

AN ACT relating to controlled substances and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 72.026 is amended to read as follows:

- (1) Unless another cause of death is clearly established, in cases requiring a post-mortem examination under KRS 72.025 the coroner or medical examiner shall take a ***biological***~~blood~~ sample and have it tested for the presence of any controlled substances which were in the body at the time of death.
- (2) If a coroner or medical examiner determines that a drug overdose is the cause of death of a person, he or she shall provide notice of the death to:
 - (a) The state registrar of vital statistics and the Department of Kentucky State Police. The notice shall include any information relating to the drug that resulted in the overdose. The state registrar of vital statistics shall not enter the information on the deceased person's death certificate unless the information is already on the death certificate;~~and~~
 - (b) The licensing board for the individual who prescribed or dispensed the medication, if known. The notice shall include any information relating to the drug that resulted in the overdose, including the individual authorized by law to prescribe or dispense drugs who dispensed or prescribed the drug to the decedent; ***and***
 - (c) ***For coroners only, the Commonwealth's attorney and a local law enforcement agency in the circuit where the death occurred, if the death resulted from the use of a Schedule I controlled substance. The notice shall include all information as to the types and concentrations of Schedule I drugs detected.***

This subsection shall not apply to reporting the name of a pharmacist who dispensed a drug based on a prescription.

- (3) The state registrar of vital statistics shall report, within five (5) business days of the

receipt of a certified death certificate or amended death certificate, to the Division of Kentucky State Medical Examiners Office, any death which has resulted from the use of drugs or a drug overdose.

- (4) The Justice and Public Safety Cabinet in consultation with the Kentucky State Medical Examiners Office shall promulgate administrative regulations necessary to administer this section.

➔Section 2. KRS 100.982 is amended to read as follows:

As used in KRS 100.982 to 100.984, unless the context otherwise requires:

- (1) "Person with a disability" means a person with a physical, emotional, or mental disability, including, but not limited to, an intellectual disability, cerebral palsy, epilepsy, autism, deafness or hard of hearing, sight impairments, and orthopedic impairments, but not including convicted felons or misdemeanants on probation or parole or receiving supervision or rehabilitation services as a result of their prior conviction, or mentally ill persons who have pled guilty but mentally ill to a crime or not guilty by reason of insanity to a crime. "Person with a disability" does not include persons with current, illegal use of ~~for addiction to~~ alcohol or any controlled substance as regulated under KRS Chapter 218A.
- (2) "Residential care facility" means a residence operated and maintained by a sponsoring private or governmental agency to provide services in a homelike setting for persons with disabilities.
- (3) "Services" means, but is not limited to, supervision, shelter, protection, rehabilitation, personal development, and attendant care.

➔Section 3. KRS 196.288 is amended to read as follows:

- (1) The department shall measure and document cost savings resulting from amendments to or creation of statutes in KRS Chapters 27A, 196, 197, 431, 439, 532, 533, and 534 contained in 2011 Ky. Acts ch. 2. Measured and documented savings shall be reinvested or distributed as provided in this section.

- (2) The department shall establish a baseline for measurement using the average number of inmates incarcerated at each type of penitentiary as defined in KRS 197.010 and at local jails in fiscal year 2010-2011.
- (3) The department shall determine the average cost of:
 - (a) Incarceration for each type of penitentiary as defined in KRS 197.010 and for local jails, including health care costs, transportation costs, and other related costs, for one (1) inmate for one (1) year for the immediately preceding fiscal year; and
 - (b) Providing probation and parole services for one (1) parolee for one (1) year for the immediately preceding fiscal year.
- (4) Beginning with the budget request for the 2012-2014 fiscal biennium, savings shall be estimated from the baseline established in subsection (2) of this section as follows:
 - (a) The estimated average reduction of inmates due to mandatory reentry supervision as required by KRS 439.3406 multiplied by the appropriate average cost as determined in subsection (3)(a) of this section;
 - (b) The estimated average reduction of inmates due to accelerated parole hearings as required by KRS 439.340 multiplied by the appropriate average cost as determined in subsection (3)(a) of this section;
 - (c) The estimated average increase of parolees due to paragraphs (a) and (b) of this subsection multiplied by the average cost as determined in subsection (3)(b) of this section; and
 - (d) The estimated average reduction of parolees due to parole credit for good behavior as provided in KRS 439.345 multiplied by the average cost as determined in subsection (3)(b) of this section.
- (5) The following amounts shall be allocated or distributed from the estimated amount of savings that would otherwise remain in the general fund:

- (a) Twenty-five percent (25%) shall be distributed to the local corrections assistance fund established by KRS 441.207; ~~and~~
- (b) Ten percent (10%) shall be distributed to the department to provide or to contract for the provision of substance abuse treatment in county jails, regional jails, or other local detention centers that employs best evidence-based behavioral support or medically assisted treatment for non-state inmates with opiate addiction or other substance abuse disorders located in jurisdictions that assign at least forty percent (40%) of their peddling cases to a deferred prosecution or diversion program that includes a requirement of substance abuse treatment;
- (c) Twenty-five percent (25%) shall be distributed to KY-ASAP to provide supplemental grant funding to community mental health centers for the purpose of offering additional substance abuse treatment resources through programs that employ best evidence-based behavioral support or medically assisted treatment located in jurisdictions that assign at least forty percent (40%) of their peddling cases to a deferred prosecution or diversion program that includes a requirement of substance abuse treatment;
- (d) Ten percent (10%) shall be distributed to KY-ASAP to address neonatal abstinence syndrome by providing supplemental grant funding to community substance abuse treatment providers to offer residential treatment services to pregnant women through programs that employ best evidence-based behavioral support or medically assisted treatment;
- (e) Five percent (5%) shall be distributed to provide supplemental funding for traditional KY-ASAP substance abuse programming under KRS Chapter 15A;
- (f) Five percent (5%) shall be distributed to the department for the purchase of the opioid addiction cessation drug naltrexone for extended-release

injectable suspension for use as a component of evidence-based medically assisted treatment for inmates with opiate addiction or substance abuse disorders participating in a substance abuse treatment program operated or supervised by the department;

