health benefit plan reimbursement to practitioners of the healing arts.

Create new sections of Subtitles 17A, 17B and 17C of KRS Chapter 304 to define "insurer" "doctor of chiropractic" "licensed practitioner of the healing arts" "nonroutine office visit," and "routine office visit"; require that individual procedures performed by a doctor of chiropractic be treated as separate and distinct treatments and not be combined into payment for an office visit or other outpatient visit for specified treatment; provide that only one evaluation and management procedure performed on the same date by the same provider shall be reimbursed; prohibit imposition upon the insured for more than one coinsurance or copayment for each routine or nonroutine office visit to a doctor of chiropractic; require establishment of a fee schedule for all procedures by licensed practitioners of the healing arts; provide there be no disparity for the same procedures performed by different practitioners and,

if there is disparity, require reimbursement at the higher fee, and not less than reimbursement rates in effect on October 15, 2008.

SB 40 - AMENDMENTS

SFA (1, T. Buford) - Amend all three sections of this Act to delete any references to "licensed practitioner of the healing arts"; amend to clarify that reimbursement for chiropractic manipulative treatment can never fall below established reimbursement rates as of October 15, 2008.

AN ACT relating to interscholastic athletics.

Create new sections of KRS 158 to define home school; identify the conditions under which a student enrolled in a home school program may participate in interscholastic athletic teams sponsored by or engaged in by public schools.

Jan 9-introduced in Senate
Feb 3-to Education (S)

Introduced Feb. 3, 2009

SB 1 (BR 803) - K. Winters, D. Williams, D. Kelly, V. McGaha, K. Stine, D. Thayer, J. Westwood

AN ACT relating to student assessment.

Amend KRS 158.6451 to add an expectation relating to performing arts; amend KRS 158.6453 to restate the purposes and components of a balanced assessment program including both formative and summative assessments; eliminate the open-response questions requirement; require writing portfolios be maintained for each student in grade 5 to 12 but eliminate from the state assessment; limit rewrites of the writing portfolio; require an on-demand assessment of student writing one time within the elementary, middle, and high school grades, respectively; require writing assessments consisting of multiple-choice items emphasizing mechanics and editing one time within the elementary, middle, and high school, respectively; require each school council to develop policies relating to the school's writing program; eliminate practical living and vocational studies from the assessment program but require a program evaluation of practical living and career studies annually; eliminate arts and humanities student testing from the assessment program

but require a program evaluation of arts and humanities annually; require that accelerated learning be provided any student whose scores on any of the assessments indicate skill deficiencies; require each school to devise an accelerated learning plan; require individual reports to parents on the achievement of their children compared to school, state, and national results; limit state core content testing to the last seven days of a local district's school calendar and limit number of days of testing to no more than five during that period; provide that a local board of education may adopt the use of commercial assessments for making formative judgments; require the Kentucky Department of Education to assist districts in selection of commercial products that address Kentucky core content; require the Kentucky Board of Education to recommend at least three companies or products to the state board for approval; amend KRS 158.6452 to require the School Curriculum, Assessment, and Accountability Council to provide recommendations relating to the identification of academic skills and deficiencies of individual students; amend KRS 158.6455 to modify language relating to successful school and delete references to rewards; amend KRS 158.6458 to modify title of the assessment and accountability system, by adding reference to "academic achievement"; amend KRS 158.6459 to change the high school readiness exam from grade 8 to grade 9; amend KRS 158.649 to change dates for reporting student data to each school council and change dates for actions by school councils; amend KRS 156.095, 158.6459, 158.710, 158.7874, 158.805, 158.816, 159.035, and 160.345 to conform; make technical changes.

SB 1 - AMENDMENTS

SCS - Retain original provisions, except add language providing that the additional multiple-choice test items that are added to norm-referenced tests are for the purpose of measuring the depth and breadth of Kentucky's academic content standards; require that the results of summative assessments identified within the assessment program be expressed in terms of Kentucky's student academic achievement standards; change testing from the last 7 days to the last 8 days of a district's academic year; change the implementation date to 2011-2012 for the revised assessment program; identify school years 2011-2013 as the baseline years for the revised accountability reporting

HCS - Amend KRS 158.6451 to add an expectation relating to performing arts; amend KRS 158.6453 to add definition; to require the department of education to plan and implement a comprehensive process to revise academic content standards and to complete the process in the areas of reading, language arts, mathematics, science, and social studies by December 15, 2010; disseminate the revised academic content standards by January 15, 2011; require the Council on Postsecondary Education to sign a written agreement that the academic content standards for reading and mathematics are aligned with the

postsecondary education course standards for reading and mathematics; require the Education Professional Standards Board and the Council on Postsecondary Education to provide information and training on the academic content standards to the postsecondary education faculty in the content areas and the teacher preparation programs; discontinue the grading of writing portfolios and inclusion of the student scores in the state accountability system spring 2009 and thereafter; discontinue student testing in practical living skills and career skills and arts and humanities in 2009-2010 and thereafter; suspend the state accountability system for the 2008-2009, 2009-2010, and 2010-2011; require professional development for teachers and administrators; require the Kentucky Board of Education to revise the annual statewide student assessment program for implementation in school year 2011-2012; require the revised plan to have student assessments that are valid and reliable for individual students; require the Department of Education to provide program guidelines and program review guidance for the arts and humanities, writing programs, and practical living skills and career studies; require biennial state and annual local program reviews for arts and humanities, writing programs, and practical living skills and career studies; require that the department plan and implement an interim program assessment process for writing, arts and humanities, and practical living skills and career studies; require writing portfolios as a part of any school's writing program which shall be determined by each school-based decision making council; provide that the writing portfolio reflect a student's interests and growth over time and that a portfolio be maintained for each student in grades primary through 12 and travel with the student from grade to grade and to any school in which the student enrolls; require criterion-referenced tests, which are augmented with norm-referenced items in grades 3 through 8 to measure the depth and breadth of Kentucky's core content and to provide national profiles in the areas of mathematics and reading; require a criterion-referenced test, augmented with a customized or commercially available norm-referenced test to measure depth and breadth of social studies and science and to provide national profiles to be administered 1 time in the elementary and middle grades and the high school, respectively; require an on-demand assessment of student writing 1 time in the elementary grades, 2 times in the middle grades and 2 times in the high school grades; require an editing and mechanics test relating to writing, using multiple choice and constructed response items to be administered 1 time in the elementary and middle and high school grades, respectively; permit the state board to determine how end-of-course exams may be substituted for criterion-referenced tests at the high school level; require the state board within 60 days of the effective date of the Act to revise the Administration Code for Kentucky's Assessment Program to include prohibitions of inappropriate test preparation activities; require that accelerated learning be provided to any

student whose scores on any of the assessments indicate skill deficiencies or a high level of achievement; retain the ACT, college readiness, and high school readiness exams; require each school to devise an accelerated learning plan; require individual reports to parents on the achievement of their children compared to school, state, and national results; limit state core content testing to the last 14 days of a local district's school calendar and limit number of days of testing to no more than 5 days during that period when the revised test is implemented and require that the Kentucky Board of Education promulgate administrative regulations to set testing procedures; provide that a local board of education may adopt the use of commercial assessments for making formative judgments; amend KRS 158.6452 to require the School Curriculum, Assessment, and Accountability Council to provide recommendations relating to its responsibilities; amend KRS 158.6455 to modify language relating to successful school and delete references to rewards; amend KRS 158.6458 to modify title of the assessment and accountability system, by adding reference to "academic achievement"; amend KRS 158.6459 to delete reference to the grade level of the high school readiness exam; require test results to be reported to schools within 75 days from the first day in which exams may be administered; amend KRS 158.649 to change dates for reporting student data to each school council beginning in the 2012-2013 school year and change dates for actions by school councils; amend KRS 156.095 to add assessment literacy and integration of performance-based student assessment in classroom instruction as required professional development to be made available; amend KRS 160.345 to require the school-based decision making council to review findings from annual and state program reviews in arts and humanities, writing, practical living skills and career studies; amend KRS 164.020 to add duty for assuring that academic core content standards in high school align with postsecondary education course entry requirements; amend 158.710, 158.805, 158.816 159.035, and 160.345 to conform; make technical changes; require that the Department of Education and the Education Professional Standards Board take actions during the 2009 and 2010 calendar years to improve instruction at the pre-service levels and to improve the ability of existing teachers to teach reading; outline requirements of the study; identify conditions that apply during the transition period from the effective date of this Act to the 2011-2012 school year, including permitting the use of mathematics items developed after the academic content standards are completed in a field test in spring 2010 and to administer an initial mathematics test based on the revised content standards in 2011 to meet NCLB requirements and approved by the United States Department of Education; require that the state board ensure all NCLB requirements for accountability and proficiency are met; require an extensive review of how assessments affect exceptional children and if changes are needed in the revised

assessment and accountability system; require a 5 year strategy by the Council on Postsecondary Education, the Kentucky Board of Education and Department of Education to reduce college remediation rates by at least 50 percent from what they are in 2010 and increase the college completion rates of students enrolled in 1 or more remedial courses; require the Department of Education to inform districts and schools that decisions about mathematics textbook purchases may be delayed until after the mathematics academic standards have been revised and allow off-list purchases in order to ensure that textbooks selected align with the revised mathematics academic standards; EMERGENCY.

HCA (1/Title, C. Rollins II) - Make title amendment.

HFA (1, S. Brinkman) - Create a new section of KRS Chapter 158 to require the Kentucky Department of Education to develop and implement the Kentucky Financial Literacy Program; create a new section of KRS Chapter 158 to create the Kentucky financial literacy trust fund in the State Treasury, which may receive state appropriations, gifts, grants, federal funds, and any other funds.

HFA (2, C. Rollins II) - Make technical correction.

CCR - Did not agree.

FCCR - Retain original provisions of SB1/HCS, except add language relating to the commissioner of education and the president of the Council on postsecondary education collaborating in the development of a process to revise elementary and secondary education academic standards and aligning the high school standards with postsecondary education standards; insert language that clarifies that all criterion-referenced tests shall be valid and reliable for individual students; add clarity that the results of program reviews and audits of arts and humanities, practical living skills and career studies, and writing shall be included in the new accountability system promulgated by the Kentucky Board of Education; remove prescriptive language relating to accountability index in order for the state board to have flexibility in the development of a new system of accountability based on the new assessments; remove practical living skills and career studies, arts and humanities, and writing portfolios from the state assessments for the current year, 2009-2010 and 2010-2011 and thereafter; remove statutory language that is made obsolete by the addition of a new noncodified section that outlines the testing requirements during the interim period before the new assessment program is implemented in 2011-2012; provide that the current criterion-referenced test be continued in the same subjects and current grade levels, with the exception of those programs that have been removed effective this year; provide that a new norm-referenced stand-alone test be administered in grades 3 through 7 in 2009-2010 and 2010-2011 to be given either within one week before or one week after the testing window; change assessment results reporting from every other year to annually; limit the testing window for this year to up to 7 days and up to 6 days in the following two years;

add a new section of KRS Chapter 164 to require that within 30 days from the effective date of this Act that each postsecondary education institution plan and implement a process to develop core academic content standards for reading and mathematics for introductory courses that involve secondary educators in order to vertically align standards; add a new noncodified section to outline the accountability requirements for using the Annual Yearly Progress results based on interim tests for meeting No Child Left Behind requirements, including state level assistance to schools; make technical changes.

Mar 25-signed by Governor (Act ch. 101)

SB 3 (BR 207) - K. Winters, D. Williams, D. Kelly

AN ACT relating to early high school graduation and making an appropriation therefor.

Create a new section of KRS Chapter 158 to establish the option for early high school graduation beginning in the 2010-2011 school year; define the curriculum requirements for early graduation and unconditional entry into a Kentucky public two-year community and technical college and the requirements for unconditional entry into a four-year public college; establish the Early Graduation Scholarship Certificate and the processes for awarding it and using it; permit certificate to be used at an independent college or university if the institution accepts the curriculum and other eligibility requirements; create a new section of KRS Chapter 164 to create the early graduation scholarship trust fund to be administered by the Kentucky Higher Education Assistance Authority; describe how state funds from the SEEK appropriation will be transferred to the scholarship trust fund to support early high school graduates; amend KRS 158.140 to limit the powers of the Kentucky Board of Education or a local board from imposing graduation requirements that would prohibit a student from pursuing an early graduation program; amend KRS 164.7879 to prescribe how an early graduate would qualify for a KEES award; APPROPRIATION.

SB 3 - AMENDMENTS

SCS - Retain original provisions; clarify how the state portion of the SEEK funds will be transferred into the Early Graduation Scholarship Fund.

SFA (1, K. Winters) - Delete language relating to the requirements for high school courses for early graduation and unconditional entry into a Kentucky public two year community and technical college and make the requirements the same for entry into both two year and four year institutions; add statement that a local board of education may specify the minimum number of courses that a student shall take in an academic year.

SB 48/FN (BR 397) - V. McGaha, D. Givens

AN ACT relating to cigarettes.

Amend KRS 131.612 to stipulate when noncertified cigarettes shall be removed from retail outlets.

SB 48 - AMENDMENTS

SCS - Amend KRS 131.604 to define "retailer"; amend KRS 131.610 to require a stamping agent or distributor to notify retail customers when a cigarette brand family or cigarette manufacturer has been removed from the directory; require the stamping agent or distributor to provide the Department of Revenue the list of retailers notified; allow retailers 45 days to sell the affected cigarettes and prohibit the retailer from selling after the 45 day period; amend KRS 131.612 to conform; amend KRS 131.622 to provide that contraband cigarettes may be seized and destroyed after 20 days if the seizure is not timely protested; EFFECTIVE July 1, 2009.

HFA (1, R. Rand) - Amend KRS 131.610 to allow retailers 60 days rather than 45 days to sell cigarettes that have been removed from the directory before they become contraband; prohibit a stamping agent or distributor from purchasing cigarettes from a nonparticipating manufacturer that has been given notice of the Attorney General's intent to remove the manufacturer from the directory.

HFA (2, J. Higdon) - Amend KRS 131.610 to allow retailers 90 days rather than 45 days to sell cigarettes that have been removed from the directory before

the cigarettes become contraband.

HFA (3, J. Higdon) - Require the staff of the Legislative Research Commission to study certifications and escrow requirements of the Tobacco Master Settlement Agreement and report to Interim Joint Committee on Appropriations and Revenue by November 1, 2010.

HFA (4, J. Tilley) - Create a new section of KRS 138.130 to 138.205 to allow licensed wholesalers, licensed unclassified acquirers and licensed subjobbers to receive a tax credit equal to the amount of tax evidence purchased and affixed to cigarettes that were purchased from a nonparticipating manufacturer that has been removed from the directory.

SB 62/LM (BR 188) - D. Thayer, D. Givens

AN ACT relating to the regulation of campaigns and elections.

Create new sections of KRS Chapter 121 to define terms; require a person making an independent expenditure to report it if the amount exceeds \$500 in the aggregate in any one election; establish campaign contribution limits for candidates, slates of candidates, and candidate campaign committees; establish campaign contribution limits for caucus campaign committees, political issues committees, permanent committees, and executive committees; permit the establishment of a building account; establish campaign contribution limits for inaugural committees; establish campaign contribution limits for individuals; permit a married couple to combine their individual contribution limits by writing one check under certain specific conditions; permit candidates, slates of candidates, committees, and individuals to utilize on-line credit and debit card transactions; provide for reporting exemptions for any candidate, slate, or political issues committee if a form is filed stating that contributions will not be accepted or expended in excess of \$5,000 in any one election; require exempted candidates for city or county offices or for school boards to file reports if they accept contributions or make expenditures in excess of the exempted amount in any one election; require candidates or slates of candidates subject to an August filing deadline to timely file for an exemption and permit such candidates or slates to exercise rescission rights; permit the exercise of rescission rights by a candidate or slate

of candidates if an opponent is replaced due to death, disability, or disqualification not later than 15 days after the party nominates the replacement; permit write-in candidates to request an exemption; establish that exempted candidate campaign committees, and political issues committees are bound to the terms of the exemption unless it is rescinded timely; establish penalties and fines for candidates, slates of candidates, candidate campaign committees, or political issues committees who accept contributions or make expenditures in excess of the limit in any one election without rescinding the exemption in a timely manner; require state and county executive committees and caucus campaign committees to make a full report to the registry of all money, loans, and expenditures made since the date of the last report; establish reporting requirements of candidates, slates of candidates, candidate campaign committees, political issues committees, and registered fundraisers; require all reporting candidates, candidate campaign committees, political issues committees, and registered fundraisers to make post-election reports; require that detailed information be maintained by the treasurer for six years from the date of the election to which the records pertain, but not to exceed six years; require certain permanent committees to make a full specified report to the registry of all money, loans, and expenditures since the date of the last report; permit Kentucky based federal permanent committees to make certain contributions; require a supplemental report be filed annually until an account shows no unexpended balance; require that all reports filed with the registry be subject to open records and to require county clerks to maintain such reports for one year from the date the last report is required to be filed; exempt legislative candidates from filing reports with the county clerk; relieve candidates and slates from personally filing reports under certain conditions; prohibit the use of funds for candidacy for a different office, to support or oppose different issue, or to further the candidacy of another candidate or slate of candidates for office; abolish the requirement that a paper format report be filed if an electronic report is filed; require the registry to promulgate administrative regulations to establish a de minimus standard; amend KRS 121.120 to except those candidates, candidate campaign committees, and slates of candidates running for statewide office from mandatory audits of receipts and expenditures that receive or spend less than \$5,000, and to require candidates and slates of candidates running for statewide office to file electronically on the next regularly scheduled reporting date when contributions or loans, or a balance in a campaign account or accounts is in the aggregate of \$25,000 or more; amend KRS 121.135 to authorize the general counsel to the registry to write an advisory opinion and to require advisory opinions to be issued not later than 20 days from the date the registry receives the request; amend KRS 121.140 to define "frivolous complaint" and to authorize the registry to impose a civil penalty for the filing of frivolous complaints; amend KRS

121.220 to require segregation of primary campaign funds from regular election funds through bookkeeping; amend KRS 121.230 to lower the threshold for itemization of expenditures by check from \$50 to \$25; amend KRS 121.210, 121.190, 121.056, 121.990, 61.710, and 23A.070 to conform; repeal KRS 121.015, 121.150 and 121.180; effective November 5, 2009.

