AN ACT relating to retirement.

Create a new section of KRS 21.345 to 21.580 to close the Legislators' Retirement Plan and the Judicial Retirement Plan to new members effective July 1, 2012, and to prohibit legislators and judges who take office on or after the effective date of this Act from participating in a retirement system for their service as a legislator or judge if the individual is retired and receiving a benefit from a state-administered retirement system; create a new section of KRS 21.345 to 21.580 to allow members of the Legislators' Retirement Plan and the Judicial Retirement Plan with less than 5 years of service to transfer their membership and account balance to the Public Employees Retirement System; create a new section of KRS 61.510 to 61.705 to close the Kentucky Employees Retirement System, the County Employees Retirement System, and the State Police Retirement System to new members effective July 1, 2012, and to prohibit retired members of other state-administered retirement systems from contributing to these systems or the Public Employees Retirement System if they are reemployed on or after the effective date of this Act; create a new section of KRS 61.510 to 61.705 to allow members of the Kentucky Employees Retirement System, County Employees Retirement System, and the State Police Retirement System, with less than 5 years of service to transfer their membership and account balance to the Public Employees Retirement System; create KRS Chapter 61A to establish the Public Employees Retirement System, a defined contribution plan administered by the board of the Kentucky Retirement Systems for new employees hired by a participating agency in the retirement systems closed under the provisions of this Act; establish administrative requirements of the Public Employees Retirement System and authorize the board to establish or amend existing plans or to contract with the Kentucky Deferred Compensation Authority for administration of the plans; establish eligibility for membership in the Public Employees Retirement System; provide that individual agencies may establish additional defined contributions with matching contributions for reemployed retirees not eligible to participate in the Public Employees Retirement System; establish matching employer contributions of 5% for non-hazardous employees and 8% for hazardous employees contributing to the Public Employees Retirement System and vesting rules for employer contributions; establish the State Treasurer as custodian of the Public Employees Retirement System; require that each employer shall contribute to the Public Employees Retirement System the amount that is otherwise contributed for employees still participating in the closed systems and to provide that the contributions shall be distributed to fund benefits and expenses of the Public Employees Retirement System and to pay off unfunded liabilities of the closed systems; cross-reference statutes pertaining to the Kentucky Employees Retirement System related to the Kentucky Retirement Systems board,

investment committee, employer duties, confidentiality of member accounts, correction of errors in records, and statements made under oath; allow the General Assembly to suspend or reduce benefits provided under the Public Employees Retirement System; establish minimum line-of-duty disability and death benefits for members of the Public Employees Retirement Systems of 25% of pay to the member or deceased member's spouse and 10% for each dependent child and require the systems to contract with a insurance company duly licensed in the state of Kentucky for administration; authorize the board to establish retiree health coverage for members and beneficiaries upon retirement or in-the-line-of-duty disablement or death and to establish a benefit of \$10 per month for non-hazardous employees and \$15 per month for hazardous employees; amend KRS 6.515 and 21.370 to increase the cost of purchasing active duty military service to the full actuarial cost for members of the Legislators' Retirement Plan and the Judicial Retirement Plan; prohibitservice purchases made on or after the effective date of this Act in the Legislators' Retirement Plan and the Judicial Retirement Plan from being used to vest for retiree health benefits; require service purchased on or after the effective date of this Act in the Legislators' Retirement Plan and the Judicial Retirement Plan to assume the earliest retirement date and cost of living adjustments in determining the appropriate actuarial cost and allow service in the Public Employees Retirement System to be used for determining eligibility for retirement in the Legislators' Retirement Plan but not the amount of benefits; amend KRS 6.525 to prohibit salary earned in another state administered system from being used to determine benefits in the Legislators' Retirement Plan if the member does not have service in the other state-administered retirement systems prior to the effective date of this Act; amend KRS 61.645 to provide a process for members of the Public Employees Retirement System to vote for existing elected trustees of the Kentucky Retirement Systems board and to make conforming changes; amend KRS 61.650 to establish the board of the Kentucky Retirement Systems as trustee of the Public Employees Retirement System; amend KRS 61.675 to establish employer reporting requirements for the Public Employees Retirement System; amend KRS 61.680 and 161.607 to allow service in the Public Employees Retirement System to be used for determining eligibility for retirement but not the amount of benefits; amend KRS 16.520, 16.645, 61.525, 61.645, 61.650, 61.675, 78.540, and 78.545 to conform; require the board of the Public Employees Retirement System to provide an update on the plan, including any legal issues involving state or federal law, to the Interim Joint Committee on State Government no later than October 31, 2011.

