SB1 (BR427)/AA - J. Bowen, R. Stivers II, C. McDaniel, D. Thayer

AN ACT relating to retirement.

Amend KRS 6.505 to provide that the "inviolable contract" provisions shall not apply to legislative changes to Legislators' Retirement Plan (LRP) that become effective on or after July 1, 2018; make technical changes; amend KRS 6.520 to reduce the benefit factor of LRP members who began participating prior to 1/1/2014 to 1.97%; amend KRS 6.525 to recalculate current and future LRP retiree benefits effective 1/1/2019 so that the benefit from LRP is based solely upon salary earned as a legislator; amend KRS 6.518 to conform; amend KRS 21.360 to provide that the "inviolable contract" provisions shall not apply to legislative changes to the Judicial Retirement Plan (JRP) that become effective on or after July 1, 2018; make technical changes; amend KRS 21.374 to remove provisions relative to the election to participate in the cash balance plan by existing members and amend to provide that LRP and JRP members may elect to cease participating in LRP or JRP and participate prospectively in KERS in the new optional 401(a) money purchase plan for any future service as a legislator, judge, or justice; amend KRS 21.402 to change the interest credit in the JRP/LRP cash balance plans to 85% of the 5-year smoothed return above 0% if the member is contributing to a state-administered retirement system or plan and 0% if the person is not contributing to a state-administered retirement system or plan; amend KRS 21.460 to prohibit the purchase of recontributions of refunds to LRP/JRP by members who are participating in the 401(a) money purchase plan provided by this Act; amend KRS 21.480 to provide that the "inviolable contract" provisions shall not apply to legislative changes to JRP that become effective on or after July 1, 2018; make technical changes; amend KRS 21.372 and 21.385 to make technical/conforming amendments to JRP/LRP statutes; create a new section of KRS 61.510 to 61.705 to establish an optional 401(a) money purchase plan for new nonhazardous members who begin participating in the Kentucky Employees Retirement System (KERS) and County Employees Retirement System (CERS) on or after January 1, 2019, who elect to participate in the plan; provide that the optional money purchase plan shall be a mandatory defined contribution plan that will operate as another benefit tier in KERS/CERS and will include a 4% employer contribution; provide that the investment options for members of the money purchase plan shall be determined by the Kentucky Retirement Systems (KRS) board and may include options for investing in system assets, investment options provided by an external vendor selected by the KRS board, or investment options provided through an agreement with the Kentucky Public Employees Deferred Compensation Authority (KDC); provide

for a 5-year vesting period for employer contributions in the 401(a) money purchase plan; provide that a member can retire and take a refund or his or her account or annuitize his or her account balance in the 401(a) money purchase plan into one of the payment options provided by the system upon reaching age 65 with 5 years' service or upon meeting a combined age and service requirement of 87 years with a minimum age of 57; amend KRS 16.505, 61.510, and 78.510 relative to State Police Retirement System (SPRS), KERS, and CERS to exclude uniform and equipment allowances from the definition of creditable compensation, require that a final compensation based upon the highest 3 (hazardous) or highest 5 (nonhazardous) years of creditable compensation must contain at least 36 or 60 months, as applicable, for those members retiring on or after January 1, 2019; for Tier I nonhazardous KERS and CERS members retiring on or after July 1, 2023, prohibit lump-sum payments for compensatory time at retirement from increasing retirement benefit calculations; define "nonhazardous position" and "accumulated employer contribution" and make technical and conforming changes; amend KRS 61.546 and 78.616 to provide that members of KERS/CERS/SPRS who retire on or after August 1, 2018, shall not receive sick leave service credit for more than the sick leave they have accumulated as of July 31, 2018, and shall not be eligible to use sick leave service credit for purposes of determining retirement eligibility; provide that no additional KERS/CERS agencies may elect to adopt a sick leave program on or after August 1, 2018; amend KRS 61.565 to define normal cost for purposes of funding for KERS, CERS, SPRS, LRP, and JRP; provide that costs for the optional 401(a) money purchase plan shall be included in the normal cost calculation; provide that for the 2019 actuarial valuation the unfunded liabilities shall be financed using a level dollar amortization method and that unfunded liability payments shall be prorated to each employer based upon the employer's average share of payroll over fiscal years 2015, 2016, and 2017, except for those employers who have ceased participation; provide that employer funding requirements shall be determined using the entry age normal cost method, a 5-year asset smoothing method, and assumptions adopted by the KRS board; provide that KERS and SPRS rates shall be adjusted annually rather than on a biennial basis in the 2020-2022 budget biennium; amend KRS 61.597 to change the interest credit for KERS/CERS nonhazardous members in the cash balance plan to 85% of the 10-year smoothed return above 0% if the member is contributing to a state-administered retirement system or plan and 0% if the person is not contributing to a state-administered retirement system or plan; amend KRS 16.601 to provide that in the event of a line-of-duty death of a KERS, CERS, or SPRS hazardous member, the spouse shall supersede the beneficiary designation on file; amend KRS 61.552 to provide that members who begin participating in the optional 401(a) money purchase plan shall not be eligible to purchase service credit and to

make conforming amendments; amend KRS 61.555 to provide that a member in the optional 401(a) money purchase plan shall be credited with employee and employer contributions if called to active duty military service while working; amend KRS 61.637 to specify required breaks in employment for KERS, CERS, SPRS, LRP, JRP, and Teachers' Retirement System (TRS) retirees who retire on or after January 1, 2019, and are reemployed on or after January 1, 2019, and to provide that these reemployed retirees shall not earn a second retirement account upon reemployment; amend KRS 61.702 to require KRS employees who began participating on or after July 1, 2003, but prior to September 1, 2008, to contribute towards retiree health funding an amount equivalent to the lesser of the normal cost of the retiree health benefit or 3% of creditable compensation; provide that the increase in the employee contribution rate shall be phased-in over a 3-year period and may be adjusted annually after that date by the KRS board in increments of 0.25% of pay if the normal cost decreases/increases, but in no case shall it exceed 3% of creditable compensation; amend KRS 61.705 to provide that members who begin participating on or after January 1, 2014, shall not be eligible for the \$5,000 death benefit payable to KERS, CERS, and SPRS retired members with at least 4 years of service; amend KRS 16.652, 61.692, and 78.852 to provide that the KERS, CERS, and SPRS "inviolable contract" provisions shall not apply to legislative changes that become effective on or after July 1, 2018; make technical changes; amend KRS 61.5955 to remove provisions relative to election by pre-2014 KERS, CERS, and SPRS members to participate in a cash balance plan and amend to provide that KERS and CERS nonhazardous members may elect to cease participating in the pension plan and participate prospectively in the optional 401(a) money purchase plan for future service; amend KRS 61.655 to provide that no member of the General Assembly, public servant, or trustee or employee of the KRS board shall have any interest in the business of KRS while employed/working and for a period of 5 years following employment/service (starting from July 1, 2017); amend KRS 16.583, 16.645, 61.575, 61.595, 78.640, 61.580, 61.559, 61.605, 61.640, 61.680, 78.545, and 78.650 to make technical/conforming amendments; create a new section of KRS 161.220 to 161.716 to establish a hybrid cash balance plan for new Teachers' Retirement System (TRS) members who begin participating on or after January 1, 2019; provide that the hybrid cash balance plan shall operate as another benefit tier in TRS and will include an 8% employer credit for non-university members and a 4% employer credit for university members; provide for a 5-year vesting period for employer credits in the TRS hybrid cash balance plan; provide that a member can retire and take a refund of his or her account or annuitize his or her account balance in the TRS hybrid cash balance plan into one of the payment options provided by the system upon reaching age 65 with 5 years' service or upon meeting a combined age