SB 62 - AMENDMENTS

HFA (1, J. Fischer) - Amend to define "media" as any person or group of persons; change the definition of political issues committee from one or more persons, to two or more persons.

HFA (2, C. Hoffman) - Amend to require that all candidates, including candidates running for seats in the General Assembly, file reports with the county clerk in the county where the candidate resides.

HFA (3, M. Cherry) - Amend the definition of "contribution" to delete the exclusion of news stories, commentary, and editorials by the media.

HFA (4, M. Cherry) - Change the definition of "political issues committee" to include the phrase "two or more persons" rather than "one or more persons"; require reports to be submitted on the sixtieth day preceding a regular election, rather than on the sixtieth day before any election; exclude federally registered permanent committees from certain requirements relating to reporting and management of funds.

Mar 11-floor amendments (3) and (4) filed

Introduced Feb. 5, 2009

SB 63 (BR 309) - D. Harper Angel

AN ACT relating to electronic scrap recycling and making an appropriation therefor.

Create new sections of subchapter 43 of KRS Chapter 224 to provide for an electronic scrap recycling program including a new section relating to definitions; a new section outlining manufacturer responsibility; a new section outlining retailer responsibility; a new section outlining Department for Environmental Protection responsibility; a new section providing for a landfill and incineration ban on covered electronic

devices under the Act; a new section providing for penalties; and a new section establishing the Kentucky electronic scrap recycling fund.

SB 63 - AMENDMENTS

SFA (1, D. Harper Angel) - Remove definition of "cathode ray tube"; remove "cathode ray tube" from definition of "covered electronic device"; remove "computer processing unit" and "laptop" from the definition of "covered electronic device" and replace with "computer"; remove "mobile phone" from definition of "covered electronic device"; remove "television" from definition of "covered electronic device"; provide a specific exemption for motorcycles from the definition of "covered electronic device"; provide a specific exemption for television-top boxes from the definition of "covered electronic device"; remove definition of "mobile phone"; remove definition of "television"; increase the maximum number of covered electronic devices assembled in one year from 100 to 500 before the assembler meets the definition of "manufacturer"; provide that persons who meet the definition of "manufacturer" with regard to less than 5,000 covered electronic devices pay a registration fee of \$2,500; provide that persons who meet the definition of "manufacturer" with regard to 5,000 or more covered electronic devices pay a registration fee of \$5,000; add language to clarify that manufacturers must provide for the takeback of their covered electronic devices without charging a fee at the time the devices are collected; add language to clarify that mail-back programs, if provided, may not charge a fee at the time the devices are taken back; and direct the Environmental and Public Protection Cabinet to submit a report to the Legislative Research Commission by December 15, 2009 that contains recommendations for a comprehensive statewide program for the collection, transportation, and recycling of televisions.

SFA (2, D. Harper Angel) - Remove "mobile phone" from the definition of "covered electronic device"; remove definition for "mobile phone"; remove "computer central processing unit" and "laptop" under the definition of "covered electronic device" and replace with "computer"; provide a specific exemption for motorcycles from the definition of "covered electronic device"; increase the maximum number of covered electronic devices assembled in one year from 100 to 500 before the assembler meets the definition of "manufacturer"; provide that persons who meet the definition of "manufacturer" with regard to less than 5,000 covered electronic devices pay a registration fee of \$2,500; provide that persons who meet the definition of "manufacturer" with regard to 5,000 or more covered electronic devices pay a registration fee of \$5,000; add language to clarify that manufacturers must provide for the takeback of their covered electronic devices without charging a fee at the time the devices are collected; add language to clarify that mail-back programs, if provided, may not charge a fee at the time the devices are taken back.

SB 73/LM/CI (BR 445) - R. Stivers II

AN ACT relating to health care related programs for prisoners.

Amend KRS 441.045 relating to jails to make technical change; amend KRS 441.053 relating to local jail operations to require jail medical programs to operate at or below the Kentucky Medicaid rate for similar services; prohibit certain conflicts of interest; create a new section of KRS 205.510 to 205.630 to require Medicaid providers to provide services to prisoners at or below Medicaid rates; specify that services to prisoners do not come from Medicaid funds.

SB 73 - AMENDMENTS

SCS/LM/CI - Retain existing provisions of amendment to KRS 441.045 except to add a new subsection to specify that all payments for necessary medical, dental, and psychological care, except for federal agencies and prisoners who can pay for the costs, which relate to state or county reimbursement shall be reimbursed at an amount not to exceed the Medicaid rate but that a lower cost may be negotiated; amend KRS 441.053 with regard to conflict of interest provisions to add "managing claims or" to the existing proposal; make technical correction in proposed subsection (7) to clarify that a lower rate of reimbursement than Medicaid is not required but is permitted; delete section 3 which would have required Medicaid providers to provide care at Medicaid rates for correctional facilities and jails.

SFA (1, R. Stivers II) - Clarify which prisoners to whom the established Medicaid rate is to be made applicable.

HCA (1, J. Tilley) - Amend to include provisions to prevent a correctional officer from releasing a person from custody to receive medical treatment, to require that if the person in custody is taken to a facility for treatment that a correctional officer remain with the person while treatment is being given, and to provide that the local correctional facility is not responsible for medical treatment given to a person released under a court order except where the purpose of the order of release is to allow the person to obtain treatment.

Introduced Feb. 9, 2009

SB 80/LM (BR 424) - D. Seum

AN ACT relating to the duties and

powers of the mayor of a consolidated local government.

Create a new Section of KRS Chapter 67C defining mayor's powers and duties, create requirement to submit annual revenue and financial, require submission of capital projects plan, define capital projects, require creation of surplus funds account in general fund, define surplus funds account, submit an annual budget, with both a surplus expenditure and budget reduction plan, list requirements for surplus expenditure plan, and alternatives to expending surplus funds, define the terms of a budget reduction plan, place limits on the use of certain budget reduction strategies, make any employee lay-off subject to any civil service ordinances or collective bargaining agreements, create a requirement for mayor to inform agencies and metro council of the status of the budget in regards to surplus or deficit, require the mayor to implement budget reduction plan once certain thresholds reached, create standards for the restoration of reduced services, require the mayor to designate an agency or contracted individual with the mission to track actual and projected revenues with the budget plan adopted, require the designated individual or agency to inform the mayor and metro council monthly of past months revenues, require the designated agency or individual to report quarterly on actual revenues, versus forecast revenues, and to forecast future revenues versus budget forecasts; to amend KRS 67C.105 make certain contracts, agreements, and obligations subject to metro council approval; and amend KRS 67C.139 to conform.

SB 80 - AMENDMENTS

SCS/LM - Create a new Section of KRS Chapter 67C describing the budget process of the consolidated local government, mayor to submit detailed revenue forecast on or before April 15, description of the revenue forecast; establish requirement that mayor submit on or before May 31 a capital projects plan for the upcoming and next 2 fiscal years; define capital project; establish requirement that mayor submit on or before May 31 a budget to the metro council, budget based on revenue forecast presented, requirement for budget to include a surplus expenditure plan and a budget reduction plan, budget to be adopted by metro council, to include surplus and deficit plans, budget plan for surplus of up to 2.5%, description of surplus budget plan requirements and criteria, mayor may not expend funds over 2.5% plan without metro council approval, budget deficit plan described and criteria established; limit ability of mayor and council to lay-off employees, lay-offs subject to civil service ordinances and any collective bargaining agreements, certain budget reduction strategies forbidden, surplus account funds to be used to offset budget deficits, budget deficit reduction plan may limit employee pay, subject to civil service ordinances and collective bargaining agreements; establish priorities for restoring budget cuts; prevent mayor from dealing with budget deficit greater than 5% without metro council approval, no implementation of either budget surplus or deficit reduction plan without a revised revenue forecast;

establish a surplus funds account within the general fund; establish criteria for addition of funds to surplus account, restrictions placed on expenditures from account, mayor to designate agency department, or independent contractor to provide revenue forecasts, designee to provide the mayor and metro council with monthly statements of revenue, and compare actual revenue to forecast revenue for the month covered, designee to provide mayor and metro council with quarterly reports on actual income and its relation to forecast income for the past quarter and next 2 quarters; amend KRS 67C.105 to make mayor's duties conform to criteria established for budget procedures, require the mayor to obtain metro council approval for certain obligations, contracts, or agreements; and make provisions of the Act effective for the consolidated local government for FY 2010-2011.

SFA (1, D. Seum) - Amend Senate Bill 80/SCS to require that any budget reduction plans, or any employee layoffs, or any payroll increment reductions, must recognize civil service ordinances or collective bargaining agreements.

SB 81 (BR 1182) - V. McGaha

AN ACT relating to captive cervids.

Create a new section of KRS Chapter 257 to mirror the ban on the imposed on cervids if they do not meet the rules and requirements of the Kentucky Department of Agriculture or the United States Department of Agriculture for the surveillance and identification of cervids for controlling chronic wasting disease; amend KRS 150.720 to require promulgation of administrative regulations by the Department of Fish and Wildlife Resources pertaining to the permitting and fencing of cervid livestock facilities; delete authority over importation and holding of cervids; amend KRS 150.725 to define "cervid livestock"; amend KRS 150.735 to allow a permit holder to sell or slaughter cervids if the facility is found to be out of compliance with regulations and delete authority of the department to seize cervids if the facility fails to come into compliance; allow a permit holder to request an administrative hearing after a violation and make an appeal to Franklin Circuit Court; allow cervids to be seized and disposed of by the department if a final determination after appeals upholds the department's decision; amend KRS 150.740 to modify the ban on the importation of cervids into the Commonwealth to qualify that cervids are banned if they do not meet the rules and requirements of the Kentucky

Department of Agriculture or the United States Department of Agriculture for the surveillance and identification of cervids for controlling chronic wasting disease; delete the Department of Fish and Wildlife Resources' authority to destroy cervids; amend KRS 246.295 to modify the Kentucky Department of Agriculture's authority to promulgate administrative regulations to delete importation and holding of cervids and replace with the permitting and fencing of holding facilities for cervids; create new section of KRS chapter 257 to authorize the Kentucky Department of Agriculture to quarantine animals after a violation.

SB 81 - AMENDMENTS

SCS - Retain original provisions of SB 81; allow importation of cervids from states where there is a program of surveillance and identification that meet specific rules; maintain the prohibition on importation of cervids under specified conditions; maintain the ban on importation of cervids from CWD states unless USDA regulations approve importation and a live test for CWD is available for testing cervids; authorize the Kentucky Department of Fish and Wildlife Resources to promulgate administrative regulations dealing with importation and unique individual identification tag and visual identification tags; define "hold" as confined to a facility; delete Kentucky Department of Fish and Wildlife Resources as a party to which a party importing a diseased cervid is responsible for paying costs incurred in investigation, response and eradication; and renumber subsections to conform.

SFA (1, V. McGaha) - Restore authority for the Department of Fish and Wildlife Resources to seize and destroy cervids held in violation of the law.

HFA (1, T. McKee) - Clarify that the ban on cervids that have not been subject to a program for chronic wasting disease applies only to live cervids.

HFA (2, T. McKee) - Clarify that the ban on cervids that have not been subject to a program for chronic wasting disease applies only to live cervids.

CCR - Could not agree.

FCCR - Retain original provisions, except clarify that the ban on the importation of cervids that have not been subject to a program of surveillance and identification for cervid chronic wasting disease only applies to the importation of live cervids.

SB 2/CI (BR 22) - D. Thayer

AN ACT relating to state government ethics.

Amend KRS 11A.010 to include in the definition of "officer" board members and persons that perform functions of major management positions through contractual employment arrangements; add definitions for "person," "matter," "board member," "business associate," "through others," and "direct or exercise control"; amend KRS 11A.020 to prohibit a public servant from using his official position to obtain financial gain for a business associate as well as the public servant himself and a family member; prohibit use and misuse of state property and resources for the public servant himself, a family member, or business associate; amend KRS 11A.040 to prohibit a statewide elected official, an officer, including certain nonclassified staff, family member, or a business associate from doing business with the state; make exceptions; prohibit acceptance of honoraria for performance of official duties; change from 6 months to 2 years the waiting period for a former officer or public servant to contract with the agency for which he worked, to accept employment with a business regarding matters in which he was directly involved, to become a lobbyist in matters in which he was directly involved, or to represent a person or business before a state agency in matters in which he was directly involved; prohibit an officer or statewide elected official from outside employment from a business that does business with or is regulated by the state agency for which he or she works or supervises; amend KRS 11A.045 to extend the gifts limitation to board members; prohibit a public servant, his spouse or dependent child, or a board member from accepting any gift other than food and beverages consumed on the premises up to \$100 per year from a lobbyist, employer, or real party in interest; permit a public servant or board member to accept prepaid transportation, food, and lodging paid by a host if the secretary of Finance and Administration Cabinet gives prior approval; permit acceptance of a certificate, plaque, commemorative token of less than \$150 in value; require disclosure of donations to a legal defense fund for a public servant; amend KRS 11A.050 to require initial statement of financial disclosures within 90 days that an officer or public servant occupies position; require amended statements if

change in statement information or addition of financial information occurs; require disclosure of additional information relating to nature of businesses and business associates; require disclosure of any contracts or other business dealings with state agency or lobbyists; amend KRS 11A.060 to add the Secretary of State as an official who submits nominees to the Governor for appointment to the Executive Branch Ethics Commission; amend KRS 11A.080 to direct that the filing of a complaint, as well as a preliminary investigation, be confidential unless a final determination is made by the commission; allow commission to publicly confirm an investigation has been declined or terminated if violations alleged in the investigation were made public; require a complaint to be dismissed if the act of filing a complaint is made public by the complainant or any other person at the complainant's direction and require notification of the possible dismissal; amend KRS 11A.090 to allow the commission to issue subpoenas for records in both paper and electronic form; amend KRS 11A.100 to require the commission to refer criminal violations of KRS Chapter 11A to county or commonwealth's attorneys of appropriate jurisdiction; amend KRS 11A.110 to require the commission to make all paper and electronic reports, statements, and disclosures filed with the commission pertaining to public servants and officers, executive agency lobbyists, employers, and real parties in interest, available on the Internet and require maintenance of records for prescribed periods; amend KRS 11A.201 to include compensation of lobbyists in definition of "expenditure"; amend KRS 11A.211 to establish an initial registration fee of \$125 for each lobbyist, employer and real party in interest and \$125 upon the annual filing of an updated registration statement, not to exceed more than \$125 in any fiscal year; require each lobbyist to file a statement of expenditures by the 15th day of the month following the month in which an expenditure is made; create a new section of KRS Chapter 11A to prohibit a public servant or a candidate for statewide elected office from soliciting, accepting, or directing or exercising control over campaign contributions for himself or herself or any other person, political party, campaign committee, or caucus campaign committee from a lobbyist, any person seeking or holding a state contract, or holding a state grant; establish a defense if the contribution is unknown to the public servant or candidate at the time of receipt and if it is returned and disclosed to the commission; prohibit a lobbyist, a person seeking or holding a state contract, or a person seeking or holding a state grant from making a campaign contribution to a public servant, any candidate, the campaign committee of the public servant or candidate, or a caucus campaign committee; prohibit a lobbyist from directing or exercising control over a campaign contribution from a permanent committee to a public servant, a candidate, the campaign committee of a public servant or candidate, or a caucus campaign committee; prohibit a lobbyist from serving as an officer of a permanent committee that makes

