

AN ACT relating to legislative procedures for state fiscal measures.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 6 IS CREATED TO READ AS FOLLOWS:

- (1) As used in this section, "state fiscal measure" means any bill, resolution, or amendment thereto that either would provide for the appropriation of funds by the General Assembly under Section 230 of the Constitution of Kentucky, or would constitute a revenue-raising measure under Section 47 of the Constitution of Kentucky.
- (2) The director of the Legislative Research Commission shall, upon the request of a General Assembly member for the drafting of a state fiscal measure, or upon a determination by the Senate or House of Representatives or a committee of either that an item of legislation is a state fiscal measure, cause the measure to be identified as such. Upon the prefiling or filing of the state fiscal measure, the director shall note the measure's identification in the prefiled bill list, in the Legislative Record, and upon the electronic bill books in the Senate and House chambers. The Senate and House clerks shall note the measure's identification on the Senate and House journals.
- (3) All state fiscal measures voted upon by the Senate or House of Representatives shall be by a roll call vote of the yeas and nays, to be entered on the Senate or House journal by the Senate or House clerk.
- (4) All motions concerning a state fiscal measure adopted by the Senate or House of Representatives shall be by a roll call vote of the yeas and nays, to be entered on the Senate or House journal.
- (5) No state fiscal measure shall be placed upon a consent calendar. A state fiscal measure shall be considered and voted upon for all readings and motions separately from other bills or resolutions.

(6) All state fiscal measures voted upon by a standing committee of the Senate or House of Representatives shall be by a roll call vote of the yeas and nays, to be entered upon the records of the committee, and transmitted to the Senate or House clerk, who shall enter the record of the committee vote on the Senate or House journal in full.
