In making the recomputation, the same reduction factor, in case of an actuarially reduced benefit or a surviving spouse's benefit, shall be used as was used in determining the benefit then being received. If the benefit as recomputed in accordance with this section is higher than the benefit then being received, the recomputed benefit shall thereafter be paid monthly, commencing as of the date specified for the recomputation, subject to future adjustment at ensuing recomputations in accordance with this section.
- (2) Effective August 1, 1998, to July 1, 2008, a recipient of a monthly pension benefit from the Legislators' Retirement Plan ***who began participating in the plan prior to January 1, 2014***, shall have his or her benefit increased on July 1 of each year by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%). In determining the state's appropriation to the Legislators' Retirement Fund, only the costs of increases granted as of the most recent valuation date shall be recognized. The benefits of this subsection as provided on August 1, 1998, to July 1, 2008, shall not be considered

- (3) (a) Effective July 1, 2009, and on July 1 of each year thereafter, a recipient of a monthly pension benefit from the Legislators' Retirement Plan shall have his or her benefit increased by one and one-half percent (1.5%), if:
1. The funding level of the plan is greater than one hundred percent (100%) and subsequent legislation authorizes the use of any surplus actuarial assets to provide an increase in retirement allowances described by this subsection; or

- (b) The board of trustees of the Kentucky Judicial Form Retirement System shall, at least thirty (30) days prior to the beginning of regular sessions of the General Assembly held in even-numbered years, advise the General Assembly of the following:
1. Whether the plan has a funding level greater than one hundred percent (100%) and if the plan can support an increase in recipients' retirement allowances as provided by paragraph (a) of this subsection over the next budget biennium without reducing the funding level of the plan below one hundred percent (100%); and
 2. If no surplus actuarial assets are available, the level of funds needed to fully prefund an increase for plan recipients over the next budget biennium if a one and one-half percent (1.5%) increase is provided annually over the biennium.
- (c) For purposes of this subsection, "funding level" means the actuarial value of assets divided by the actuarially accrued liability expressed as a percentage

that is determined and reported by the plan's actuary in the plan's actuarial valuation.

- (d) The full increase described by this subsection shall only be provided if the recipient has been receiving a retirement benefit for at least twelve (12) months prior to the effective date of the increase. If the recipient has been receiving a benefit for less than twelve (12) months prior to the effective date of the increase provided by this subsection, the increase shall be reduced on a pro rata basis for each month the recipient has not been receiving a benefit in the twelve (12) months preceding the effective date of the increase.
 - (e) In determining the state's appropriation to the Legislators' Retirement Fund, only the costs of increases granted as of the most recent valuation date shall be recognized.
 - (f) The benefits of this subsection as provided on July 1, 2009, and thereafter shall not be considered as benefits protected by the inviolable contract provisions of KRS 6.505. The General Assembly reserves the right to suspend or reduce the benefits conferred in this subsection if in its judgment the welfare of the Commonwealth so demands.
- (4) In addition to the increase to a recipient's retirement allowance as provided by subsection (3) of this section, the General Assembly may, by subsequent legislation, provide supplemental increases to a recipient's retirement allowance to help adjust for actual changes in the recipient's cost of living if the General Assembly appropriates sufficient funds to fully prefund the benefit in the year the increase is provided.

A member who begins participating in the Legislators' Retirement Plan on or after January 1, 2014, who retires for disability as provided by this subsection shall be entitled to a disability retirement allowance equal to the higher of twenty percent (20%) of the member's monthly creditable compensation or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date under Section 5 of this Act.

