Create a new section of KRS Chapter 501, relating to general principles of liability, to define "offense against a vulnerable victim" and to create a mechanism for charging a person with the commission of an offense against a vulnerable victim in a continuous course of conduct.

SB60 - AMENDMENTS

SCS1/CI/LM - Add KRS 529.100 and 529.110 to offenses which can be charged in a continuing course of conduct. Add subsection specifying that if a person is convicted of an offense against a vulnerable victim in a continuing course of conduct, that person may not also be convicted of charges based on the individual unlawful acts that were part of the continuing course of conduct.
SFA1(W. Westerfield) - Clarify that applicability of bill is determined by age of victim at the time of the offense.
HCS1/CI/LM - Add KRS 510.120 to eligible offenses; declare an EMERGENCY.
HCA1(D. Owens) - Make title amendment.

SB129 (BR1362) - E. Harris

AN ACT relating to administrative regulations.

Amend KRS 13A.010 to change the defined term "government" to "local government" and to establish a definition for "written comments"; amend KRS 13A.020 to provide that a monthly meeting may be rescheduled, rather than canceled, by agreement of both co-chairs; amend KRS 13A.040 to clarify that an administrative body may submit a written request for a technical amendment and provide examples of technical amendments, rather than a complete list; require the regulations compiler to refuse to accept for filing administrative regulations that do not comply with specified requirements for emergency administrative regulations, statements of consideration, and amended-after-comments versions; amend KRS 13A.050 to correct the name of the Administrative Register of Kentucky; amend KRS 13A.070 to authorize, rather than require, the LRC to promulgate administrative regulations; delete the requirement that the regulations compiler refuse to accept any administrative regulation that does

not conform to KRS Chapter 13A and the administrative regulations thereunder; specify that administrative regulations promulgated by LRC shall be signed by the President of the Senate and the Speaker of the House of Representatives; amend KRS 13A.125 to require that a current proposed administrative regulation be withdrawn prior to filing a subsequent proposed administrative regulation with the same number or title; amend KRS 13A.190 to require that emergency administrative regulations be published in the Administrative Register in accordance with the publication deadline established in KRS 13A.050(3); clarify provisions governing when a subsequent emergency administrative regulation with the same number or title or governing the same subject matter may be filed; establish the filing requirements for emergency administrative regulations; amend KRS 13A.220 to require that the electronic version be filed at the same time as, or prior to, filing the paper version; require that the electronic version be saved as a single document for each administrative regulation; specify that a section shall not be divided into lower levels of division if there is only one item in that level of division; require that the contact person's information include an email address; authorize administrative bodies to file letters and notifications electronically with the regulations compiler; amend KRS 13A.221 to require that, before filing an administrative regulation, an administrative body review the entire administrative regulation for compliance with KRS Chapter 13A and current law governing the subject matter of the administrative regulation; amend KRS 13A.222 to require that all changes made to the text of an existing administrative regulation be marked with new words underlined and deleted words struck through and placed in brackets; establish requirements for definitions in administrative regulations; remove the prohibition against using the phrase "at the time" in an administrative regulation; authorize the use of "et seq." in citations; require that citations accompany only the first usage of a popular name in an administrative regulation; amend KRS 13A.2251 to require that the incorporation-by-reference section of an administrative regulation state the regular office hours of the administrative body, rather than the set times of 8:00 a.m. to 4:30 p.m.; amend KRS 13A.2255 to establish the process for amending material previously incorporated by reference; amend KRS 13A.230 to require that the electronic version of an administrative regulation be filed at the same as, or prior to, filing the paper version; require that the electronic version be saved as a single document for each administrative regulation; amend KRS 13A.240 to require the regulatory impact analysis to state the administrative regulation's number and the contact person's name, e-mail address, and telephone number; delete the requirement that the LRC prepare a written analysis of all regulatory impact analyses and administrative regulations; amend KRS 13A.250 and KRS 13A.255 to require inclusion of each contact person's name, e-mail address, and telephone number in the fiscal note and notification

