

AN ACT relating to public agencies.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

➔SECTION 1. A NEW SECTION OF KRS 61.510 TO 61.705 IS CREATED TO READ AS FOLLOWS:

*Notwithstanding any other provision of KRS 61.510 to 61.705 or 78.510 to 78.852 to the contrary:*

*(1) Any employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System on July 1, 2015, except as limited by subsection (5) of this section, may:*

*(a) Voluntarily cease participation in its respective retirement system subject to the requirements and restrictions of this section; or*

*(b) Be required to involuntarily cease participation in the system under the provisions of this section if the board has determined the employer is no longer qualified to participate in a governmental plan or has failed to comply with the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852.*

*(2) (a) If an employer desires to voluntarily cease participation in the Kentucky Employees Retirement System or the County Employees Retirement System as provided by subsection (1)(a) of this section:*

*1. The employer shall adopt a resolution requesting to cease participation in the system and shall submit the resolution to the board for its approval;*

*2. The cessation of participation in the system shall apply to all employees of the employer;*

*3. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided*

by this section;

4. The employer shall provide an alternative retirement program for employees who will no longer be covered by the system, which may include a voluntary defined contribution plan; and
5. The employer shall pay to the system the full actuarial cost of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 3. of this paragraph. The full actuarial cost shall not include any employee who seeks a refund of his or her account balance within sixty (60) days of the employer's effective cessation date. An employee's election to receive a refund of his or her account balance within sixty (60) days of the employer's effective cessation date is an irrevocable waiver of the right to obtain service credits for the time worked for the employer ceasing participation. The full actuarial cost may be paid by lump-sum payment or in installment payments to the system. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid or the first installment payment is made. If the employer elects to pay the full actuarial cost in installment payments, the employer shall, as determined by the board:
  - a. Pay installment payments over a time period determined by the board, not to exceed twenty (20) years;
  - b. Be charged interest over the life of the installment period, at the actuarially assumed rate of return; and
  - c. Provide adequate security in any relevant real estate, chattel paper, deposit accounts, documents, goods covered by

documents, instruments, investment property, letters of credit rights, and money. In order to ensure security provided is adequate:

- i. A detailed financing statement shall be provided to the Kentucky Retirement Systems board listing all assets to be used as security and the value certified by a licensed attorney;
- ii. Security interest shall be a perfected interest in accordance with provisions set forth in KRS Chapter 355 and subject to approval of the board; and
- iii. The perfected security interest shall attach until the amount owed is paid in full.

The board may file an action in the Franklin Circuit Court to collect money owed and to attach so much of the general fund or adequate security of the delinquent employer as is necessary to ensure payment of any installment payments owed under this section.

(b) If the board determines an employer must involuntarily cease participation in the system as provided by subsection (1)(b) of this section:

1. The cessation of participation in the system shall apply to all employees of the employer;
2. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section; and
3. The employer shall pay to the system the full actuarial cost of the benefits accrued by its current and former employees in the system as

determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 2. of this paragraph. The full actuarial cost shall not include any employee who seeks a refund of his or her account balance within sixty (60) days of the employer's effective cessation date. An employee's election to receive a refund of his or her account balance within sixty (60) days of the employer's effective cessation date is an irrevocable waiver of the right to obtain service credits for the time worked for the employer ceasing participation. The full actuarial cost may be paid by lump-sum payment or in installment payments to the system. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid or the first installment payment is made. If the employer elects to pay the full actuarial cost in installment payments, the employer shall, as determined by the board:

- a. Pay installment payments over a time period determined by the board, not to exceed twenty (20) years;
- b. Be charged interest over the life of the installment period at the actuarially assumed rate of return; and
- c. Provide adequate security in any relevant real estate, chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letters of credit rights, and money. In order to ensure security provided is adequate:
  - i. A detailed financing statement shall be provided to the Kentucky Retirement Systems board listing all assets to be used as security and the value certified by a licensed

attorney;

- ii. Security interest shall be a perfected interest in accordance with provisions set forth in KRS Chapter 355 and subject to approval of the board; and
- iii. The perfected security interest shall attach until the amount owed is paid in full.

