| <input type="checkbox"/> Changes elements of offense for existing crime(s) |  |
| <input type="checkbox"/> Otherwise impacts incarceration (Explain) _____   |  |

**STATE IMPACT:** Class A, B & C felonies are based on an average daily prison rate of \$61.09. Most Class D felons are housed in one of 78 full service jails for up to 5 years. DOC's cost to incarcerate a felony inmate in a jail is \$31.92 per day (includes jail per diem, medical & central office costs), not including substance abuse treatment. Projections are based on the daily rate x 365 x number of years.

**Projected Impact:**  NONE  MINIMAL  MODERATE  SIGNIFICANT

Section 1 Proposed legislation does not appear to add any new felonies or misdemeanors. There appears to be no impact on the Department of Corrections.

**LOCAL IMPACT:** Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until disposition of the case. While the expense varies by jail, this estimated impact will be based on \$31.34 per day, which equals the per diem and medical that DOC pays jails to house felony offenders.

Creates no new misdemeanor offenses. Section

Based on the \$31.34 per diem rate, the local impact is estimated as follows:

**The following offices contributed to this Corrections Impact Statement:**

Dept. of Corrections  Dept. of Kentucky State Police  Administrative Office of the Courts  Parole Board  Other

**NOTE: Consideration should be given to the cumulative impact of all bills that increase the felon population or that impose new obligations on state or local governments.**