- (2) (a) A member who began participating in the Judicial Retirement Plan prior to January 1, 2014, need not have completed eight (8) years of service in order to be eligible for benefits under subsection (1) of this section.
- (b) A member who begins participating in the Judicial Retirement Plan on or after January 1, 2014, must have completed at least five (5) years of service in order to apply and be eligible for the disability benefits provided by this section.
- (3) The retirement board shall cause a member who has been retired for disability and who is still under his normal retirement age to undergo periodic examination by one (1) or more qualified physicians employed by the board, to determine whether he continues to be incapacitated for service of the character required of a judge or commissioner. If upon any such examination it is certified to the satisfaction of the board that the member is no longer so incapacitated, or if the member refuses to submit to examination, the board shall terminate his disability retirement allowance. He shall then be entitled to such rights, if any, under subsection (2) or (3) of KRS 21.400 or under KRS 21.402 as he would have been entitled to had he voluntarily retired on the date he was retired for disability.
- (4) Upon reaching his normal retirement age, a member **who began participating in the plan prior to January 1, 2014, and** who has been receiving a disability retirement

allowance may apply for and receive, in lieu thereof, the service retirement allowance he would have been entitled to receive at normal retirement age had he voluntarily retired on the date he was retired for disability.

➔Section 8. KRS 21.420 is amended to read as follows:

- (1) After the death of a member who began participating in the Judicial Retirement Plan prior to January 1, 2014, who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection (3) of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.
- (2)
 - (a) If a member who began participating in the Judicial Retirement Plan prior to January 1, 2014, dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.
 - (b) If a member who began participating in the Judicial Retirement Plan prior to January 1, 2014, dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.
- (3) If a member who began participating in the Judicial Retirement Plan prior to January 1, 2014, dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection (3) of KRS 21.400, or was not at the

time of his death receiving a retirement allowance but had acquired the vested right under subsection (2) of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.

- (4) A member, or a retiree who **began participating in the plan prior to January 1, 2014, who** has not commenced drawing retirement benefits pursuant to KRS 21.400~~[or 21.402]~~, **and** who dies without a spouse or eligible children entitled to survivor's benefits, may designate a beneficiary who shall receive the accumulated contributions ~~[or accumulated account balance]~~ of the member. **A member, or a retiree who began participating in the plan on or after January 1, 2014, who has not commenced drawing retirement benefits pursuant to Section 5 of this Act, who dies without a spouse or eligible children entitled to survivor's benefits, may designate a beneficiary who shall receive the accumulated account balance of the member.** Absent a designation by the member or retiree, the accumulated contributions or accumulated account balance, **as applicable based upon the member's participation date,** shall be paid to the member's estate.
- (5) A member who **began participating in the plan prior to January 1, 2014, who** commences drawing retirement benefits pursuant to KRS 21.400~~[, 21.402,]~~ or 21.410, **and**~~[or]~~ who dies without a spouse or eligible children entitled to survivor's benefits and before the benefits received by the member equal the accumulated contributions of the member, may designate a beneficiary who shall receive the balance of the accumulated contributions of the member. **A member who began participating in the plan on or after January 1, 2014, who commences drawing retirement benefits pursuant to Section 5 or 7 of this Act, and who dies without a spouse or eligible children entitled to survivor's benefits and before the benefits received by the member equal the accumulated account balance of the member,**

may designate a beneficiary who shall receive the balance of the accumulated account balance of the member. Any ~~[offset of contributions by reason of]~~ benefits received shall be deducted from the accumulated contributions or accumulated account balance ~~[first made to the system]~~. Absent a designation by the member, the balance of the accumulated contributions or accumulated account balance, as applicable based upon the member's participation date, shall be paid to the member's estate.

- (6) A member who begins participating in the Judicial Retirement Plan prior to January 1, 2014, may designate a beneficiary who shall receive the balance of the accumulated contributions of the member, in the event survivor's benefits are being paid pursuant to subsection (1), (2), or (3) of this section, and the survivor dies prior to receiving benefits equal to the member's contributions. In this event, the provisions of subsection (5) of this section shall apply as to offset and payment.
- (7) A member who begins participating in the Judicial Retirement Plan prior to January 1, 2014, may, prior to the drawing of benefits, elect in writing to the executive secretary of the Judicial Form Retirement System, to take an optional retirement allowance which shall be actuarially equivalent to the amount of retirement allowance otherwise payable to the member and the member's spouse. If the member dies after retirement, the option chosen shall prevail over the provisions of subsections (1) and (3) of this section. If the member dies prior to retirement, the option chosen shall prevail over the provisions of subsection (2) of this section. The options shall include:
- (a) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse.
 - (b) Survivorship sixty-six and two-thirds percent (66 2/3%). The member may

elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

If a retiree, living or deceased, chose either of the optional retirement benefit allowances specified in paragraphs (a) or (b) of this subsection from July 15, 1994, to July 15, 1998, the optional allowance shall be adjusted accordingly, and the new benefit shall commence August 1, 1998. Each recipient of benefits from the plan, who retired from July 15, 1994, to July 15, 1998, shall have a one-time opportunity to select an optional retirement allowance. The election by the recipient shall be prior to August 1, 1998, at which time the new benefit shall commence. The option chosen shall prevail, subsections (1), (2), and (3) of this section notwithstanding.

(8) For a member who begins participating in the Judicial Retirement Plan on or after January 1, 2014:

(a) If the member dies prior to drawing a retirement allowance, then the surviving spouse may elect to:

1. Take a refund of the member's accumulated account balance or accumulated contributions as provided by KRS 21.402; or
2. If the member had at least five (5) years of service in the plan at the time of his or her death, have the member's accumulated account balance annuitized into a monthly benefit payable for life that is equal to the benefit that would have been paid had the member retired immediately prior to his or her date of death and elected to receive benefits payable under the survivorship one hundred percent (100%) option as provided by paragraph (b)1. of this subsection.

In lieu of the benefits provided by this paragraph to the surviving spouse, the member may elect to have the benefits payable under this paragraph paid to an individual dependent child by completing the forms provided prescribed by

the Judicial Form Retirement System. If no surviving spouse or dependent children are eligible to receive benefits, then the provisions of subsection (4) of this section shall apply to the member.

(b) If a member dies on or after the date the member begins drawing a retirement allowance, the benefits payable to the surviving spouse shall be based upon whether or not the member elects prior to retirement to receive an optional retirement allowance. The election shall be in writing on the forms prescribed by the Judicial Form Retirement System and shall be actuarially equivalent to the amount of retirement allowance otherwise payable to the member. The optional retirement allowances shall include:

1. Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse;
2. Survivorship sixty-six and two-thirds percent (66-2/3%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse; or
3. Survivorship fifty percent (50%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have one-half (1/2) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

In lieu of the benefits provided by this paragraph to the surviving spouse, the member may elect prior to retirement to have the benefits payable under this paragraph paid to an individual dependent child by completing the forms provided ~~prescribed~~ by the Judicial Form Retirement System. If no surviving spouse or dependent children are eligible to receive benefits, then the

provisions of subsection (5) of this section shall apply to the member.

- (c) For purposes of this section a "dependent child" shall mean a child who is less than twenty-one (21) years of age or a disabled child who is eligible for Social Security disability benefits.

➔Section 9. KRS 21.427 is amended to read as follows:

- (1) (a) The board of trustees of the Judicial Form Retirement System shall arrange by appropriate contract or on a self-insured basis for a group hospital and medical insurance plan for recipients of a retirement allowance from the Judicial Retirement Plan, and their dependents. For recipients, or dependents, eligible for Medicare coverage, the board shall provide Medicare supplement hospital and medical insurance coverage. For recipients, or dependents, not eligible for Medicare coverage, the board shall provide hospital and medical insurance coverage comparable to that provided under the major state employees' group insurance, and the board may arrange for the recipients to be included in the major state employees group. For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky, the board shall provide a medical insurance premium reimbursement plan as described in subsection (3) of this section.
- (b) For the purpose of this section, the "dependent" of a recipient means the spouse or minor children, or both, of a recipient who is a living former member of the Judicial Retirement Plan, or the minor children of a deceased former member whose surviving spouse is the recipient.
- (2) (a) Depending upon the number of months of service credit upon which the retirement allowance was based, and upon there having been at least forty-eight (48) months of judicial service, all or a portion of the premium required to provide hospital and medical benefits under this section shall be paid from the judicial retirement fund, as follows:

Months of Judicial Service	Percentage of Premium
240 or more	100%
180 to 239, inclusive	75%
120 to 179, inclusive	50%
48 to 119, inclusive	25%

This paragraph shall not apply to members who begin participating in the Judicial Retirement Plan on or after January 1, 2014.