contributions to those persons; prohibit an employer or real party in interest from directing a lobbyist to participate in the campaign of a public servant or candidate; prohibit a public servant from directing or exercising control over a campaign contribution to a political party made by a lobbyist, a person seeking or holding a state contract, or a person seeking or holding a state contract; amend KRS 11A.216 to require disclosure of compensation paid to lobbyists; amend KRS 11A.231 to conform; amend KRS 11A.990 to establish a Class A misdemeanor penalty, rather than a Class D felony, for violation of KRS 11A.040(5) prohibiting acceptance of compensation or honoraria for performance of a public servant's official duties other than that provided by law; establish penalties for various other violations; amend KRS 61.102 to extend protections for employees that report or disclose actual or suspected wrongdoing to the Executive Branch Ethics Commission; amend KRS 61.103 to change the time period from 90 days to 1 year for an employee to bring a civil action alleging a violation of KRS 61.102; create a new section of KRS Chapter 11A to require the Governor to disclose any use of the Governor's Mansion that includes any person that is not an officer, public servant, employee of a state agency or public agency, a state or local elected official, or routine employee, to the Executive Branch Ethics Commission; create a new section of KRS Chapter 45A, relating to procurement, to prohibit business entities as defined in the Act, contractors and subcontractors from doing business with the Commonwealth if a business entity has contributed to a statewide candidate, slate of candidates or state or local political party in excess of contribution limits defined in the Act within 18 months preceding entering into the contract or during the duration of the contract; require a business entity to certify compliance with the Act prior to entering into a contract; amend KRS 45A.110 and 45A.115 to require certification of compliance prior to being placed on the prequalified and responsible bidder or offeror's list; amend KRS 45A.485 to require a business entity to report any violations of the Act within the last 5 years and be in continuous compliance with the Act; require immediate cancellation of a contract and two year prohibition from future business with the Commonwealth if found to be in violation, unless the violation was inadvertent and unintentional; provide that contributions made and contracts in effect on the effective date of the relevant provisions not be a violation of those provisions; require disclosure whether or not a violation; create a new section of KRS Chapter 121 to require statewide candidates and political parties to use reasonable efforts to give notice of potential contract prohibitions with the state if contributions are made in violation of the Act; provide that lack of notice is not a defense of the violation; provide process to cure a violation of the Act; amend KRS 36.410 to include the requirement to submit quarterly reports on the use of state aircraft to the Executive Branch Ethics Commission and the Auditor of Public Accounts as a function of the Division of Air Transport;

amend KRS 36.425 to require pilots for state agencies to submit a copy of flight manifests; require Division of Air Transport to maintain flight records, including passengers' names and information pertaining to flights; create a new section of KRS Chapter 36 to require the Division of Air Transport to submit quarterly reports on the use of state aircraft to the Executive Branch Ethics Commission and the Auditor of Public Accounts; create a new section of KRS Chapter 11A to require the Governor to disclose the use of state aircraft to the Executive Branch Ethics Commission and the Auditor of Public Accounts; create a new section of KRS Chapter 43 to require the Auditor of Public Accounts to conduct an annual audit of the Governor's use of state aircraft; specify procedures for implementing new reporting requirements and annual audits.

SB 2 - AMENDMENTS

SFA (1, D. Thayer) - Retain original provisions, except make technical amendment to add board member to language regarding legal defense funds; create new section of KRS 11A to establish ethics training program; add non-codified language to implement; and amend KRS 11A.241 to add a voluntary ethics training program for executive agency lobbyists to the duties of the Executive Branch Ethics Commission.

SB 136 (BR 1610) - R. Jones II

AN ACT relating to misclassification of employees in the construction industry.

Create new sections of KRS Chapter 337 to prohibit misclassification of employees in the construction industry; define contractor, construction, and other terms; presume employee status unless certain factors are met; establish factors for determining independent contractor; require Office of Workplace Standards to administer; require posting of requirements and retention of records for 3 years; provide administrative or civil remedy; amend KRS 337.990 to impose penalties of \$1,000 to \$5,000 for violations; amend KRS 45A.485 to require debarment for 2 years from state contracts for repeat violations.

Feb 12-introduced in Senate

Feb 23-to Licensing, Occupations & Administrative Regulations (S)

SB 137 (BR 89) - R. Jones II

AN ACT relating to civil liability.

Amend KRS 411.148 to provide limited immunity from civil liability to certain medical providers for services rendered, without compensation to law enforcement agencies.

Feb 12-introduced in Senate

Feb 23-to Judiciary (S)

SB 138 (BR 886) - T. Jensen, R. Stivers II

AN ACT relating to natural resources and making an appropriation therefor.

Create new sections of KRS Chapter 56 to authorize the Finance and Administration cabinet to lease mineral rights owned by the state and by public universities; establish requirements for leases applicable to operations on state-owned, university-owned lands; establish royalty requirements on oil and gas leases; require the Finance and Administrative Cabinet to promulgate administrative regulations for auctioning the right to lease state-owned and university-owned mineral rights; create a new section of KRS 353.500 to 353.720 to require the Department for Natural Resources to develop a program of permitting oil and gas operations on state-owned lands; establish permitting requirements for oil and gas operations on state-owned lands; require that the proceeds from royalties, cash, bonuses, rents, and payments be paid into the oil and gas conservation fund to be used for the furtherance of the state agency of record on the deed and that proceeds from the fund be credited to the general fund for each agency of record; amend KRS 353.310 to set jurisdiction over oil and gas leases of state-owned mineral rights in Franklin Circuit Court; and amend KRS 353.510 to define

"program," "fund," "alternative fuel" and "alternative energy infrastructure," "state oil and gas lease" and "state agency."

SB 138 - AMENDMENTS

SCA (1, T. Jensen) - Make technical correction to change shot-in to shut-in.

HCS - Retain original provisions of SB 138/GA; increase royalty reservation above 12.5 percent by negotiation in the lease; require separate reclamation and plugging bond; allow Finance and Administration to negotiate the construction, placement and operation of facilities appurtenant to the oil and gas operation; exempt the state from paying tax under 143A.020; require that forfeiture of the lease automatically forfeits all bonds; exempt moneys from required bonds and fines and penalties from the oil and gas permittee from the Oil and Gas Conservation Fund and are remitted to the appropriate funds established for plugging, reclamation and division operations; require the secretary of the Environmental and Public Protection Cabinet rather than the Commissioner of Natural Resources approve lands for the program; and make technical corrections.

HFA (1, R. Webb) - Authorize the commissioner of the Department for Natural Resources to determine which state-owned or university-owned lands are unsuitable for oil and gas operations; and require the department to submit a written report of the monies received in and distributed from the oil and gas conservation fund to the Governor, the Legislative Research Commission, and the Interim Joint Committee on Appropriations and Revenue.

HFA (2, S. Lee) - Remove jurisdiction of Franklin Circuit Court for appeals of final determinations of administrative hearing officers and give jurisdiction to the Circuit Court of the county where the land leased for the oil or gas operation is located; and remove jurisdiction of Franklin Circuit Court over proceedings involving a lease authorized under Section 1.

HFA (3, S. Lee) - Remove jurisdiction of Franklin Circuit Court for appeals of final determinations of administrative hearing officers and give jurisdiction to the Circuit Court of the county where the land leased for the oil or gas operation is located; and remove jurisdiction of Franklin Circuit Court over proceedings involving a lease authorized under Section 1.

HB 30 (BR 177) - M. Marzian, C. Embry Jr., B. Housman, D. Watkins

AN ACT relating to health care services provided in clinical trials for the treatment of cancer.

Create a new section of Subtitle 17A of KRS Chapter 304 to prohibit a health benefit plan from excluding coverage for routine patient healthcare costs that are incurred in the course of a cancer clinical trial if the health benefit plan would provide coverage for the routine patient healthcare cost had it not been incurred in a cancer clinical trial; provide that nothing in this section requires a policy to offer, nor prohibit a policy from offering, cancer clinical trial services by a participating provider; provide that nothing in this section requires services that are performed in a cancer clinical trial by a non-participating provider of a policy to be reimbursed at the same rate as those performed by a participating provider of the policy.

HB 30 - AMENDMENTS

HFA (1, M. Marzian) - Amend the exclusion from "routine patient healthcare costs" to include any treatment outside the usual and customary standard type and frequency of any diagnostic modality and delete any treatment modality care required to administer or support the service item or investigational drug that is the subject of the clinical trial.

HB 32/LM/CI (BR 73) - T. Burch

AN ACT relating to video lottery terminals, making an appropriation therefor, and declaring an emergency.

Create new sections of KRS Chapter 154A to establish video lottery terminals at licensed racetracks and in each county that authorizes video lottery terminals by a vote of the people of the county; direct the Lottery Corporation to purchase any video lottery terminals utilized in Kentucky; require that persons wishing to operate video lottery games allotted to counties obtain a contract from the Lottery Corporation after having acquired prior approval from the local governing board where the terminals will be located; place the oversight of the games under the jurisdiction of the Lottery Corporation; limit the number of video lottery terminals to 25 at any one premises unless the premises is a racetrack or a qualifying hotel; set qualifying hotels as those within five miles of a convention center or facility that seats 2,000 or more people; allow these hotels to operate up to 75 video lottery terminals; establish that the three types of video lottery terminal allocation are racetracks, uniform county allotment, and county allotment based on population; limit racetrack allocation to a set formula, uniform county allotment to 50 per county, and a total county population allotment to 6,000 video lottery terminals distributed to the counties proportionate to population; establish the duties and responsibilities of the corporation, its agents, and its employees; prohibit ex parte communications between lottery board members and contract holders, licensees, and applicants for such contracts or licenses; allocate a base number of 500 video lottery terminals to each licensed racetrack; grant additional video lottery terminals to each track based on the number of days of live racing held at the track; set additional allotment at 15 video lottery terminals for

each race day run beyond 30 and up to 50 race days, with an additional 10 video lottery terminals for each race day beyond 50 race days; prohibit operation of video lottery terminals on race days at the track where the live racing is being conducted from 30 minutes before the post time of the first race of the day until after the last race of the day has been run; allow a track to lease its machines to another track located in the same county; require tracks to run the same number of race days as in 2008 to remain eligible for video lottery terminals, with exemptions for extreme circumstances; prohibit any person less than 21 years of age from being on the premises or any portion of the premises where video lottery games are conducted; establish qualifications and responsibilities of video lottery retailers and licensees; list grounds by which a video lottery retailer or applicant may have his or her contract rescinded, revoked, suspended, or not renewed; permit the corporation to issue temporary licenses; prohibit the transfer of licenses without obtaining prior approval from the corporation; create an exemption to allow facilities developed for video lottery gaming activities to be considered permitted uses for zoning purposes; maintain other applicable zoning and building codes; specify how the moneys earned from the conduct of video lottery games are expended; cap the amount the corporation may spend on administrative and operating expenses to no more than seven percent of net terminal income; pay the lesser of 0.25% or \$2,000,000 to the compulsive gamblers' assistance fund, and the lesser of 0.4% or \$3,000,000 to develop testing methods to detect growth hormones and performance-enhancing or illegal drugs in racehorses; allot the lesser of 0.3% or \$3,000,000 of the net terminal income from racetracks to conduct post-race testing of racehorses for illegal drugs; devote remaining moneys to education, Medicaid matches, prescription drug program for seniors, equine industry program, video lottery retailers, budget reserve fund, and county governments where video lottery games are located; require the Auditor of Public Accounts to conduct an annual audit of the corporation's disbursements and expenditures; create a committee to conduct a study on video lottery games operating in the state and their impact on the economy; indicate the committee's membership; direct each county to conduct a local option election on video lottery terminals at the next general election that occurs more than 90 days after video lottery terminals are authorized generally; allow for subsequent elections on the issue after at least three years have passed since the last referendum; make racetrack employee collective bargaining agreements for nonsupervisory employees applicable to the track's video lottery terminal employees; generate a list by which undesirables may be ejected or excluded from any premises where video lottery games are being conducted; set out criteria to be used in making a determination as to whether or not such persons should be excluded or ejected; allow an individual to have himself or herself voluntarily added to the exclusion list; require the commission to notify a person placed on

the exclusion or ejection list; establish a procedure by which a person ejected or excluded may appeal the decision to eject him or her; define the term "cheat" and establish penalties for persons who cheat; create the compulsive gamblers assistance fund; determine how expenditures from the compulsive gamblers assistance fund will be utilized; require the commission to prepare an annual report detailing activities and expenditures of the compulsive gamblers assistance fund; encourage video lottery retailers to cooperate with local business and community organizations to stimulate the economy through tourism; make the Lottery Corporation's board members, executive director, and employees subject to the executive branch code of ethics; amend KRS 154A.010; 154A.030, 154A.040, 154A.050, 154A.060, 154A.063, 154A.070, 154A.080, 154A.090, 154A.110, 154A.130, 154A.400, 154A.420, 154A.650, 230.357, 230.550, 243.500, 243.505, 525.090, 528.010, 528.100, 154A.990, and 15.380 to conform; EMERGENCY.

HB 53 (BR 55) - T. Edmonds, F. Nesler, M. Rader

AN ACT relating to the titling of all-terrain vehicles.

Create a new section of KRS Chapter 186A to require the titling of all-terrain vehicles to be administered through the automated motor vehicle and titling registration system; establish that procedures for titling all-terrain vehicles be consistent with motor vehicle titling; establish guidelines for promulgation of regulations relating to titling of all-terrain vehicles; ensure the capability of receiving and discharging liens; amend KRS 186A.070 to require any state resident who purchases a new all-terrain vehicle or creates a security interest in an all-terrain vehicle after January 1, 2010, to apply for a certificate of title; prohibit the operation of an all-terrain vehicle on the roadway, except as provided by KRS 189.515.

HB 53 - AMENDMENTS

HCS - Retain original provisions of the bill with the following exceptions: amend Section 2 to explicitly prohibit an ATV from being registered in accordance with 186.020; add new Sections 3 and 4 to amend KRS 186A.130 and 186A.245 to set fees for titles for all terrain vehicles.

SFA (1, B. Leeper) - Retain original

provisions with the following changes: require titling of an all-terrain vehicle only when a security interest is created; allow those who purchase an all-terrain vehicle without a security interest to apply for a title if desired; require that all all-terrain vehicle titles issued be transferred upon change of ownership, regardless of whether a security interest is created upon transfer.

SFA (2, E. Harris) - Move date for the implementation of the system from January 1, 2010 to July 1, 2010.

SFA (3, B. Smith) - Retain original provisions with the following changes: redistribute the \$15 application fee for certificate of title for an all-terrain vehicle to provide that the Transportation Cabinet shall receive \$6, the county clerk shall receive \$6, and \$3 shall go to the Kentucky Recreational Trails Authority for Adventure Tourism initiatives.

SFA (4, W. Blevins Jr.) - Retain original provisions with the following change; provide that \$1 of the \$15 application fee for certificate of title for an all-terrain vehicle shall go to the Traumatic Brain Injury Trust Fund established in KRS 211.472.

SFA (5, B. Smith) - Retain original provisions with the following changes: redistribute the \$15 initial application fee for a certificate of title for an all-terrain vehicle so that the county clerk receives \$6, the Transportation Cabinet receives \$5, the Kentucky Recreational Trails Authority receives \$3 for Adventure Tourism initiatives, and the Traumatic Brain Injury Trust Fund established in KRS 211.472 receives \$1.

HB 102/FN/LM (BR 155) - D. Pasley, J. Crenshaw, R. Palumbo, J. Richards, T. Thompson, D. Watkins, B. Yonts

AN ACT relating to public infrastructure authorities.

Establish KRS Chapter 175B and create 20 new sections thereof to: provide definitions; establish the Kentucky Public Transportation Infrastructure Authority, specify membership, meeting requirements, staffing, and operations; state the purpose and powers of the authority; direct authority to evaluate potential projects, require that projects be proposed by a local government and approved by the department; permit tolling; establish requirements for level of tolling; direct how proceeds of tolls and other revenues shall be used; permit

authority to contract with the department for construction and operations; specify that the authority shall maintain control of projects and revenues from projects; authorize projects constructed by the authority to include interchanges with existing roadways; permit authority to issue administrative regulations, permit public utilities to utilize rights of way under specific circumstances; permit agreements for use of real estate assets of the authority by the Commonwealth; authorize issuance of bonds; state that bonds are not a debt of the Commonwealth; permit incidental use of rights of way for specified purposes; authorize trust relationships; authorize state agencies and localities to invest in bonds; exempt bonds from state taxation; allow authority to contract for provision of maintenance services; direct that projects shall revert to ownership by the Commonwealth when all bonds are retired; require issuance of an annual report and require an annual audit; prohibit officers and employees from directly investing in authority bonds; indemnify board members and employees from personal liability; authorize previous planning and other work to become a part of the function of the authority; amend KRS 176.420 to require the activity of the authority to be evaluated as a part of the six-year road plan; repeal the following sections: KRS 181.850, 181.851, 181.852, 181.853, 181.854, 181.855, 181.856, 181.857, 181.858, 181.859, 181.860, 181.861, 181.862, 181.863, 181.864, 181.865, 181.866, 181.867, 181.868, 181.869.

HB 102 - AMENDMENTS

HCS/FN/LM - Retain original provisions of the bill; authorize creation of a local authority and describe its powers and duties; clarify responsibilities of members of the authority and prohibit them from entering into contracts with the authority; clarify bond language; expand requirements for transfer of project to the Commonwealth; make technical corrections.

HFA (1, D. Pasley) - Make technical corrections to clarify which local government can apply; clarify that a financial plan is created before the development agreement.