(g) Ten percent (10%) shall be distributed to the Department for Public Advocacy to provide supplemental funding to the Social Worker Program for the purpose of creating additional social worker positions to develop individualized alternative sentencing plans;

(h) Ten percent (10%) shall be distributed to the Prosecutors Advisory Council to enhance the use of rocket docket prosecutions in controlled substance cases; and

(i) In enacting the budget for the department and the judicial branch, beginning in the 2012-2014 fiscal biennium and each fiscal biennium thereafter, the General Assembly shall:

1. Determine the estimated amount necessary for reinvestment in:
 - a. Expanded treatment programs and expanded probation and parole services provided by or through the department; and
 - b. Additional pretrial services and drug court case specialists provided by or through the Administrative Office of the Courts; and
2. Shall allocate and appropriate sufficient amounts to fully fund these reinvestment programs.

(6) The amount of savings shall be estimated each year of the 2012-2014 fiscal biennium, and for each year of each fiscal biennium thereafter, as specified in subsection (4) of this section.

(7) (a) In submitting its budget request for the 2012-2014 fiscal biennium and each fiscal biennium thereafter, the department shall estimate the amount of

savings measured under this section and shall request the amount necessary to distribute or allocate those savings as provided in subsection (5) of this section.

- (b) In submitting its budget request for the 2012-2014 fiscal biennium and each fiscal biennium thereafter, the judicial branch shall request the amount necessary to distribute or allocate those savings as provided in subsection (5) of this section.

➔Section 4. KRS 205.560 is amended to read as follows:

- (1) The scope of medical care for which the Cabinet for Health and Family Services undertakes to pay shall be designated and limited by regulations promulgated by the cabinet, pursuant to the provisions in this section. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of Medical Assistance Program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for health and family services after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including but not limited to the following categories, except where the aid is for the purpose of obtaining an abortion:
- (a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

- (b) Nursing-home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;
- (c) Drugs, nursing care, medical supplies, and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist. For purposes of this paragraph, drugs shall include products for the treatment of inborn errors of metabolism or genetic conditions, consisting of therapeutic food, formulas, supplements, or low-protein modified food products that are medically indicated for therapeutic treatment and are administered under the direction of a physician, and include but are not limited to the following conditions:
 - 1. Phenylketonuria;
 - 2. Hyperphenylalaninemia;
 - 3. Tyrosinemia (types I, II, and III);
 - 4. Maple syrup urine disease;
 - 5. A-ketoacid dehydrogenase deficiency;
 - 6. Isovaleryl-CoA dehydrogenase deficiency;
 - 7. 3-methylcrotonyl-CoA carboxylase deficiency;
 - 8. 3-methylglutaconyl-CoA hydratase deficiency;
 - 9. 3-hydroxy-3-methylglutaryl-CoA lyase deficiency (HMG-CoA lyase deficiency);
 - 10. B-ketothiolase deficiency;
 - 11. Homocystinuria;
 - 12. Glutaric aciduria (types I and II);
 - 13. Lysinuric protein intolerance;
 - 14. Non-ketotic hyperglycinemia;
 - 15. Propionic acidemia;
 - 16. Gyrate atrophy;

17. Hyperornithinemia/hyperammonemia/homocitrullinuria syndrome;
 18. Carbamoyl phosphate synthetase deficiency;
 19. Ornithine carbamoyl transferase deficiency;
 20. Citrullinemia;
 21. Arginosuccinic aciduria;
 22. Methylmalonic acidemia; and
 23. Argininemia;
- (d) Physician, podiatric, and dental services;
- (e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses shall be provided only to children under age twenty-one (21);
- (f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;
- (g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified in this paragraph;
- (h) Services provided by health-care delivery networks as defined in KRS 216.900;
- (i) Services provided by midlevel health-care practitioners as defined in KRS

216.900; and

- (j) Smoking cessation treatment interventions or programs prescribed by a physician, advanced practice registered nurse, physician assistant, or dentist, including but not limited to counseling, telephone counseling through a quitline, recommendations to the recipient that smoking should be discontinued, and prescription and over-the-counter medications and nicotine replacement therapy approved by the United States Food and Drug Administration for smoking cessation.
- (2) Payments for hospital care, nursing-home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Health and Family Services with respect to the bases for payment. In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance Program, the Cabinet for Health and Family Services shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:
- (a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;
 - (b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars (\$15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Medically equipped motor vehicles, vans, or trucks shall be exempt from the fifteen thousand dollar (\$15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the

- facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Health and Family Services if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;
- (c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;
 - (d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health and Family Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health and Family Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;
 - (e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health and Family Services; and
 - (f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts,

uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

- (3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.
- (4) The rules and regulations of the Cabinet for Health and Family Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.
- (5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.
- (6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.
- (7) To the extent permitted by federal law, no medical assistance recipient shall be

recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced practice registered nurse licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the intellectually disabled exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the intellectually disabled through community mental health centers.
- (9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.
- (10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.
- (11) The Cabinet for Health and Family Services shall make payments under the Medical

Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

- (12) **(a)** The Medical Assistance Program shall use the form and guidelines established pursuant to KRS 304.17A-545(5) for assessing the credentials of those applying for participation in the Medical Assistance Program, including those licensed and regulated under KRS Chapters 311, 312, 314, 315, and 320, any facility required to be licensed pursuant to KRS Chapter 216B, and any other health care practitioner or facility as determined by the Department for Medicaid Services through an administrative regulation promulgated under KRS Chapter 13A. For any provider who is credentialed by a Medicaid managed care organization the cabinet shall complete the enrollment and credentialing process and deny, or approve and issue a Medical Assistance Identification Number (MAID) within fifteen (15) business days from the time all necessary completed credentialing forms have been submitted and all outstanding accounts receivable have been satisfied.

(b) *Within thirty (30) days of receiving a completed provider application, the Department for Medicaid Services shall complete the enrollment and credentialing process by either denying or approving and issuing a Medical Assistance Identification Number for a behavioral health provider who provides substance use disorder services.*

(c) *Within fifteen (15) days of the Department for Medicaid Services' issuance of a Medical Assistance Identification Number for a behavioral health provider providing substance use disorder services, a Medicaid managed care organization shall complete its own enrollment and credentialing process or recognize the Medicaid Assistance Identification Number issued by the Department for Medicaid Services and allow a behavioral health*

provider providing substance use disorder services to use that number and receive reimbursement on the managed care organization's billing system for a substance use disorder service.

(d) A Medicaid managed care organization shall pay an enrolled and credentialed behavioral health provider who provides substance use disorder services for any clean claims submitted for a substance use disorder service within thirty (30) days of submission.

(e) The Department of Insurance may arbitrate a failure by a Medicaid managed care organization to pay a clean claim submitted by an enrolled and credentialed behavioral health provider who provides substance use disorder services for a substance use disorder service within thirty (30) days of submission and may apply interest rates pursuant to KRS 304.17A-730 and a fine of one hundred dollars (\$100) per violation when a Medicaid managed care organization fails to comply with this section. Each day that a Medicaid managed care organization fails to pay a claim may count as a separate violation.

(f) The provisions in paragraphs (b), (c), (d), (e), and (f) of this subsection shall be effective from May 1, 2015 to December 31, 2018.

(13) Dentists licensed under KRS Chapter 313 shall be excluded from the requirements of subsection (12) of this section. The Department for Medicaid Services shall develop a specific form and establish guidelines for assessing the credentials of dentists applying for participation in the Medical Assistance Program.

➔SECTION 5. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) The Department for Medicaid Services shall provide a substance abuse benefit consistent with federal laws and regulations which shall include a broad array of treatment options for those with heroin and other substance abuse disorders.

- (2) The department shall promulgate administrative regulations to implement this section and to expand the behavioral health network to allow providers to provide services within their licensure category.
- (3) Providers of peer-mediated, recovery-oriented, therapeutic community models of care shall have the opportunity to contract with managed care organizations to be reimbursed for any portion of those services that are provided by licensed or certified providers in accordance with approved billing codes.
- (4) A Medicaid managed care organization shall:
- (a) Authorize treatment for each diagnosis related to substance use disorder and co-occurring mental health and substance use disorder that is identified within the most updated edition of the Diagnostic and Statistical Manual of Mental Disorders issued by the American Psychiatric Association that meets the criteria for medical necessity and level of care; and
- (b) Approve coverage and payment for continuing inpatient care until the enrollee can be placed in the appropriate outpatient level of care.
- (5) Beginning January 1, 2016, the Department for Medicaid Services shall provide an annual report to the Legislative Research Commission detailing the number of providers of substance abuse treatment, the type of services offered by each provider, the geographic distribution of providers, and a summary of expenditures on substance abuse treatment services provided by Medicaid.

➔Section 6. KRS 216B.020 is amended to read as follows:

- (1) The provisions of this chapter that relate to the issuance of a certificate of need shall not apply to abortion facilities as defined in KRS 216B.015; any hospital which does not charge its patients for hospital services and does not seek or accept Medicare, Medicaid, or other financial support from the federal government or any state government; assisted living residences; family care homes; state veterans' nursing homes; services provided on a contractual basis in a rural primary-care