SB2 - AMENDMENTS

SCS1/AA/LM - Retain original provisions; amend Sections 2 and 4 to provide the election to participate in the Public Employees Retirement System

shall be subject to approval by the Internal Revenue Code, to void the section if the Internal Revenue Service denies approval of the election, and requires the systems to promulgate administrative regulations to carry out the provisions of the Section; amend Section 7 to allow the Kentucky Retirement Systems to establish a group trust under Federal law and regulatory authority to co-invest assets of the Public Employees Retirement System and other systems administered by Kentucky Retirement Systems, to require the systems to promulgate the plan document for the Public Employees Retirement System by administrative regulation, and to make technical amendments to the Public Employees Retirement System; amend Section 14 to replace line of duty disability and death benefits for new hires under the Public Employees Retirement System with optional life and disability insurance that is paid by the employee or the employer and to allow the systems to procure coverage through the Personnel Cabinet subject to Cabinet approval; amend Section 15 to provide that new hire benefits under the Public Employees Retirement System shall be subject to approval by the Internal Revenue Code of the 1% employee contribution for health being paid on a pre-tax basis by members of the Public Employees Retirement System, to void the section if the Internal Revenue Service denies approval of pre-tax contributions, requires the systems to promulgate administrative regulations to carry out the provisions of the Section, and removes insurance contribution for line of duty disability and death benefits to conform with changes in Section 14; amend Section 1, 4, 5, 11 to conform and to make technical amendments. SCS2/AA - Retain original provisions except to remove amendments that would close the County Employees Retirement System to new members effective July 1, 2012; remove amendments that would have provided retirement coverage to new local government employees hired on or after July 1, 2012, through the newly created Public Employees Retirement System. SCA1/AA/LM(D. Thayer) - Retain original provisions; close the County Employees Retirement System (CERS) to new members effective July 1, 2012, and provide participation in the newly created Public Employees Retirement System in lieu thereof; require the Kentucky Retirement Systems board of trustees to set the CERS employer contribution rates for the pension fund at 85% of the actuarially required contribution plus 1% of payroll; amend the current ten year phase-in to the full actuarially required contribution for retiree health contributions for CERS to set 85% of the actuarially required contribution as the new end target; restrict the CERS board from modifying amortization methods and periods for financing the unfunded liability as a result of the plan being closed to new members; restrict the CERS board from modifying the discount rate assumption for determining the retiree health contribution due to the 85% funding target or due to the plan being closed.

AN ACT relating to occupational and physical therapy.

Create a new section of KRS Chapter 304.17A to limit a copayment or coinsurance amount for the services of a physical therapist or occupational therapist to no more than 20% of the charge for the service provided; require insurers to clearly state the availability of therapies under their plans.