and service requirement of 87 years with a minimum age of 57; allow a TRS member with less than 5 years of service to elect participation in the hybrid cash balance plan; amend KRS 161.155 to limit the amount of sick leave payments that can be applied to TRS retirement benefit calculations to the amount of sick days accumulated as of July 31, 2018; retain current high-3 final average salary provisions for TRS members with 20 or more years of service as of July 31, 2018; provide that TRS members with less than 20 years of service as of July 31, 2018, may qualify for a high-3 final average salary calculation if he or she is at least age 60 and has at least 35 years of service; define "university member," "nonuniversity member," "accumulated account balance," and "accumulated employer credit"; amend KRS 161.460 to provide that no member of the General Assembly, public servant, or trustee or employee of the TRS board shall have any interest in the business of TRS while employed/working and for a period of 5 years following employment/service (starting from July 1, 2017); amend KRS 161.470 to provide that new members of TRS cannot purchase recontributions of refunds and existing members cannot use recontributions of refunds for purposes of determining the date the individual became a member of TRS; amend KRS 161.480, 161.500, 161.507, 161.515, 161.545, 161.5465, 161.547, 161.548, 161.549, and 161.595 to remove certain service purchase provisions for new TRS members effective January 1, 2019; make technical/conforming amendments; amend KRS 161.540 to provide that the employee contribution to fund TRS retiree health benefits for all members shall be increased by the TRS board in 1% of pay increments if the retiree health fund falls below 25% funded, experiences a drop in the funding level for 3 consecutive valuations, or experiences a drop in the funding level of more than 10% over 2 consecutive valuations; amend KRS 161.550 to require TRS employers to pay the full actuarially required contribution rate; provide that for the employer rates payable on or after July 1, 2020, the unfunded liabilities shall be financed using a level dollar amortization method and to prorate unfunded liability payments to each employer based upon the employer's average share of payroll over fiscal years 2015, 2016, and 2017; provide that employer funding requirements shall be determined using the entry age normal cost method; a 5-year asset smoothing method, and assumptions adopted by the TRS board; define "normal cost" and "actuarially accrued unfunded liability contribution," and provide that local school districts shall pay 2% of pay towards the costs of new TRS members retirement benefits; amend KRS 161.568 to prohibit new members, effective January 1, 2019, from transferring service into TRS from an optional defined contribution retirement plan administered by university employers; amend KRS 161.605 to provide that TRS members who retire on or after January 1, 2019, and return to work shall be subject to the amended reemployment after retirement provisions of KRS 61.637; amend KRS 161.620 to provide that TRS members with 20 or more years of service as of

July 31, 2018, shall continue to be eligible for a 3% benefit factor for years of service in excess of 30; provide that TRS members with less than 20 years of service as of July 31, 2018, shall be eligible for a 3% benefit factor for years of service in excess of 35 if the member is at least 60 years of age; provide that TRS retirees will receive a 0.75% COLA in lieu of a 1.5% COLA if the pension fund is less than 90% funded as of the most recent valuation for COLAs provided from July 1, 2019, to July 1, 2030; provide that new TRS retirees will receive a 0.75% COLA in lieu of a 1.5% COLA if the pension fund is less than 90% funded as of the most recent valuation for COLAs provided for twelve years following retirement; provide that the TRS COLA provisions do not apply to new members, effective January 1, 2019; amend KRS 161.623 to limit sick leave service credit to the level of sick leave accumulated as of July 31, 2018, for TRS members receiving service credit for accumulated sick leave; provide that agencies who have not elected a TRS sick leave program may not do so on or after August 1, 2018; amend KRS 161.655 to provide that the life insurance benefit from TRS shall not be applicable to new members, effective January 1, 2019; amend KRS 161.661 to conform TRS disability provisions to the plans for new members; amend KRS 161.714 to provide that the TRS "inviolable contract" provisions shall not apply to legislative changes that become effective on or after July 1, 2018 or to new TRS members with the exception of the new member's accumulated account balance; amend KRS 161.400, 161.420, 161.480, 161.520, 161.522, 161.525, 161.580, 161.585, 161.590, 161.600, 161.612, 161.615, 161.630, 161.650, and 161.700 to make technical/conforming TRS amendments; amend KRS 7A.250 to provide that the Public Pension Oversight Board's hiring of an actuary to perform a review of state-retirement system rates is voluntary; make conforming/technical amendments; create a new section of KRS Chapter 18A to establish conflict of interest provisions for Kentucky Public Employees Deferred Compensation Authority (KDC) employees and trustees; provide that no member of the General Assembly, public servant, or trustee or employee of the KDC board shall have any interest in the business of KDC while employed/serving and for a period of 5 years following employment/service (starting from July 1, 2017); amend KRS 11A.010 to make the KDC board subject to the Executive Branch Code of Ethics; amend KRS 18A.245 to make conforming/technical amendments; require the Public Pension Oversight Board (PPOB) to establish an advisory committee to evaluate CERS separation/restructuring of the KRS systems and report recommendations to the PPOB no later than December 1, 2019; provide that line-of-duty death changes to KRS 16.601 are applicable to surviving spouses of hazardous members who died in the line of duty on or after January 1, 2017; provide severability clause.