HFA (2, S. Brinkman) - Require the local government where a transportation project is to be located to be a party to the financing plan, rather than being consulted with regard to the plan.

HFA (3, D. Owens) - Require confirmation of citizen members of the state authority to be confirmed by the Senate and the House; require confirmation of appointees of a local chief executive to a local authority be confirmed by the local legislative body.

HFA (4, D. Owens) - Increase the membership of the state authority from 11 to 13, specify that one member be appointed by the Speaker of the House and one member by the President of the Senate.

HFA (5, D. Owens) - Change the makeup of a local infrastructure authority to have three members appointed by the Governor and four members appointed by local government chief executives.

HFA (6, S. Brinkman) - Include a local government where a proposed project is located when a development agreement is agreed upon.

SCS/FN/LM - Delete all language; amend KRS 175.410 to update definitions; amend KRS 175.420 to declare legislative intent; amend KRS 175.425 to recognize the Turnpike Authority as an instrumentality of the Commonwealth; amend KRS 175.430 to require meetings; amend KRS 175.450 to declare purpose and powers of the Authority; create new sections of KRS Chapter 175 to allow development in conjunction with other road development: to authorize the method for creating a bi-state authority and describe its duties and responsibilities: to authorize bonds, describe limits and responsibilities: to allow tolling, provide uses and limits of tolls: to require annual reporting and annual audits: to prohibit employees from investing in bonds of the authority: to indemnify officers and employees: to authorize acceptance of previously begun work on a project; amend KRS 174.470 to authorize agreements; amend KRS 175.490, 175.510, 175.530, 175.540, 175.560, and 175.570 to clarify language; amend KRS 175.580 to require the authority to maintain projects; amend KRS 175.610 to require evaluation of projects and transfer to the Commonwealth when certain conditions are met; amend KRS 176.420 to require the Department of Highways to coordinate the six year road plan with the activity of the authority; amend KRS 42.409; repeal the following sections: KRS 181.850, 181.851, 181.852, 181.853, 181.854, 181.855, 181.856, 181.857, 181.858, 181.859, 181.860, 181.861, 181.862, 181.863, 181.864, 181.865, 181.866, 181.867, 181.868, 181.869.

HB 106 (BR 368) - T. Thompson

AN ACT relating to mortgages.

Amend KRS 286.8-010 to create definitions for compliance with the federal S.A.F.E. Mortgage Licensing Act of 2008; amend KRS 286.8-020 to establish new requirements for mortgage loan companies and mortgage loan brokers; create a new section of Subtitle 8 of KRS Chapter 286 to establish requirements for mortgage loan originators and mortgage loan processors; amend KRS 286.8-030 to prohibit transaction of business in Kentucky as a mortgage loan company or mortgage loan broker without the licensing required by Subtitle 8 of KRS Chapter 286 unless specifically exempted; provide that each solicitation, attempt, or closed loan constitutes a separate violation, require that the unique identifier appear clearly on the mortgage loan application and on solicitations or advertisements and prohibit representations on a mortgage loan application that are inconsistent with this subsection; amend KRS 286.8-032 to exempt a mortgage loan company from the requirement that the company have a funding source of a minimum of \$1 million dollars if the company certifies that it shall not purchase or make loans secured by mortgages on residential property in Kentucky so long as the company's license is in effect and the company maintains a net worth in excess of \$100,000; clarify that an applicant for a mortgage loan broker license who has held a broker's license for at least one year within the last five years is exempt from the educational training course requirement; require that the application for a mortgage loan broker and mortgage loan company license shall include a physical location of a mortgage lending business that is a street address and not a post office box and revise the proof of residence requirements; amend KRS 286.8-034 to require submission of a license renewal to the Nationwide Mortgage Licensing System and Registry with an annual report of condition on a form prescribed by the Nationwide Mortgage Licensing System and Registry in addition to submission to the executive director; amend KRS 286.8-044 to require that notice of entry of any order by the executive director relating to the suspension or denial of a license, registration, or claim of exemption be in writing and served personally or by certified mail, authorize a hearing upon written request by the affected person, and authorize the executive director to enter a final order if a written request is not received within 20 days of service, as defined; amend KRS 286.8-046 to authorize the executive director to order any affirmative actions such as restitution or refund deemed necessary against any person who violates any provision of Subtitle 8 of KRS Chapter 286 or any administrative regulation promulgated thereunder or any order issued by the executive director; amend KRS 286.8-060 to amend the bond requirements; amend KRS 286.8-100 to prohibit transacting business, either directly or indirectly, without filing the required

application; amend KRS 286.8-150 to substitute a licensee or registrant for a mortgage loan company for purposes of classifying documents as confidential to protect the licensee or registrant, including documents obtained from the Nationwide Mortgage Licensing System and Registry, and authorize the executive director to determine the time period the documents may be classified as confidential and recognize that any material obtained from the Nationwide Mortgage Licensing System and Registry is subject to the provisions of Section 1512 of the S.A.F.E. Mortgage Licensing Act; amend KRS 286.8-170 to require every mortgage loan company and mortgage loan broker to maintain correct and complete records of its business transactions at its principal office; add mortgage loan originator and mortgage loan processor to the records retention and records access requirements; authorize the executive director to exchange information with the Nationwide Mortgage Licensing System and Registry; require every mortgage loan originator and mortgage loan processor to make available records relating to the originator or processor's operations to the executive director or designated examiner; specify reports the executive director may require of any person subject to Subtitle 8 of KRS Chapter 286; prohibit a mortgage loan company, loan broker, originator, or processor from impeding the executive director or a designated examiner from interviewing specified persons; authorize the executive director to control access to documents and records of a licensee or person under examination or investigation, subject to court order or consent of the executive director, but the licensee or owner of the documents shall have necessary access to the documents unless the executive director has reasonable grounds to believe the documents are at risk of alteration or destruction; prohibit knowingly withholding, damaging, changing, destroying or hiding paperwork which is subject to investigation or examination; authorize the executive director to retain necessary professionals to conduct examinations or investigations, enter into agreements or relationships with government officials or regulatory associations to improve efficiency in the regulatory process and engage analytical systems, methods, or software necessary to an examination or investigation; provide that this section is effective whether the person claims to act within the licensing or registration law of Kentucky or claims to act without authority; amend KRS 286.8-190 to conform; amend KRS 286.8-220 to make it unlawful to obtain property by fraud or misrepresentations, to fail to make required disclosures or to fail to comply with state and federal laws applicable to transacting business in Kentucky, and to comply with the provisions of Subtitle 8 of KRS Chapter 286, unless specifically exempted; amend KRS 286.8-225 to establish the "Mortgage Fraud Prosecution Fund" as a trust and revolving fund in the State Treasury and establish the sources of and uses for the Fund; amend KRS 286.8-227 to conform; amend KRS 286.8-240 to provide that KRS 286.8-010 to 286.8-285 may be cited as the "Mortgage Licensing and Regulation

Act"; amend KRS 286.8-255 to provide that no natural person shall transact business directly or indirectly as a mortgage loan originator or processor without a current certificate of registration and compliance with all applicable provisions of Subtitle 8 of KRS Chapter 286 and maintenance of a valid unique identifier issued by the Nationwide Mortgage Licensing System and Registry; authorize the executive director to require information deemed necessary in an application for registration; increase from 12 to 20 hours of pre-licensing education courses required for initial registration for mortgage loan originators and processors and specify that the pre-licensing education courses be approved and designated by the executive director and shall meet the requirements of Section 1505(c) of the S.A.F.E. Mortgage Licensing Act and shall be reviewed and approved by the Nationwide Mortgage Licensing System and Registry; authorize acceptance of pre-licensing education from any other states that meet the Kentucky requirements; delete the provision for a temporary certificate of registration; authorize the executive director to require background records checks necessary to comply with the minimum requirements of Section 1505 of the S.A.F.E. Mortgage Licensing Act and to require submission of an independent credit report with an initial application or renewal application; establish the minimum standards for registration for a mortgage loan originator or processor; establish the minimum standards for renewal of registration for a mortgage loan originator or processor; require mortgage loan originators to provide loan origination services to no more than one mortgage loan company or mortgage loan broker at a time; amend KRS 286.8-260 to establish new continuing professional education requirements to meet the minimum requirements of Section 1505(b) of the S.A.F.E. Mortgage Licensing Act; amend KRS 286.8-285 to authorize the executive director to participate in the establishment and implementation of the Nationwide Mortgage Licensing System and Registry, to implement and comply with the S.A.F.E. Mortgage Licensing Act, establish relationships or contracts with other governmental agencies, the Nationwide Mortgage Licensing System and Registry or affiliated entities as needed; authorize the executive director to establish interim procedures to implement the transition to the registration of new applicants and the renewal of previously registered persons; provide that the executive director may use the Nationwide Mortgage Licensing System and Registry as an agent for purposes of receiving, requesting, and distributing information; require the executive director to establish a process for challenging information submitted by the executive director to, and entered into, the Nationwide Mortgage Licensing System and Registry; require the executive director to request audited financial reports annually from the Nationwide Mortgage Licensing System and Registry; require the executive director to annually request any nonconfidential protocols or reports for security and safeguarding personal

information; require the executive director to annually request from the Nationwide Mortgage Licensing System and Registry specified statistical information relating to examinations taken by applicants for registration as a loan originator; require the executive director to report to the General Assembly when requested any information received from the Nationwide Mortgage Licensing System and Registry relating to audited financial reports, nonconfidential protocols or reports, and statistical information relating to loan originator licensing examinations; require the executive director to report violations of Subtitle 8 of KRS Chapter 286 to the Nationwide Mortgage Licensing System and Registry; create a new section of Subtitle 8 of KRS Chapter 286 to require every mortgage loan company and mortgage loan broker to exercise proper supervision and control over its operations and personnel and prohibit using the services of a mortgage loan originator who is not an employee under the supervision and control of the company, and provide this does not prohibit using the services of a mortgage loan broker and its employees; create a new section of Subtitle 8 of KRS Chapter 286 to establish severability of the provisions of this Act; amend KRS 286.2-100 to conform and to add "bank holding company", "savings and loan association holding company" and wholly owned subsidiary" of the named entities to the definition of "financial institution"; amend KRS 286.2-670 to conform by deleting the various foreign financial institutions listed as not doing business in this state and to substitute "a foreign financial institution"; amend KRS 286.2-680 to conform; create a new section of Subtitle 2 of KRS Chapter 286 to authorize the executive director to levy a civil penalty of not less than \$1000 nor more than \$5000, plus costs, on any person who violates any provision of Subtitle 2 of KRS Chapter 286; amend KRS 286.012 to conform; repeal KRS 286.8-040, 286.8-042, 286.8-200 and 286.230.

HB 106 - AMENDMENTS

HCS - Retain original provisions; make technical corrections; amend KRS 286.8-032 to require mortgage loan company license applicants to have and maintain a net worth of \$100,000 if the company certifies to the executive director that the company will not make or purchase loans secured by mortgages on residential real property; exempt from registration and regulation employees of a subsidiary of a depository institution which is regulated by specified federal agencies and institutions and the Farm Credit Administration; and, delete alternative mechanisms for the required corporate surety bonds.

SCS - Retain original provisions of the bill except delete requirement that a subsidiary is subject to examination at least once every two years.

HB 144/FN (BR 479) - G. Stumbo, D. Watkins, R. Adkins, L. Clark, R. Damron, H. Moberly Jr., R. Rand, J. Richards, J. Stacy, R. Weston

AN ACT relating to tobacco taxation.
Amend KRS 138.140 to make technical changes.

HB 144 - AMENDMENTS

HCS/FN - Amend KRS 138.140 to impose excise taxes of 56 cents per pack on cigarettes, 15% of the wholesaler's gross receipts of other tobacco products, 19 cents per unit of snuff; amend KRS 138.143 to require a floor stock tax on cigarettes, other tobacco products, or snuff inventory at 11:59 p.m. on March 31, 2009; amend KRS 139.470, effective April 1, 2009, to remove the exemption for sales and use tax purposes from the gross receipts derived from the sale of distilled spirits, wine, and malt beverages not consumed on the premises; EMERGENCY.

HCA (1/Title, R. Rand) - Make title amendment.

HFA (1, E. Ballard) - Retain original provisions except create a new section of KRS 138.130 to 138.205 to prohibit the imposition of any new tax or surtax on the wholesale sale of cigarettes, cigarette papers, other tobacco products, or snuff for a ten year period; prohibit any rate increase in the wholesale tax on those products for a period of ten years; create a new section of KRS 139 to prohibit any new tax or surtax on the retail sale of cigarettes, cigarette papers, other tobacco products, snuff, beer, wine, or distilled spirits for a ten year period; prohibit any rate increase in the retail sales tax on those products; create a new section of KRS 243 to prohibit the imposition of any new tax or surtax on beer, wine, or distilled spirits for a period of ten years; prohibit any rate increase in the tax imposed under KRS 243.710, 243.720, and 243.884.

HFA (2, S. Brinkman) - Limit imposition of sales tax on alcoholic beverages from April 1, 2009 to June 30,

2010.

HFA (3, T. Thompson) - Amend KRS 138.130 to include within the definition of "other tobacco products" both dry and moist snuff and to make conforming changes throughout the section; amend KRS 138.140 to remove the provision to tax snuff at 9 1/2 cents per unit; amend KRS 138.143 and 138.195 to make conforming changes regarding the taxation of snuff; and renumber subsequent sections accordingly.

HFA (4, M. Marzian) - Retain the original provisions of the bill, except continue to exempt distilled spirits, wine and malt beverages consumed off premises from the sales and use tax; amend KRS 141.066 to provide an earned income tax credit for tax years beginning on or after January 1, 2009; amend KRS 141.0205 to order credits; amend KRS 139.200 to increase the sales tax rate to 7% effective May 1, 2009; amend KRS 139.310 to increase the use tax rate to 7% effective May 1, 2009.

HFA (5, S. Santoro) - Provide that construction of K-12 and postsecondary education projects shall be exempt from the prevailing wage law from April 1, 2009 until March 30, 2011.

HFA (6, A. Wuchner) - Create a legislative efficiency and accountability task force.

HFA (7, A. Wuchner) - Provide that construction of K-12 and postsecondary education projects shall be exempt from the prevailing wage law from April 1, 2009 until March 30, 2011.

HFA (8, A. Webb-Edgington) - Retain original provisions of the bill except appropriate fifty percent of the revenues generated from the increase in cigarette tax to the Department of Education and fifty percent to the Cabinet for Health and Family Services.

SFA (1, K. Stein) - Retain original provisions of the bill except to impose a 96 cent surtax on each pack of cigarettes, a 70 cent floor stock tax on cigarettes, and allow the sales tax exemption on alcohol sales.

HB 153 (BR 80) - M. Denham, J. Bell, M. King, T. McKee, B. Montell, R. Palumbo, W. Stone

AN ACT relating to milk.
Create new sections of KRS Chapter 260 to establish a Kentucky Milk Commission; define "Commission", "Commissioner," "Milk," "Processor," "Producer"; designate commission members; set the requirements for membership on the commission; describe the duties of the commission, including creation of a dairy plan; create a Dairy Industry Fund.

HB 153 - AMENDMENTS

HCS - Retain original provisions except to refine definition of "Milk Processor" and "Milk Producer"; set a poundage standard for a "milk processor"; allow for a designee of a milk processor to serve on the Kentucky

Milk Commission; limit the commission's authority to promulgate administrative regulations related to pricing on milk; make technical corrections.

SCS - Retain original provisions, except refine definition of "milk"; delete legislative confirmation requirements for Kentucky Milk Commission members; require commission members to abide by the state ethics code; clarify Department of Agriculture's role related to the commission; establish a funding prerequisite for the commission to undertake certain issues; clarify how administrative regulations shall be promulgated; make technical corrections.

HB 193 (BR 341) - Ji. Lee, D. Ford, D. Butler, D. Horlander, H. Moberly Jr., L. Napier, D. Pasley, J. Richards, S. Riggs

AN ACT relating to auctioneers.

Amend KRS 330.010 to name the chapter; amend KRS 330.020 to add definitions of "auction," "personal property," "real property," and "sealed bid auction"; amend KRS 330.030 to prohibit auctioneers, limited livestock auctioneers, and auction house operators from advertising as or acting in those capacities without a license issued by the board; amend KRS 330.040 to exempt political parties, churches, and charitable organizations from licensure

when conducting auctions where all real or personal property is donated and 100 percent of the proceeds go back to the organization; exempt supervised students from licensure requirements; amend KRS 330.050 to prohibit more than two members of the same political party from serving concurrently on the board; authorize the board to establish and collect fees for the administration and enforcement of this chapter; require the board to maintain an annual list of licensees; establish criteria requiring removal of a board member from the board; amend KRS 330.060 to establish age and education qualifications for applicants for licensure; permit the board to waive the high school diploma or equivalent for an apprentice, licensed prior to 1985, applying for an auctioneer license; require applicants to complete 80 hours of board-approved auction education before applying for an apprentice auctioneer license; permit the board to waive the 80 requirement if the applicant demonstrates sufficient previous auction experience and competency by affidavit; require that applications for the examination be submitted on board-prepared forms; require applicants to remit an examination fee; require applicants to apply for initial licensure within 45 days of passing the exam; require licensee to retake the examination if license is not renewed within six months of expiration; require nonresident applicants to file an irrevocable consent that actions may be commenced against the applicant in any court of competent jurisdiction in Kentucky; amend KRS 330.070 to establish requirements for an apprentice auctioneer applying for an auctioneer license; require that effective June 30, 2010, apprentice auctioneers must apply for an auctioneer license within five years of receiving an apprentice license; increase the cap on the initial license fee and annual renewal license fee from \$100 to \$300; require that a license be renewed on or before its expiration date; require payment of a late fee for licenses renewed after the expiration date; permit a licensee to remit a fee to defer the continuing education required to renew to the next annual renewal; direct the licensee to retake the examination if the continuing education requirement is not met by the next annual renewal; permit the board to require licensees to complete a six hour core course every four years; require the board to issue each licensee a pocket license; require an apprentice auctioneer to affiliate with a new principal auctioneer within 30 days of being discharged or voluntarily terminating employment with a principal auctioneer; require a licensee to remit a reactivation fee and the annual renewal recovery fee to reactivate a license in escrow; authorize the board to fine, suspend, or revoke a licensee for failure to notify the board of a change of address within ten days; authorize the board to collect a fee for changing an address on its records; amend KRS 330.095 to establish requirements for reciprocity; establish initial reciprocal fee and renewal reciprocal fee; exempt a reciprocal licensee from reporting continuing education if licensed in a jurisdiction that has a continuing education requirement; require a reciprocal licensee to report continuing education if licensed in a jurisdiction that

does not have continuing education requirement; authorize the board to impose disciplinary actions on a reciprocal licensee; amend KRS 330.100 to exempt a nonresident Kentucky licensee from maintaining a place of business in Kentucky if a place of business is maintained in the nonresident's home state; direct an auction house operator to include license number on signs; exempt directional signs; require that all claims or disputes of auctions in Kentucky be adjudicated in the courts of this Commonwealth; create a new section of KRS Chapter 330 to establish advertising requirements; direct any auction advertisements to include the name of the managing principal auctioneer responsible for the auction or the licensed auction house operator; require the clear disclosure of any buyer's premium prior to the start of any auction; establish advertising requirements for court ordered, bankruptcy, seized, confiscated, or forfeiture property auctions, liquidation, surplus, inventory, or going out of business, estate, and living estate auctions; amend KRS 330.110 to increase the maximum fine for violating any provisions of this chapter from \$500 to \$2,000, the maximum term for a license suspension from four to five years, and the maximum period for probation from three to five years; add as a violation of this chapter entering a guilty or similar plea or being convicted of a felony, failure to enter into a binding written listing contract prior to advertising an auction, failure to provide a receipt to all persons consigning property for auction, failure to establish and maintain for five years records of auction transactions, and failure to present auction related information upon request by the board; amend KRS 330.180 to require the board to allow public inspection of records pursuant to the Kentucky Open Records Act; amend KRS 330.192 relating to the auctioneer's education, research, and recovery fund to permit the board to assess a renewal recovery fee established by administrative regulation; require the board to assess each applicant an initial recovery fee; require that all claims for monetary damages be made within 12 months of the act giving rise to the loss; amend KRS 330.220 to require that lots or parcels of real or personal property be offered subject to a separate sale at auction; establish provisions for completing an auction; permit an auctioneer to withdraw real or personal property at any time until completion of a sale at an auction with reserve; forbid an auctioneer from withdrawing an article, lot, or parcel from an absolute auction unless no bid is made within a reasonable time; establish prohibitions and exceptions for minimum starting bids at both absolute and reserve auctions; amend KRS 330.990 to define penalties; permit the board to seek injunctive relief; amend KRS 330.115, 330.120, 330.130, 330.170, 330.190 to make technical changes and to conform; repeal KRS 330.033, 330.035, 330.090.

HB 193 - AMENDMENTS

HCS - Retain original provisions; remove waiver of immunity clause regarding board's authority to purchase or not purchase insurance; specify that

the board-approved core course includes core subjects of Kentucky auction statutes and regulations, and ethics; exempt any auction sale of horses or any auctioneer participating in an auction sale of horses from certain advertising requirements, cause justifying disciplinary action, or provisions regulating absolute and reserve auctions; make technical corrections.

HFA (1, D. Ford) - Make technical correction.

HFA (2, K. Bratcher) - Retain original provisions except permit the board to waive the high school diploma requirement for a licensee licensed prior to 1985; require an applicant for an auctioneer license to complete 80 hours of approved classroom instruction; remove requirements for an apprentice applying for an auctioneer license, including possessing a current apprentice license, serving a two-year apprenticeship, and participating in at least ten auctions during the years prior to application; remove requirement that an apprentice auctioneer apply for an auctioneer license within 5 years of being issued an apprentice license.

SCS - Retain original provisions except reduce the maximum limit for an initial license fee and annual renewal license fee from \$300 to \$150; make appeals and requests for injunctions to the Circuit Court of the county in which the alleged violation occurred.

SFA (1, V. McGaha) - Retain original provisions; amend Section 4 to exempt from licensure persons who acquire real or personal property by consignment or purchase for the purpose of conducting an Internet auction.

SFA (2, D. Seum) - Retain original provisions except replace references to an applicant's residency with references to the state that issued an applicant's license as the basis for reciprocity.

AN ACT relating to economic development.

Amend Subchapter 34 of KRS Chapter 154 to expand the application of incentives available, to allow recovery of up to 100% of eligible skills upgrade training costs, and to allow an advance disbursement; create a new subchapter of KRS Chapter 154 and a new section in KRS Chapter 141 to replace existing economic development programs in KRS Chapter 154 Subchapters 22, 23, 24, and 28; create a new subchapter of KRS Chapter 154 and a new section in KRS Chapter 141 to establish an income tax credit program for employers who hire at least 5 new employees and who pay qualifying tuition expenses for employees, Create a new section of KRS Chapter 141 to establish an income tax credit for tuition and other educational expenses paid by a taxpayer who is a party to the Metropolitan College Consortium Agreement as of the effective date of the Act; date-limit the provisions of the Kentucky Enterprise Initiative Act and create a new subchapter of KRS Chapter 154 to establish a new incentive program substantially the same as the Kentucky Enterprise Initiative Act with the addition

of the purchase of data processing equipment under the \$5 million cap; create new sections of Subchapters 22, 23, 24, and 28 to date-limit the application of those subchapters to projects approved prior to the effective date of the Act; create a new section of KRS Chapter 141 to establish a cross-walk for the historic preservation tax credit provisions; amend KRS 171.396 and 171.397 to increase the historic preservation incentive cap from \$3 million to \$5 million, to make the credit refundable, and to make technical corrections; create a new section of KRS Chapter 139 to establish a sales and use tax refund for companies who purchase and install communication systems and computer systems; amend the provisions of KRS 148.851, 148.853, 148.855, 148.857, 148.859, and 139.770 to amend language relating to lodging facilities and to make technical corrections; create new sections of KRS Chapter 148 to establish a refundable income tax credit for the production of films; create a new section of KRS Chapter 148 to establish the Kentucky Film Commission; amend KRS 154.20-033, 141.0205, and 141.415 to conform; repeal KRS 141.415, 154.34-030, 154.34-040, 154.34-050, and 154.34-060.

HB 229 - AMENDMENTS

HCS (1/FN) - Retain original provisions; include a Kentucky wage component in calculating the amount of the advance disbursement allowed in the combined program; make the historic preservation credits transferable or refundable; make technical corrections; amend KRS 141.310 and 141.350 to conform.

HCS (2/FN) - Retain original provisions with the following changes: amend the reinvestment program provisions to reduce the minimum investment level from \$10 million to \$2.5 million, and delete the advance disbursement; amend the combined credits program to identify enhanced incentive counties, to establish a minimum wage requirement for counties that are not enhanced incentive counties of 175% of the federal minimum wage, to add benefits requirements, and allow approved companies in enhanced incentive counties to impose a wage assessment of up to 5% with no required participation from local governments; delete the tuition credit for employers; amend the tuition credit for Metropolitan College to define Metropolitan College, to limit the tax credits to payments made on behalf of employees attending Metropolitan College, and to sunset the tax credit on April 15, 2013; amend the new sales tax incentive for the purchase of communications or data processing equipment to reduce the minimum investment from \$200 million to \$100 million; amend the Tourism Development Act to include reporting requirements; amend the film industry incentives to include national touring companies for Broadway shows produced in Kentucky, to require the agreement to be approved by the Tourism Development Authority, to require that agreements be submitted to the Government Contract Review Committee, and to add additional reporting requirements; create a new section of KRS Chapter 176 to provide

that railroad crossings, railroad spurs that access industrial parks, and shortline railroads at or near intersections with roadways be considered roads.

HFA (1, R. Damron) - Include railroad spurs that connect economic development projects as a cost of the project; create a new section of KRS Chapter 176 to include railroad crossings as an acceptable use of road funds.

HFA (2, R. Webb) - Create a new section of KRS Chapter 131 to require the Department of Revenue to collect and report specific data to designated staff of the Legislative Research Commission no later than July 1 of each year.

HFA (3, J. Wayne) - Create a definition of "Metropolitan College" and require that in order for a taxpayer to be eligible for the tax credit, it shall be a partner in the Metropolitan College.

HFA (4, H. Moberly Jr.) - Retain original provisions; establish an annual cap for the tuition assistance credit of five million dollars.

HFA (5, H. Moberly Jr.) - Retain original provisions; allow the tuition assistance credit to be claimed only for employees who are Kentucky residents.

HFA (6, J. Jenkins) - Clarify the definition of "minimum wage target" to be the greater of 150 percent of the federal minimum wage or 75 percent of the average hourly wage for the county in which the project is to be located; clarify that to qualify for the project, the eligible company shall provide employee benefits equal to at least fifteen percent of the hourly wage paid to each employee.

HFA (7, H. Moberly Jr.) - Amend various sections to change the refundable credit to a nonrefundable credit.

HFA (8, H. Moberly Jr.) - Amend a new section created in KRS Chapter 141 to sunset the film industry tax incentives; authorize a study of the film industry tax incentives and KRS 139.538.

SCS/FN - Retain original provisions; amend provisions relating to the film industry incentives to reduce the level of investment for touring Broadway shows from \$500,000 to \$50,000; establish a new income tax credit for purchasers of new homes who do not qualify for the federal income tax credit; attach the provisions of HB 521, except delete provisions included in that bill that require incentives to be adjusted based upon the employment of Kentucky residents during the construction of the project; attach the provisions of Senate Bill 110, except amend to correct drafting errors; attach the provisions of HB 395; attach the provisions of HB 279; attach the provisions of HB 497, except amend to include all projects with agreements executed prior to January 1, 2008; establish an exemption from the pari-mutuel tax during an international horse racing event under certain conditions, during a one day event at a track authorized to conduct live racing for a minimum of 30 days in a calendar year, and for tracks conducting telephone account wagering participating as receiving tracks in intertrack wagering during the international horse racing event if the host tract is exempt from the pari-mutuel tax during the event; amend 2008

Kentucky Acts Chapter 127, Part II, Capital Projects Budget; J. Postsecondary Education; 8. University of Kentucky, to adjust project authorizations; amend KRS 243.050 to allow the issuance of a license to a convention center if the cost of the convention center was supported by at least \$10 million in public funding and the convention center is located in a city that has voted to discontinue prohibition in any way; attach the provisions of HB 26 except amend to make technical changes; attach the provisions of HB 299.

SCA (1/Title, D. Kelly) - Make title amendment.

SCA (2, J. Denton) - Attach the provisions of SB 85.

HB 233/LM (BR 873) - T. Edmonds, A. Koenig, A. Simpson

AN ACT relating to county consolidation.

Create new sections of KRS Chapter 67 to establish a new procedure for the optional consolidation of counties; exclude consolidated local governments, charter county governments, urban-county governments, and unified local governments from the procedures; permit two or more counties to consolidate with such action initiated by public petition or local ordinance; require signatures of 20% or more of the number of persons voting in last presidential election for initiation petition; provide for the contents and certification of petitions as prescribed; require the county judge/executive in the initiating county within 10 days to notify the other local governments and their citizens of the proposal as prescribed; require responding action in adjoining counties within 120 days or initial action becomes void; require a special election within 90 days if adjoining counties enter the process; require approval in each county for consolidation to become effective; prescribe the language for the ballot, other election procedures, and advertisement of the election by the sheriff; require a simple majority of those voting in each county for approval; require all election costs to be paid for by the state, and prohibit any organizational changes in a newly consolidated county for 10 years; prohibit any new county from becoming effective until the end of terms of current officeholders and require new officers to be elected in the same manner and at same time as other county officials; require the county judge/executive in each county to appoint 6 citizens to a transition committee as prescribed; require transition committee to divide county into 3-8 magisterial districts and to select 2-5 names for the new county to be decided by the voters; require final report of the transition committee as prescribed; provide for a gubernatorial appointee to break tie vote on questions relating the name of the new county, the formation of magisterial districts, or other issues on ballot; require all taxes from immediate year to remain in effect until changed by the new county; require the creation of a special taxing district for repayment of prior financial obligations in previously existing counties as prescribed; require surplus funds to be spent in the areas where funds were raised as prescribed; permit voters to determine the location of new county seat from previously existing locations;

require county seat to remain at that location for not less than 10 years; require other remaining county buildings to be maintained as branch offices for 10 years as prescribed; provide for federal and state election districts as prescribed; require the Governor's Office for Local Development to promulgate administrative regulations awarding preference points on community development block grant applications and provide technical and advisory assistance to consolidated counties; require, upon consolidation, all appointments to boards of special districts to remain in effect until the expiration of the term, at which point the appropriate appointing authority shall make new appointments; and repeal KRS 67.190, 67.200, 67.210, 67.220, 67.230, 67.240, 67.250, 67.260, 67.270, 67.280, 67.290, and 67.310.

HB 241/LM (BR 272) - R. Adams

AN ACT relating to body modifications and making an appropriation therefor.

Establish KRS Chapter 317C to create new sections thereof to require persons engaging in the practices of tattooing or body piercing or operating a body piercing or tattoo studio to obtain a license under the chapter; set out exemptions; prohibit a licensed tattoo artist from giving laser treatment, injecting Botox, and from performing permanent cosmetic tattoos; create board; establish membership; attach board for administrative purposes to the Division of Occupations and Professions; establish board duties; promulgate administrative regulations to ensure public safety and competence of the practitioners; require the board to promulgate administrative regulations relating to the training of persons licensed; establish qualifications for licensing as a tattoo artist, tattoo studio, tattoo instructor, body piercing technician, and body piercing studio; establish procedures for issuance and renewal of licenses; establish board's authority to impose disciplinary actions and the grounds upon which the actions may be taken; require that the provisions of this chapter supersede local government ordinances, except for those relating to occupational license fees and zoning requirements; create a revolving account; limit use of moneys in revolving account to administration of chapter; repeal KRS 211.760 and amend KRS 211.990 to conform.

HB 241 - AMENDMENTS

HFA (1, R. Adams) - Exclude from the definition of body piercing the penetration of the lower lobe of the ear to make a hole.

SCS/LM - Retain original provisions, except remove the inconsistent prohibition on the performance of "permanent cosmetic tattoo" procedures by tattoo artists; delete the accompanying definition of a permanent cosmetic tattoo; narrow the prohibition on performing cosmetic procedures such as collagen injections, electrolysis, and microdermabrasion to apply to only tattoo artists licensed under the new chapter; exempt from tattoo artist

licensure any person who is licensed or otherwise credentialed in a profession where a listed cosmetic procedure is within that profession's scope of practice; appoint one tattoo artist board member who exclusively performs permanent makeup under his or her tattoo license; make appeals and requests for injunctions to the Circuit Court of the county where the alleged violation occurred; correct the tattoo artist licensing fee to read a maximum of \$125 rather than a minimum of \$125; include a continuing education requirement for body piercing technicians, not to exceed 6 hours per year; extend the grandfathering period so that anyone who is properly registered under the old scheme by December 31, 2009, has until January 1, 2011, to register with the tattoo and body piercing board without meeting the educational and examination requirements; retain normal effective date for board creation and rule establishment, but make enforcement provisions and repeals of existing laws EFFECTIVE JANUARY 1, 2010.

SFA (1/Title, E. Tori) - Make title amendment.

SFA (2, E. Tori) - Attach the provisions of SB 79/GA which creates a new section of KRS Chapter 311 to specify how the phrase "individual, private setting" shall be interpreted in informed consent situations; create a new section of KRS Chapter 311 to require an ultrasound prior to an abortion; amend KRS 311.990 to provide a criminal penalty.

HB 262/FN/LM (BR 4) - A. Simpson, H. Moberly Jr., J. Arnold Jr., L. Clark, L. Combs, W. Coursey, M. Denham, M. Dossett, D. Floyd, R. Henderson, D. Horlander, A. Koening, C. Miller, L. Napier, D. Owens, J. Richards, S. Riggs, S. Santoro, J. Wayne, A. Webb-Edgington, R. Weston, A. Wuchner, B. Yonts

AN ACT relating to property taxes and declaring an emergency.

