<b>REVENUES</b>				
<b>EXPENDITURES</b>				
<b>NET EFFECT</b>				

( ) indicates a decrease/negative

**MEASURE'S PURPOSE:** HFA 1 to HB 268 requires the establishment of a sick leave donation program that would allow all local school district employees to donate sick leave to teachers or employees that are employed at another school district.

**PROVISIONS/MECHANICS:** Amends KRS 161.155 to require local school districts to create a sick leave donation program that would allow employees to voluntarily contribute sick leave to employees in any school district who are in need of an extended absence from school. Also, requires the Kentucky Department of Education to promulgate regulations to establish policies and procedures necessary to implement the sick leave donation between districts.

**FISCAL EXPLANATION:** The development of administrative regulations by KDE for a sick leave donation program can be performed by existing KDE staff and should not require additional funds to implement. There may be some cost savings to school districts from lower sick leave payouts, depending on the amount of sick leave that is donated and used by the donee that might not have been used by the donor employee otherwise. It is not possible to calculate this number or any associated savings to the local school districts.
