

GENERAL ASSEMBLY COMMONWEALTH OF KENTUCKY

2012 REGULAR SESSION

SECOND SENATE COMMITTEE SUBSTITUTE FOR

HOUSE BILL NO. 267

WEDNESDAY, MARCH 28, 2012

Committee on Transportation reported the following bill which was ordered to be printed.

1 AN ACT relating to road projects and declaring an emergency.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. The projects authorized by the General Assembly in this Act
4 constitute the official 2012-2014 Biennial Highway Construction Plan.

5 ➔Section 2. The General Assembly acknowledges that the project authorizations
6 contained within this Act are based on the Transportation Cabinet's estimates. The
7 Transportation Cabinet shall have the authority to expend funds necessary to complete the
8 projects as authorized in this Act, amended only by variations dictated by bid or
9 unforeseen circumstances.

10 ➔Section 3. Projects with the "SPB" and "SB2" designations are projects to be
11 completed with Highway Bonds authorized in 2009 Ky. Acts ch. 94 and 2010 (1st Extra.
12 Sess.) Ky. Acts ch. 3. Projects with the "SPB" and "SB2" designations that cannot be
13 completed due to insufficient bond funds shall be given "SPP" funding priority. Projects
14 with an "SPP" designation are state high-priority projects and shall be given priority over
15 other state projects with an "SP" funding designation.

16 ➔Section 4. If additional federal highway moneys are made available to Kentucky
17 by the United States Congress, the funds shall be used according to the following priority:
18 (a) Any demonstration-specific or project-specific money shall be used on the project
19 identified; and (b) All other funds shall be used to ensure that projects in the 2012-2014
20 Biennial Highway Construction Plan are funded. If additional federal moneys remain after
21 these priorities are met, the Transportation Cabinet may select projects from 2012
22 Regular Session HJR 77.

23 ➔Section 5. The Secretary of the Transportation Cabinet shall produce a single
24 document that contains two separately identified sections, as follows:

25 Section 1 shall detail the enacted fiscal biennium 2012-2014 Biennial Highway
26 Construction Program and Section 2 shall detail the 2012-2014 Highway Preconstruction
27 Program Plan for fiscal year 2012-2013 through fiscal year 2017-2018 as identified by the

1 2012 General Assembly. This document shall mirror in data type and format the fiscal
 2 year 2012-2018 Recommended Six-Year Road Plan as submitted to the 2012 General
 3 Assembly. The document shall be published and distributed to members of the General
 4 Assembly and the public within 60 days of adjournment of the 2012 Regular Session of
 5 the General Assembly.

6 The Secretary of the Transportation Cabinet shall report by September 30 of each
 7 fiscal year to the Interim Joint Committee on Transportation any project included in the
 8 enacted Biennial Highway Construction Plan which has been delayed beyond the fiscal
 9 year for which the project was authorized. The report shall include:

- 10 (a) The county name;
- 11 (b) The Transportation Cabinet project identification number;
- 12 (c) The route where the project is located;
- 13 (d) The length of the project;
- 14 (e) A description of the project and the scope of improvement;
- 15 (f) The type of local, state, or federal funds to be used on the project;
- 16 (g) The stage of development for the design, right-of-way, utility, and
 17 construction phases;
- 18 (h) The fiscal year in which each phase of the project was scheduled to
 19 commence;
- 20 (i) The estimated cost for each phase of the project;
- 21 (j) A detailed description of the circumstances leading to the delay; and
- 22 (k) The same information required in paragraphs (a) to (i) of this subsection for
 23 the project or projects advanced with funds initially scheduled for the delayed project.

24 ➔Section 6. This Act in conjunction with 2012 Regular Session HJR 77 shall
 25 constitute the Six-Year Road Plan.

26 ➔Section 7. Whereas the funding for these projects is provided by 2012 Regular
 27 Session HB 266, which takes effect upon its passage and approval by the Governor or

- 1 upon otherwise becoming law, an emergency is declared to exist, and this Act takes effect
- 2 upon its passage and approval by the Governor or upon otherwise becoming law.
- 3 ➔ Section 8. The 2012-2014 Biennial Highway Construction Plan is as follows:

2012-2018 BIENNIAL HIGHWAY CONSTRUCTION PLAN