- (b) For members who begin participating in the Judicial Retirement Plan on or after January 1, 2014:
1. Participation in the health insurance coverage and benefits provided under this section shall not be allowed until the member has earned at least one hundred eighty (180) months of service credited under KRS 21.345 to 21.580 or another state-administered retirement system.
 2. A member who meets the minimum service requirements as provided by subparagraph 1. of this paragraph shall be eligible for a monthly insurance benefit upon retirement of ten dollars (\$10) for each year of service as a participating member of the Judicial Retirement Plan.
 3. The minimum service required to participate in benefits as provided by subparagraph 1. of this subparagraph shall be waived for a member who is disabled in the line of duty as defined in KRS 61.621, and the member shall be entitled to the health benefits payable under this subsection as though the member has twenty (20) years of service in the Judicial Retirement Plan.
 4. The minimum service required to participate in benefits as provided by subparagraph 1. of this subparagraph shall be waived for a member who is killed in the line of duty as described in KRS 61.621, and the member's spouse and eligible dependents shall be entitled to the health

benefits the member would have received if he or she had retired with twenty (20) years of service in the Judicial Retirement Plan.

5. The monthly insurance ~~*benefit*~~ ~~contribution amount~~ provided by this paragraph shall be increased July 1 of each year by one and one-half percent (1.5%). The increase shall be cumulative and shall continue to accrue after the member's retirement for as long as a monthly insurance ~~*benefit*~~ ~~contribution~~ is payable to the retired member.
 6. Under no circumstances shall the cost of coverage be paid for the spouse, dependents, or beneficiaries of a member who began participating in the Judicial Retirement Plan on or after January 1, 2014, except as provided by subparagraph 4. of this paragraph.
- (c) The health insurance payments provided by this subsection shall be made by the fund only if the recipient agrees to pay the remaining, if any, amount of the premium by deduction from his retirement allowance or by another method equally insuring the payment by him.
- (d) Notwithstanding any other statute to the contrary, any member with the minimum number of months of judicial service required by paragraph (a) or (b) of this subsection who is also eligible for benefits, or who is receiving benefits from any retirement plan or system administered by the Commonwealth shall be entitled to hospital and medical benefits as described in paragraph (a) of this subsection except that the number of months of service credit used in calculating the level of benefits shall be the sum of service credited to the member in all the state-administered retirement systems or plans.
1. Upon request of the member, the Judicial Retirement System shall compute the member's combined service in all the state-administered retirement systems or plans and calculate the portion of the member's

premium to be paid by the Judicial Retirement Plan, according to the criteria established in paragraph (a) of this subsection. For members who begin participating in the Judicial~~Legislators~~ Retirement Plan prior to January 1, 2014, the state-administered retirement systems or plans shall pay to the Judicial Retirement Plan the applicable percentage of the plan's cost of the retiree's hospital and medical premium which shall be equal to the percentage of the member's number of months of service in the applicable state-administered retirement systems or plans divided by his total combined service. The amounts paid by all the state-administered retirement systems or plans shall not be more than one hundred percent (100%) of the premium amount adopted by the respective boards of trustees.

2. A member who elects hospital and medical benefits under this subsection shall lose any claim to insurance benefits under any of the other state-administered retirement systems or plans.
- (3) The board shall establish a medical insurance premium reimbursement plan for recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status. An eligible recipient shall file proof of payment for hospital and medical insurance premiums at the retirement office. Reimbursement to eligible recipients shall be made on a quarterly basis. The recipient shall be eligible for reimbursement of substantiated medical insurance premiums for an amount not to exceed the total monthly contribution determined by the board of trustees. The plan shall not be made available if all recipients are eligible for the same level of coverage as recipients living in Kentucky.
- (4) Premiums paid for hospital and medical insurance procured under this section shall

be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the judicial retirement fund shall not constitute income to the recipient. No commission shall be paid for hospital and medical insurance procured under this section.