SB1 - AMENDMENTS

SCS1/AA - Retain original provisions except to: amend KRS 6.525 to provide

that non-legislative compensation earned on or after January 1, 2019, shall not be used to determine benefits in the Legislators' Retirement Plan (LRP); amend KRS 21.374 and 61.5955 to provide that members of LRP, the Judicial Retirement Plan (JRP), and the Kentucky Employees Retirement System (KERS) and the County Employees Retirement System (CERS) nonhazardous plans who elect to participate prospectively in the 401(a) money purchase plan shall do so by January 1, 2021; amend KRS 21.385, 61.637, and 161.605 to provide stand-alone reemployment after retirement provisions for the Teachers' Retirement System (TRS), LRP, and the Judicial Retirement Plan (JRP) and provide that no second retirement accounts shall be provided to members who retire on or after January 1, 2019 and are reemployed after that date; amend KRS 16.505, 61.510, and 78.510 to provide that all expense allowances paid on or after 1/1/2019 shall not be included in the definition of creditable compensation; amend KRS 61.546 and 78.616 to alter effective dates of changes to KERS, CERS, and SPRS sick leave provisions; amend KRS 61.565 and 161.550 to reset the amortization period to finance pension unfunded liabilities to a new 30 year period for KERS, CERS, SPRS, and TRS; amend KRS 61.702 to provide that KERS, CERS, and SPRS employees participating in the system on or after July 1, 2003, but prior to September 1, 2008, shall contribute 1% of pay to help fund retiree health benefits; amend KRS 161.155 and 161.623 to alter effective dates of changes to TRS sick leave provisions; amend KRS 161.620 to provide that the TRS COLA shall be 1.0% instead of 1.5% until the TRS pension fund is 90% funded; make technical amendments. SFA1(D. Ridley) - Amend Section 73 of the bill to restore cost-of-living adjustments of 1.5% per year for retired members and beneficiaries of retirement options of the Teachers' Retirement System. AN ACT relating to pharmacy benefits in the Medicaid program, and declaring an emergency.

Create a new section of KRS Chapter 205 to require the Department for Medicaid Services to directly administer all outpatient pharmacy benefits; prohibit renewal or negotiation of new contracts to provide Medicaid managed care that allow administration of outpatient benefits by any entity but the Department for Medicaid Services; reduce costs of future Medicaid managed care contracts by costs of all outpatient pharmacy benefits as they existed on January 1, 2017; allow the department to utilize managed care principles and techniques to assist with

member medication adherence and cost control; require the department to establish a reasonable dispensing fee pursuant to Centers for Medicare and Medicaid Services guidelines; EFFECTIVE January 1, 2019.

SB5 - AMENDMENTS

SCS1 - Delete original provisions; create a new section of KRS Chapter 205 to require the Department for Medicaid Services to directly administer all outpatient pharmacy benefits and authorize the DMS to use a third party to administer certain benefits; require the department to establish a reasonable dispensing fee pursuant to Centers for Medicare and Medicaid Services guidelines; clarify how future contracts between third party administrators and pharmacies are required to operate; prohibit renewal or negotiation of new contracts to provide Medicaid managed care that allow administration of outpatient benefits by any entity but the Department for Medicaid Services; reduce costs of future Medicaid managed care contracts by costs of all outpatient pharmacy benefits as they existed on January 1, 2017; exempt certain covered entities and contracted pharmacies operating under 42 U.S.C. section 256b; allow the department to utilize managed care principles and techniques to assist with member medication adherence and cost control; require an annual update from the commissioner of Medicaid relating to contracts, contract issues, formularies, dispensing fees, and maximum allowable cost concerns relating to third party administrators and managed care; amend KRS 205.647 to include additional requirements on pharmacy benefit managers and reporting requirements to the Cabinet for Health and Family Services, including a requirement to inform the CHFS about all potential conflicts of interest, required disclosures to the CHFS relating to contracts with pharmaceutical manufacturers, percentage of claims payments made to pharmacies owned, managed, or controlled by the PBM; aggregate amount of any fees or assessments imposed on or collected from pharmacy providers; require information to include all retail, mail order, specialty, and compounded prescription products; require direct disclosure by a PBM to a pharmacy provider of any material changes to a contract affecting terms of reimbursement, process for verifying benefits and eligibility, dispute resolution, and procedures for verifying drugs included on the formulary; prohibit certain provisions in PBM contracts with pharmacy providers including prohibiting the provider from informing a patient of a less costly alternative to a prescribed medication, prohibiting a provider from dispensing a particular amount of a prescribed medication if the PBM allows that amount to be prescribed through a pharmacy owned or controlled by that PBM; clarify that this section does not require additional reimbursement, terms, and conditions for a pharmacy provider as for a pharmacy owned, controlled, or otherwise associated with the PBM; require a PBM to establish and implement a process for the resolution of disputes arising out of KRS 205.647; make Section 1 EFFECTIVE January 1,

2019.

SFA1(M. Wise) - Retain provisions of the Senate Committee Substitute, except remove a provision requiring pharmacy benefit managers to disclose certain agreements with pharmaceutical manufacturers.

AN ACT relating to the safe disposal of controlled substances.

Amend KRS 218A.170 to require a practitioner or a pharmacist to sell or distribute a nontoxic composition, which permanently captures the controlled substance, for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances anytime a controlled substance is sold or distributed.

SB6 - AMENDMENTS

SCS1 - Delete original provisions, amend KRS 218A.170 to require a practitioner or a pharmacist to offer to sell or distribute a nontoxic composition for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances anytime a controlled substance is sold or

distributed, and to require a practitioner or a pharmacist to inform all persons who receive a prescription about the importance of proper and safe disposal of unused, unwanted, or expired prescription drugs.

SCS2 - Delete original provisions, amend KRS 218A.170 to require a practitioner or a pharmacist to offer to sell or distribute a nontoxic composition for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances anytime a controlled substance is sold or distributed; require a practitioner or a pharmacist to inform all persons who receive a prescription about the importance of proper and safe disposal of unused, unwanted, or expired prescription drugs; specify that the Kentucky Medicaid program is not required to provide payment for when a practitioner or a pharmacist offers to sell or distribute a nontoxic composition for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances anytime a controlled substance is sold or distributed; establish a penalty for violations of law.

SCA1(A. Kerr) - Establish new language to amend KRS 218A.170 to establish that the Kentucky Medicaid program shall not be required to provide payment for required nontoxic composition which sequesters or deactivates and disposes of unused, unwanted, or expired controlled substances.

SFA1(T. Buford) - Amend penalty provisions to limit penalties for violations of subsections (3), (4), (6), or (7) of Section 1 to a one-time fine of \$25; amend KRS 218A-993 to exempt subsequent violations of subsections (3), (4), (6), or (7) of Section 1 from constituting a Class B misdemeanor.

HCS1 - Amend to require a pharmacist or a pharmacist's designee to inform persons verbally, in writing or by posted signage of methods for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances anytime a controlled substance is dispensed; to permit a pharmacist or a pharmacist's designee to make available for purchase or distribute at no charge a nontoxic composition for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances when a controlled substance is dispensed; require a practitioner who dispenses a controlled substance to inform all persons who receive a prescription about the importance of proper and safe disposal of unused, unwanted, or expired prescription drug and make available for purchase or distribute at no charge a nontoxic composition for the sequestration or deactivation and disposal of unused, unwanted, or expired controlled substances; encourage manufacturers or distributors to enter into consignment-reimbursement contracts for inventory.

relating to water districts, KRS 76.080, relating to metropolitan sewer districts, KRS 76.231, relating to joint sewer agencies, KRS 76.325, relating to sewer construction districts, and create a new section of KRS 220.010 to 220.540, relating to sanitation districts, to allow each agency or entity to contract with other entities to acquire wastewater facilities in connection with the acquisition, construction, operation, repair, or maintenance when the entity's facilities are outside of that particular agency's jurisdictional boundaries.