regarding fees; amend KRS 13A.270 to specify that the comment period shall end at 11:59 p.m. on the last day of the calendar month in which the administrative regulation is published in the Administrative Register, rather than having the end of the comment period dependent on whether the last day is a workday or a Saturday, Sunday, or legal holiday; require that the contact information include the contact person's e-mail address; clarify that the provisions for notification if a government may be impacted by an administrative regulation apply for local government, impact not both state and local government impact; delete the requirement that administrative bodies telephone the regulations compiler about the holding or canceling of public hearings and whether public comments were received; amend KRS 13A.280 to specify the filing requirements for a statement of consideration and an amended-after-comments version; amend KRS 13A.290 to require that ARRS review of an administrative regulation include the entire administrative regulation and all attachments filed with the administrative regulation; delete the requirement that a copy of the minutes of each meeting be sent to the promulgating administrative body; require that referrals to the second committee be made on the first Wednesday of the following month instead of at the next regularly scheduled LRC meeting; establish the voting requirements at the second committee level in order to amend an administrative regulation or find an administrative regulation deficient; amend KRS 13A.300 to establish requirements for deferring an administrative regulation scheduled for review at the second committee level; amend KRS 13A.310 to establish the effective date of a repealing administrative regulation if the repealer states an effective date that is after the normal effective date for an administrative regulation; amend KRS 13A.312 to specify that the regulations compiler shall alter administrative regulations pursuant to a statutory change or executive order after receipt of a written request from an administrative body; amend KRS 13A.315 to require that an administrative regulation expire if the statement of consideration and, if applicable, the amended-after-comments version not filed before a specified deadline, rather than requiring expiration if any item is not filed before a deadline; amend KRS 13A.320 to establish requirements for amendments made at a subcommittee meeting; amend KRS 13A.100, 13A.110, 13A.120, 13A.130, 13A.180, 13A.200, and 13A.224 to make technical corrections; and repeal KRS 13A.075 and 13A.140, relating to promulgation of administrative regulations.

SB129 - AMENDMENTS

SCS1 - Retain original provisions; amend KRS 13A.2255 to require the summary of changes to material incorporated by reference to describe the changes being made rather than to describe each change.
HCS1 - Retain original provisions; create a new section of KRS Chapter 141 to permit the Department of Revenue to publish tax forms and instructions to the forms without

promulgating an administrative regulation; amend KRS 13A.110, 131.130, 141.050 and 41.068 to conform.
HFA1(M. Marzian) - Delete the provision stating that tax forms and instructions to those forms shall not carry the force and effect of law.
HFA2(M. Marzian) - Require, rather than authorize, the Department of Revenue to publish tax forms and instructions to those forms without promulgation of an administrative regulation; delete the provision stating that tax forms and instructions to those forms do not carry the force and effect of law.

Horlander, K. Imes, D. Keene, T. McKee, R. Palumbo, M. Rader, J. Richards, J. Shell, G. Stumbo, T. Thompson, B. Yonts

AN ACT relating to public-private partnerships and declaring an emergency.

Amend KRS 45A.030 and 45A.075 and create a new section of KRS Chapter 45A, the Kentucky Model Procurement Code, to provide an explicit framework for the use of public-private partnerships (P3s) as an alternative method of procurement, construction, and financing of capital projects and services by state government; define terms and establish procedures; require the promulgation of administrative regulations relating to P3 procurement; establish certain oversight, reporting, and General Assembly authorization requirements; amend KRS 65.025 and create a new section of KRS Chapter 65 to similarly provide an explicit framework for the use of P3s as an alternative method of procurement by local governments; define terms and establish procedures; establish the Kentucky Local Government Public-Private Partnership Board and require its review and approval of certain P3 agreements proposed by local governments; amend KRS 175B.005, 175B.010, 175B.020, 175B.025 175B.030, 175B.035, 175B.040, 175B.045 and 175B.095 and create a new section of KRS Chapter 175B to provide for the use of P3 procurement pursuant to that chapter as an alternative method for developing, constructing, operating and financing certain major transportation projects; define terms and amend the definition of a project to align with current federal usage; establish procedures and oversight, reporting, and General Assembly authorization requirements; make numerous conforming changes; prohibit any authority from authorizing tolls for any project involving the interstate highway system that connects the Commonwealth with the State of Ohio; EMERGENCY.

