July 1, 2014.....	Two and twenty-five hundredths percent (2.25%)
July 1, 2015, and thereafter.....	Three percent (3.0%)

- (4) Institutions identified under KRS 161.220(4)(b) and (n) shall make a contribution for each payroll on behalf of their active employees who participate in the Kentucky Teachers' Retirement System of an amount equal to a percentage of these employees' payroll that is actuarially equivalent to the percentage contributed by local boards of education, agencies, and organizations identified under subsection (3) of this section, not to exceed the percentages established under the schedule set forth in subsection (3) of this section. The actuarial equivalent to be contributed under this subsection shall be determined by the Kentucky Teachers' Retirement System's actuary.
- (5) When the medical insurance fund established under KRS 161.420(5) achieves a sufficient prefunded status as determined by the Kentucky Teachers' Retirement System's actuary, the board of trustees shall recommend to the General Assembly that the contributions required under subsections (3) and (4) of this section shall, in an actuarially accountable manner, be either decreased, suspended, or eliminated.

In the event an annual appropriation is less than the amount of these requirements, the state shall make up the deficit in the next biennium budget appropriation to the retirement system. Employer contributions to the retirement system are for the exclusive purpose of providing benefits to members and annuitants and these contributions shall be considered deferred compensation to the members.

As part of the study and consensus recommendations, the board shall review options for bonding the portion of additional state appropriations needed to fund the Kentucky Teachers' Retirement System pension fund on an actuarially sound basis that are not covered by the phase-in schedule established by subsection (1)(b) of Section 1 of this Act. The board shall transmit the results of the study and recommendations to the Legislative Research Commission, for distribution to the appropriate interim joint committee, by December 1, 2015.
