➔Section 7. KRS 242.125 is amended to read as follows:

- (1) As used in this section, "city" or "cities" means a city or cities containing a population equal to or greater than three thousand (3,000) based upon the most recent federal decennial census.
- (2) A city shall not be deemed to be the "same territory" as that of a county within the meaning of KRS 242.030~~(4)~~~~[(5)]~~. A city shall have the right to determine its wet or dry status separate from a county's wet or dry status.
- (3) A dry or moist city may hold a local option election to take the sense of the city residents for establishing the city as a wet territory. If the majority of the votes are

in favor of establishing the city as a wet territory, the whole city shall become wet territory by application of KRS 242.200.

- (4) Once a city votes under this section to become wet territory separate from the county, a countywide local option election establishing the county as dry or moist territory shall not cause the city to become dry or moist territory.
- (5) A wet city may hold a local option election to take the sense of the city residents for establishing the city as a dry or moist territory. If the majority of the votes are in favor of establishing the city as a dry or moist territory, the whole city shall become dry or moist territory by application of KRS 242.190.
- (6) If a city votes to become wet territory, a precinct of the city may hold a later election in conformity with this chapter to take the sense of the city precinct residents for establishing the city precinct as a dry or moist territory. If the majority of the votes are in favor of establishing the city precinct as a dry or moist territory, the city precinct shall become dry or moist territory by application of KRS 242.190.
- (7) If a city precinct becomes dry or moist territory separate from a wet city, the city precinct may hold a later election in conformity with this chapter, to take the sense of the city precinct residents for reestablishing the city precinct as a wet territory. If the majority of the votes are in favor of reestablishing the city precinct as a wet territory, the city precinct shall become wet territory by application of KRS 242.200.
- (8) A dry or moist county containing a wet city may hold a local option election to take the sense of the county residents for establishing the county as a wet territory. If the majority of the votes are in favor of establishing the county as a wet territory, the whole county shall become wet territory by application of KRS 242.200.
- (9) A wet county containing a wet city by separate city election under this section may hold a local option election to take the sense of the county residents for establishing the county as a dry or moist territory. If the majority of the votes are in favor of

establishing the county as a dry or moist territory, the county territory outside the wet city limits shall become dry or moist territory by application of KRS 242.190.

- (10) Residents of any city, including a separately wet city, are residents of the county, and shall therefore be permitted to sign any petitions for, and vote in, county local option elections under this section.
- (11) A petition seeking a local option election under this section shall state "We the undersigned registered voters hereby petition for an election on the following question: 'Are you in favor of the sale of alcoholic beverages in (name of county, city, or precinct)?'".
- (12) In any local option election under this section, the proposition to be voted upon shall state "Are you in favor of the sale of alcoholic beverages in (name of county, city, or city precinct)?".
- (13) The status of any moist territory approving limited alcoholic beverage sales through a previous election held under KRS 242.123, 242.124, 242.1242, and 242.1244, or any other limited local option election, shall not be affected by any outcome of any election held under this section. A territory's moist status may only be changed by a local option election on the original same moist election proposition.
- (14) Any city that does not meet the population requirements of subsection (1) of this section that held a separate city-wide election pursuant to subsections (1) to (4) of this section prior to January 1, 2015, shall maintain its wet status and shall be treated as a city as defined in this section for the purposes of subsections (5) to (13) of this section.

➔Section 8. KRS 242.1292 is amended to read as follows:

- (1) The provisions of this section shall be applicable only in any city with a population equal to or greater than twenty thousand (20,000) based upon the most recent federal decennial census notwithstanding any other provisions of this chapter relating to the wet or moist status in any county, city, or territory which may be to

the contrary.

- (2) In any city meeting the population requirements of subsection (1) of this section that is dry or moist in all or part of the city, and upon a determination that an economic hardship exists in one (1) or more of the voting precincts of the city in the manner prescribed in subsection (11) of this section, the governing body of the city shall by ordinance designate the precinct or precincts as a limited sale precinct or precincts and shall provide for an election to be held in the precinct or precincts to take the sense of the people of each precinct as to making that precinct wet territory. A petition seeking a local option election under this section shall state "We the undersigned registered voters hereby petition for an election on the following question: 'Are you in favor of the sale of alcoholic beverages in (official name of precinct)?'".
- (3) The election shall be held in the precinct or precincts in the manner prescribed in this chapter. The election shall not be deemed to be an election in the "same territory" within the meaning of subsection ~~(4)~~~~(5)~~ of KRS 242.030.
- (4) The question shall be presented to the voters in conformance with the requirements of KRS 242.050 except that the form of the proposition shall be, "Are you in favor of the sale of alcoholic beverages in (official name and designation of precinct)?".
- (5) If a majority of the votes cast in any limited sale precinct in which an election is held under this section are in favor of the sale of alcoholic beverages in that precinct, the governing body of the city shall by ordinance create or provide for the office of city alcoholic beverage control administrator.
- (6) The governing body of the city shall adopt the comprehensive regulatory ordinance covering the licensing and operation of establishments for the sale of alcoholic beverages, including, but not limited to, distilled spirits and malt beverages, within a limited sale precinct as set forth in this section. In relation to the ordinances established by a city meeting the population requirements of subsection (1) of this

section under this subsection and subsection (7) of this section, review by the board, if any, shall be limited to a determination that the ordinances do not exceed the limits established for sale by statute, or administrative regulations promulgated by the board under those statutes. In its discretion the governing body shall provide without review by the board that:

- (a) Only three (3) licenses permitting the package sale at retail of alcoholic beverages shall be granted within the territorial limits of any limited sale precinct.
  - (b) Only four (4) licenses to sell alcoholic beverages by the drink for consumption on the premises by the general public shall be granted in any one (1) limited sale precinct. One (1) license in each limited sale precinct may be reserved for any newly established hotel, motel, or inn containing not less than fifty (50) sleeping units and having dining facilities for not less than one hundred (100) persons. The remaining three (3) licenses may be granted to a hotel, motel, or inn meeting the ~~forestated~~ requirements or to bona fide restaurants open to the general public having dining facilities for not less than one hundred (100) persons. Additional licenses to sell alcoholic beverages by the drink for consumption on the premises may be granted to social membership clubs established and maintained for the benefit of members of bona fide fraternal or veterans organizations.
- (7) The governing body of the city may also incorporate in the regulatory ordinance any other reasonable rules and regulations as it deems, necessary or desirable for the proper administration and enforcement of this section, for the maintenance of public order in a limited sale precinct, and for the issuance of any licenses permitted by KRS 243.070.
- (8) Notwithstanding any limitations imposed on the city's taxing or licensing power by KRS 243.070, once any limited sale precinct has been established as wet territory,

the governing body of the city may impose a regulatory license fee upon the gross receipts of each establishment located therein and licensed to sell alcoholic beverages. The regulatory license fee may be levied at the beginning of each city budget period at the percentage rate as shall be reasonably estimated to fully reimburse the city for the estimated costs of any additional policing, regulatory, or administrative expenses related to the sale of alcoholic beverages in the city. The regulatory license fee shall be in addition to any other taxes, fees, or licenses permitted by law, but a credit against the fee shall be allowed in an amount equal to any licenses or fees imposed by the city pursuant to KRS 243.070.

- (9) Subject to the limitation imposed by subsection (3) of this section, no provision contained in this section providing for the establishment of a limited sale precinct shall preclude or abridge the right of the constitutionally qualified voters of the precinct to petition for a subsequent election on the same question.
- (10) If an election is held pursuant to other provisions of KRS Chapter 242 in the city or the county in which a limited sale precinct is located for the purpose of taking the sense of the voters upon the question of the entire city or the entire county becoming dry, wet, or moist, the status of that question in a limited sale precinct shall be determined in the following manner:
  - (a) The status of a limited sale precinct shall not be affected by any election for the entire city or the entire county if the limited sale precinct was established less than five (5) years prior to the date of the proposed election for the entire city or the entire county and if so the voters of any limited sale precinct shall not vote in the election.
  - (b) If the limited sale precinct was established more than five (5) years prior to the date of the proposed election for the entire city or the entire county, the voters within each limited sale precinct shall be presented with the question, "Are you in favor of continuing the sale of alcoholic beverages in (official name

and designation of precinct) as a limited sale precinct?". No other question shall be presented to the voters of any limited sale precinct.

- (c) The votes of each limited sale precinct shall be counted separately, and, if a majority of the votes cast in the limited sale precinct are in favor of continuing the sale of alcoholic beverages therein as a limited sale precinct, then the status shall continue within the precinct, except that if the city or the county in which the limited sale precinct is located votes wet in the remainder of the city or the county, the limited sale precinct status of any precinct may be terminated by the governing body of the city or the county and thereafter the status of the precinct shall be the same as that in effect for the remainder of the city or the county.
- (11) Any precinct located entirely within any city meeting the population requirements of subsection (1) of this section that is dry in all or part of the city shall be designated as a limited sale precinct by the governing body of the city if:
- (a) The governing body determines to its satisfaction that the general trade, business, and economy of one (1) or more of the precincts within the city is substantially, adversely affected by the legal sale of alcoholic beverages in any neighboring or adjoining state, county, city, town, district, or precinct. For the purpose of making this determination, the governing body may hold hearings, examine witnesses, or receive evidence as it believes necessary or desirable for the purpose; or
  - (b) The governing body receives a petition signed by a number of constitutionally qualified voters of a precinct equal to thirty-three percent (33%) of the votes cast in the precinct at the last preceding general election requesting the governing body of the city to designate the precinct as a limited sale precinct. The petition may consist of one (1) or more separate units and shall be filed with the mayor of the city. In addition to the name of the voter, the petition

shall also state his or her post office address and the correct date upon which his or her name is signed. Upon receipt of the petition, the mayor shall present it to the governing body of the city at its next regularly scheduled meeting and, after verifying that the petition is in compliance with the requirements of this section, the governing body shall forthwith by ordinance designate the precinct to be a limited sale precinct.