HB309 - AMENDMENTS

HCS1 - Retain original provisions except: amend KRS 45A.030 to amend the definition of "private partner" to remove the exclusion for nonprofit organizations, and to amend the definition of "public-private partnership" to clarify that existing methods of procurement will continue to be employed, namely competitive negotiation, and that public-private partnership (P3) procurement will constitute a distinct method of project delivery; amend KRS 45A.075 to provide that only competitive negotiation methods may be utilized for a P3; remove certain explicitly named entities from groups that the Finance and Administration Cabinet must consult with in the regulatory promulgation process; amend original language in the bill that requires certain explicit General Assembly authorizations for P3 projects to clarify that this requirement is in addition to any other existing statutory authorizations required for capital projects generally; amend the unsolicited proposal provisions to require public notice of proposals received by a governmental body and to allow a 90-day period of time for submission of

competing proposals to be considered along with the unsolicited proposal; clarify original language to more explicitly state that any procurement resulting from a review of any unsolicited proposal shall itself be undertaken through an open, competitive procurement process; make similar amendments as those previously stated to the local government provisions of the bill, including the amended definitions of terms and clarified unsolicited proposal procedures; provide that the provisions of Sections 1 to 3 of the Act relating to state agency P3 procurement shall apply only to a project for which the procurement process is initiated on or before the effective date of the Act.
HFA1(T. Moore) - Increase the project cost threshold at which prevailing wage requirements will apply, for applicable state agency or local government projects utilizing a public-private partnership delivery method, from \$250,000 to \$500,000.
HFA2(T. Moore) - Increase the project cost threshold at which prevailing wage requirements will apply, for applicable state agency or local government projects utilizing a public-private partnership delivery method, from \$250,000 to \$500,000.
HFA3(L. Combs) - Provide that within 30 days of receiving an unsolicited proposal a local government may elect to consider it for further action, and that public notice of the proposal shall be provided at that time either pursuant to the provisions of KRS Chapter 424 or electronically on the website of the local government.

SCS1 - Retain original provisions of HB 309/GA with the following changes: amend provisions relating to required General Assembly authorization for the use of the P3 delivery method for postsecondary institutions; clarify provisions relating to unsolicited proposals received by state and local government agencies to more clearly state that all resulting procurement is required to be open and competitive; clarify the specific types of surety bonds required for local P3 agreements; explicitly allow the Finance Cabinet to contract with an outside consultant to assist with the review of local P3 projects; require the Kentucky Local Government Public-Private Partnership Board to meet only once per year and as needed; amend the existing toll prohibition provisions to extend them to any fully or partially controlled highway, whether or not involving the federal interstate highway system, that connects the Commonwealth to the State of Ohio, including but not limited to a bypass of a major metropolitan area.
SFA1(T. Buford) - Create a new section in KRS Chapter 45A to prohibit a business, contractor, or private partner from making a contribution to a candidate, slate of candidates, or committee when such parties are in a public-private agreement and for 3 years following the expiration or termination of the public-private agreement.
SFA2(G. Neal) - Explicitly provide that all public-private partnership agreements entered into by the state and local governments, and agreements relating to transportation projects undertaken pursuant to KRS Chapter 175B, shall be subject to applicable laws and regulations regarding equal employment

opportunity and minority and disadvantaged business enterprise procurement.
SFA3(G. Neal) - Explicitly provide that all public-private partnership agreements entered into by the state and local governments, and agreements relating to transportation projects undertaken pursuant to KRS Chapter 175B, shall be subject to applicable laws and regulations regarding equal employment opportunity and minority and disadvantaged business enterprise procurement.
SFA4(R. Stivers II) - Make title amendment.
SFA5(R. Stivers II) - Make title amendment.
SFA6(R. Stivers II) - Create a new section of KRS Chapter 81A to permit a city to annex territory contiguous to its corporate boundaries that lies within another county; specify the manner of allocating revenue between the city and county governments.
SFA7(D. Thayer) - Add a new subsection of Section 3, relating to the model procurement code, that specifies that the prevailing wage, as defined in KRS 337.505, is not to be part of the bidding specifications for either a public-private partnership or a contract in a public-private partnership agreement; add a new subsection of Section 5, relating to local public-private partnerships, that specifies that the prevailing wage, as defined in KRS 337.505, is not to be part of the bidding specifications for either a public-private partnership or a contract in a public-private partnership agreement; add a new subsection of Section 10, relating to transportation projects, that specifies that the prevailing wage, as defined in KRS 337.505, is not to be part of the bidding specifications or part of a contract in a public-private partnership agreement.
