2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 189.635 is amended to read as follows:

4 (1) The Justice and Public Safety Cabinet, Department of Kentucky State Police, shall
5 be responsible for maintaining a reporting system for all vehicle accidents which
6 occur within the Commonwealth. Such accident reports shall be utilized for such
7 purposes as will improve the traffic safety program in the Commonwealth involving
8 the collection, processing, storing, and dissemination of such data and the
9 establishment of procedures by administrative regulations to insure that uniform
10 definitions, classifications, and other federal requirements are in compliance.

11 (2) Any person operating a vehicle on the highways of this state who is involved in an
12 accident resulting in fatal or nonfatal personal injury to any person or damage to the
13 vehicle rendering the vehicle inoperable shall be required to immediately notify a
14 law enforcement officer having jurisdiction. In the event the operator fails to notify
15 or is incapable of notifying a law enforcement officer having jurisdiction, such
16 responsibility shall rest with the owner of the vehicle or any occupant of the vehicle
17 at the time of the accident. A law enforcement officer having jurisdiction shall
18 investigate the accident and file a written report of the accident with his law
19 enforcement agency.

20 (3) Every law enforcement agency whose officers investigate a vehicle accident of
21 which a report must be made as required in this chapter shall file a report of the
22 accident with the Department of Kentucky State Police within ten (10) days after
23 investigation of the accident upon forms supplied by the department.

24 (4) Any person operating a vehicle on the highways of this state who is involved in an
25 accident resulting in any property damage exceeding five hundred dollars (\$500) in
26 which an investigation is not conducted by a law enforcement officer shall file a
27 written report of the accident with the Department of Kentucky State Police within

- 1 ten (10) days of occurrence of the accident upon forms provided by the department.
- 2 (5) All accident reports filed with the Department of Kentucky State Police in
3 compliance with subsection (4) above shall not be considered open records under
4 KRS 61.872 to 61.884 and shall remain confidential except that the department may
5 disclose the identity of a person involved in an accident when his or her identity is
6 not otherwise known or when he or she denies his or her presence at an accident.
7 Except as provided in subsection (9) of this section, all other accident reports
8 required by this section, and the information contained in the reports, shall be
9 confidential and exempt from public disclosure except when produced pursuant to a
10 properly executed subpoena or court order, or except pursuant to subsection (8) of
11 this section. These reports shall be made available only to the parties to the
12 accident, the parents or guardians of a minor who is party to the accident, and
13 insurers or their written designee for insurance business purposes of any party who
14 is the subject of the report, or to the attorneys of the parties.
- 15 (6) Except as provided for in this subsection, the department shall not release accident
16 reports for a commercial purpose. The department may, as a matter of public safety,
17 contract with an outside entity and release vehicle damage data extracted from
18 accident reports to such an entity if the data is used solely for the purpose of
19 providing the public a means of determining a vehicle's accident history. The
20 department may further contract with a third party to provide electronic access to
21 reports for persons and entities who are entitled to such reports under subsections
22 (5) and (9) of this section.
- 23 (7) The department shall promulgate administrative regulations in accordance with
24 KRS Chapter 13A to set out a fee schedule for accident reports made available
25 pursuant to subsections (5), (8), and (9) of this section. These fees shall be in
26 addition to those charged to the public for records produced under KRS Chapter 61.
- 27 (8) The report shall be made available to a news-gathering organization, solely for the

1 purpose of publishing or broadcasting the news. The news-gathering organization
 2 shall not use or distribute the report, or knowingly allow its use or distribution, for a
 3 commercial purpose other than the news-gathering organization's publication or
 4 broadcasting of the information in the report. A newspaper, periodical, or radio or
 5 television station shall not be held to have used or knowingly allowed the use of the
 6 report for a commercial purpose merely because of its publication or broadcast.

7 (9) The report shall be made available without subpoena to any party to litigation who
 8 files with the department a request for the report and includes a copy of the first
 9 page of a District or Circuit Court clerk-stamped complaint naming all parties.