SB151 - AMENDMENTS

SCS1 - Retain original provisions of the bill, except add exemption in each section for projects coming under the provisions of KRS Chapter 278 and add and amend KRS 76.232 to enable the cited entities to have the same authority granted as in the other sections of the bill.

HCS1/AA - Amend KRS 6.505 to provide that the "inviolable contract" provisions shall not apply to legislative changes to Legislators' Retirement Plan (LRP) that become effective on or after July 1, 2018; make technical changes; amend KRS 6.520 to reduce the benefit factor of LRP members who began participating prior to January 1, 2014, to 1.97%; amend KRS 6.525 to provide that non-legislative compensation earned in another state-administered retirement system on or after January 1, 2019, shall not be used to calculate LRP retirement benefits; amend KRS 6.518 to conform; amend KRS 21.360 to provide that the "inviolable contract" provisions shall not apply to legislative changes to the Judicial Retirement Plan (JRP) that become effective on or after July 1, 2018; make technical changes; amend KRS 21.374 to remove provisions relative to the election to participate in the cash balance plan by existing members and amend to provide that LRP and JRP members may elect to cease participating in LRP or JRP and participate prospectively in KERS in the new optional 401(a) money purchase plan for any future service as a legislator, judge, or justice; amend KRS 21.402 to change the interest credit in the JRP/LRP cash balance plans to 85% of the five-year smoothed return above 0% if the member is contributing to a state-administered retirement system or plan and zero % if the person is not contributing to a state-administered retirement system or plan; amend KRS 21.460 to prohibit the purchase of recontributions of refunds to LRP/JRP by members who are participating in the 401(a) money purchase plan; amend KRS 21.480 to provide that the "inviolable contract" provisions shall not apply to legislative changes to JRP that become effective on or after July 1, 2018; make technical changes; amend KRS 21.372 and 21.385 to make technical/conforming amendments to JRP/LRP statutes; create a new section of KRS 61.510 to 61.705 to establish an optional 401(a) money purchase plan for new nonhazardous members who begin participating in the Kentucky Employees Retirement System (KERS) and County Employees Retirement System (CERS) on or after January 1, 2019, who elect to participate in the plan; provide that the optional money purchase plan shall be a mandatory defined contribution plan that

will operate as another benefit tier in KERS/CERS and will include a 4% employer contribution; provide that the investment options for members of the money purchase plan shall be determined by the Kentucky Retirement Systems (KRS) board and may include options for investing in system assets, investment options provided by an external vendor selected by the KRS board, or investment options provided through an agreement with the Kentucky Public Employees Deferred Compensation Authority (KDC); provide for a five-year vesting period for employer contributions in the 401(a) money purchase plan; provide that a member can retire and take a refund or his or her account or annuitize his or her account balance in the 401(a) money purchase plan into one of the payment options provided by the system upon reaching age 65 with five years' service or upon meeting a combined age and service requirement of 87 years with a minimum age of 57; amend KRS 16.505, 61.510, and 78.510 relative to State Police Retirement System (SPRS), KERS, and CERS to exclude uniform and equipment allowances from the definition of creditable compensation, require that a final compensation based upon the highest three (hazardous) or highest five (nonhazardous) years of creditable compensation must contain at least 36 or 60 months, as applicable, for those members retiring on or after January 1, 2019; for Tier I nonhazardous KERS and CERS members retiring on or after July 1, 2023, prohibit lump-sum payments for compensatory time at retirement from increasing retirement benefit calculations; define "nonhazardous position" and "accumulated employer contribution" and make technical and conforming changes; amend KRS 61.546 and 78.616 to provide that sick leave service credit shall not be used to determine retirement eligibility or to reduce applicable actuarial penalties for KERS, CERS, and SPRS members who began participating prior to January 1, 2014, and who retire on or after July 1, 2023; provide that no additional KERS/CERS agencies may elect to adopt a sick leave program on or after August 1, 2018; amend KRS 61.565 to define normal cost for purposes of funding for KERS, CERS, SPRS, LRP, and JRP; provide that costs for the optional 401(a) money purchase plan shall be included in the normal cost calculation; provide that, for the 2019 actuarial valuation, the unfunded liabilities shall be financed using a level dollar amortization method and that unfunded liability payments shall be prorated to each employer based upon the employer's average share of payroll over fiscal years 2015, 2016, and 2017, except for those employers who have ceased participation; provide that employer funding requirements shall be determined using the entry age normal cost method, a five-year asset smoothing method, and assumptions adopted by the KRS board; provide that KERS and SPRS rates shall be adjusted annually rather than on a biennial basis in the 2020-2022 budget biennium; amend KRS 61.597 to change the interest credit for KERS/CERS nonhazardous members in the cash balance plan to 85% of the 10-year

smoothed return above zero % if the member is contributing to a state-administered retirement system or plan and zero % if the person is not contributing to a state-administered retirement system or plan; amend KRS 16.601 to provide that in the event of a line-of-duty death of a KERS, CERS, or SPRS hazardous member, the spouse shall supersede the beneficiary designation on file; amend KRS 61.552 to provide that members who begin participating in the optional 401(a) money purchase plan shall not be eligible to purchase service credit and to make conforming amendments; amend KRS 61.555 to provide that a member in the optional 401(a) money purchase plan shall be credited with employee and employer contributions if called to active duty military service while working; amend KRS 61.637 to specify required breaks in employment for KERS, CERS, SPRS, LRP, JRP, and Teachers' Retirement System (TRS) retirees who retire on or after January 1, 2019, and are reemployed on or after January 1, 2019, in a KRS eligible position and to provide that these reemployed retirees shall not earn a second retirement account upon reemployment; amend KRS 61.702 to require KRS employees who began participating on or after July 1, 2003, but prior to September 1, 2008, to contribute towards retiree health funding an amount equal to 1% of creditable compensation; amend KRS 61.705 to provide that members who begin participating on or after January 1, 2014, shall not be eligible for the \$5,000 death benefit payable to KERS, CERS, and SPRS retired members with at least four years of service; amend KRS 16.652, 61.692, and 78.852 to provide that the KERS, CERS, and SPRS "inviolable contract" provisions shall not apply to legislative changes that become effective on or after July 1, 2018; make technical changes; amend KRS 61.5955 to remove provisions relative to election by pre-2014 KERS, CERS, and SPRS members to participate in a cash balance plan and amend to provide that KERS and CERS nonhazardous members may elect to cease participating in the pension plan and participate prospectively in the optional 401(a) money purchase plan for future service; amend KRS 61.655 to provide that no member of the General Assembly, public servant, or trustee or employee of the KRS board shall have any interest in the business of KRS while employed/serving and for a period of five years following employment/service (starting from July 1, 2017); amend KRS 16.583, 16.645, 61.575, 61.595, 78.640, 61.580, 61.559, 61.605, 61.640, 61.680, 78.545, and 78.650 to make technical/conforming amendments; create a new section of KRS 161.220 to 161.716 to establish a hybrid cash balance plan for new Teachers' Retirement System (TRS) members who begin participating on or after January 1, 2019; provide that the hybrid cash balance plan shall operate as another benefit tier in TRS, will have a benefit based on a 9.105% employee contribution for nonuniversity members and a 7.625% employee contribution for university members, and will include an 8% employer credit for non-university members and a four % employer credit for university members and an interest