The board may file an action in the Franklin Circuit Court to collect money owed and to attach so much of the general fund or adequate security of the delinquent employer as is necessary to ensure payment of any installment payments owed under this section.

- (3) Any employee hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System or the County Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that employer.

- (4) If an employer has ceased participation in the system as provided by this section:
- (a) The rights of recipients and the vested rights of inactive members accrued as of the employer's effective cessation date shall not be impaired or reduced in any manner as a result of the employer ceasing participation in the system; and
  - (b) Employees of the employer ceasing participation shall accrue benefits through the employer's effective cessation date but shall not accrue any additional benefits in the Kentucky Employees Retirement System or the County Employees Retirement System, including earning years of service credit through the ceased employer, after the employer's effective cessation

date for as long as they remain employed by the employer. The day after the employer's effective cessation date, each employee described by this paragraph shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705 and 78.510 to 78.852, shall:

1. Retain his or her accounts with the Kentucky Employees Retirement System or the County Employees Retirement System and have those accounts credited with interest in accordance with KRS 61.510 to 61.705 and 78.510 to 78.852;
  2. Retain his or her vested rights in accordance with paragraph (a) of this subsection;
  3. Be eligible to take a refund of his or her accumulated account balance in accordance with KRS 61.625 or any other available distribution if eligible; and
  4. Except for federal tax purposes, be treated as if his or her employment terminated as of the employer's effective cessation date, unless otherwise prohibited by applicable federal tax authority.
- (5) (a) Kentucky Employees Retirement System employers who are county attorney offices, Commonwealth's attorney offices, local and district health departments governed by KRS Chapter 212, master commissioners, executive branch agencies whose employees are subject to KRS 18A.005 to 18A.200, state-administered retirement systems, state-supported universities and community colleges, property valuation administration offices, or employers in the legislative or judicial branch of Kentucky state government, shall not be eligible to voluntarily discontinue participation in the Kentucky Employees Retirement System unless the employer is a

nonstock nonprofit corporation organized under KRS Chapter 273.

(b) Only the employers in the County Employees Retirement System who are a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation in the County Employees Retirement System.

(6) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions established by the system as of the most recently completed actuarial valuation and based upon the following methodology:

(a) For each fund, the systems' consulting actuary shall determine the assets at market value that are held in the Kentucky Employees Retirement System or the County Employees Retirement System, as applicable, to cover employer-financed accrued liabilities. The market value of assets of each fund, to the extent sufficient, will be allocated to categories in the following order:

1. Inactive member accumulated account balances;
2. Active member accumulated account balances;
3. Recipient liabilities;
4. Employer-financed inactive member liabilities; and
5. Employer-financed active member liabilities;

(b) The systems' consulting actuary shall apportion the market value of assets in each fund for each category listed in paragraph (a) of this subsection to the employer ceasing participation based on the employer's share of each category's liabilities in the fund that are represented by the members and recipients of the employer ceasing participation;

(c) The systems' consulting actuary shall determine the amount of the employer-financed accrued liabilities separately for each fund for all members and recipients of the employer ceasing participation; and

- (d) The full actuarial cost for each fund shall be equal to the amount by which paragraph (c) of this subsection exceeds paragraph (b) of this subsection.
- (7) The Kentucky Retirement Systems shall promulgate administrative regulations pursuant to KRS Chapter 13A to administer this section.
- (8) Any employer who voluntarily ceases participation, or who is required to involuntarily cease participation as provided in this section, shall hold the Commonwealth harmless from damages, attorney's fees and costs from legal claims for any cause of action brought by any member or retired member of the departing employer.

The contributions shall be credited to the member's account and shall not be picked up pursuant to KRS 61.560(4). The employer contributions for the period, plus interest calculated at the actuarial rate, shall be due within thirty (30) days of notice of receipt of payment from the employee.