 16 accident under this section without written consent from the individual the company
 17 insures. Insurance companies issuing motor vehicle policies in the Commonwealth
 18 shall be prohibited from raising a policyholder's rates solely because the
 19 policyholder, in his or her professional capacity, is a train engineer or other train
 20 crew member involved in an accident on a railroad.

9 the nature of the employment and which can be fairly traced to the employment as
10 the proximate cause. The occupational disease shall be incidental to the character of
11 the business and not independent of the relationship of employer and employee. An

4 an injury, has a permanent disability rating but retains the ability to work; and
- 5 (c) "Permanent total disability" means the condition of an employee who, due to
6 an injury, has a permanent disability rating and has a complete and permanent
7 inability to perform any type of work as a result of an injury, except that total

- 9 1. Total and permanent loss of sight in both eyes;
 - 10 2. Loss of both feet at or above the ankle;
 - 11 3. Loss of both hands at or above the wrist;
 - 12 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at

22 the severance or processing of coal bears to the total number of employees.
23 Any employee who is involved in the business of severing or processing of

25 time involved in severance or processing of coal bears to his total time;

26 (24) "Premium" for every self-insured group means any and all assessments levied on its

16 methods normally used by the insurance company in Kentucky to calculate the
17 cost for coverage for insurance policies or other evidence of coverage without
18 provisions for deductibles, except that, for insurance policies or other
19 evidence of coverage with provisions for deductibles effective on or after
20 January 1, 1995, the calculated cost for coverage shall not include any
21 schedule rating modification, debits, or credits. The cost for coverage
22 calculated under this paragraph by insurance companies that issue only
23 deductible insurance policies in Kentucky shall be actuarially adequate to
24 cover the entire liability of the employer for compensation under this chapter,
25 including all expenses and allowances normally used to calculate the cost for
26 coverage. For policies with provisions for deductibles with effective dates of
27 May 6, 1993, through December 31, 1993, for which the insurance company

1 did not report premiums and remit special fund assessments based on the
2 calculated cost for coverage prior to the reduction for deductibles, "premiums
3 received" includes the initial premium plus any reimbursements invoiced for
4 losses, expenses, and fees charged under the deductibles. The special fund
5 assessment rates in effect for reimbursements invoiced for losses, expenses, or
6 fees charged under the deductibles shall be those percentages in effect on the
7 effective date of the insurance policy. For policies covering leased employees
8 as defined in KRS 342.615, "premiums received" means premiums calculated
9 using the experience modification factor of each lessee as defined in KRS
10 342.615 for each leased employee for that portion of the payroll pertaining to
11 the leased employee.

12 (b) "Direct written premium" for insurance companies means the gross premium
13 written less return premiums and premiums on policies not taken but
14 including policy and membership fees.

15 (c) "Premium," for policies effective on or after January 1, 1994, for insurance
16 companies means all consideration, whether designated as premium or
17 otherwise, for workers' compensation insurance paid to an insurance company
18 or its representative, including, on insurance policies with provisions for
19 deductibles, the calculated cost for coverage, including experience
20 modification and premium surcharge or discount, prior to any reduction for
21 deductibles. The rates, factors, and methods used to calculate the cost for
22 coverage under this paragraph for insurance policies or other evidence of
23 coverage with provisions for deductibles shall be the same rates, factors, and
24 methods normally used by the insurance company in Kentucky to calculate the
25 cost for coverage for insurance policies or other evidence of coverage without
26 provisions for deductibles, except that, for insurance policies or other
27 evidence of coverage with provisions for deductibles effective on or after

1 January 1, 1995, the calculated cost for coverage shall not include any
2 schedule rating modifications, debits, or credits. The cost for coverage
3 calculated under this paragraph by insurance companies that issue only
4 deductible insurance policies in Kentucky shall be actuarially adequate to
5 cover the entire liability of the employer for compensation under this chapter,
6 including all expenses and allowances normally used to calculate the cost for
7 coverage. For policies with provisions for deductibles with effective dates of
8 May 6, 1993, through December 31, 1993, for which the insurance company
9 did not report premiums and remit special fund assessments based on the
10 calculated cost for coverage prior to the reduction for deductibles, "premium"
11 includes the initial consideration plus any reimbursements invoiced for losses,
12 expenses, or fees charged under the deductibles.

