AN ACT relating to removing barriers to colorectal cancer screening.

## Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.17A-257 is amended to read as follows:

- A health benefit plan issued or renewed on or after <u>the effective date of this</u> <u>Act</u>[January 1, 2009], shall provide coverage for all colorectal cancer examinations and laboratory tests specified in current American Cancer Society guidelines for <u>complete</u> colorectal cancer screening of asymptomatic individuals as follows:
  - (a) Coverage or benefits shall be provided for all colorectal screening examinations and tests that are administered at a frequency identified in the most recent version of the American Cancer Society guidelines for <u>complete</u> colorectal cancer screening; and
  - (b) The covered individual shall be:
    - 1. Fifty (50) years of age or older; or
    - Less than fifty (50) years of age and at high risk for colorectal cancer according to current colorectal cancer screening guidelines of the American Cancer Society.
- (2) Coverage under this section shall not be subject to a[ separate] deductible or[ separate] coinsurance <u>for services received from participating providers[ but may</u> be subject to the same deductible or coinsurance established for other laboratory testing] under the health benefit plan.
  - Section 2. This Act takes effect January 1, 2016.
