

AN ACT relating to driving under the influence.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 189A.010 is amended to read as follows:

- (1) A person shall not operate or be in physical control of a motor vehicle anywhere in this state:
 - (a) Having an alcohol concentration of 0.08 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle;
 - (b) While under the influence of alcohol;
 - (c) While under the influence of any other substance or combination of substances which impairs one's driving ability;
 - (d) While the presence of a controlled substance listed in subsection (12) of this section is detected in the blood, as measured by a scientifically reliable test, or tests, taken within two (2) hours of cessation of operation or physical control of a motor vehicle;
 - (e) While under the combined influence of alcohol and any other substance which impairs one's driving ability; or
 - (f) Having an alcohol concentration of 0.02 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle, if the person is under the age of twenty-one (21).
- (2) With the exception of the results of the tests administered pursuant to KRS 189A.103(7), if the sample of the person's blood or breath that is used to determine the alcohol concentration thereof was obtained more than two (2) hours after cessation of operation or physical control of a motor vehicle, the results of the test or tests shall be inadmissible as evidence in a prosecution under subsection (1)(a) or

(f) of this section. The results of the test or tests, however, may be admissible in a prosecution under subsection (1)(b) or (e) of this section.

(3) In any prosecution for a violation of subsection (1)(b) or (e) of this section in which the defendant is charged with having operated or been in physical control of a motor vehicle while under the influence of alcohol, the alcohol concentration in the defendant's blood as determined at the time of making analysis of his blood or breath shall give rise to the following presumptions:

- (a) If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and
- (b) If there was an alcohol concentration of 0.05 or greater but less than 0.08 based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (e) of this section.

- (4) (a) Except as provided in paragraph (b) of this subsection, the fact that any person charged with violation of subsection (1) of this section is legally entitled to use any substance, including alcohol, shall not constitute a defense against any charge of violation of subsection (1) of this section.
- (b) A laboratory test or tests for a controlled substance shall be inadmissible as evidence in a prosecution under subsection (1)(d) of this section upon a finding by the court that the defendant consumed the substance under a valid

prescription from a practitioner, as defined in KRS 218A.010, acting in the course of his or her professional practice.

(5) Any person who violates the provisions of paragraph (a), (b), (c), (d), or (e) of subsection (1) of this section shall:

- (2) Nothing in this section limits:
- (a) The person's right to apply for an ignition interlock license during any period of suspension or revocation arising from the same incident;