13 (d) "Return premiums" for insurance companies means amounts returned to
14 insureds due to endorsements, retrospective adjustments, cancellations,
15 dividends, or errors;

16 (26) "Insurance policy" for an insurance company or self-insured group means the term
17 of insurance coverage commencing from the date coverage is extended, whether a
18 new policy or a renewal, through its expiration, not to exceed the anniversary date
19 of the renewal for the following year;

20 (27) "Self-insurance year" for a self-insured group means the annual period of
21 certification of the group created pursuant to KRS 342.350(4) and 304.50-010;

22 (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1)
23 shall be the projected value of the employer's workers' compensation claims for the
24 next calendar year as calculated by the commissioner using generally-accepted
25 actuarial methods as follows:

26 (a) The base period shall be the earliest three (3) calendar years of the five (5)
27 calendar years immediately preceding the calendar year for which the

1 calculation is made. The commissioner shall identify each claim of the
2 employer which has an injury date or date of last injurious exposure to the
3 cause of an occupational disease during each one (1) of the three (3) calendar
4 years to be used as the base, and shall assign a value to each claim. The value
5 shall be the total of the indemnity benefits paid to date and projected to be
6 paid, adjusted to current benefit levels, plus the medical benefits paid to date
7 and projected to be paid for the life of the claim, plus the cost of medical and
8 vocational rehabilitation paid to date and projected to be paid. Adjustment to
9 current benefit levels shall be done by multiplying the weekly indemnity
10 benefit for each claim by the number obtained by dividing the statewide
11 average weekly wage which will be in effect for the year for which the
12 premium is being calculated by the statewide average weekly wage in effect
13 during the year in which the injury or date of the last exposure occurred. The
14 total value of the claims using the adjusted weekly benefit shall then be
15 calculated by the commissioner. Values for claims in which awards have been
16 made or settlements reached because of findings of permanent partial or
17 permanent total disability shall be calculated using the mortality and interest
18 discount assumptions used in the latest available statistical plan of the
19 advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The
20 sum of all calculated values shall be computed for all claims in the base
21 period;

- 22 (b) The commissioner shall obtain the annual payroll for each of the three (3)
23 years in the base period for each employer carrying his own risk from records
24 of the department and from the records of the Office of Employment and
25 Training, Education and Workforce Development Cabinet. The commissioner
26 shall multiply each of the three (3) years of payroll by the number obtained by
27 dividing the statewide average weekly wage which will be in effect for the

1 year in which the premium is being calculated by the statewide average
2 weekly wage in effect in each of the years of the base period;

3 (c) The commissioner shall divide the total of the adjusted claim values for the
4 three (3) year base period by the total adjusted payroll for the same three (3)
5 year period. The value so calculated shall be multiplied by 1.25 and shall then
6 be multiplied by the employer's most recent annualized payroll, calculated
7 using records of the department and the Office of Employment and Training
8 data which shall be made available for this purpose on a quarterly basis as
9 reported, to obtain the premium for the next calendar year for assessment
10 purposes under KRS 342.122;

11 (d) For November 1, 1987, through December 31, 1988, premium for each
12 employer carrying its own risk shall be an amount calculated by the board
13 pursuant to the provisions contained in this subsection and such premium
14 shall be provided to each employer carrying its own risk and to the funding
15 commission on or before January 1, 1988. Thereafter, the calculations set
16 forth in this subsection shall be performed annually, at the time each employer
17 applies or renews its application for certification to carry its own risk for the
18 next twelve (12) month period and submits payroll and other data in support
19 of the application. The employer and the funding commission shall be notified
20 at the time of the certification or recertification of the premium calculated by
21 the commissioner, which shall form the employer's basis for assessments
22 pursuant to KRS 342.122 for the calendar year beginning on January 1
23 following the date of certification or recertification;