Make omnibus revisions to KRS Chapter 134 by amending, repealing, and creating various new sections to move the sale of certificates of delinquency from the sheriff's office to the county clerk's office; delete provisions requiring the state to purchase certificates of delinquency; specifically address the collection of delinquent personal property taxes; clarify who may make payments on tax bills and certificates of delinquency to the sheriff or the county clerk and the legal status of those making payments; provide that the sheriff's commission shall be paid whether the taxes are collected by the sheriff or the county clerk; establish a temporary procedure to address issues with the sale of certificates of delinquency for 2009; establish procedures for third-party purchasers to register with the Department of Revenue and with county clerks prior to participating in the sale of certificates of delinquency; clarify procedures relating to the payment of certificates of delinquency held by a third-party purchaser when the third-party purchaser cannot be located; clarify collection and reporting processes and procedures for sheriffs; establish officer and director liability provisions for nonpayment of property taxes; establish penalties; establish a new section of KRS Chapter 131 to move the lien provisions relating to taxes other than property taxes from KRS Chapter 134 to KRS Chapter 131; amend KRS 15.460, 45.241, 46.040, 64.012, 65.375, 66.480, 67.938, 67C.123, 70.020, 92.810, 131.130, 131.500, 132.193, 132.195, 132.220, 132.290, 132.370, 132.486, 132.820, 132.825, 133.120, 133.180, 133.220, 133.250, 134.480, 135.040,

136.180, 136.1804, 136.1877, 136.320, 138.715, 138.880, 149.580, 160.500, 186.020, 281.602, 304.20-200, 304.20-220, and 424.330 to conform; repeal KRS 134.020, 134.030, 134.040, 134.050, 134.060, 134.070, 134.080, 134.090, 134.100, 134.110, 134.120, 134.130, 134.148, 134.150, 134.170, 134.180, 134.200, 134.220, 134.240, 134.250, 134.260, 134.270, 134.280, 134.290, 134.295, 134.300, 134.310, 134.320, 134.325, 134.330, 134.340, 134.350, 134.360, 134.385, 134.390, 134.410, 134.430, 134.440, 134.450, 134.460, 134.470, 134.480, 134.485, 134.500, 134.540, 134.550, 134.560, and 134.570; allow the Department of Revenue to promulgate administrative regulations, develop forms, and take other steps necessary to implement the provisions of the Act prior to the January 1, 2010, general effective date of the Act; provide that the provisions of the Act apply for taxes related to assessment dates on or after January 1, 2009; provide that Sections 4, 71, and 73 of the Act have an emergency effective date; EMERGENCY.

HB 262 - AMENDMENTS

HCA (1, A. Simpson) - Make technical corrections.

HCA (2, A. Simpson) - Require the sale process for certificates of delinquency developed by the Department of Revenue pursuant to administrative regulations to be structured to allow all interested purchasers to participate; amend provisions relating to notice by third party purchasers to delete the requirement that returned notices be submitted to the property valuation administrator for correction of the address.

HFA (1, A. Simpson) - Delete the requirement of officer or owner liability for delinquent property taxes.

HFA (2, J. Jenkins) - Amendment erroneously drafted to the wrong bill.

HB 264 (BR 436) - J. Greer, S. Riggs, S. Santoro, T. Thompson

AN ACT relating to insurance loss run statements.
Create a new section of subtitle 12 of KRS Chapter 304 to define loss run statement; require an insurer to provide a loss run statement within 10 days of a written request submitted by another insurer; provide that the loss run statement shall be for a three-year loss run history or a complete history if less than three years; prohibit the receiving agent from divulging consumer information to a third party; prohibit an insurer from charging a fee for a loss run statement; and, create a new section of subtitle 99 of KRS Chapter 304 to provide that an insurer who does not provide a loss run statement as requested shall be fined not less than \$100 nor more than \$250 for each day the insurer fails to provide the loss run statement.

HB 264 - AMENDMENTS

HCS - Create a new section of Subtitle 20 of KRS Chapter 304, relating to casualty insurance, to define "commercial property and casualty" and "loss run statement"; create a new section of Subtitle 20 of KRS Chapter 304 to require that a loss run statement be provided to an insured or the insurer's

agent by an insurer within ten days of a written request by the insured or an insurer's agent; require an insurer's agent who receives a loss run statement to provide the statement to the insured within five calendar days; require the loss run statement contain a three year loss run history unless the history is less than three years; require an agent who receives a loss run statement to not divulge its contents and to maintain privacy of the consumer's information; prohibit charging a fee for provision of a loss run statement; and retain the penalty provision for failure to provide a loss run statement upon request as required, but apply it to an insurer's agent in addition to the insurer.

HFA (1, J. Greer) - Clarify that an insurer's agent is the agent of the subject insurer; clarify that information be held confidential as required by law, rather than require privacy of other customer information; and make technical amendments.

HB 293/FN/LM (BR 937) - L. Clark, D. Horlander

AN ACT relating to fire inspection fees and making an appropriation therefore.
Create a new section of the KRS Chapter 227 establishing definitions; create a new section of the KRS Chapter 227 to require inspections by fire marshal, require payment of fees, establish fee schedule for inspections, and determine fees for violation of fire safety code; exclude fire districts established under KRS Chapter 75 from the provisions of this Act; create a new section of the KRS Chapter 227 establishing a revolving account to pay for fire inspection program; make provisions of the Act effective July 1, 2009.

HB 293 - AMENDMENTS

HCS/FN/LM - Retain original provisions of the bill, except clarify that "educational occupancy" as used in KRS Chapter 227 does not include any building occupied by a common school or a nonpublic primary or secondary school; clarify that the state fire marshal shall receive the fees assessed for inspections performed by that agency and that additional fees may be assessed as provided in KRS 227.336 if violations are found during the inspection; clarify that if another state agency performs an inspection without prior consent from or agreement with the state fire marshal, fees received by the other state agency are to be deposited into the fire safety inspection trust fund; clarify that a fire department recognized under KRS Chapter 95A shall receive the inspection fees if the fire department is deputized by the state fire marshal and performs inspections in accordance with the established guidelines; clarify

that when no inspection program exists, the state fire marshal shall retain jurisdiction and the established fees; make technical corrections.

HB 322 (BR 1218) - M. Cherry, M. Henley, L. Belcher, R. Crimm, K. Hall, M. Harmon, F. Nesler, S. Rudy, T. Thompson

AN ACT relating to school calendars and declaring an emergency.

Allow a local board of education in a county identified as a federal disaster area because of Tropical Storm Ike and the severe weather storm of January and February of 2009 to request from the commissioner of education up to ten (10) disaster days missed and require the commissioner to approve the request; allow a local board of education in a county not identified as a federal disaster area to request from the commissioner of education up to ten disaster days missed due to Tropical Storm Ike and the severe weather storm of January and February of 2009 and allow the commissioner to approve the request at his or her discretion; require staff to make up days approved as disaster days; identify activities to be used by staff to make up days; EMERGENCY.

HB 322 - AMENDMENTS

HCA (1, C. Rollins II) - Clarify that the request made by a local board of education is to waive the makeup of up to ten days missed due to bad weather.

HFA (1, M. Cherry) - Permit, rather than require, the commissioner of education to approve a request for disaster days.

HFA (2, C. Rollins II) - Require a school district to use all makeup days included in the district's approved calendar for 2008-2009 before the local board may request approval to waive the makeup of instructional days missed.

SCA (1, K. Winters) - Permit the commissioner of education to approve a local board of education's request to exceed the five instructional hours that do not have to be made up under administrative regulation when school days were shortened to address an emergency situation; amend KRS 157.360 to permit time missed due to shortening days for emergencies to be made up by lengthening school days in the school calendar without any loss of funds under the program to support education excellence in Kentucky.

SCA (2, K. Winters) - Require a request for disaster days be made no later than May 1, 2009; require the commissioner to approve or deny a request within ten calendar days of the original request.

SFA (1, W. Blevins Jr.) - Allow the commissioner of education to approve a plan submitted by a local board of education that extends the instructional day by not less than thirty minutes.

SFA (2, T. Shaughnessy) - Require a local school district to make up the first 10 days missed due to disasters or emergencies; require the commissioner of education to approve a request from a local school district to waive the makeup of any days missed beyond 10 that the district missed due to disasters or emergencies.

HB 326 (BR 509) - S. Riggs

AN ACT relating to reorganization. Amend various sections of the Kentucky Revised Statutes to rename the Governor's Office of Local Development the Department for Local Government; confirm Executive Order 2008-509.

HB 326 - AMENDMENTS

SCS - Retain original provisions of the bill except reclassify the City of Sadieville, in Scott County, population 289, from a city of the sixth class to a city of the fifth class and reclassify Junction City, in Boyle County, population 2,184, from a city of the fifth class to a city of the fourth class. As provided in Section 156A of the Kentucky Constitution, the population requirements for the classification of cities established by the former Section 156 of the Kentucky Constitution remain in effect until changed by law. Therefore,

classification as a city of the fifth class requires a population of 1,000 to 2,999 and classification as a city of the fourth class requires a population of 3,000 to 7,999.

HB 383/FN (BR 1636) - J. Jenkins, C. Embry Jr., D. Graham, D. Horlander, M. Marzian, C. Miller, J. Richards, W. Stone, J. Wayne

AN ACT relating to interscholastic athletics.

Amend KRS 156.070 to require high school coaches to be trained in cardiopulmonary resuscitation and in the use of automated external defibrillators; require automated external defibrillators be on-site for every high school practice, athletic activity or sporting event; require an ice pool to be readily available if the temperature is ninety-four degrees or higher; prohibit the Kentucky Board of Education from adopting policies that are contrary to these provisions.

HB 383 - AMENDMENTS

HCS/FN - Retain original provisions, except create a new section of KRS Chapter 160 to allow a local board to specify school personnel to receive training in the use of automated external defibrillators (AEDs) if the device is provided in the school; require the Kentucky Department of Education to provide districts a list of possible funding sources for the purchase of AEDs; encourage local boards to make an AED available at each high school athletic activity; require a local board to request local emergency medical services personnel be on-site for a high school athletic activity if no AED is available on-site; provide immunity from civil liability for personal injury that results from the use of an AED; require the Kentucky Board of Education or agency designated to manage interscholastic athletics to revise its procedures and criteria for avoiding heat injury.

HFA (1, J. Jenkins) - Retain original provisions except delete the requirement that an ice pool be available at outdoor high school sports activities or practices; require the Kentucky Board of Education to review, and revise if appropriate, procedures and criteria for avoiding heat injury; require the board to determine if regulations or policies should be adopted to provide guidance as to how to deal with athletes who experience heat-related injury or illness.

HFA (2, D. Graham) - Prohibit emergency medical services personnel or the employer or provider from being held liable if they are requested to attend a high school athletic event and are unable to attend.

SCS/FN - Delete provisions; direct the Kentucky High School Athletics Association, with assistance from the Kentucky Department of Education, to staff and coordinate a study of sports safety; establish issues to be studied

including the requirements and adequacy of sports safety education in public middle and secondary schools; establish the membership of the formal work group; require a report to the Interim Joint Committee on Education by October 30, 2009.

SFA (1, A. Kerr) - Create a new section of KRS Chapter 160 to require high school coaches to complete a sports safety course; identify the components to be included in the course; require coaches to pass an online test prior to receiving credit for course completion.

SFA (2, A. Kerr) - Direct the Kentucky Board of Education to require high school coaches to complete a sports safety course; identify the components to be included in the course; require coaches to pass an online test prior to receiving credit for course completion.

SFA (3/Title, A. Kerr) - Make title amendment.

SFA (4, A. Kerr) - Direct the Kentucky Board of Education to require high school coaches to complete a sports safety course; identify content to be included in the course; require high school coaches to complete the course and pass an end-of-course examination; beginning with the 2009-2010 school year, require at least one person who has completed a sports safety course to be on-site at every high school athletic practice and competition; EMERGENCY.

HB 401 (BR 324) - D. Ford, R. Rand, D. Butler, J. DeCesare, T. Kerr, A. Koenig, F. Nesler, S. Westrom

AN ACT relating to real estate brokerage.

Amend KRS 324.045 to make all applicants for licensure as a real estate broker subject to a national criminal history check involving the National Crime Information Center; require the applicant to release the results to the commission, pay the costs of the check, and complete the check within 90 calendar days prior to application; amend KRS 324.111, 324.151, and 324.170 to authorize the commission to conduct an emergency hearing for alleged escrow account violations by the licensee; place escrow account overdraft reporting burden on principal brokers; amend KRS 324.117 to clarify that a sales associate may have his or her name in the firm name after two years experience with the firm; amend KRS 324.141 to establish prerequisites for reciprocal licensure; require the commission to promulgate administrative regulations to implement reciprocity provisions; require all foreign applicants to furnish a certificate of good standing from the home jurisdiction with the Kentucky application; amend KRS 324.150 to permit the commission to conduct an emergency hearing in accordance with KRS Chapter 13B if a licensee is alleged to have committed an escrow account violation; require the commission to promulgate regulations to describe when emergency action is justified; amend KRS 324.160 to remove the prohibition for offering prizes to influence a purchaser or prospective purchaser of real estate; amend KRS 324.165 to conform; amend KRS 324.310 and 324.312 to require a principal broker to return an associate's license to the commission immediately upon written termination of that association or at any time upon the commission's request; declare that if a principal broker does not return a license to the commission within five business days, the license is considered released and the principal broker is in violation of conduct that constitutes improper, fraudulent, or dishonest dealing; amend KRS 324.420 to deny an aggrieved party recovery of compensation from the real estate education, research, and recovery fund, unless the compensation is for the actual financial harm suffered and is specifically related to the property; amend KRS 324.010 to define "managing broker"; amend KRS 324.121 to allow either a principal broker or managing broker to be deemed a dual agent in a designated agency situation.

HB 401 - AMENDMENTS

HCS - Retain original provisions of bill, except to add requirement for each applicant to complete and return to the commission within 120 days a signed affidavit verifying that there is nothing on the record to prohibit the applicant from licensure; require broker to provide written notice to the commission if escrow account overdrafts are not

corrected within 72 hours; delete requirement to attend a 6 hour commission-approved course on real estate fundamentals for individuals holding an active real estate license in another jurisdiction; amend "property management" definition as limited to transactions of buying, selling, renting, or leasing real property for owners of the real property; use the term "designated manager" rather than "managing broker."

HCA (1, D. Ford) - Retain original provisions except amend Section 13 to delete language limiting property management to the transactions of buying, selling, renting, or leasing real property for the owners of the real property.

SCS - Retain original provisions; create a new section of KRS Chapter 324 to exempt community association managers and not-for-profit community associations including townhouse, condominium, homeowner, or neighborhood associations from the jurisdiction of the Kentucky Real Estate Commission.

HB 413 (BR 1382) - L. Belcher, K. Sinnette, J. Carney, S. Overly, J. Richards

AN ACT relating to child custody.

Amend KRS 620.090 to establish that the period children are in temporary custody of the Cabinet for Health and Family Services or other appropriate person or agency will not exceed a period of time of 45 days from the date of the removal from his home.

Feb 11-introduced in House
Feb 12-to Judiciary (H)

HB 414 (BR 1375) - T. Thompson, R. Adams, D. Butler, R. Damron, J. Glenn, K. Hall, T. Kerr, R. Rand, S. Rudy, J. Stacy, F. Steele

AN ACT relating to pharmacy audits.

Create a new section of Subtitle 17A of KRS Chapter 304 to define "auditing entity" and to require that a provider agreement or provider contract between a pharmacy and an insurer, an agency of the Commonwealth, a health maintenance organization, a pharmacy benefits administrator or a pharmacy benefits manager that requires an audit of the pharmacy's records shall comply with this Act; create a new section of Subtitle 17A of KRS Chapter 304 to specify the requirements for an audit of the records of a pharmacy when conducted by an auditing entity pursuant to a provider agreement or provider contract; create a new section of Subtitle 17A of KRS Chapter 304 to require an auditing entity conducting an audit of a pharmacy to establish an appeals process, provide that if audit report or any portion of is unsubstantiated, the audit report or any portion thereof shall be dismissed, and provide that disputed funds shall not be collected until the appeals process is complete.

HB 414 - AMENDMENTS

HCS - Retain original provisions; amend Section 1 to define "administrator", "auditing entity" and "insurer" and require compliance with the requirements of this Act if a provider agreement or contract "allows" rather than "requires" a pharmacy audit; amend the audit time limit requirement by excluding audits resulting from evidence of fraud from the time limit.

HFA (1, T. Thompson) - Delete Kentucky licensure requirements for audit entity consulting pharmacist; allow an audit within the first 7 days of a month with consent of the pharmacy; authorize an appeal after the final audit report, rather than the preliminary audit report; and provide that the provisions of this Act do not apply to Medicaid investigative audits pursuant to KRS Chapter 205.

HFA (2, S. Brinkman) - Delete 30-day audit notice requirement and substitute 7-day audit notice requirement; delete the provision that prohibits an auditing entity from receiving payment based on a percentage of the audit recovery amount.

