County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office.