credit; provide for a five-year vesting period for employer credits in the TRS hybrid cash balance plan; provide that a member can retire and take a refund of his or her account or annuitize his or her account balance in the TRS hybrid cash balance plan into one of the payment options provided by the system upon reaching age 65 with five years' service or upon meeting a combined age and service requirement of 87 years with a minimum age of 57; allow a TRS member with less than five years of service to elect participation in the hybrid cash balance plan; amend KRS 161.155 to limit the amount of sick leave payments that can be applied to TRS retirement benefit calculations to the amount of sick days accumulated as of December 31, 2018; provide that part-time and substitute provisions for TRS coverage shall not apply to reemployed retirees who retire on or after January 1, 2019; amend KRS 161.220 to define "university member," "nonuniversity member," "accumulated account balance," and "accumulated employer credit"; amend KRS 161.460 to provide that no member of the General Assembly, public servant, or trustee or employee of the TRS board shall have any interest in the business of TRS while employed/serving and for a period of five years following employment/service (starting from July 1, 2017); amend KRS 161.470 to provide that new members of TRS cannot purchase recontributions of refunds and existing members cannot use recontributions of refunds for purposes of determining the date the individual became a member of TRS; amend KRS 161.480, 161.500, 161.507, 161.515, 161.545, 161.5465, 161.547, 161.548, 161.549, and 161.595 to remove certain service purchase provisions for new TRS members effective January 1, 2019; make technical/conforming amendments; amend KRS 161.550 to require TRS employers to pay the full actuarially required contribution rate; provide that for the employer rates payable on or after July 1, 2020, the unfunded liabilities shall be financed using a level dollar amortization method and to prorate unfunded liability payments to each employer based upon the employer's average share of payroll over fiscal years 2015, 2016, and 2017; provide that employer funding requirements shall be determined using the entry age normal cost method, a five-year asset smoothing method, and assumptions adopted by the TRS board; define "normal cost" and "actuarially accrued unfunded liability contribution," and provide that local school districts shall pay 2% of pay towards the costs of new TRS members retirement benefits; amend KRS 161.568 to prohibit new members, effective January 1, 2019, from transferring service into TRS from an optional defined contribution retirement plan administered by university employers; amend KRS 161.605 to provide that TRS members who retire on or after January 1, 2019, and return to work shall not earn second retirement accounts in TRS; require certain breaks in employment and salary limitations for TRS retirees returning to work in a TRS position; amend KRS 161.620 to provide that the TRS cost of living adjustment (COLA) provisions do not apply to new members, effective

January 1, 2019; amend KRS 161.623 to limit sick leave service credit to the level of sick leave accumulated as of December 31, 2018, for TRS members receiving service credit for accumulated sick leave; provide that agencies who have not elected a TRS sick leave program may not do so on or after August 1, 2018; amend KRS 161.655 to provide that the life insurance benefit from TRS shall not be applicable to new members, effective January 1, 2019; amend KRS 161.661 to conform TRS disability provisions to the plans for new members; amend KRS 161.714 to provide that the TRS "inviolable contract" provisions shall not apply to legislative changes that become effective on or after July 1, 2018, or to new TRS members with the exception of the new member's accumulated account balance; amend KRS 161.400, 161.420, 161.480, 161.520, 161.522, 161.525, 161.540, 161.580, 161.585, 161.590, 161.600, 161.612, 161.615, 161.630, 161.650, and 161.700 to make technical/conforming TRS amendments; amend KRS 7A.250 to provide that the Public Pension Oversight Board's hiring of an actuary to perform a review of state-retirement system rates is voluntary; make conforming/technical amendments; create a new section of KRS Chapter 18A to establish conflict of interest provisions for Kentucky Public Employees Deferred Compensation Authority (KDC) employees and trustees; provide that no member of the General Assembly, public servant, or trustee or employee of the KDC board shall have any interest in the business of KDC while employed/serving and for a period of five years following employment/service (starting from July 1, 2017); amend KRS 11A.010 to make the KDC board subject to the Executive Branch Code of Ethics; amend KRS 18A.245 and 61.598 to make conforming/technical amendments; require the Public Pension Oversight Board (PPOB) to establish an advisory committee to evaluate CERS separation/restructuring of the KRS systems and report recommendations to the PPOB no later than December 1, 2019; require KRS and TRS to provide update on the development of the system, including the impact of state or federal law, to the PPOB no later than August 1, 2018; provide that line-of-duty death changes to KRS 16.601 are applicable to surviving spouses of hazardous members who died in the line of duty on or after January 1, 2017; provide severability clause. HCA1(J. Carney) - Make title amendment. HFA2(J. Kay) - Retain original provisions, except amend KRS 61.645 to require the Kentucky Retirement Systems (KRS) to follow the state Model Procurement Code when contracting for investment management services; provide that KRS board members may also be removed for a violation of fiduciary duties or conflict of interest; provide that a KRS board member shall not be considered as acting in good faith if they fail to disclose a conflict of interest; specify investment fee and commission reporting to include underlying fund of fund fees; require investment managers failing to disclose investment holdings, fees, and commissions to forfeit any fees or

commission paid by KRS; subject investment contracts made by the Kentucky Retirement System to full public disclosure; amend KRS 61.650 to require investment managers to formally adopt the CFA Institute's codes of conduct; require that failure to adhere to the codes result in the forfeiture of any fees or commissions paid by the Kentucky Retirement Systems; make conforming amendments; amend KRS 61.655 to amend conflict-of-interest provisions to prohibit a trustee and employees of the Kentucky Retirement Systems from having a contractual agreement with or interest in any entities providing services to the systems and from receiving, directly or indirectly, any interest, fees, or profit from entities that provide services to the Kentucky Retirement Systems; require trustees, members of the General Assembly, and public servants to adhere to relevant conflict-of-interest provisions during tenure and for five years following termination; require trustees and employees of the Kentucky Retirement Systems to file annual conflict-of-interest statements with the Kentucky Retirement Systems beginning on January 1, 2019.