hospital as provided under KRS 216.380; community mental health centers for services as defined in KRS Chapter 210; primary care centers; rural health clinics; private duty nursing services licensed as nursing pools; group homes; licensed residential crisis stabilization units, which may be part of a licensed psychiatric hospital; licensed free-standing residential substance use disorder treatment programs with sixteen (16) or fewer beds, but not including Levels I and II psychiatric residential treatment facilities or licensed psychiatric inpatient beds; outpatient behavioral health treatment, but not including partial hospitalization programs; end stage renal disease dialysis facilities, freestanding or hospital based; swing beds; special clinics, including but not limited to wellness, weight loss, family planning, disability determination, speech and hearing, counseling, pulmonary care, and other clinics which only provide diagnostic services with equipment not exceeding the major medical equipment cost threshold and for which there are no review criteria in the state health plan; nonclinically related expenditures; nursing home beds that shall be exclusively limited to on-campus residents of a certified continuing care retirement community; home health services provided by a continuing care retirement community to its on-campus residents; the relocation of hospital administrative or outpatient services into medical office buildings which are on or contiguous to the premises of the hospital; residential hospice facilities established by licensed hospice programs; or the following health services provided on site in an existing health facility when the cost is less than six hundred thousand dollars (\$600,000) and the services are in place by December 30, 1991: psychiatric care where chemical dependency services are provided, level one (1) and level two (2) of neonatal care, cardiac catheterization, and open heart surgery where cardiac catheterization services are in place as of July 15, 1990. The provisions of this section shall not apply to nursing homes, personal care homes, intermediate care facilities, and family care homes; or nonconforming ambulance

services as defined by administrative regulation. These listed facilities or services shall be subject to licensure, when applicable.

- (2) Nothing in this chapter shall be construed to authorize the licensure, supervision, regulation, or control in any manner of:
- (a) Private offices and clinics of physicians, dentists, and other practitioners of the healing arts, except any physician's office that meets the criteria set forth in KRS 216B.015(5) or that meets the definition of an ambulatory surgical center as set out in KRS 216B.015;
 - (b) Office buildings built by or on behalf of a health facility for the exclusive use of physicians, dentists, and other practitioners of the healing arts; unless the physician's office meets the criteria set forth in KRS 216B.015(5), or unless the physician's office is also an abortion facility as defined in KRS 216B.015, except no capital expenditure or expenses relating to any such building shall be chargeable to or reimbursable as a cost for providing inpatient services offered by a health facility;
 - (c) Dispensaries and first-aid stations located within business or industrial establishments maintained solely for the use of employees, if the facility does not contain inpatient or resident beds for patients or employees who generally remain in the facility for more than twenty-four (24) hours;
 - (d) Establishments, such as motels, hotels, and boarding houses, which provide domiciliary and auxiliary commercial services, but do not provide any health related services and boarding houses which are operated by persons contracting with the United States Veterans Administration for boarding services;
 - (e) The remedial care or treatment of residents or patients in any home or institution conducted only for those who rely solely upon treatment by prayer or spiritual means in accordance with the creed or tenets of any recognized

church or religious denomination and recognized by that church or denomination; and

- (f) On-duty police and fire department personnel assisting in emergency situations by providing first aid or transportation when regular emergency units licensed to provide first aid or transportation are unable to arrive at the scene of an emergency situation within a reasonable time.
- (3) An existing facility licensed as skilled nursing, intermediate care, or nursing home shall notify the cabinet of its intent to change to a nursing facility as defined in Public Law 100-203. A certificate of need shall not be required for conversion of skilled nursing, intermediate care, or nursing home to the nursing facility licensure category.
- (4) Notwithstanding any other provision of law to the contrary, dual-license acute care beds licensed as of December 31, 1995, and those with a licensure application filed and in process prior to February 10, 1996, may be converted to nursing facility beds by December 31, 1996, without applying for a certificate of need. Any dual-license acute care beds not converted to nursing facility beds by December 31, 1996, shall, as of January 1, 1997, be converted to licensed acute care beds.
- (5) Notwithstanding any other provision of law to the contrary, no dual-license acute care beds or acute care nursing home beds that have been converted to nursing facility beds pursuant to the provisions of subsection (3) of this section may be certified as Medicaid eligible after December 31, 1995, without the written authorization of the secretary.
- (6) Notwithstanding any other provision of law to the contrary, total dual-license acute care beds shall be limited to those licensed as of December 31, 1995, and those with a licensure application filed and in process prior to February 10, 1996. No acute care hospital may obtain a new dual license for acute care beds unless the hospital had a licensure application filed and in process prior to February 10, 1996.

- (7) Ambulance services owned and operated by a city government, which propose to provide services in coterminous cities outside of the ambulance service's designated geographic service area, shall not be required to obtain a certificate of need if the governing body of the city in which the ambulance services are to be provided enters into an agreement with the ambulance service to provide services in the city.
- (8) Notwithstanding any other provision of law, a continuing care retirement community's nursing home beds shall not be certified as Medicaid eligible unless a certificate of need has been issued authorizing applications for Medicaid certification. The provisions of subsection (3) of this section notwithstanding, a continuing care retirement community shall not change the level of care licensure status of its beds without first obtaining a certificate of need.

➔Section 7. KRS 217.186 is amended to read as follows:

- (1) A licensed health-care provider who, acting in good faith, directly or by standing order, prescribes or dispenses the drug naloxone to a **person or agency**~~[patient]~~ who, in the judgment of the health-care provider, is capable of administering the drug for an emergency opioid overdose, shall not, as a result of his or her acts or omissions, be subject to disciplinary or other adverse action under KRS Chapter 311, 311A, 314, or 315 or any other professional licensing statute.
- (2) A prescription for naloxone may include authorization for administration of the drug to the person for whom it is prescribed by a third party if the prescribing instructions indicate the need for the third party upon administering the drug to immediately notify a local public safety answering point of the situation necessitating the administration.
- (3) **A person or agency, including a peace officer, firefighter, paramedic, or emergency medical technician or a school employee authorized to administer medication under KRS 156.502, may:**
 - (a) **Receive a prescription for the drug naloxone;**