HFA (3, J. Gooch Jr.) - Delete the provision prohibiting recoupment of disputed funds by an auditing entity and in lieu thereof provide that recoupment

shall be only by contractual agreement and shall not be made until the appeals process is complete; require that if an individual audit identifies a discrepancy in excess of \$25,000, future payments to the pharmacy may be withheld pending finalization of the audit.

HFA (4, J. Gooch Jr.) - Delete 30-day audit notice requirement and substitute a 7 day audit notice requirement.

SCS - Amend to exempt audits where there are allegations of fraud, willful misrepresentation, or abuse and to exempt audits conducted for a Medicaid managed care organization.

HB 416 (BR 1031) - D. Graham

AN ACT relating to retirement.

Amend various sections of KRS Chapters 16, 36 61 and 78 to clarify that the accumulated contributions of the member shall not include funds contributed for retiree health benefits by employees who begin participating on or after September 1, 2008; clarify that the fiscal year shall be used for determining contribution and benefit limits under the federal tax code; ensure actuarial equivalence of all retirement payment options; define membership date; make technical amendments; provide that the funds contributed for retiree health benefits by employees who begin participating on or after September 1, 2008 shall be placed in a separate account within the pension funds; clarify that these funds shall not be deposited into the member contribution account; allow a beneficiary to receive benefits regardless of whether or not the member and employer filed the appropriate forms upon the member entering the retirement systems; require a deceased member's estate to take lump-sum payments rather than a monthly payment; amend KRS 61.541 to remove language relating to the estimation of the salary used for retirement purposes by fee officers; amend KRS 61.552 to allow an employee to separate service purchases on a new installment payment plan with the systems that were grouped under a previous installment payment plan; allow the employee to pay off a portion of the service purchase contract if payments on the contract have been stopped; remove language related to the purchase of service as a Domestic Relations Commissioner that expired December 31, 2002; amend KRS 61.565 to change the start date of the amortization period for amortizing the actuarially accrued unfunded liabilities from 1990 to 2007; amend KRS 61.590 to establish time limits for completion of retirement forms; amend KRS 61.615 to rewrite the process, benefits, and penalties for disability recipients returning to work; clarify and establish requirements for the application for reinstatement of disability benefits; amend KRS 61.623 to require the recipient to complete direct deposit forms rather than requiring both the recipient and the financial institution to complete the forms and to remove provisions providing for the disbursement of a paper check under certain conditions that expired December 31, 2008; amend KRS 61.630 to clarify that a deceased member's estate must take a lump-sum payment on the remaining payments due the member; amend KRS 61.645 to clarify who is eligible to vote in trustee elections and to specify that a system employee cannot be a trustee of the board; amend KRS 61.675 and 78.625 to clarify the date agency reports and contributions are due at the system's office; amend KRS 61.701 to clarify federal tax code references and specific purposes of the health insurance trust; amend KRS 61.702 to establish that the employee contribution for retiree health benefits applicable to employees who begin participating in the systems on or after September 1, 2008, shall be placed in a 401(h) trust rather than the insurance trust fund, clarify compliance with federal code requirements; clarify payments of health benefits to nonhazardous line of duty disability and death recipients;

amend KRS 61.705 to allow payment of \$5,000 death benefit to a licensed funeral home and to make technical amendments; amend KRS 16.645 and 78.545 to conform; repeal KRS 61.626 relating to transfer of contributions of a member the systems cannot locate.

HB 416 - AMENDMENTS

HCS - Retain original provisions and make technical corrections.

SCS - Retain original provisions; amend KRS 61.615 to restore the original language regarding reemployment of a person receiving disability benefits, to restore references to a "reduced" disability benefit, and to restore language relating to appeals to court if a person fails to request a formal hearing when their disability benefits are discontinued; amend KRS 61.645 to prohibit a former employee of Kentucky Retirement Systems from serving on the board of trustees of the systems.

Lee, B. Montell, D. Osborne, M. Rader, S. Rudy, S. Santoro, K. Stevens, W. Stone, K. Upchurch, S. Westrom, A. Wuchner

AN ACT relating to deadly weapons.

Create a new section of KRS Chapter 150, relating to fish and wildlife, to permit carrying firearms and deadly weapons for self-defense and defense of others while, hunting, fishing, trapping, and engaging in other activity; permit killing animals in self-defense, in defense of others, and for humane purposes; restrict arrest powers in such cases; prohibit the Department of Fish and Wildlife Resources from promulgating any administrative regulations restricting any right provided by the section.

HB 419 - AMENDMENTS

HCS/LM - Retain most original provisions except add provision specifying that a private landowner may permit or prohibit carrying of firearms on private land while hunting, fishing, or trapping or specify the type of firearm that may be carried; permit landowner to seek prosecution under KRS 150.090 when permission is violated; delete provision permitting killing of a injured or diseased animal for humane purposes; provide that forensic evidence or other competent evidence may be used for prosecutions in claimed self-defense cases; exempt killing of animals under the protection of the federal endangered species act, federal migratory bird treaty act, or federal bald and golden eagle protection act from the self-defense provisions.

HFA (1, B. Yonts) - Amend to delete provisions relating to the method of charging and trying an offense related to the killing of an animal in cases of self defense or defense of others.

HFA (2, R. Damron) - Clarify provisions of HCS related to where the Department of Fish and Wildlife Resources may regulate or enforce weapon violations and arrest procedure.

SCS - Delete original provisions of bill and replace with new sections amending KRS 237.115 and 237.110 addressing the right of universities, colleges, postsecondary education facilities, technical schools, and vocational schools to regulate the carrying of firearms in automobiles.

HB 433 - AMENDMENTS

HCS - Delete original provisions; amend the 2008-2010 state/executive budget to: appropriate funds in fiscal year 2008-2009 for a grant to Louisville Metro Government for asbestos remediation and demolition; provide that General Fund appropriations for coal severance debt service unexpended at the close of each fiscal year be transferred to the Local Government Economic Development Fund; allow the Attorney General to use certain restricted funds for other office programs; allow the Prosecutors Advisory Council to procure supplies and services for fiscal year 2008-2009 for any purchase up to \$5,000; appropriate general funds in both fiscal years to Murray State University's Breathitt Veterinary Center and to the University of Kentucky's diagnostic laboratories; provide priority for School Facilities Construction Commission debt service appropriations and provide for the support of certain Category 4 and 5 elementary schools construction and renovation projects; require the Department of Fish and Wildlife Resources to develop a transportation and improvement plan for the Lake Dreamland area; prohibit the Department of Education and the Kentucky Board of Education from passing along to local school districts any costs associated with the student information system that were borne by the state in fiscal year 2008-2009; provide that a school district may reduce per pupil allocations and retain fund balances in the district's general fund; appropriate funds in fiscal year 2008-2009 for a grant to the St. Joseph Mobile Health Clinic; provide that the Kentucky State Police is not required to make paper copies of KRS 433.890 forms and instructions; appropriate funds, not to exceed \$4,700,000 in fiscal year 2008-2009, for the Department of Public Advocacy; provide funding for optometry and veterinary medicine contract spaces; appropriate funds in fiscal year 2008-2009 for runway expansion at the Providence-Webster County Airport; provide for the reauthorization and reallocation of bond funds for the Bluegrass Water Supply Commission - Engineering and Planning of Regional Water Supply Improvements project; provide for the reauthorization and reallocation of bond funds for the Restoration of Grande Theater project; provide bond funds for Category 4 and 5 targeted funding; increase restricted funds for the Fish and Wildlife Resources' Land Acquisition Pool; provide for the reauthorization and reallocation of bond funds for the Rails to Trails - Purchase of Abandoned Railroad Track Dawkins, KY, to Evanstown, KY, 36.08 Miles project; provide to the Todd County Fiscal Court \$100,000 of bond proceeds in fiscal year 2008-2009 for the building of an access road and land acquisition; provide to the

Christian County Fiscal Court \$100,000 of bond proceeds in fiscal year 2008-2009 for a grant to the Hopkinsville Industrial Foundation, Inc.; provide for guaranteed energy savings performance contracts; reauthorize the Upgrade Fire Safety/Repair Morehead Youth Detention Center (YDC) project; provide for the Purchase and Improve Real Property - Downtown Jefferson CTC capital project and for the Construct Child Development Center, Cumberland Campus - Southeast KY Community Technical College (CTC) capital project; amend 2008 Kentucky Acts Chapter 123, L. Coal Severance Tax Projects, to add a Greenup County and a Pike County coal severance project and to change three Pike County coal severance projects; amend the 2008-2010 state/executive budget to provide greater flexibility for the reallocation of appropriations among budget units; provide that general fund (tobacco) appropriations for debt service unexpended at the close of each fiscal year be transferred to the Governor's Office of Agricultural Policy; amend 2009 Regular Session HB 143/EN to except out programs identified under the program flexibility subsection; amend 2009 HB 330/GA, the biennial road plan; EMERGENCY.

HCA (1/Title, R. Rand) - Make title amendment.

HFA (1, S. Overly) - Amend the biennial road plan to add a Jefferson County road project for KY-22.

HFA (2, R. Damron) - Create a new section of KRS Chapter 174 to establish the shortline railroad assistance fund specify how the funds may be used.

HFA (3, J. Lee) - Delete the St. Joseph Mobile Health Clinic appropriation.

HFA (4, H. Moberly Jr.) - Amend criteria for selecting category 4 and 5 school construction projects to include consideration of facility condition and delete the \$375,000 per pupil assessment.

HFA (5, J. Richards) - Add an appropriation for the Commonwealth's and County Attorneys and reduce the appropriation for the Department of Public Advocacy.

HFA (6, J. Richards) - Add an appropriation for the Commonwealth's and County Attorneys.

HFA (7, R. Nelson) - Amend to identify Category 4 and 5 elementary school construction projects and provide additional bonding authorization.

HFA (8, R. Nelson) - Add an appropriation for the Middlesboro-Bell County Airport.

HFA (9, T. Pullin) - Delete criteria and bonding authority for Category 4 and 5 elementary school construction.

HFA (10, B. Montell) - Add an appropriation for the Commonwealth's and County Attorneys and reduce the appropriation for the Department of Public Advocacy.

HFA (11, B. Montell) - Add an appropriation for the Commonwealth's and County Attorneys.

SCS - Retain original provisions, except for the following: delete Louisville Metro Government grant; delete funding flexibility for the Attorney General; provide that funds for Commonwealth's and County Attorneys are necessary governmental expenses in fiscal year 2008-2009; delete the appropriation for

Murray State University's Breathitt Veterinary Center and for the University of Kentucky's diagnostic laboratories; delete Category 4 and 5 targeted funding language; delete Lake Dreamland language; provide school districts with Extended School Service fund flexibility; provide \$1,400,000 in General Funds in fiscal year 2008-2009 to increase private child care provider reimbursement rates; delete grant for St. Joseph Mobile Health Clinic; provide that funds for the Department of Public Advocacy are necessary governmental expenses; provide that the Council on Postsecondary Education may reduce General Fund allotments for the Contract Space Program by 6.4 percent and that difference shall be deemed a necessary government expense; delete the Providence-Webster County Airport appropriation; delete the reauthorization and reallocation of bond funds for the Restoration of Grant Theater project; delete bond authorization for Category 4 and 5 Targeted Funding; delete the reauthorization and reallocation of bond funds for the Rails to Trails project; delete the Todd County Fiscal Court bond proceeds language; delete the Christian County Fiscal Court bond proceeds language; delete the Construct Child Development Center, Cumberland Campus - Southeast KY CTC capital project; delete all coal severance project changes; delete the amendments to the biennial road plan.

SCA (1, D. Boswell) - Amend the 2008-2010 state/executive branch budget to delete the requirement that the conveyance of certain property by the Hopkins County Board of Education to the Kentucky Community and Technical College System at a price that is acceptable to both parties be at fair market value; make technical corrections.

Feb 27-posted in committee

HB 443/LM (BR 1162) - M. Denham

AN ACT relating to commercial driver's licenses.

Create new sections of KRS Chapter 281A, relating to commercial driver's licenses, to require employers of persons possessing a commercial driver's license to report results of positive drug and alcohol screening tests to the Transportation Cabinet within three business days of receiving the results; establish the same requirements for a medical review officer acting on behalf of a Kentucky motor carrier; require the Transportation Cabinet to establish a commercial driver drug and alcohol testing database; establish procedures for requesting and receiving reports from the database; establish penalties for failure to check applicants against the database or failure to report positive drug or alcohol screening tests; amend KRS 281A.010 to define "medical review officer"; amend KRS 281A.220 to establish that applicants and employees applying for a safety sensitive transportation job who possess a commercial driver's license are deemed to have given consent to testing; amend KRS 281.755 to conform; EFFECTIVE January 1, 2010.

Feb 12-introduced in House
Feb 23-to Transportation (H)

HB 444 (BR 1675) - J. Bell, D. Owens, T. Burch, L. Clark, T. Firkins, D. Graham, J. Greer, J. Jenkins, M. Marzian, R. Meeks, R. Palumbo, J. Richards, T. Riner, A. Smith, G. Stumbo, T. Thompson, J. Tilley, R. Webb

AN ACT relating to deferred deposit transactions.

Amend KRS 286.9-010 to define terms relating to deferred deposit service transactions and creation of a database; amend KRS 286.9-070 to amend licensing requirements for applications for a license to engage in the business of cashing checks or deferred deposit transactions; amend KRS 286.9-080 to amend license renewal requirements for a license to engage in the business of cashing checks or deferred deposit transactions; amend KRS 286.9-100 to require disclosure in writing of any fee charged for entering into a deferred deposit transaction to be deemed a service fee and not interest, but provide the fee imposed in Section 8 of this Act for database access shall not be deemed a service fee; substitute the term "payment instrument" for "check, draft, or money order" and substitute the prosecutor or county law enforcement authority for the Commonwealth's attorney for enforcement purposes; provide that a licensee shall not have more than two (2), rather than one(1), deferred deposit transactions with a customer at any one time and the face amount of the transactions shall not exceed \$500; clarify that a licensee shall not enter into a deferred deposit transaction with a customer whose total transaction proceeds equal or exceed \$500 and require verification; prohibit licensees from entering into a deferred deposit transaction with a customer who has two (2) open transactions and require verification via the licensees own database or the state's database established by this Act if operational;

amend KRS 286.9-110 to increase the actions the executive director of financial institutions may take against a license and increase the grounds for such actions against a license; provide that license denial shall prevent licensing for one (1) year and provide that license revocation shall result in licensing ineligibility for three (3) years unless revoked twice which shall be deemed permanent revocation of the license; provide that surrender or expiration of a license does not affect civil or criminal liability nor impair obligation under preexisting contracts; authorize the executive director of financial institutions to notify the Department of Revenue to institute an action for the recovery of any penalty, fine, cost or fee assessed under Subtitle 9 of KRS Chapter 286; authorize the executive director of financial institutions to seek a temporary restraining order or injunction against any person who has violated or is about to violate Subtitle 9 of KRS chapter 286 and provide that the court shall have jurisdiction over the proceeding and may assess a penalty as set forth in this Act; amend KRS 286.9-040 to increase the amount of the required irrevocable letter of credit for applicants with twenty-one (21) or more business locations and allow deposit of a corporate surety bond and that the instruments shall be made payable to the executive director and shall be subject to suit thereon within three (3) years of the act upon which recovery is sought; create a new section of Subtitle 9 of KRS chapter 286 to provide that a deferred deposit transaction made by a person who is not licensed is void and provide that the executive director may void a transaction in violation of Subtitle 9 of KRS chapter 286; create a new section of Subtitle 9 of KRS Chapter 286 to require the executive director of financial institutions to establish a database for deferred deposit service business licensees, establish a \$1 fee per transaction for data and specify who may operate the database and the requirements for the database; require a licensee who ceases the business of deferred deposit transactions to report to the database provider and submit a plan for updating the database on outstanding transactions, subject to review by the executive director; require licensees to utilize the database within thirty (30) days of implementation; authorize the executive director to determine by rule or order data to be maintained, archived, and deleted; and authorize the executive director to utilize the database to administer and enforce Subtitle 9 of KRS Chapter 286; create a new section of Subtitle 9 of KRS Chapter 286 to authorize the executive director to levy civil penalties for violation of Subtitle 9 of KRS Chapter 286 in amount of \$1,000 to \$5,000 per violation, plus costs and expenses; create a new section of Subtitle 9 of KRS Chapter 286 to authorize the executive director to enter a consent order to resolve any matter arising under Subtitle 9 of KRS Chapter 286; create a new section of Subtitle 9 of KRS Chapter 286 to authorize the executive director, upon request of the affected person or licensee, to stay, suspend or postpone an order; create a new section of Subtitle 9 of KRS Chapter 286 to require every licensee to comply with all applicable federal and state laws,

in addition to Subtitle 9 of KRS Chapter 286; create a new section of Subtitle 9 of KRS Chapter 286 to require every licensee required to register with the United States Treasury Financial Crimes Enforcement Network to report to the executive director as required under the federal Bank Secrecy Act; create a new section of Subtitle 9 of KRS Chapter 286 to require each licensee to maintain an agent for service of process; create a new section of Subtitle 9 of KRS Chapter 286 to establish licensee recordkeeping requirements; create a new section of KRS Chapter 286 to authorize the executive director to enter emergency orders affecting licensees if the licensee has engaged in unsafe, unsound, or illegal practices that pose an imminent threat to the public interest and to specify the grounds for an emergency order; amend KRS 286.9-104 to require licensees to file report by March 1st, rather than September 1st of each year and to include specified information; amend KRS 286.9-120 to authorize the executive director to file an administrative complaint against any person if sufficient grounds exist that a potential or actual violation of this subtitle may be violated, subject to administrative hearing in compliance with KRS Chapter 13 B; amend KRS 286.9-090 to authorize the executive director to adopt reasonable administrative regulations relating to the records and documents of every check cashing and deferred deposit service business license and provide that the maintained records are subject to examination by the executive director without notice; provide that such records are not subject to the Kentucky Open Records Act unless ordered by a court of competent jurisdiction; authorize the executive director to share information with other state, federal, and international regulatory agencies and with other local, state, federal and international regulatory agencies law enforcement authorities; amend KRS 286.9-075, KRS 286.9-030 and KRS 286.9-102 to conform; and amend KRS 286.9-990 to provide that intentionally engaging in the check cashing or deferred deposit service business without a license shall be a Class D felony and each transaction constitutes a separate violation; provide that any person who intentionally violates relevant sections of Subtitle 9 of KRS chapter 286 or regulations promulgated pursuant thereto shall be guilty of a Class A misdemeanor; and provide that Sections 1 through 7 and Sections 9 through 23 of this Act take effect January 1, 2010.