24 (e) If an employer having fewer than five (5) years of doing business in this state
25 applies to carry its own risk and is so certified, its premium for the purposes of
26 KRS 342.122 shall be based on the lesser number of years of experience as
27 may be available including the two (2) most recent years if necessary to create

1 a three (3) year base period. If the employer has less than two (2) years of
2 operation in this state available for the premium calculation, then its premium
3 shall be the greater of the value obtained by the calculation called for in this
4 subsection or the amount of security required by the commissioner pursuant to
5 KRS 342.340(1);

6 (f) If an employer is certified to carry its own risk after having previously insured
7 the risk, its premium shall be calculated using values obtained from claims
8 incurred while insured for as many of the years of the base period as may be
9 necessary to create a full three (3) year base. After the employer is certified to
10 carry its own risk and has paid all amounts due for assessments upon
11 premiums paid while insured, the employer shall be assessed only upon the
12 premium calculated under this subsection;

13 (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated
14 as set forth in this subsection; and

15 (h) Notwithstanding any other provision of this subsection, the premium of any
16 employer authorized to carry its own risk for purposes of assessments due
17 under this chapter shall be no less than thirty cents (\$0.30) per one hundred
18 dollars (\$100) of the employer's most recent annualized payroll for employees
19 covered by this chapter;

20 (29) "SIC code" as used in this chapter means the Standard Industrial Classification
21 Code contained in the latest edition of the Standard Industrial Classification Manual
22 published by the Federal Office of Management and Budget;

23 (30) "Investment interest" means any pecuniary or beneficial interest in a provider of
24 medical services or treatment under this chapter, other than a provider in which that
25 pecuniary or investment interest is obtained on terms equally available to the public
26 through trading on a registered national securities exchange, such as the New York
27 Stock Exchange or the American Stock Exchange, or on the National Association of

1 Securities Dealers Automated Quotation System;

2 (31) "Managed health care system" means a health care system that employs gatekeeper
3 providers, performs utilization review, and does medical bill audits;

4 (32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists,
5 podiatrists, and osteopathic and chiropractic practitioners acting within the scope of
6 their license issued by the Commonwealth;

7 (33) "Objective medical findings" means information gained through direct observation
8 and testing of the patient applying objective or standardized methods;

9 (34) "Work" means providing services to another in return for remuneration on a regular
10 and sustained basis in a competitive economy;

11 (35) "Permanent impairment rating" means percentage of whole body impairment caused
12 by the injury or occupational disease as determined by the "Guides to the Evaluation
13 of Permanent Impairment";

14 (36) "Permanent disability rating" means the permanent impairment rating selected by an
15 administrative law judge times the factor set forth in the table that appears at KRS
16 342.730(1)(b); and

17 (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in
18 KRS 342.262:

19 (a) The fifth edition published by the American Medical Association; and

20 (b) For psychological impairments, Chapter 12 of the second edition published by
21 the American Medical Association.

22 ➔Section 7. KRS 342.122 is amended to read as follows:

23 (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose
24 of funding and prefunding the liabilities of the special fund, financing the
25 administration and operation of the Kentucky Workers' Compensation
26 Funding Commission, and financing the expenditures for all programs in the
27 Labor Cabinet, except the Division of ~~Employment Standards,~~[Employment

1 Standards,] Apprenticeship and the Division of Wages and Hours ~~and~~
2 ~~Mediation~~ in the Department of Workplace Standards, as reflected in the
3 enacted budget of the Commonwealth and enacted by the General Assembly,
4 the funding commission shall impose a special fund assessment rate of nine
5 percent (9%) upon the amount of workers' compensation premiums received
6 on and after January 1, 1997, through December 31, 1997, by every insurance
7 carrier writing workers' compensation insurance in the Commonwealth, by
8 every self-insured group operating under the provisions of KRS 342.350(4)
9 and Chapter 304, and against the premium, as defined in KRS 342.0011, of
10 every employer carrying his or her own risk.

