STATE IMPACT: Class A, B & C felonies are based on an average daily prison rate of \$60.38. Most Class D felons are housed in one of 79 full service jails for up to 5 years. DOC's cost to incarcerate a felony inmate in a jail is \$32.92 per day (includes jail per diem, medical & central office costs), not including substance abuse treatment. Projections are based on the daily rate x 365 x number of years.

Projected Impact: NONE MINIMAL MODERATE SIGNIFICANT

Creates no new felonies.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until disposition of the case. While the expense varies by jail, this estimated impact will be based on \$32.25 per day, which equals the per diem and medical that DOC pays jails to house felony offenders.

Creates no new misdemeanor offenses.

The following offices contributed to this Corrections Impact Statement:

Dept. of Corrections Dept. of Kentucky State Police Administrative Office of the Courts Parole Board Other

NOTE: Consideration should be given to the cumulative impact of all bills that increase the felon population or that impose new obligations on state or local governments.