HB11 - AMENDMENTS

HCS1 - Retain original provisions; clarify that a power of attorney terminates if a court appoints a limited conservator, conservator, limited guardian, or

guardian of the principal's estate or other fiduciary charged with the management of some or all of the principal's property, unless the court specifically provides that it shall remain in effect; provide that a person is not required to accept an acknowledged power of attorney if the person is not otherwise required to engage in a transaction with the principal in the same circumstances; specify that a person that accepts a power of attorney is not liable for his or her good faith reliance on the agent's representation of the scope of authority granted to the agent nor is the person responsible to determine or ensure the proper application of funds or property by the agent; clarify that this chapter does not supersede any other law applicable to financial institutions or other entities and that the other law controls if inconsistent with this chapter; require consideration to be given to the need to promote uniformity of the law with respect to its subject matter among the states that enact it when applying and construing this uniform act; clarify the relation of the Electronic Signatures in Global and National Commerce Act and this chapter; specify the effect of this chapter on existing powers of attorney.

HFA1(S. Lee) - Require that a power of attorney be signed in the presence of two disinterested witnesses; specify that if a power of attorney is signed in the principal's conscious presence by another individual that the reason for this method of signing be stated in the power of attorney.

HFA2(S. Lee) - Require that a power of attorney be signed in the presence of two disinterested witnesses; specify that if a power of attorney is signed in the principal's conscious presence by another individual that the reason for this method of signing be stated in the power of attorney.

SCS1 - Keep original provisions; clarify that a person authorized by the principal to determine incapacity may access the principal's health-care information solely to determine incapacity, unless the power of attorney provides otherwise; specify that a power of attorney terminates for those power of attorneys that specify a purpose when the purpose of the power of attorney is accomplished.

HB69 (BR127) - K. Fleming, M. Prunty

AN ACT relating to service delivery improvements in managed care networks.

Create new sections of KRS Chapter 205 to define terms; establish and require that the Department for Medicaid Services designate a single credentialing verification organization to verify credentials for DMS and all contracted Medicaid Managed Care Organizations; submit the credentialing organization to Government Contract Review Committee for comment; require providers to submit a single application to the credentialing organization; require notification within 5 days to the provider if application is complete; require verified packets be sent to the DMS and MCOs within 30 days; require DMS to enroll providers within 15 days and for the MCOs to determine if they will contract with the provider within 15 days; specify that for reimbursement of claims purposes the date of the submission of the credentialing application shall be the date of original enrollment and

credentialing; address the written internal appeals process of MCOs; require 24/7 utilization reviews and daily staffing for claims resolution; establish grievance and appeal timeline and written appeal requirements; require reprocessing of incorrectly paid or erroneously denied claims; allow for in-person meetings for unpaid claims beyond 45 days and that individually or in the aggregate exceed \$2,500; require consistency and timeliness between physical, behavioral, or other medically necessary services; establish timelines for preauthorization requests; require that substance use disorder be treated as an urgent preauthorization request; require a single nationally recognized clinical review criteria for both physical health and behavioral health services; establish monthly reporting requirements for MCOs relating to claims; require reporting between the DMS and the Department of Insurance; establish penalties for MCOs that fail to comply; prohibit automatic assignment of Medicaid enrollees to an MCO unless there is a participating acute care hospital within the distance requirements; allow for enrollees to change MCOs outside of the open enrollment if their hospital or PCP terminates participation with an MCO; amend KRS 304.17A-515 to require each managed care plan to demonstrate that it offers physically available acute care hospital services; amend KRS 304.17A-576 to require a response about credentialing within 45 instead of 90 days; amend KRS 304.17A-700 to reference Section 1 of the bill.

HB69 - AMENDMENTS

HCS1 - Amend original provisions to require DMS to enroll providers within 30 days and for the MCOs to determine if they will contract with the provider within 30 days; specify that for reimbursement of claims purposes the date of the submission of the credentialing application shall be the date of receipt of clean application for credentialing; address the written internal appeals process of MCOs; require telephone line for utilization reviews and staffing for claims resolution; establish grievance and appeal timeline and written appeal requirements; require reprocessing of incorrectly paid or erroneously denied claims; allow for in-person meetings for unpaid clean claims not properly paid and other unpaid claims beyond 45 days and that individually or in the aggregate exceed \$2,500; conform definition of timeliness for authorization request to federal regulations; change "urgent preauthorization request" to "expedited authorization request"; modify penalties for MCOs that fail to comply; prohibit automatic assignment of Medicaid enrollees to an MCO; create a new section of KRS Chapter 205 to require Medicaid MCOs to have a utilization review plan and use review criteria selected by the Department of Insurance; amend KRS 205.522 to require Medicaid MCOs to comply with KRS 304.17A-515; amend KRS 304.17A-515 to require each managed care plan to demonstrate that it offers physically available acute care hospital services; amend KRS 304.17A-576 to require a response about credentialing within 45 instead of 90 days; amend KRS 304.17A-700 to reference Section 1

of the bill; Create a new section of Subtitle 38 of KRS Chapter 304 to require the commissioner of insurance to promulgate administrative regulations to select utilization review criteria for use by Medicaid MCOs; amend KRS 304.3-200 to allow revocation of certificate of authority of an insurer offering Medicaid services for failure to comply; amend KRS 304.38-130 to allow revocation of certificate of authority of an HMO offering Medicaid services for failure to comply; amend KRS 304.99-123 to allow the Department of Insurance to assess fines against Medicaid Managed Care organizations for failure to comply. HFA1(B. Rowland) - Amend original provisions in Section 5 to replace "utilization review determination" with "determinations of medical necessity and clinical appropriateness"; amend Section 10 to require the commissioner of the Department of Insurance to establish a process for designating medical necessity criteria for use by Medicaid managed care organizations; to establish requirements for the process; to require that the criteria designated be nationally recognized, objective and evidence based and not proprietary property of a Medicaid managed care organization; and to require the commissioner to collaborate with the Department for Medicaid Services in the designation process.

SCS1 - Retain provisions of the GA version, except allow for an MCO to have 10 days to update its internal processing systems to include new provider contracts and an additional 15 days if notice is provided; delete a provision which allowed members to change MCOs if a hospital or primary care provider left the MCOs network outside of the open enrollment period; require a willful or frequent, repeated violations of certain provisions before the commissioner of insurance is authorized to subject a Medicaid managed care organization to penalties.

SFA1(R. Alvarado) - Remove substance abuse services from the behavioral health services medical necessity criteria; require that the commissioner of DMS receive input from healthcare professionals and members of the Advisory Council for Medical Assistance from each category of care when selecting medical necessity criteria.

