District of Ohio, shall not exceed fifteen percent (15%) in aggregate. No portion of the state share as provided in subsection (3) of Section 1 of this Act shall be used for the local government fee fund or in any other way to fund any participating local government's attorney's fees and costs.

- (b) Allocation of payments out of the fund shall be determined by a mathematical model to calculate allocation of payments to counsel from the local government fee fund, which shall be based on the share of each county, consolidated local government, urban-county government, and city of the Commonwealth and shall be determined by the negotiation class metrics and the rate set forth in their contingency contracts, which shall be provided by counsel for a litigating participating local government, in order for counsel to be eligible to receive payments from the local government fee fund.