- (b) Possess naloxone pursuant to this subsection and any equipment needed for its administration; and
- (c) Administer naloxone to an individual suffering from an apparent opiate-related overdose.
- (4) A person acting in good faith who administers naloxone ~~received~~^{received} [as the third party] under this section shall be immune from criminal and civil liability for the administration, unless personal injury results from the gross negligence or willful or wanton misconduct of the person administering the drug.
- (5) The term "licensed health-care provider" as used in subsection (1) of this section includes a pharmacist as defined in KRS Chapter 315 who holds a separate certification issued by the Kentucky Board of Pharmacy authorizing the prescribing and dispensing of naloxone under this section. The Board of Pharmacy shall establish the certification requirements and the application and renewal process by administrative regulation. Included within the certification requirements may be a supplemental educational or training component and a limitation on the means by which the dispensed naloxone may be administered.
- (6) The board of each local public school district and the governing body of each private and parochial school or school district may permit a school to keep naloxone on the premises and regulate the administration of naloxone to any individual suffering from an apparent opiate-related overdose.
- (7) In collaboration with local health departments, or local health providers and local schools and local school districts, the Kentucky Department for Public Health shall develop clinical protocols to address supplies of naloxone kept by schools under this section and to advise on the clinical administration of naloxone.

➔Section 8. KRS 218A.050 is amended to read as follows:

Unless otherwise rescheduled by administrative regulation of the Cabinet for Health and

Family Services, the controlled substances listed in this section are included in Schedule I:

- (1) Any material, compound, mixture, or preparation which contains any quantity of the following opiates, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers, unless specifically excepted, whenever the existence of these isomers, esters, ethers, or salts is possible within the specific chemical designation:
Acetylfentanyl Acetylmethadol; Allylprodine; Alphacetylmethadol; Alphameprodine; Alphamethadol; Benzethidine; Betacetylmethadol; Betameprodine; Betamethadol; Betaprodine; Clonitazene; Dextromoramide; Dextrorphan; Diampromide; Diethylthiambutene; Dimenoxadol; Dimepheptanol; Dimethylthiambutene; Dioxaphetyl butyrate; Dipipanone; Ethylmethylthiambutene; Etonitazene; Etoxidine; Furethidine; Hydroxypethidine; Ketobemidone; Levomoramide; Levophenacymorphan; Morpheridine; Noracymethadol; Norlevorphanol; Normethadone; Norpipanone; Phenadoxone; Phenampromide; Phenomorphan; Phenoperidine; Pirtramide; Proheptazine; Properidine; Propiram; Racemoramide; Trimeperidine;
- (2) Any material, compound, mixture, or preparation which contains any quantity of the following opium derivatives, including their salts, isomers, and salts of isomers, unless specifically excepted, whenever the existence of these salts, isomers, or salts of isomers is possible within the specific chemical designation: Acetorphine; Acetyldihydrocodeine; Benzylmorphine; Codeine methylbromide; Codeine-N-Oxide; Cyprenorphine; Desomorphine; Dihydromorphine; Etorphine; Heroin; Hydromorphinol; Methyldesorphine; Methyldihydromorphine; Morphine methylbromide; Morphine methylsulfonate; Morphine-N-Oxide; Myrophine; Nicocodeine; Nicomorphine; Normorphine; Pholcodine; Thebacon;
- (3) Any material, compound, mixture, or preparation which contains any quantity of the following hallucinogenic substances, their salts, isomers, or salts of isomers, unless

specifically excepted, whenever the existence of these salts, isomers, and salts of isomers is possible within the specific chemical designation: 3, 4-methylenedioxyamphetamine; 5-methoxy-3, 4-methylenedioxy amphetamine; 3, 4, 5-trimethoxyamphetamine; Bufotenine; Diethyltryptamine; Dimethyltryptamine; 4-methyl-2, 5-dimethoxyamphetamine; Ibogaine; Lysergic acid diethylamide; Marijuana; Mescaline; Peyote; N-ethyl-3-piperidyl benzilate; N-methyl-3-piperidyl benzilate; Psilocybin; Psilocyn; Tetrahydrocannabinols; Hashish; Phencyclidine, 2 Methylamino-1-phenylpropan-1-one (including but not limited to Methcathinone, Cat, and Ephedrone); synthetic drugs; or salvia;

- (4) Any material, compound, mixture, or preparation which contains any quantity of the following substance having a depressant effect on the central nervous system, including its salts, isomers, and salts of isomers, unless specifically excepted, whenever the existence of these salts, isomers, or salts of isomers is possible within the specific chemical designation: gamma hydroxybutyric acid; and
- (5) Any material, compound, mixture, or preparation which contains any quantity of the following substances:
- (a) 2-(2,5-dimethoxyphenyl)-N-[(2-methoxyphenyl)methyl]ethanamine (2,5H-NBOMe);
 - (b) 2-(4-iodo-2,5-dimethoxyphenyl)-N-[(2-methoxyphenyl)methyl]ethanamine (2,5I-NBOMe);
 - (c) 2-(4-bromo-2,5-dimethoxyphenyl)-N-[(2-methoxyphenyl)methyl]ethanamine (2,5B-NBOMe); or
 - (d) 2-(4-chloro-2,5-dimethoxyphenyl)-N-[(2-methoxyphenyl)methyl]ethanamine (2,5C-NBOMe).