AN ACT relating to the transfer of real
property on death.

Create new sections of KRS Chapter
394 to establish the Kentucky Uniform
Real Property Transfer on Death Act to
codify provisions for the creation,
administration, modification, termination,
and validity of transfer on death deeds;
define terms; specify that a transfer on
death deed is not an inter vivos transfer
and that transfer occurs at the time of
the transferor's death; specify that the
transferor retains the power to revoke a
transfer on death deed; enumerate that
a transfer on deed is nontestamentary;
establish requirements for a transfer on
death deed and specify the process of
recording a transfer on death deed;

specify that a transfer on death deed is
effective without notice to or acceptance
by the beneficiary during the transferor's
lifetime; establish provisions for the
revocation of a transfer on death deed
by instrument or act; enumerate the
effect of a transfer on death deed during
transferor's life; allow a beneficiary to
disclaim all or part of the beneficiary's
interests; specify the impact of transfer
on death deed on claims when an estate
is insufficient; enumerate that a
beneficiary of a transfer on death deed
may disclaim the property interest in the
deed; create the form for creating a
transfer on death deed; create the form
for revocation of a transfer on death
deed; require that the provisions of KRS
Chapter 394 be applied and construed
so as to promote uniformity; conform to
federal requirements related to
electronic signatures and records;
specify the applicability of KRS Chapter
394 to current law; specify that this Act
may be cited as the Uniform Real
Property Transfer on Death Act; amend
KRS 382.110, 391.360, and 403.190 to

AN ACT relating to fire protection and
making an appropriation therefor.

Amend KRS 75.015 to allow a fire
district to charge up to \$0.15 per \$100 of
assessed valuation of property in its
district when the fire district is a result of
a merger of 2 or more districts on or
after the effective date of the Act if no
emergency ambulance service is
operated within the district, and up to
\$0.25 when one is; amend KRS 95A.520
to make the section relating to payments
made to merging volunteer fire
departments apply to fire departments
merging prior to the effective date of the
Act; create a new section of KRS
Chapter 95A to create a new payment
protocol for volunteer fire departments
merging on or after the effective date of
the Act; amend KRS 95A.540 to provide
for the creation of new volunteer fire
departments out of a merged volunteer
fire department applicable to volunteer
fire departments having merged prior to
the effective date of the Act; create a
new section of KRS Chapter 95A to
provide for the creation of new volunteer
fire departments out of a merged
volunteer fire department applicable to
volunteer fire departments merging after
the effective date of the Act;
APPROPRIATION.

HB95 - AMENDMENTS

HCS1/LM - Retain original provisions of
the bill, but add new sections of KRS
Chapter 75 to provide for an alternative
governance model of a fire district that
may be created by permission of fiscal
courts that would allow for four of the
seven members of the board of trustees
to be citizen members of the board,
elected by the citizens, rather than only
two, and one member appointment by
the county judge/executive or executive
head of a merged government rather
than three members; remove the tax cap
from the taxes that the district board may
set, but subject those rates to the
compensating tax rates and recall

provisions in KRS Chapter 132; provide that when converting over to the alternative board and tax structure that the tax rates in place at the time of conversion shall be the initial rates upon conversion; amend KRS 132.023 to conform to changes.
HCA1(R. Rothenburger) - Make title amendment.
HFA1(J. Miller) - Amend Sections 5, 6, and 7 to require the election and appointment of fire district trustees to occur on the date and times of the regular election in November; synchronize the terms of the existing and future board members to accommodate the change; require that a sign informing voters be placed in precincts containing all or a portion of the fire district of the trustee election; specify contents and visibility standards of the sign; make the location of the sign subject to the State Board of Elections regulation; apply the prohibitions established by KRS 117.235, 119.185, and 119.255 to the posting and contents of the sign.

HB227 (BR1031) - J. Gooch Jr., M. Castlen, L. Brown, J. Greer, B. Linder, S. Santoro

AN ACT relating to net metering.
Amend KRS 278.465 to redefine "net metering"; amend KRS 278.466 to set the rate of compensation for an eligible customer-generator for electricity produced that flows to the retail supplier to be equal to the most recently approved rate by the Public Service Commission for the retail electric supplier to purchase electricity on an as-available basis from qualifying facilities with design capacities of 100 kilowatts or less; allow the retail electric supplier discretion to either carry forward or pay out the customer for excess generation during a billing period; create an exemption for customer-generators taking net metering service on July 15, 2018, to allow those customers to keep their current net metering contract or tariff rate calculation until they cease to take net metering service at the eligible premises or July 15, 2043, whichever comes first; specify that the exemption does not apply to lessees, successors, assigns, or subsequent owners of eligible premises.

HB227 - AMENDMENTS

HCS1 - Retain original provisions; allow lessees, successors, or assignees of eligible customer-generators, as well as subsequent owners of premises owned by eligible customer generators taking net metering service on July 15, 2018, to maintain the same net metering rates as the eligible customer generator until July 14, 2043, or until they stop taking net metering service.
HCS2 - Retain original provisions; require the Public Service Commission to set the compensation rate for eligible customer-generators according the ratemaking processes in KRS Chapter 278; specify that retail electric suppliers are entitled to implement rates to recover all costs from eligible customer-generators for providing service to them, including fixed and demand-based costs, and regardless of rates for non-participating customers; allow lessees, successors, or assignees of eligible customer-generators, as well as subsequent owners of premises owned by eligible customer generators taking net metering service on December 31, 2018, to maintain the same net metering rates as the eligible customer generator until December 31, 2043, or until they stop taking net metering service; EFFECTIVE January 1, 2019.
HFA1(J. DuPlessis) - Restore original language that net metering be calculated over a billing period instead of during a billing period; specify that eligible customer generators be compensated for excess electricity generated over the course of the previous 30 days.
HFA2(J. DuPlessis) - Restore original