➔Section 6. KRS 61.560 is amended to read as follows:

- (1) Each employee shall, commencing on August 1, 1986, contribute for each pay period for which he receives compensation five percent (5%) of his creditable compensation, unless he did not elect membership pursuant to KRS 61.545(3), and except that members of the General Assembly, who elect the survivorship option provided in KRS 61.635(13), shall each contribute six and six-tenths percent (6.6%) of creditable compensation commencing with the payroll period immediately following his election of the option. Any other provisions of KRS 61.515 to 61.705 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute five percent (5%) of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the Federal Social Security Act, in compensation as a result of reemployment during the calendar year.
- (2) Each employer shall cause to be deducted from the creditable compensation of each employee for each and every payroll period the contribution payable by each such employee as provided in KRS 61.515 to 61.705.
- (3) The deductions provided for herein shall be made notwithstanding that the

minimum compensation provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 61.515 to 61.705.

- (4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). These contributions shall not be included as gross income of the employee until such time as the contributions are distributed or made available to the employee. The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. Each employer shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 61.515 to 61.705 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

**(5) *The provisions of this section shall not apply to individuals who are not eligible for membership as provided by Section 1 of this Act.***

➔Section 7. KRS 78.530 is amended to read as follows:

- (1) (a) Each county and school board, as defined in KRS 78.510, will participate in the system by appropriate order authorizing such participation which has been

entered and duly recorded in the records of the governing body of the county or school board. In cases where general purpose county government does not participate, but the sheriff and his employees or the county clerk and his employees do, the sheriff or the clerk shall retain the order in his office. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

- (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that:
1. County governments entering the system between April 9, 2002, and July 1, 2003, under this section shall be excluded from this requirement; and
  2. Agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if all agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002.
- (2) Once a county or school board participates, it shall thereafter continue to participate, except as provided in KRS 78.535.
- (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employee electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2), current service credit for employment in regular full-time positions

between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection ~~(6)~~~~(7)~~ of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each employee electing coverage only as much service credit as the employee has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employee received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employee has not yet repaid the refund, he may make payment to the system by any method acceptable to the system, and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employee's repayment, the city shall purchase the associated service credit for the employee. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county;

- (b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection ~~(6)~~~~(7)~~ of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the

board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employees electing coverage;

- (c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. In addition, the city may maintain any tax, the proceeds of which had been devoted to funding pension obligations under the locally administered plan prior to participation in the system, for the purpose of funding current service costs incurred after the date of participation. The city may increase the tax to pay current service costs which exceed the local pension system costs to which the tax had been devoted, but the city shall not collect from the tax more revenues than are necessary to pay current service costs incurred after the date of participation. The city may continue the tax so long as it participates in the system, and the tax shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect either tax authorized by this paragraph if its participation has been terminated pursuant to Section 1 of this Act~~[KRS 78.535]~~;
- (d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for

those employees who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection;

- (e) A county which did not participate by alternate participation may, until July 1, 1991, purchase current service credit for those employees who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection; and
- (f) A county which participated in the system but did not elect the alternate participation plan may at a later date elect the alternate participation plan. In

this case, the county shall purchase on behalf of each employee participating in the system current service credit for employment in regular full-time positions between July 1, 1958, or a later date selected by the county government, and the participation date of the county. The county shall also purchase, for employees who decide to participate when the county elects the alternate participation plan, current service credit for employment in regular full-time positions between July 1, 1958, or the later date selected by the county government, and the participation date of the county. In addition, the county shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by a payment schedule established under paragraph (b) of this subsection.

- (g) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, this subsection shall not apply to members who begin participating in the system on or after January 1, 2014, and no county that elects to participate in the system on or after January 1, 2014, shall be eligible to participate under the alternate participation plan.
- (4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.
- (5) The order of the governing body of a county, as provided for in subsection (1) of

this section, may exclude from participation in the system hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) ~~{An agency whose participation in the County Employees Retirement System has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employees thereof and the County Employees Retirement System.~~

~~(7)~~ (a) After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new members. New employees who would have been granted membership in such retirement systems shall instead be granted membership in the County Employees Retirement System. Employees who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or firefighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any such policemen or firefighter members employed on or prior to August 1, 1988, who transfer to the County Employees Retirement System, shall be certified by their employers as working in hazardous positions. Each city participating in the County Employees Retirement System pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of

this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employees at the time of transition were given the option to join the system shall not be required to offer said employees a second option to join the system.

- (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if all agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002.