➔SECTION 9. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A person shall not be charged with or prosecuted for a criminal offense

prohibiting the possession of a controlled substance or the possession of drug paraphernalia if:

- (a) The person in good faith seeks medical assistance from a public safety answering point, emergency medical services, a law enforcement officer, or a health practitioner for a person experiencing a drug overdose;
- (b) The person remains with the overdose victim until the requested assistance arrives or is provided; and
- (c) The evidence for the charge or prosecution was obtained as a result of the drug overdose and the need for medical assistance.

(2) The provisions of subsection (1) of this section:

- (a) Shall extend to the person who suffered the drug overdose; and
- (b) Shall not extend to the investigation and prosecution of any other crimes committed by a person who otherwise qualifies under this section.

➔SECTION 10. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

Substance abuse treatment or recovery service providers that receive state funding shall give pregnant women priority in accessing services and shall not refuse access to services solely due to pregnancy as long as the provider's services are appropriate for pregnant women.

➔SECTION 11. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

- (1) A person is guilty of peddling in a controlled substance in the first degree when he or she knowingly and unlawfully traffics in:
- (a) Less than four (4) grams of cocaine;
 - (b) Less than two (2) grams of heroin or methamphetamine; or
 - (c) Less than ten (10) dosage units of a controlled substance that is classified in Schedule I or II and is a narcotic drug or a controlled substance analogue.

(2) Peddling in a controlled substance in the first degree is:

(a) A Class D felony for the first offense; and

(b) A Class C felony for a second offense or subsequent offense.

➔Section 12. KRS 218A.1412 is amended to read as follows:

(1) A person is guilty of trafficking in a controlled substance in the first degree when he or she knowingly and unlawfully traffics in:

(a) Four (4) grams or more of cocaine;

(b) Two (2) grams or more of heroin or methamphetamine;

(c) Ten (10) or more dosage units of a controlled substance that is classified in Schedule~~[Schedules]~~ I or II and is a narcotic drug, or a controlled substance analogue; or

(d) Any quantity of lysergic acid diethylamide; phencyclidine; gamma hydroxybutyric acid (GHB), including its salts, isomers, salts of isomers, and analogues; or flunitrazepam, including its salts, isomers, and salts of isomers;
or

~~(e) Any quantity of a controlled substance specified in paragraph (a), (b), or (c) of this subsection in an amount less than the amounts specified in those paragraphs].~~

(2) The amounts specified in subsection (1) of this section may occur in a single transaction or may occur in a series of transactions over a period of time not to exceed ninety (90) days that cumulatively result in the quantities specified in this section.

(3) ~~[(a) Except as provided in paragraph (b) of this subsection,]~~Any person who violates the provisions of this section shall be guilty of a Class C felony for the first offense and a Class B felony for a second or subsequent offense.

~~[(b) Any person who violates the provisions of subsection (1)(e) of this section shall be guilty of a Class D felony for the first offense and a Class C felony for~~

~~a second offense or subsequent offense.]~~

➔SECTION 13. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A person is guilty of aggravated trafficking in a controlled substance in the first degree when he or she knowingly and unlawfully traffics in one (1) kilogram or more of heroin.

(2) Aggravated trafficking in a controlled substance in the first degree is a Class B felony.

➔SECTION 14. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A person is guilty of peddling in a controlled substance in the second degree when he or she knowingly and unlawfully traffics in:

(a) Less than ten (10) dosage units of a controlled substance classified in Schedule I or II that is not a narcotic drug; or specified in KRS 218A.1412, and which is not a synthetic drug, salvia, or marijuana; or

(b) Less than twenty (20) dosage units of a controlled substance classified in Schedule III.

(2) Peddling in a controlled substance in the second degree is:

(a) A Class D felony for the first offense, except that KRS 532.060 to the contrary notwithstanding, the maximum sentence to be imposed shall be no greater than three (3) years; and

(b) A Class D felony for a second offense or subsequent offense.

➔Section 15. KRS 218A.1413 is amended to read as follows:

(1) A person is guilty of trafficking in a controlled substance in the second degree when:

(a) He or she knowingly and unlawfully traffics in:

1. Ten (10) or more dosage units of a controlled substance classified in

- Schedules I and II that is not a narcotic drug; or specified in KRS 218A.1412, and which is not a synthetic drug, salvia, or marijuana; or
2. Twenty (20) or more dosage units of a controlled substance classified in Schedule III; or
- (b) He or she knowingly and unlawfully prescribes, distributes, supplies, or sells an anabolic steroid for:
1. Enhancing human performance in an exercise, sport, or game; or
 2. Hormonal manipulation intended to increase muscle mass, strength, or weight in the human species without a medical necessity[; ~~or~~
- ~~(c) He or she knowingly and unlawfully traffics in any quantity of a controlled substance specified in paragraph (a) of this subsection in an amount less than the amounts specified in that paragraph].~~
- (2) ~~[(a) Except as provided in paragraph (b) of this subsection,]~~Any person who violates the provisions of subsection (1) of this section shall be guilty of a Class D felony for the first offense and a Class C felony for a second or subsequent offense.
- ~~[(b) Any person who violates the provisions of subsection (1)(c) of this section shall be guilty of:~~
1. ~~A Class D felony for the first offense, except that KRS Chapter 532 to the contrary notwithstanding, the maximum sentence to be imposed shall be no greater than three (3) years; and~~
 2. ~~A Class D felony for a second offense or subsequent offense.]~~

➔SECTION 16. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

(1) A person is guilty of peddling in a controlled substance in the third degree when he or she knowingly and unlawfully traffics in less than twenty (20) dosage units of a controlled substance classified in Schedule IV or V.