- 11 (b) The funding commission shall, for calendar year 1998 and thereafter, establish
12 for the special fund an assessment rate to be assessed against all premium
13 received during that calendar year which shall produce enough revenue to
14 amortize on a level basis the unfunded liability of the special fund as of June
15 30 preceding January 1 of each year, for the period remaining until December
16 31, 2029. The interest rate to be used in this calculation shall reflect the
17 funding commission's investment experience to date and the current
18 investment policies of the commission. This assessment shall be imposed
19 upon the amount of workers' compensation premiums received by every
20 insurance carrier writing workers' compensation insurance in the
21 Commonwealth, by every self-insured group operating under the provisions of
22 KRS 342.350(4) and Chapter 304, and against the premium, as defined in
23 KRS 342.0011, of every employer carrying its own risk. On or before October
24 1 of each year, the commission shall notify each insurance carrier writing
25 workers' compensation insurance in the Commonwealth, every group of self-
26 insured employers, and each employer carrying its own risk, of the rates which
27 shall become effective on January 1 of each year, unless modified by the

1 General Assembly.

2 (c) All assessments imposed by this section shall be paid to the Kentucky
3 Workers' Compensation Funding Commission and shall be credited to the
4 benefit reserve fund within the Kentucky Workers' Compensation Funding
5 Commission.

6 (d) The assessments imposed in this chapter shall be in lieu of all other
7 assessments or taxes on workers' compensation premiums.

8 (2) These assessments shall be paid quarterly not later than the thirtieth day of the
9 month following the end of the quarter in which the premium is received. Receipt
10 shall be considered timely through actual physical receipt or by postmark of the
11 United States Postal Service. Employers carrying their own risk and employers
12 defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal
13 quarterly installments.

14 (3) The assessments imposed by this section may be collected by the insurance carrier
15 from the insured. However, the insurance carrier shall not collect from the employer
16 any amount exceeding the assessments imposed pursuant to this section. If the
17 insurance carrier collects the assessment from an insured, the assessment shall be
18 collected at the same time and in the same proportion as the premium is collected.
19 The assessment for an insurance policy or other evidence of coverage providing a
20 deductible may be collected in accordance with this chapter on a premium amount
21 that equates to the premium that would have applied without the deductible. Each
22 statement from an insurance carrier presented to an insured reflecting premium and
23 assessment amounts shall clearly identify and distinguish the amount to be paid for
24 premium and the amount to be paid for assessments. No insurance carrier shall
25 collect from an insured an amount in excess of the assessment percentages imposed
26 by this chapter. The assessment for an insurance policy or other evidence of
27 coverage providing a deductible may be collected in accordance with this chapter on

1 a premium amount that equates to the premium that would have applied without the
2 deductible. The percentages imposed by this chapter for an insurance policy issued
3 by an insurance company shall be those percentages in effect on the annual effective
4 date of the policy, regardless of the date that the premium is actually received by the
5 insurance company.

6 (4) A self-insured group may elect to report its premiums and to have its assessments
7 computed in the same manner as insurance companies. This election may not be
8 rescinded for at least ten (10) years, nor may this election be made a second time for
9 at least another ten (10) years, except that the board of directors of the funding
10 commission may, at its discretion, waive the ten (10) year ban on a case-by-case
11 basis after formal petition has been made to the funding commission by a self-
12 insured group.

13 (5) The funding commission, as part of the collection and auditing of the special fund
14 assessments required by this section, shall annually require each insurance carrier
15 and each self-insured group to provide a list of employers which it has insured or
16 which are members and the amount collected from each employer. Additionally, the
17 funding commission shall require each entity paying a special fund assessment to
18 report the SIC code for each employer and the amount of premium collected from
19 each SIC code. An insurance carrier or self-insured group may require its insureds
20 or members to furnish the SIC code for each of their employees. However, the
21 failure of any employer to furnish said codes shall not relieve the insurance carrier
22 or self-insured group from the obligation to furnish same to the funding
23 commission. The Office of Employment and Training, Education and Workforce
24 Development Cabinet, is hereby directed to make available the SIC codes assigned
25 in its records to specific employers to aid in the reporting and recording of the
26 special fund assessment data.

