Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 132.485 is amended to read as follows:

(1) (a) **Except as otherwise provided in paragraph (b) of this subsection,** the registration of a motor vehicle with a county clerk in order to operate it or permit it to be operated upon the highways of the state shall be deemed consent by the registrant for the motor vehicle to be assessed by the property valuation administrator from a standard manual prescribed by the department of ~~Revenue~~ for valuing motor vehicles for assessment unless:

- 1.** The registrant appears before the property valuation administrator to assess the vehicle; **or**
- 2. The motor vehicle is twenty (20) years old or older, in which case paragraph (b) of this subsection applies regarding its valuation.**

(b) **In the case of motor vehicles that are twenty (20) years old or older:**

- 1. It shall not be presumed that a vehicle has been maintained in, or restored to, the original factory or otherwise classic condition or that its value has increased over the previous year;**
- 2. In assessing motor vehicles under this paragraph and calculating the taxes due thereon, through the AVIS or otherwise, if the registrant does not appear before the property valuation administrator to assess the vehicle, the standard value shall be as follows:**
 - a. The actual valuation of the vehicle as was assessed in the vehicle's nineteenth year, if the vehicle was assessed for taxation in the Commonwealth in that year; or**

b. The average trade-in value prescribed by the applicable edition of the valuation manual for the vehicle in its nineteenth year, if the vehicle was not assessed for taxation in the Commonwealth in that year;
reduced by ten percent (10%) annually for each year beyond nineteen (19) years; and

3. In the case of any motor vehicle for which the assessment procedure provided in subparagraph 2.b. of this paragraph would apply but cannot be carried out because the applicable edition of the valuation manual is unavailable, the property valuation administrator may conduct an actual in-person assessment of the vehicle to determine the value thereof for the given taxable year. In subsequent years, that valuation shall be reduced by ten percent (10%) annually.

(2) The registration of a recreational vehicle with the county clerk in order to operate it or permit it to be operated upon the highways shall be deemed consent by the registrant thereof for the recreational vehicle to be assessed by the property valuation administrator at a valuation determined from a standard manual prescribed by the department~~[of Revenue]~~ for valuing recreational vehicles for assessment unless the registrant appears in person before the property valuation administrator to assess the vehicle.

(3)~~(2)~~ The registration of a motor vehicle on or before the date that the registration of the vehicle is required is prima facie evidence of ownership on January 1.

(4)~~(3)~~ When a motor vehicle is purchased in one (1) year, but registration takes place after January 1 of the following year through no fault of the owner, the department~~[of Revenue]~~ shall assess the motor vehicle and shall send notice of the assessment to the January 1 owner in accordance with KRS 186A.035. If the month of registration has passed for the current year, the assessment shall be due and payable

if not protested to the department within forty-five (45) days from the date of the notice. Payments made after the due date shall carry the normal penalty and interest for motor vehicles.

~~(5)~~~~(4)~~ This section does not apply to motor vehicles or recreational vehicles owned and operated by public service companies, common carriers, or agencies of the state and federal governments.

➔Section 2. The provisions of Section 1 of this Act shall apply to motor vehicles assessed on or after January 1, 2016.