(2) Peddling in a controlled substance in the third degree is:

(a) A Class A misdemeanor for the first offense, subject to the imposition of presumptive probation; and

(b) A Class D felony for a second or subsequent offense, except that KRS 532.060 to the contrary notwithstanding, the maximum sentence to be imposed shall be no greater than three (3) years.

➔Section 17. KRS 218A.1414 is amended to read as follows:

(1) A person is guilty of trafficking in a controlled substance in the third degree when he or she knowingly and unlawfully traffics in {:

~~(a) } twenty (20) or more dosage units of a controlled substance classified in Schedule{Schedules} IV or V{; or~~

~~(b) Any quantity of a controlled substance specified in paragraph (a) of this subsection in an amount less than the amount specified in that paragraph}.~~

~~(2){(a)}~~ Any person who violates the provisions of ~~{subsection (1)(a) of}~~ this section shall be guilty of a Class A misdemeanor for a{the} first offense involving one hundred twenty (120) or fewer dosage units and a Class D felony for a first offense involving more than one hundred twenty (120) dosage units and a Class D felony for a second or subsequent offense.

~~{(b) Any person who violates the provisions of subsection (1)(b) of this section shall be guilty of:~~

~~1. A Class A misdemeanor for the first offense, subject to the imposition of presumptive probation; and~~

~~2. A Class D felony for a second or subsequent offense, except that KRS Chapter 532 to the contrary notwithstanding, the maximum sentence to be imposed shall be no greater than three (3) years.}~~

➔SECTION 18. A NEW SECTION OF KRS CHAPTER 218A IS CREATED TO READ AS FOLLOWS:

- (1) An offender charged with a felony pursuant to this chapter who is not charged with a violent offense, who is eligible for diversion or deferred prosecution of his or her sentence, and whose diversion or deferred prosecution plan involves substance use disorder treatment shall be afforded the opportunity to utilize a faith-based residential treatment program.
- (2) If an offender and judge support this faith-based residential treatment program, and the cost of the program is less than that of the substance use disorder treatment that would otherwise be provided, then the court may approve the faith-based residential treatment program for a specified period of time. An offender shall sign a commitment to comply by the terms of the faith-based residential treatment program.
- (3) If an offender violates the terms of the commitment he or she has signed with the faith-based residential treatment program, then the offender shall be returned to the court for additional proceedings.

➔Section 19. KRS 218A.500 is amended to read as follows:

As used in this section and KRS 218A.510:

- (1) "Drug paraphernalia" means all equipment, products and materials of any kind which are used, intended for use, or designed for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of this chapter. It includes but is not limited to:
- (a) Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing, or harvesting of any species of plant which is a controlled substance or from which a controlled substance can be derived;
- (b) Kits used, intended for use, or designed for use in manufacturing,

- compounding, converting, producing, processing, or preparing controlled substances;
- (c) Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance;
 - (d) Testing equipment used, intended for use, or designed for use in identifying, or in analyzing the strength, effectiveness or purity of controlled substances;
 - (e) Scales and balances used, intended for use, or designed for use in weighing or measuring controlled substances;
 - (f) Diluents and adulterants, such as quinine hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use, or designed for use in cutting controlled substances;
 - (g) Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from, or in otherwise cleaning or refining marijuana;
 - (h) Blenders, bowls, containers, spoons, and mixing devices used, intended for use, or designed for use in compounding controlled substances;
 - (i) Capsules, balloons, envelopes, and other containers used, intended for use, or designed for use in packaging small quantities of controlled substances;
 - (j) Containers and other objects used, intended for use, or designed for use in storing or concealing controlled substances;
 - (k) Hypodermic syringes, needles, and other objects used, intended for use, or designed for use in parenterally injecting controlled substances into the human body; and
 - (l) Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing marijuana, cocaine, hashish, or hashish oil into the human body, such as: metal, wooden, acrylic, glass, stone, plastic, or ceramic pipes with or without screens, permanent screens, hashish heads, or punctured

metal bowls; water pipes; carburetion tubes and devices; smoking and carburetion masks; roach clips which mean objects used to hold burning material, such as marijuana cigarettes, that have become too small or too short to be held in the hand; miniature cocaine spoons, and cocaine vials; chamber pipes; carburetor pipes; electric pipes; air-driven pipes; chillums; bongos; ice pipes or chillers.

- (2) It is unlawful for any person to use, or to possess with intent to use, drug paraphernalia for the purpose of planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packing, repacking, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of this chapter.
- (3) It is unlawful for any person to deliver, possess with intent to deliver, or manufacture with intent to deliver, drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance in violation of this chapter.
- (4) It is unlawful for any person to place in any newspaper, magazine, handbill, or other publication any advertisement, knowing, or under circumstances where one reasonably should know, that the purpose of the advertisement, in whole or in part, is to promote the sale of objects designed or intended for use as drug paraphernalia.
- (5) **This section shall not prohibit a local health department from operating, with the express approval of its board and the legislative body of the city or county in which the program would operate, a substance abuse treatment outreach program which allows participants to exchange hypodermic needles and syringes.**

Items exchanged through the program shall not be deemed drug paraphernalia under this section.

