On page 1, line 3, and continuing to page 4, line 9, by deleting all material contained therein and inserting in lieu thereof:

"➔SECTION 1. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "Department" means the Department for Medicaid Services;

(b) "Evidence-based best practices" means the integration of the best available research with clinical expertise in the context of patient characteristics and patient and family caregiver preferences;

(c) "Qualified medical provider" means a credentialed and enrolled Medicaid-participating healthcare provider, hospital, rural health center, or licensed home health agency as defined in KRS 216.935; and

(d) "Telemonitoring services" means services that require scheduled remote monitoring of data related to a patient's health where the monitoring is conducted at the patient's place of residence or other site determined by the department.

(2) The department may establish coverage provisions and reimbursement criteria for telemonitoring services based on evidence-based best practices.