SB112 - AMENDMENTS

SCS1 - Retain provisions of the original bill, except require copayments or coinsurance amounts for the services of a physical therapist or occupational therapist to be limited to no more than 20% of the usual and customary reimbursement, rather than 20% of the charge, for the service provided.
SCA1(J. Denton) - Delete subsection (1) of Section 1 and in lieu thereof provide that an insurer shall not require a copayment or coinsurance for services rendered for each date of service by an occupational or physical therapist that is greater than a copayment or coinsurance required for the services of a physician or an osteopath for an office visit.
SFA1(J. Denton) - Delete the requirement for a maximum copayment for services rendered by an occupational therapist and a physical therapist and in lieu thereof require that each policy or contract clearly specify the coverage for occupational and physical therapy included in the plan, including all related limitations, conditions, exclusions, and copayments; add a subsection to apply the requirements of this section to the health benefit plan provided for employees under the state employee health plan.
SFA2(J. Denton) - Require an insurer offering a health benefit plan in Kentucky to offer at least one plan that has a maximum twenty percent copy for occupational and physical therapy charges for services rendered; add "copayments" to the coverage that shall be clearly stated by the insurer.
SFA3(J. Denton) - Delete the requirement for a maximum copayment for services rendered by an occupational therapist and a physical therapist and in lieu thereof require that each policy or contract clearly specify the coverage for occupational and physical therapy included in the plan, including all related limitations, conditions, exclusions, and copayments; add a subsection to provide that the requirements of this section shall not apply to the state employee health benefit plan.
SFA4(J. Denton) - Make title amendment.
SFA5(J. Denton) - Provide that the copayment maximum shall apply to all health care providers; provide that this requirement shall not apply to the state employee health benefit plan.
SFA6(J. Denton) - Provide that insurers offering health benefit plans must offer a plan that provides coverage for office visits to physical therapists, occupational therapists, and chiropractors for which copayments or coinsurance amounts are no greater than that of an office visit to a primary care physician; state that plans shall provide coverage for at least 50% of the total allowable charge; state that plans shall not impose more than one copayment for each date of service for the same patient utilizing the same provider; require insurers to clearly disclose the availability of physical

therapy, occupational therapy, and chiropractic coverages; state the effective date for the Act to be January 1, 2012.

HB26 (BR19) - L. Belcher

AN ACT relating to wastewater.

Create new sections of KRS Chapter 65 to express the findings of the General Assembly regarding wastewater and to authorize the creation of a regional wastewater commission as a pilot project area within Bullit, Hardin, Jefferson, Meade, Nelson, Oldham, and Spencer Counties; establish definitions for "commission," "member entity," "organizing official," "wastewater," and "sources of collected water," allow 2 or more member entities owning wastewater systems to acquire, construct, operate, and improve those systems; establish a method for member entities to form a regional wastewater commission; require the governing body of any member entity proposing participation in the commission to publish notice of a public hearing in accordance with KRS Chapter 424 at least 30 days' prior to the hearing; establish appointments of 1 commissioner to represent each member entity; require that the commissioner be a customer, resident, or authorized representative of the member entity; require no less than 3 commissioners and set the terms for the commissioners at 4 years; allow the commission to appoint a chair and officers; allow member entities to join existing commissions at any time; allow the commission salaries for other officers and employees; allow the commission's fund to pay expenses of commissioners and employees; require bonding for commissioners and other minor officials and bonds paid by the commission fund; require commission meetings and records be subject to open meetings and open records laws; allow removal of a commissioner for cause;

establish a method for a member entity to withdraw from the commission; establish the commission as a public body corporate and politic; allow the commission to execute contracts, make loans, issue and repay revenue bonds, receive proceeds from loans or grants, purchase, acquire, hold, and dispose of real and personal property, and exercise powers granted under KRS Chapters 58 and 224A; allow the commission to have full and complete supervision, management, and control over all of its facilities; require construction or expansion of any wastewater facility proposed be approved by either the Division of Water or the United States Environmental Protection Agency; exempt the commission from taxation; require the commission to procure the services of a certified public accountant to conduct an audit of all funds and fiscal transactions annually; exempt the commission from regulation by the Public Service Commission, except for contracts between the commission and a utility regarding provision of services that would result in an increase in rates paid by customers of that utility subject to approval by the Public Service Commission; allow the commission to set its rates and terms through contracts with member entities, nonmember entities, and neighboring states; establish minimum contract requirements; require a vote by the commission for rate changes and adjustments and notice requirements prior to rate changes; require the commission to procure professional or independent accounting to determine operating, maintenance, and debt service costs and provide recommendations for specific rates to offset the costs every 5 years; require the commission to determine final rates and charges based on the 5-year study consultation; require the commission to provide at least 60 days' written notice to the governing bodies of the member entities prior to the effective date of any change in rates or charges for service; amend KRS 58.010 to include a regional wastewater commission in the definition of "governmental agency"; amend KRS 224A.011 to include a regional wastewater commission in the definition of "governmental agency," and to include facilities related to the collection, transportation, and treatment of wastewater in the definitions of "infrastructure project" and "water resources project"; amend KRS 278.010 to exclude a regional wastewater commission from the definition of "public utility."

