

AN ACT relating to expedited partner therapy.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 217 IS CREATED TO READ AS FOLLOWS:

*For the purposes of this section and Section 2 of this Act, unless the context requires otherwise:*

- (1) "Dispense" means to deliver a drug or device to an ultimate user or research subject by or pursuant to the lawful order of a practitioner, including the packaging, labeling, or compounding necessary to prepare the substance for that delivery;*
- (2) "Expedited partner therapy" means the prescribing or dispensing of antibiotic drugs to a practitioner's diagnosed patient's sexual partner or partners without examination of that diagnosed patient's partner or partners;*
- (3) "Legend drug" means any drug defined by the Federal Food, Drug and Cosmetic Act, as amended, and under which definition its label is required to bear the statement, "Caution: Federal law prohibits dispensing without prescription.";*
- (4) "Practitioner" means medical or osteopathic physicians who are licensed under the professional licensing laws of Kentucky to prescribe and administer drugs and devices. "Practitioner" includes advanced practice registered nurses as authorized in KRS 314.011 and 314.042, physician assistants when administering or prescribing pharmaceutical agents as authorized in KRS 311.858, and health care professionals who are residents of and actively practicing in a state other than Kentucky and who are licensed and have prescriptive authority under the professional licensing laws of another state, unless the person's Kentucky license has been revoked, suspended, restricted, or probated, in which case the terms of the Kentucky license shall prevail; and*
- (5) "Prescription" means a written or oral order for a drug or medicine, or*

combination or mixture of drugs or medicines, or proprietary preparation, that is signed, given, or authorized by a practitioner, and intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man.

→SECTION 2. A NEW SECTION OF KRS CHAPTER 217 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of law, a practitioner who is licensed to diagnose and prescribe drugs for a sexually transmitted gonorrhea or Chlamydia infection who diagnoses a sexually transmitted gonorrhea or Chlamydia infection in a patient may provide expedited partner therapy to that patient's sexual partner or partners.

(2) A practitioner that provides expedited partner therapy shall:

(a) Adhere to prescribing and dispensing standards for expedited partner therapy pursuant to the current Centers for Disease Control STD guidelines for expedited partner therapy; and

(b) Utilize forms established by the Cabinet for Health and Family Services, Department for Public Health, for patients and their sexual partner or partners explaining expedited partner therapy.