language that net metering be calculated over a billing period instead of during a billing period; specify that eligible customer generators be compensated for excess electricity generated over the course of the previous 30 days.
HFA3(J. DuPlessis) - Delete original provisions; create a new section of KRS 278.465 to 278.468 to allow retail electric suppliers to charge an additional net metering fee not to exceed \$15 per month to eligible customer generators to ensure that they are equitably contributing to the recovery of the retail electric supplier's fixed costs; do not require Public Service Commission approval for imposition of the net metering fee; prohibit the use of excess generation credits to be applied toward the net metering fee; amend KRS 278.466 to allow eligible customer generators to request that they be paid for excess generation during a billing period; require that eligible customer generators be compensated at the wholesale electric rate if they have excess generation over the previous 12 months until they no longer have excess generation over the previous 12 months; exempt eligible customer generators taking net metering service on July 15, 2019, and their lessees, successors, assignees, and subsequent owners from wholesale rate change requirement until July 14, 2043; EFFECTIVE July 15, 2019.
HFA4(J. DuPlessis) - Delete original provisions; create a new section of KRS 278.465 to 278.468 to allow retail electric suppliers to charge an additional net metering fee not to exceed \$15 per month to eligible customer generators to ensure that they are equitably contributing to the recovery of the retail electric supplier's fixed costs; do not require Public Service Commission approval for imposition of the net metering fee; prohibit the use of excess generation credits to be applied toward the net metering fee; amend KRS 278.466 to allow eligible customer generators to request that they be paid for excess generation during a billing period; require that eligible customer generators be compensated at the wholesale electric rate if they have excess generation over the previous 12 months until they no longer have excess generation over the previous 12 months; exempt eligible customer generators taking net metering service on July 15, 2019, and their lessees, successors, assignees, and subsequent owners from wholesale rate change requirement until July 14, 2043; EFFECTIVE July 15, 2019.
HFA5(T. Couch) - Delete section amending KRS 278.465.
HFA6(T. Couch) - Delete section amending KRS 278.465.
HFA7(J. Stewart III) - Amend the date of the exemption for existing net metering customer-generators from July 15, 2018, to October 21, 2018; create an effective date of October 21, 2018, for the Act.
HFA8(J. Stewart III) - Amend the date of the exemption for existing net metering customer-generators from July 15, 2018, to October 21, 2018; create an effective date of October 21, 2018, for the Act.
HFA9(J. Stewart III) - Require the retail electric supplier, upon request of the eligible customer-generator, to compensate the customer for excess electricity generated during a billing

period either in credits toward the next bill or in cash, check, or equivalent.

HFA10(J. Stewart III) - Require a retail electric supplier, upon request of an eligible customer-generator, to compensate the customer for excess electricity generated during a billing period either in credits toward the next bill or in cash, check, or equivalent.

HFA11(P. Moffett) - Allow lessees, successors, or assignees of eligible customer-generators as well as subsequent owners of premises with eligible electric generating facilities to maintain the same net metering rates as the eligible customer generator taking net metering service on July 15, 2018, until July 14, 2043, as long as the eligible generating facility continues to operate on that premises; require retail electric suppliers to pay eligible customer generators in cash for the full value of the credits once they accrue over \$500 in credits or if they close their net metering account.

HFA12(P. Moffett) - Allow lessees, successors, or assignees of eligible customer-generators as well as subsequent owners of premises with eligible electric generating facilities to maintain the same net metering rates as the eligible customer generator taking net metering service on July 15, 2018, until July 14, 2043, as long as the eligible generating facility continues to operate on that premises; require retail electric suppliers to pay eligible customer generators in cash for the full value of the credits once they accrue over \$500 in credits or if they close their net metering account.

HFA13(D. Elliott) - Change the effective date of the Act to July 15, 2019; make conforming changes.

HFA14(D. Elliott) - Change the effective date of the Act to July 15, 2019; make conforming changes.

HFA15(K. Flood) - Delete original provisions; create a new section of KRS 278.465 to 278.468 to authorize retail electric suppliers to charge a net metering fee with Public Service Commission approval; require the fee to be reasonably calculated to ensure that eligible customer-generators are equitably contributing to the retail electric supplier's fixed costs; prohibit an eligible customer-generator from applying excess generation credits toward the fee; only allow application of the fee to eligible customer-generators who begin participating in net metering after the effective date of the Act; require the Public Service Commission to open an administrative case within 90 days of the effective date of the Act to evaluate whether the fee is necessary; require all retail suppliers to be made party to the case unless they opt out; require the Public Service Commission to approve a net metering fee if it finds that the proposed amount is reasonably necessary to recover the retail electric supplier's fixed costs from an eligible customer-generator; prohibit the fee to be applied to subsequent purchasers of property from exempt eligible customer-generators as long as the eligible facility continues in service at the premises; retain the commission's jurisdiction to review the fee; amend KRS 278.466 to conform.

HFA16(K. Flood) - Delete original provisions; create a new section of KRS 278.465 to 278.468 to authorize retail

electric suppliers to charge a net metering fee with Public Service Commission approval; require the fee to be reasonably calculated to ensure that eligible customer-generators are equitably contributing to the retail electric supplier's fixed costs; prohibit an eligible customer-generator from applying excess generation credits toward the fee; only allow application of the fee to eligible customer-generators who begin participating in net metering after the effective date of the Act; require the Public Service Commission to open an administrative case within 90 days of the effective date of the Act to evaluate whether the fee is necessary; require all retail suppliers to be made party to the case unless they opt out; require the Public Service Commission to approve a net metering fee if it finds that the proposed amount is reasonably necessary to recover the retail electric supplier's fixed costs from an eligible customer-generator; prohibit the fee to be applied to subsequent purchasers of property from exempt eligible customer-generators as long as the eligible facility continues in service at the premises; retain the commission's jurisdiction to review the fee; amend KRS 278.466 to conform.

HFA17(D. Keene) - Require the Public Service Commission to study whether and to what extent eligible customer-generators participating in net metering shift costs to nonparticipating customers; require the Public Service Commission to submit its findings and recommendations to the Legislative Research Commission by December 1, 2018.

HFA18(D. Keene) - Require the Public Service Commission to study whether and to what extent eligible customer-generators participating in net metering shift costs to nonparticipating customers; require the Public Service Commission to submit its findings and recommendations to the Legislative Research Commission by December 1, 2018.

HFA19(J. DuPlessis) - Delete original provisions; create a new section of KRS 278.465 to 278.468 to allow retail electric suppliers to charge an additional net metering fee not to exceed \$15 per month to eligible customer-generators who begin net metering service on or after January 1, 2019, to ensure that they are equitably contributing to the recovery of the retail electric supplier's fixed costs; do not require Public Service Commission approval for the initial imposition of the net metering fee; prohibit the use of excess generation credits to be applied toward the net metering fee; beginning on January 1, 2022, and every three years thereafter, require the Public Service Commission to open an administrative case to evaluate whether the net metering fee results in an equitable contribution to a retail electric supplier's fixed costs by eligible customer-generators who begin participating in net metering after the effective date of the Act; require all retail electric suppliers to be made party to the case if they are charging a net metering fee; require the commission to approve maintaining a net metering fee if it finds that the proposed amount is reasonably necessary to recover the retail electric supplier's fixed costs from an eligible customer-generator and to change it if

not; amend KRS 278.466 to allow retail electric suppliers the discretion to pay eligible customer generator for excess generation during a billing period; require that eligible customer-generators be compensated at the wholesale electric rate if they have excess generation over the previous 12 months until they no longer have excess generation over the previous 12 months; exempt eligible customer-generators taking net metering service on January 1, 2019, and their lessees, successors, assignees, and subsequent owners from wholesale rate change requirement until July 15, 2038; EFFECTIVE January 1, 2019.
