STATE IMPACT: Class A, B & C felonies are based on an average daily prison rate of \$60.38. Most Class D felons are housed in one of 78 full service jails for up to 5 years. DOC's cost to incarcerate a felony inmate in a jail is \$32.92 per day (includes jail per diem, medical & central office costs), not including substance abuse treatment. Projections are based on the daily rate x 365 x number of years.

Projected Impact: NONE MINIMAL MODERATE SIGNIFICANT

Potential Impact: Section 1 Would expand the definition in KRS 528.010 to include any mechanical or electronic device permanently located in a business establishment that is offered or made available to a person to play or participate in a simulated gambling program in return for direct or indirect consideration. Promoting Gambling in the first degree is a Class D felony. While there is no way to estimate the number of individuals who will be affected by this bill, it is expected to have minimal impact on DOC.

A Class D Felony sentence is 1 to 5 years.

10 Class D Felons cost \$120,145 to \$600,724.

1 Class D Felon costs Ky. \$12,014 to \$60,072.

100 Class D Felons cost \$1.2M to \$6M.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until disposition of the case. While the expense varies by jail, this estimated impact will be based on \$32.25 per day, which equals the per diem and medical that DOC pays jails to house felony offenders.

Potential Impact: Section 1 Would expand the definition in KRS 528.010 to include any mechanical or electronic device permanently located in a business establishment that is offered or made available to a person to play or participate in a simulated gambling program in return for direct or indirect consideration. Promoting Gambling in the second degree is a Class A misdemeanor.

Based on the \$32.25 per diem rate, the local impact is estimated as follows:

A Class A misdemeanor is 90 days to 1 year in jail

10 Class A misdemeanants: \$29,025 to 117,713.

1 Class A misdemeanant: \$2,903. to \$11,771.

100 Class A misdemeanants: \$290,250 to \$1.1M.