- (6) (a) Prior to searching a person, a person's premises, or a person's vehicle, a peace officer may inquire as to the presence of needles or other sharp objects in the areas to be searched that may cut or puncture the officer and offer to not charge a person with possession of drug paraphernalia if the person declares to the officer the presence of the needle or other sharp object. If, in response to the offer, the person admits to the presence of the needle or other sharp object prior to the search, the person shall not be charged with or prosecuted for possession of drug paraphernalia for the needle or sharp object or for possession of a controlled substance for residual or trace drug amounts present on the needle or sharp object.*
- (b) The exemption under this subsection shall not apply to any other drug paraphernalia that may be present and found during the search or to controlled substances present in other than residual or trace amounts.*

(7) Any person who violates any provision of this section shall be guilty of a Class A misdemeanor.

➔Section 20. KRS 625.050 is amended to read as follows:

- (1) A petition for involuntary termination of parental rights shall be entitled "In the interest of ..., a child."
- (2) The petition shall be filed in the Circuit Court for any of the following counties:
- (a) The county in which either parent resides or may be found;
 - (b) The county in which juvenile court actions, if any, concerning the child have commenced; or
 - (c) The county in which the child involved resides or is present.
- (3) Proceedings for involuntary termination of parental rights may be initiated upon petition by the cabinet, any child-placing agency licensed by the cabinet, any county

or Commonwealth's attorney or parent.

- (4) The petition for involuntary termination of parental rights shall be verified and contain the following:
- (a) Name and mailing address of each petitioner;
 - (b) Name, sex, date of birth and place of residence of the child;
 - (c) Name and address of the living parents of the child;
 - (d) Name, date of death and cause of death, if known, of any deceased parent;
 - (e) Name and address of the putative father, if known by the petitioner, of the child if not the same person as the legal father;
 - (f) Name and address of the person, cabinet or agency having custody of the child;
 - (g) Name and identity of the person, cabinet or authorized agency to whom custody is sought to be transferred;
 - (h) Statement that the person, cabinet or agency to whom custody is to be given has facilities available and is willing to receive the custody of the child;
 - (i) All pertinent information concerning termination or disclaimers of parenthood or voluntary consent to termination;
 - (j) Information as to the legal status of the child and the court so adjudicating; and
 - (k) A concise statement of the factual basis for the termination of parental rights.
- (5) No petition may be filed under this section prior to five (5) days after the birth of the child.

(6) No petition may be filed to terminate the parental rights of a woman solely because of her use of a nonprescribed controlled substance during pregnancy if she enrolls in and maintains substantial compliance with both a substance abuse treatment or recovery program and a regimen of prenatal care as recommended by her health care practitioner throughout the remaining term of her pregnancy.

Upon certified completion of the treatment or recovery program, or six (6) months after giving birth during which time substantial compliance with a substance abuse treatment or recovery program has occurred, whichever is earlier, any records maintained by a court or by the cabinet relating to a positive test for a nonprescribed controlled substance shall be sealed and may not be used in any future criminal prosecution or future petition to terminate the woman's parental rights.

➔Section 21. The Cabinet for Health and Family Services is encouraged to:

- (1) Study the advantages and disadvantages of:
 - (a) Requiring the Medicaid program and private insurers to pay for one year postpartum medication-assisted treatment for women with heroin and other opioid addiction;
 - (b) Continuing medication-assisted treatment indefinitely and only discontinuing at the discretion of the patient, physician, and treatment team; and
 - (c) Establishing a mechanism to direct heroin and other opioid-addicted postpartum women into treatment facilities instead of the judicial system unless the patient is already incarcerated;
- (2) Study the feasibility of and, if warranted, establish a physician-led committee composed of diverse regional, state, and national experts to assist in the development of evidence-based medical management standards to treat the disease of addiction in the Commonwealth and assist in developing overdose prevention and reaction protocols;
- (3) Study and develop guidelines for the development and implementation of county and regional level wraparound teams for heroin and other opioid addiction that utilize physicians, social workers, and treatment and recovery professionals. The cabinet is encouraged to include the use of state qualified mental health facilities; treatment plans that utilize nonaddictive and nondivertible medication-assisted

- treatment to be continued indefinitely, and only discontinued at the discretion of the patient, physician, and treatment team; peer support services as necessary to overcome barriers to treatment; and cognitive and behavioral therapy;
- (4) Collaborate with all medical schools and medical-related post-graduate training programs in Kentucky, including nursing schools, to include a minimum of ten hours of coursework on the disease of addiction for all medical professionals providing direct patient care, including but not limited to physicians, registered nurse practitioners, registered nurses, and physical therapists;
 - (5) Work with the licensing boards for medical and allied health professionals in Kentucky to increase continuing education units, at least to two units every two years, that focus on the disease of addiction; and
 - (6) Make any recommendations for legislation to the Interim Joint Committee on Health and Welfare by November 30, 2015.

➔Section 22. The Department of Criminal Justice Training shall offer voluntary regionalized in-service training on the topic of heroin for law enforcement officers employed by agencies that utilize Department of Criminal Justice Training basic training for their recruits, including instructional material on the detection and interdiction of heroin trafficking, the dynamics of heroin abuse, and available treatment options for addicts. There shall be at least one course offered in each area development district by December 31, 2015, with the courses being designed to qualify as in-service training under KRS 15.404.

➔Section 23. Whereas the illegal substances addressed in this Act pose a clear and present danger to the health and safety of Kentucky's citizens and no just cause exists for delay, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.