~~(Z)~~~~(8)~~ Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by Social Security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the County Employees Retirement System for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

→Section 8. KRS 78.535 is amended to read as follows:

- (1) If a participating county fails to fully comply with the provisions of KRS 78.510 to 78.852, **the board may require the county to involuntarily cease participation in the system as provided by Section 1 of this Act**~~[the board shall notify the county in writing of its failure to comply and shall inform the county that the failure shall be deemed to be cause for termination of the participation of the county in the system].~~
- (2) ~~[In not less than ninety (90) days after the issuance of the notice in accordance with subsection (1) of this section, the board may terminate the participation of the county in the system unless the county has fully complied or has made satisfactory arrangements to comply. The board shall determine the effective date of the termination of participation.~~
- (3) ~~The county may appeal the decision of the board to the Franklin Circuit Court.~~
- (4) ~~Employees of the county who are members of the system on the effective date of termination of participation shall have the privilege of continuing in membership in the system until their county employment is terminated. The employees shall continue to make contributions to the system in accordance with the provisions of KRS 78.610 and the county shall contribute employer contributions for the employees in accordance with KRS 61.565.~~
- (5) ~~Notwithstanding the provisions of subsection (4) of this section, the aggregate amount of the employer contributions during a fiscal year of a county whose participation has been terminated by the board shall be not less than the amount the system is required to pay in retirement allowances during the fiscal year to former employees of the county and the beneficiaries of the former employees. In determining the amount of retirement allowances, the system shall allow credit for the member contributions paid by the former employees.~~
- (6) ~~[In lieu of **cessation of** termination of the] participation of a county which fails to fully comply with the provisions of KRS 78.510 to 78.852, the board may file an~~

action in the Franklin Circuit Court to collect money owed and to attach so much of the general fund of the delinquent county as is necessary to achieve full compliance with the provisions of KRS 78.625.

➔Section 9. KRS 78.540 is amended to read as follows:

Membership in the system shall consist of the following:

- (1) All persons who become employees of a participating county after the date the county first participates in the system, except a person who did not elect membership pursuant to KRS 61.545(3), and except that mayors and members of city legislative bodies may decline prior to their participation in the system and city managers or other appointed local government executives who participate in a retirement system, other than Social Security, may decline prior to their participation in the system;
- (2)
  - (a) All persons who are employees of a county on the date the county first participates in the system, either in service or on authorized leave from service, and who elect within thirty (30) days next following the county's participation, or in the case of persons on authorized leave, within thirty (30) days of their return to active service, to become members and thereby agree to make contributions as provided in KRS 78.520 to 78.852;
  - (b) All persons who are employees of a county who did not elect to participate within thirty (30) days of the date the county first participated in the system or within thirty (30) days of their return to active service and who subsequently elect to participate the first day of a month after the county's date of participation;
- (3) All persons who declined participation in subsection (1) of this section and who later elect to participate. Persons who elect to participate under this subsection may purchase service credit for any prior years by paying a delayed contribution payment, provided the person began participating in the system prior to January 1,

2014. The service shall not be included in the member's total service for purposes of determining benefits under KRS 61.702; and

- (4) All persons electing coverage in the system under KRS 78.530(3)(d).
- (5) The provisions of subsections (1) and (2) of this section notwithstanding, cities which participate in the CERS and close existing local pension systems to new, or all members pursuant to the provisions of KRS 78.530, 95.520, 95.621, or 95.852 shall not be required to provide membership in the County Employees Retirement System to employees in any employee category not covered by a city pension system at the date of participation.

➔Section 10. KRS 78.610 is amended to read as follows:

- (1) Each employee shall, commencing on August 1, 1990, contribute, for each pay period for which he receives compensation, five percent (5%) of his creditable compensation unless he did not elect membership pursuant to KRS 61.545(3).
- (2) The agency reporting official of a participating county shall cause to be deducted from the "creditable compensation" of each employee for each and every payroll period subsequent to the date the county participated in the system the contribution payable by the member as provided in KRS 78.510 to 78.852. The agency reporting official shall promptly pay the deducted employee contributions to the system in accordance with KRS 78.625.
- (3) The deductions provided for in subsection (2) of this section shall be made notwithstanding that the minimum compensation provided by law for any employee
