 - (c) The efforts of the cabinet to locate and provide services to the biological parents of the child;
 - (d) The efforts of the cabinet and other agencies to facilitate the return of the child to the home or to find an alternative permanent placement if reunion with the parent or previous custodian is not feasible. The cabinet shall report to the board all factors which either favor or mitigate against any decision or alternative with regard to these matters; and
 - (e) Any problems, solutions, or alternatives which may be capable of exploration, or other matters with regard to the child as the cabinet or the board determine to be explored with regard to the best interests of the state or of the child.

The board shall have access to all records of the cabinet, medical professionals, and law enforcement agencies pertaining to these cases. The board shall provide the cabinet and the court a full report of the findings and recommendations concerning the review.