HB 444 - AMENDMENTS

HCS - Retain original provisions; make technical corrections; clarify that the database fee may be passed on to the customer; increase the time for entering information into the database from 30 days to 90 days after implementation of the database; authorize that part of the annual licensee annual reports be derived directly from the database provider; and strengthen the confidentiality requirement.

HFA (1, J. Glenn) - Define "annual percentage rate" and limit the interest rate on a deferred deposit check to 36%.

HFA (2, R. Nelson) - Define "annual percentage rate" and "interest"; limit the

annual interest rate to 36%; require oral and written statements to the customer clearly describing the payment obligations and terms of the agreement.

HFA (3, R. Nelson) - Limit a customer to one outstanding transaction at any one time with total proceeds not to exceed \$500; delete language requiring the customer to state in writing that the customer has no outstanding transaction; prohibit a licensee from entering into a transaction with a customer if the customer had a transaction with any licensee within the previous 90 days.

HFA (4, R. Nelson) - Clarify the amount a licensee may charge a customer based on the amount of the proceeds received by the customer; prevent the licensee from passing along the service fee, imposed by the executive director, to the customer.

SCS - Retain original provisions and amend to permit the transfer or assignment of a license from one licensee to another licensee under certain conditions; amend to require the executive director to give written notice to licensees when the database is fully operational and require licensees to enter transaction information into the database upon receipt of the written notice from the executive director; establish that licensees have 90 days from the date of the operational notice determined by the executive director to have all transactions entered in the database; create a new section of Subtitle 9 of KRS Chapter 286 to prohibit the executive director from issuing new licenses After July 1, 2009 for a period of 10 years.

SFA (1, K. Stein) - Define "annual percentage rate" and limit the annual percentage rate for making a deferred deposit transaction to 36% and prohibit any fees in addition to the annual percentage rate.

HB 474/FN (BR 1023) - L. Clark

AN ACT relating to the regulation of horse racing in Kentucky and making an

appropriation therefor.

Amend KRS 138.510 to reduce the daily average handle threshold amount and increase the tax rate on tracks conducting pari-mutuel racing; dedicate a portion of the tax collected to the operations of the Kentucky Horse Racing Authority; amend KRS 230.3615 to reduce the threshold amount for on-track pari-mutuel handle per day of live racing and increase the commission; allocate a portion of the amount collected from gross amount wagered to the Kentucky Horse Racing Authority.

Feb 23-introduced in House
Feb 24-to Appropriations & Revenue (H)

HB 475/FN (BR 1024) - L. Clark

AN ACT relating to the taxation of secondary pari-mutuel organizations and making an appropriation.

Create a new section of KRS 138.510 to 138.550 to define "advance deposit wagering provider," and "secondary pari-mutuel organization"; require an SPMO to pay an excise tax in the amount of three and one-half percent on all money wagered by a resident of Kentucky; require the tax to be reported and paid in the same manner as the pari-mutuel tax; direct the distribution of revenue; amend KRS 230.240 to vest the Kentucky Horse Racing Authority with jurisdiction over an SPMO; require an SPMO under the jurisdiction of the authority to be licensed; permit the authority to impose license fees; require the authority to establish conditions and procedures for licensing and a fee schedule.

Feb 23-introduced in House
Feb 24-to Appropriations & Revenue (H)

HB 476 (BR 1418) - T. Pullin, M. King

AN ACT relating to military affairs.
Amend KRS 35.050 to add gender neutral language.

HB 476 - AMENDMENTS

HFA (1, T. Pullin) - Delete original provision of bill; create new sections of KRS Chapter 171 to create the Commonwealth of Kentucky War of 1812 Bicentennial Commission; provide for membership, terms, and organization; provide that the commission will expire December 31, 2015; establish duties.

Feb 23-introduced in House

HB 477/FN (BR 374) - A. Simpson, S. Santoro

AN ACT relating to the initial removal of human remains.

Create new sections of KRS Chapter 316 to provide for who shall apply for a permit, to perform the initial removal of human remains and who shall be exempt from the permit requirements; establish conditions of eligibility for a permit; indicate permit fees and when a permit expires; establish guidelines relating to the use of a vehicle; require the board to promulgate administrative regulations relating to application procedures and the initial removal of human remains; authorize the board to punish permit holders for violations, and persons engaging in initial removal without a permit; require permit holders to complete a course approved by the board before functioning on behalf of an entity regulated by KRS Chapter 316; amend KRS 316.010 to define "initial removal" and clarify that the definition of "supervision" does not apply to the initial removal of human remains; amend KRS 316.125 to enable the initial removal of human remains without the supervision of a licensed funeral director or embalmer; establish who may supervise and engage in the initial removal.

Feb 23-introduced in House
Feb 24-to Health & Welfare (H)
Feb 27-reassigned to Licensing & Occupations (H); posted in committee

HB 478 (BR 1671) - S. Rudy

AN ACT relating to loss of communications services in a declared state of emergency.

Amend KRS 278.030 to require the Kentucky Public Service Commission to promulgate administrative regulations to provide that, in the event of a declared state of emergency resulting from a natural or human caused disaster that results in the loss of land-line telephone or wireless communications capability to more than two (2) counties of the Commonwealth, telephone and wireless communications providers shall devise a schedule for the refund of any payments billed during the period of a declared state of emergency; require the PSC to promulgate administrative regulations requiring all wireless cellular transmission towers in the Commonwealth to be equipped with emergency backup generators within one (1) year of the effective date of this Act.

Feb 23-introduced in House
Feb 24-to Tourism Development & Energy (H)

HB 479 (BR 1251) - B. Yonts

AN ACT relating to reporting by health care facilities.

Create a new section of KRS Chapter 216 to require hospitals and other health care facilities that offer emergency services to report gunshot wounds, powder burns, and bullet wounds, and to report stab wounds if not inflicted by the victim; provide for immunity from liability for reporting if reasonable cause exists; provide that failure to report is a violation.

HB 479 - AMENDMENTS

HCS - Retain original provisions of the bill except to change "shall" to "may" and replace conditions for reporting with "the treatment of a person suffering from a gunshot wound or life-threatening injury indicating an act of criminal violence."

HB 480/AA (BR 115) - B. Yonts, L. Belcher, J. Crenshaw, T. Edmonds, C. Embry Jr., K. Hall, B. Montell, T. Moore, D. Osborne, R. Palumbo, T. Pullin, T. Thompson, A. Wuchner

AN ACT relating to Best in Class loan forgiveness and declaring an emergency.

Amend KRS 164.769 to require the Kentucky Higher Education Assistance Authority to give priority in the use of teacher scholarship program funds to loan forgiveness for teachers who were accepted into the Best in Class program prior to June 30, 2008; create a new section of KRS 164 to define the Best in Class program and to require the authority, if insufficient funds are available for loan forgiveness, to establish a schedule for loan payment over a ten-year period; EMERGENCY.

HB 480 - AMENDMENTS

HCA (1, C. Rollins II) - Replace "were accepted into the Best in Class Program" with "have outstanding loan balance eligibility for Best in Class loans issued"; add nurses and public service attorneys to eligible participants; establish a 30 year repayment schedule for participants if there are insufficient funds for loan forgiveness; urge the Governor to use discretionary funds from the federal American Recovery and Reinvestment Act to provide loan forgiveness to eligible program participants.

HCA (2/Title, C. Rollins II) - Make title amendment.

HFA (1, B. Yonts) - Replace "were accepted into the Best in Class Program" with "have outstanding loan balance eligibility for Best in Class loans issued"; add nurses and public service attorneys to eligible participants; establish an option for participants to negotiate an extended repayment schedule consistent with federal requirements if there are insufficient funds for loan forgiveness; urge the Governor to use discretionary funds from the federal American Recovery and Reinvestment Act to provide loan forgiveness to eligible program participants.

HFA (2, B. Yonts) - Replace "were accepted into the Best in Class Program" with "have outstanding loan balance eligibility for Best in Class loans issued"; add nurses and public service attorneys to eligible participants; establish an option for participants to negotiate an extended repayment schedule consistent with federal requirements if there are insufficient funds for loan forgiveness; urge the

Governor to encourage the Congressional delegation to provide American Recovery and Reinvestment Act or other federal funds to assist the Kentucky Higher Education Assistance Authority in providing loan forgiveness to eligible program participants.

AN ACT relating to education assessment and declaring an emergency.

Amend KRS 158.6451 to add an expectation relating to performing arts; amend KRS 158.6453 to add definitions; to require the department of education to plan and implement a comprehensive process to revise academic content standards and to complete the process in the areas of reading, language arts, mathematics, science, and social studies by December 15, 2010; disseminate the revised academic content standards by December 31, 2010; complete a revision of the academic content standards for arts and humanities, practical living skills, and career studies by May 15, 2010, and disseminate the revised academic content standards by June 30, 2010; require the Council on Postsecondary Education to sign a written agreement that the academic content standards for reading and mathematics are aligned with the postsecondary education course standards for reading and mathematics; require the Education Professional Standards Board and the Council on Postsecondary Education to provide information and training on the academic content standards to the postsecondary education faculty in the content areas and the teacher preparation programs; retain the current assessments and accountability requirements through the 2010-2011 school year; require professional development for teachers and administrators; require the Kentucky Board of Education to revise the annual statewide student assessment program for implementation in school year 2011-2012; require the revised plan to have student assessments including both formative and summative assessments; require the Department of Education to provide program guidelines and program review guidance for the arts and humanities, writing programs, practical living skills, and career studies; require biennial state and annual local program reviews for arts and humanities, writing programs, practical living skills, and career studies; require writing portfolios as a part of any school's writing program which shall be determined by each school-based decision making council; provide that the writing portfolio reflect a student's interests and growth over time and that a portfolio be maintained for each student in grades primary through 12 and travel with the student from grade to grade and to any school in which the student enrolls; eliminate writing portfolios from the state student assessment program in 2011-2012; require criterion-referenced tests, which are augmented with norm-referenced items in grades 3 through 8 to measure the depth and breadth of Kentucky's core content and to provide national profiles in the areas of mathematics, language, and reading; require a criterion-referenced test, augmented

with a customized or commercially available norm-referenced test to measure depth and breadth of social studies and science and to provide national profiles to be administered one time in the elementary and middle grades and the high school, respectively; require an on-demand assessment of student writing in grades 4 through 7 and grades 9 and 10; require an editing and mechanics test relating to writing, using multiple choice and constructed response items to be administered one time with the elementary and middle and high school, respectively; permit the state board to determine how end-of-course exams may be substituted for criterion-referenced tests at the high school level; require the state board within 60 days of the effective date of the Act to revise the Administration Code for Kentucky's Assessment Program to include prohibitions of inappropriate test preparation activities; require that accelerated learning be provided any student whose scores on any of the assessments indicate skill deficiencies; retain the ACT, college readiness, and high school readiness exams; require each school to devise an accelerated learning plan; require individual reports to parents on the achievement of their children compared to school, state, and national results; limit state core content testing to the last 14 days of a local district's school calendar and limit number of days of testing to no more than 5 during that period when the revised test is implemented; provide that a local board of education may adopt the use of commercial assessments for making formative judgments; amend KRS 158.6452 to require the School Curriculum, Assessment, and Accountability Council to provide recommendations relating to its responsibilities; amend KRS 158.6455 to modify language relating to successful schools and delete references to rewards; amend KRS 158.6458 to modify title of the assessment and accountability system, by adding reference to "academic achievement"; amend KRS 158.6459 to delete reference to the grade level of the high school readiness exam; amend KRS 158.649 to change dates for reporting student data to each school council beginning in the 2012-2013 school year and change dates for actions by school councils; amend KRS 156.095 to add assessment literacy and integration of performance-based student assessment in classroom instruction and require professional development to be made available; amend KRS 160.345 to require the school-based decision making council to review findings from annual and state program reviews in arts and humanities, writing, practical living skills, and career studies; amend KRS 164.020 to add duty for ensuring that academic core content standards in high school align with postsecondary education course entry requirements; amend 158.710, 158.805, 158.816, 159.035, and 160.345 to conform; make technical changes; EMERGENCY.

HB 508 - AMENDMENTS

HCS - Retain original provisions, except revise the goal relating to arts and humanities in KRS 158.6451; revise language related to the approval process and timelines for revising academic

standards; include references to accelerated learning for students with advanced learning needs; strengthen language relating to program reviews; revise language relating to revision of the Administration Code for Kentucky's Assessment program; align reporting dates for the reporting of assessment data to schools starting with the new assessment program; expand list of professional development areas to be made available to teachers based on their needs; eliminate the 100-day enrollment requirement for students to be counted in the testing accountability results and require the Kentucky Board of Education to define the calendar year required; remove the writing portfolio from the state assessment program beginning with the 2009-2010 school year and thereafter, but retain writing portfolios within the instructional program; specify that program reviews for writing, practical living skills and career studies, and arts and humanities will be included as determined by the Kentucky Board of Education in the revised accountability index; add section that specifies continuation during 2009-2010 and 2010-2011 of the existing tests, accountability system, and classification of schools but require the state board to adjust the value of the reading and writing components of the accountability index due to removal of the writing portfolio; require the Kentucky Department of Education and the Education Professional Standards Board to review and determine ways to improve the skills and confidence of pre-service and existing teachers in teaching writing during the 2009 and 2010 calendar years; require the Council on Postsecondary Education, the Kentucky Board of Education, and the Kentucky Department of Education to develop a unified strategy by May 15, 2010, to reduce college remediation rates by at least 50% by 2014 from the 2010 rates and increase the college completion rates of students enrolled in one (1) or more remedial classes by 3% annually from 2009-2014; direct the Kentucky Department of Education to communicate to districts and schools that decisions relating to textbook purchases for mathematics may be delayed until the mathematics standards have been revised and that the department shall allow off-list purchases in order to ensure textbooks selected align with the revised standards.

HFA (1, T. Riner) - Add additional qualities describing a self-sufficient individual of good character, including hard working, patriotic, and respectful of legitimate authority including parents, teachers, school officials, and law enforcement.

HFA (2, T. Riner) - Add additional qualities describing a self-sufficient individual of good character, including hard working, patriotic, and respectful of legitimate authority including parents, teachers, school officials, and law enforcement.

Feb 10-introduced in House
Feb 11-to House Floor; adopted by voice vote

HJR 119/FN (BR 1216) - R. Webb

Direct the Environmental and Public Protection Cabinet to promulgate administrative regulations requiring the development of Emergency Action Plans for high hazard potential dams in the Commonwealth.

HJR 119 - AMENDMENTS

HCS/FN - Retain original provisions of HJR 119; make technical corrections; state that impoundments under the jurisdiction of KRS Chapter 350 are regulated by the Department of Natural Resources exclusively; state that local, state, and federal emergency management and Homeland security are trained in emergency evacuation procedures; require within 180 days of the effective date of the Act that impoundments regulated under KRS 350 file only emergency action plans to the Department for Natural Resources; require that utilities regulated under KRS Chapter 278 that have impoundments file an emergency action plan with the Department of Environmental Protection; specify that emergency action plans perform downstream directional mapping rather than inundation mapping; and allow for use of USGS topographic mapping in addition to aerial mapping and geographic information systems for preparing mapping.

SFA (1, T. Jensen) - Make technical correction to delete "administrative."

SFA (2, K. Stein) - Require owners of high hazard coal slurry and ash impoundments to file emergency action plans for review and approval.

SFA (3, R. Jones II) - Delete original provisions of SJR 119 and replace with all sections of SJR 37.

Feb 10-introduced in House