HB26 - AMENDMENTS

HCS1 - Retain original provisions of the bill, but in Section 1, remove Spencer County from list of counties that the pilot project can include; amend subsection 3 of Section 10 of the bill regarding costs that are attributable to the agreement between two service providers from being "other costs directly attributable", to be rather "any costs attributable" to be retired in whole or in part from revenue generated from providing the service without releasing the entity from the service agreement; amend subsection 1 of Section 11 regarding the levying of special rates under certain circumstances to allow the levying of special rates but to ensure

that such rates do not affect the benefits to nonmembers.

SCS1 - Retain original provisions of HB 26/GA; remove Nelson county from counties eligible to participate in wastewater commission; amend the definition of organizing official to include a member entity elected by the majority of member entities; create new sections of KRS Chapter 220 to require financial information of sanitation districts be available on the Internet; require that rates of a wastewater commission be fair, just, and reasonable; require rates of a wastewater commission to be provisional until approved by a majority of the legislative bodies that contain the member entity; require approval by the fiscal court if the member entity of the waste water commission is a special district or an agency of state or federal government; create a new section of KRS Chapter 220 to require sanitation district user fees, charges, and rates to be approved by the majority of the fiscal courts that participate in the district; amend KRS 220.035 to require service charges, rates, and user fees of districts not governed by KRS 220.135 to be approved by county fiscal courts.

SCS2 - Retain original provisions of HB 26/GA; remove Nelson county from counties eligible to participate in wastewater commission; amend the definition of organizing official to be a member entity elected by the majority of member entities; create new sections of KRS Chapter 220 to require financial information of sanitation districts be available on the Internet unless the district has less than 10,000 customers; require that rates of a wastewater commission be fair, just, and reasonable; require rates of a wastewater commission to be provisional until approved by a majority of the legislative bodies that contain the member entity; require approval by the fiscal court if the member entity of the waste water commission is a special district or an agency of state or federal government; create a new section of KRS Chapter 220 to require sanitation district user fees, charges, and rates to be approved by the majority of the fiscal courts that participate in the district if the rate is five percent or greater and by the chief executive of the counties and the mayor of a consolidated local government if less than five percent; amend KRS 220.035 to conform.

SCS3 - Retain original provisions of HB 26/GA; remove Nelson county from counties eligible to participate in wastewater commission; amend the definition of organizing official to be a member entity elected by the majority of member entities; create new sections of KRS Chapter 220 to require financial information of sanitation districts be available on the Internet unless the district has less than 10,000 customers; require that rates of a wastewater commission be fair, just, and reasonable; require rates of a wastewater commission to be provisional until approved by a majority of the legislative bodies that contain the member entity if the rate increase is greater than 5 percent; require that rate increases of 5 percent or more not occur more than once in a 12 month period; require approval by the fiscal court if the member entity of the waste water commission is a special district or an

agency of state or federal government; create a new section of KRS Chapter 220 to require sanitation district user fees, charges, and rates to be approved by the majority of the fiscal courts that participate in the district if the rate is 5 percent; delete requirement if the KRS Chapter 220 district has 10,000 or less customer accounts; amend KRS 220.035 to restore permissive authority of fiscal courts to approve rate increases if those increases are less than 5 percent and the district within the county has fewer than 10,000 customer accounts; require that rate increases not occur more than once within a 12 month period.
SFA1(J. Higdon) - Amend HB 26/GA to remove Nelson County from regional waste water authority.
SFA2(D. Seum) - Amend definition of organizing official to make it elected from the member entities.