27 (6) Each self-insured employer, self-insured group, or insurance carrier shall provide

1 any information and submit any reports the Department of Revenue or the funding
2 commission may require to effectuate the provisions of this section. In addition, the
3 funding commission may enter reciprocal agreements with other governmental
4 agencies for the exchange of information necessary to effectuate the provisions of
5 this section.

6 (7) The special fund shall be required to maintain a central claim registry of all claims
7 to which it is named a party, giving each such claim a unique claim number and
8 thereafter recording the status of each claim on a current basis. The registry shall be
9 established by January 26, 1988, for all claims on which payments were made since
10 July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all
11 claim files in the possession of the special fund.

12 (8) The fund heretofore designated as the subsequent claim fund is abolished, and there
13 is substituted therefor the special fund as set out by this section, and all moneys and
14 properties owned by the subsequent claim fund are transferred to the special fund.

15 (9) Notwithstanding any other provisions of this section or this chapter to the contrary,
16 the total amount of funds collected pursuant to the assessment rates adopted by the
17 funding commission shall not be limited to the provisions of this section.

18 (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS
19 342.122 shall forever remain applicable to premiums received on policies with
20 effective dates prior to January 1, 1997, by every insurance carrier writing workers'
21 compensation insurance in the Commonwealth, by every self-insured group
22 operating under the provision of KRS 342.350(4) and Chapter 304, and against the
23 premium, as defined in KRS 342.0011, of every employer carrying its own risk.

24 ➔Section 8. KRS 342.213 is amended to read as follows:

25 (1) The Governor shall make all appointments to the board, and appoint the
26 administrative law judges ~~and the commissioner~~ of the Department of Workers'
27 Claims, subject to the consent of the Senate in accordance with KRS 11.160, and in

1 accordance with this section, KRS 342.215~~, 342.228,~~ and 342.230 by choosing
2 from names presented to him or her by the Workers' Compensation Nominating
3 Commission.

4 (2) The Workers' Compensation Nominating Commission shall consist of seven (7)
5 members appointed by the Governor as follows:

6 (a) Two (2) members shall be attorneys experienced in the practice of workers'
7 compensation, one (1) of whom customarily represents claimants, and one (1)
8 of whom customarily represents employers. Both shall serve terms of two (2)
9 years, but their successors shall be appointed to terms of four (4) years;

10 (b) 1. One (1) member of the political party having the largest number of
11 registered voters and one (1) member of the political party having the
12 second largest number of registered voters shall serve a term of three (3)
13 years; and

14 2. Two (2) members of the political party having the largest number of
15 registered voters and one (1) member of the political party having the
16 second largest number of registered voters shall serve a term of four (4)
17 years.

18 3. Thereafter, as each term expires, the vacancy so created shall be filled by
19 an appointee from the same political party for a term of four (4) years;

20 (c) Appointments to fill the unexpired term of a member shall be for the
21 remainder of the term; and

22 (d) The members shall annually select a chairman of the nominating commission.

23 (3) Notwithstanding the provisions of subsection (2) of this section, at least three (3)
24 members of the Workers' Compensation Nominating Commission shall be
25 individuals who directly derive no earned income from the workers' compensation
26 program. In order to satisfy the requirement of this subsection, the Governor may
27 remove any existing member of the Workers' Compensation Nominating

1 Commission and replace that member with an individual who does not derive
2 earned income from the workers' compensation program. On or before March 1,
3 1997, the Governor shall submit to the Senate a list of the members of the
4 commission identifying the positions they fill and the terms they shall serve in
5 accordance with the provisions of this section.

