- (2) Effective April 1, 2009, a surtax shall be paid in addition to the tax levied in subsection (1) of this section at a proportionate rate of fifty-six cents (\$0.56) on each twenty (20) cigarettes. This tax shall be paid only once, at the same time the tax imposed by subsection (1) of this section is paid.
- (3) Effective June 1, 2005, a surtax shall be paid in addition to the tax levied in subsection (1) of this section and in addition to the surtax levied by subsection (2) of this section, at a proportionate rate of one cent (\$0.01) on each twenty (20) cigarettes. The revenues from this surtax shall be deposited in the cancer research institutions matching fund created in KRS 164.043.
- (4) (a) Effective August 1, 2013, an excise tax is hereby imposed upon every distributor for the privilege of selling tobacco products in this state at the following rates:
 1. Upon snuff at the rate of nineteen cents (\$0.19) per each one and one-half (1-1/2) ounces or portion thereof by net weight sold;
 2. Upon chewing tobacco at the rate of:
 - a. Nineteen cents (\$0.19) per each single unit sold;
 - b. Forty cents (\$0.40) per each half-pound unit sold; or
 - c. Sixty-five cents (\$0.65) per each pound unit sold.

If the container, pouch, or package on which the tax is levied contains more

than sixteen (16) ounces by net weight, the rate that shall be applied to the unit shall equal the sum of sixty-five cents (\$0.65) plus nineteen cents (\$0.19) for each increment of four (4) ounces or portion thereof exceeding sixteen (16) ounces sold; and

3. Upon tobacco products sold, at the rate of fifteen percent (15%) of the actual price for which the distributor sells tobacco products, except snuff and chewing tobacco, within the Commonwealth.
- (b) The net weight posted by the manufacturer on the container, pouch, or package or on the manufacturer's invoice shall be used to calculate the tax due on snuff or chewing tobacco.
- (c) 1. A retailer located in this state shall not purchase tobacco products for resale to consumers from any person within or outside this state unless that person is a distributor licensed under KRS 138.195(7)(a) or the retailer applies for and is granted a retail distributor's license under KRS 138.195(7)(b) for the privilege of purchasing untaxed tobacco products and remitting the tax as provided in this paragraph.
2. A licensed retail distributor of tobacco products shall be subject to the excise tax as follows:
 - a. On purchases of untaxed snuff, at the same rate levied by paragraph (a)1. of this subsection;
 - b. On purchases of untaxed chewing tobacco, at the same rates levied by paragraph (a)2. of this subsection; and
 - c. On purchases of untaxed tobacco products, except snuff and chewing tobacco, fifteen percent (15%) of the total purchase price as invoiced by the retail distributor's supplier.

- (d) 1. The licensed distributor that first possesses tobacco products for sale to a retailer in this state or for sale to a person who is not licensed under KRS 138.195(7) shall be the distributor liable for the tax imposed by this subsection except as provided in subparagraph 2. of this paragraph.
2. A distributor licensed under KRS 138.195(7)(a) may sell tobacco products to another distributor licensed under KRS 138.195(7)(a) without payment of the excise tax. In such case, the purchasing licensed distributor shall be the distributor liable for the tax.

- (e) No tax shall be imposed on tobacco products under this subsection that are not within the taxing power of this state under the Commerce Clause of the United States Constitution.
- (5) **The taxes imposed by subsections (1) and (4) of this section shall not apply to reference tobacco products.**

- ~~(7)(6)~~ The department may prescribe forms and promulgate administrative regulations to execute and administer the provisions of this section.
- ~~(8)(7)~~ The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease."; and
Re-number the subsequent section accordingly.
