

this impact because several of the counties have either one manufacturer or one surface mine and to do so would breach confidentiality. However, these are the 29 counties that would be affected under the provisions of SB 280. There are three undefined counties as reflected in Bureau of Statistics Data. These may or may not be reflected elsewhere in the chart.

County	2014 Establishments, NAICS 333131	Number of Permits reflecting Surface Mining Operations

Perry	-	12
Pike County	1	17
Scott County	1	-
Shelby County	1	-
Webster County	4	-
Whitley	-	4
Unknown or Undefined, Kentucky	3	-
Kentucky Totals:	24	77

In addition to the indeterminable lost license fee revenue, there will also be a cost to those counties listed above to update their license fee ordinances in order to exempt these entities. There are minimal costs related to personnel and materials related to the updating of the ordinances and to the dissemination of the change in ordinance.