6 (4) The commissioner shall monitor the workload of the administrative law judges and,
7 whenever a vacancy occurs, determine whether filling the position is necessary to
8 expeditious resolution of claims brought under this chapter. One hundred twenty
9 (120) days prior to the expiration of the terms of the administrative law judges, and
10 when a vacancy occurs under other circumstances, the commissioner shall certify to
11 the Workers' Compensation Nominating Commission that filling the position is
12 necessary and the Workers' Compensation Nominating Commission shall act to fill
13 only such positions as have been certified as necessary by the commissioner.

14 (5) (a) The Workers' Compensation Nominating Commission shall consult with the
15 commissioner, chief administrative law judge, and a member of the Workers'
16 Compensation Board as to the performance in office of the administrative law
17 judges. The Workers' Compensation Nominating Commission may
18 recommend retention of any sitting administrative law judge, or present to the
19 Governor the names of three (3) qualified individuals nominated for the
20 position. The Workers' Compensation Nominating Commission shall report
21 its recommendation for retention to the Governor no later than thirty (30) days
22 after receipt from the commissioner of certification of the necessity to fill the
23 position and shall render to the Governor its list of nominees to fill vacancies
24 within sixty (60) days of receipt of the commissioner's certification. The name
25 of an individual who has been rejected by the Governor when recommended
26 for retention shall not be presented thereafter as a nominee for the same
27 position. No sitting administrative law judge shall be nominated to fill more

1 than one (1) vacancy except for separate vacancies as an administrative law
2 judge.

3 (b) Within thirty (30) days of receipt of the recommendation, the Governor may
4 reject recommendations of retention, in which event the Workers'
5 Compensation Nominating Commission shall, within thirty (30) days,
6 reconvene and present a list of the names of three (3) nominees for each
7 position for which a recommendation for retention has been rejected by the
8 Governor.

9 (6) ~~[(The Governor shall appoint the commissioner of the Department of Workers'~~
10 ~~Claims from a list of three (3) names submitted by the nominating~~
11 ~~commission. The list submitted to the Governor shall contain names of~~
12 ~~individuals who meet the qualifications and requirements contained in KRS~~
13 ~~342.228.]~~The commissioner shall be subject to Senate confirmation in
14 accordance with KRS 11.160.

15 (7) (a) The Governor shall appoint the members of the Workers' Compensation
16 Board. The nominating commission shall present to the Governor a list of
17 three (3) candidates for appointment to the board no later than thirty (30) days
18 prior to the expiration of a board member's term. For the purpose of filling
19 vacancies on the board which occur for reasons other than an expiration of
20 term, the nominating commission shall present a list of three (3) names to the
21 Governor no later than sixty (60) days after a vacancy occurs.

22 (b) If the Governor fails to appoint a member of the board within thirty (30) days
23 following receipt of a list of names from the nominating commission, the
24 previous appointee may remain in the position until the ninetieth day
25 following the date the nominating commission provided the Governor with its
26 list of names, at which time he or she shall vacate the position.

27 (8) The nominating commission shall meet as often as necessary to perform its

1 responsibilities, and the members shall be reimbursed from funds collected pursuant
2 to KRS 342.122 for necessary expenses in the manner and amounts prescribed for
3 state employees by KRS 45.101 and the administrative regulations promulgated
4 under the authority of that statute. In addition, each member of the nominating
5 commission shall be paid at a rate of one hundred dollars (\$100) per day for each
6 meeting attended, and these expenses shall be financed from funds collected
7 pursuant to KRS 342.122.

8 ➔Section 9. KRS 342.228 is amended to read as follows:

12 appointed by the Governor. ~~[The Governor shall select the commissioner from a list~~
13 ~~of three (3) names submitted by the Workers' Compensation Nominating~~
14 ~~Commission created pursuant to KRS 342.213.]~~[The Governor shall select the

18 Senate in accordance with KRS 11.160.

- 19 (2) The commissioner shall have demonstrated knowledge and experience in the area of
20 workers' compensation, public administration, and administrative law.

21 ➔Section 10. KRS 342.230 is amended to read as follows:
