

AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, unless the context requires otherwise:

(a) "A day of parenting time" means that the parent has the responsibility and physical control of the child overnight; and

(b) "Shared parenting order" means an order for child custody that grants each parent physical custody of a child for more than one hundred nine (109) days of parenting time per year.

(2) The provisions of this section shall not apply where the child or children subject to the child support award receive public assistance, including food stamps, Medicaid, or a wage subsidy received under the Kentucky Transitional Assistance Program (K-TAP).

(3) When one (1) parent exercises more than one hundred nine (109) days of parenting time, but less than one hundred forty-six (146) days of parenting time, and is the obligor under a child support award in the case, the court may adjust the presumptive child support award under Section 2 of this Act if the court makes written findings as follows:

(a) An adjustment does not result in a child support award that provides insufficient funds to the household receiving support to meet the child's basic needs;

(b) The shared parenting order results in a reduction in the financial expenditures incurred by the obligee parent;

(c) The shared parenting order results in an increase in the financial expenditures incurred by the obligor;

(d) An adjustment in the child support award is in the best interest of the child;

and

- (e) An adjustment in the presumptive child support award is equitable under all of the facts and circumstances of the case.
- (4) When there is a shared parenting order that grants one (1) parent physical custody of a child for at least one hundred forty-six (146) days of parenting time, the court shall adjust the presumptive child support award if the court makes written findings as required under subsection (3) of this section.
- (5) In a case under this section, the parent who is the obligor shall have the burden to prove by a preponderance of the evidence that all requirements under subsections (2) and (3) of this section are met before the court makes an adjustment to the presumptive child support award for shared parenting time.
- (6) An adjustment to a child support award for shared parenting time under this section shall be calculated as follows:
- (a) Compute the total child support obligation for the parents' combined incomes as determined under Section 2 of this Act and multiply this amount by 1.5;
- (b) Multiply each parent's percentage of combined monthly adjusted parental gross income by the result under paragraph (a) of this subsection;
- (c) Multiply the results for each parent under paragraph (b) of this subsection by the percentage of days in one (1) year that each parent is granted physical custody of the child;
- (d) Subtract the results under paragraph (c) of this subsection for each parent from the results under paragraph (b) of this subsection for each parent;
- (e) Subtract the lesser amount calculated under paragraph (d) of this subsection from the greater amount calculated under paragraph (d) of this subsection; and
- (f) Require the parent calculated to owe the greater amount under paragraph

(d) of this subsection to pay the adjusted child support award amount calculated in paragraph (e) of this subsection to the other parent.

(7) The court shall use the child support worksheet that includes the formula to calculate a child support award adjusted for shared parenting time.

(8) An adjustment to a child support obligation shall not require a parent to pay more than the maximum child support award as determined under Section 2 of this Act.

(9) If a parent is awarded an adjustment to a child support obligation under this section and that parent does not comply with the shared parenting order on a consistent, repeated basis, then the court may, upon petition of the other parent, recalculate the child support award with no adjustment and award costs and attorneys fees for the recalculation to the appropriate parent.

➔Section 2. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) For the purposes of the child support guidelines:
 - (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.
 - (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal

Social Security Act, and food stamps.

- (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.
- (d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history,

occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

- (e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.
- (f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.
- (g) "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:
 - 1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
 - 2. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
 - 3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.
- (h) "Split custody arrangement" means a situation where each parent is the

residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.

- (3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.
- (4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars (\$60) per month.
- (5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.
- (6) The child support obligation in a split custody arrangement shall be calculated in the following manner:
 - (a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
 - (b) The nonresidential custodian with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.
- (7) The child support guidelines table is as follows:
