

1 AN ACT to revise and correct the Kentucky Revised Statutes.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 PART A

4 LEGISLATIVE FINDINGS AND DECLARATIONS

5 ➔Section 1. The General Assembly finds and declares as follows:

6 (1) Section 2 of this Act amends KRS 311.685, relating to the practice of
7 acupuncture. KRS 311.685 was created in 2006 Ky. Acts ch. 249, sec. 15, as part of the
8 initial statutory regulation of the practice of acupuncture. However, the drafter of that Act
9 had inadvertently included in subsection (7) of that section a reference to the "practice of
10 medicine" in the second sentence of that subsection. The reviser of statutes has
11 determined from the context that the reference should have instead read "practice of
12 acupuncture," but that change in language is not a manifest clerical or typographical error
13 the reviser is authorized to independently correct under KRS 7.136(1)(h).

14 (2) Section 3 of this Act amends KRS 343.020, relating to the membership of the
15 Apprenticeship and Training Council. Prior to its amendment in 2014, subsection (2)(a)
16 of KRS 343.020 established staggered lengths of terms for the first appointments of
17 members of the initial Council, and subsection (2)(b) of KRS 343.020 began,
18 "Subsequent members shall serve terms of four (4) years.....," referring to members
19 appointed after the initial terms expired. When subsection (2)(a) was amended in 2014,
20 the language establishing staggered initial terms was deleted; however, the word
21 "Subsequent" in subsection (2)(b) should have been deleted to conform, but was not.

22 (3) Section 4 of this Act amends KRS 134.452, relating to third-party purchasers
23 of certificates of delinquency of real property taxes. 2014 Ky. Acts ch. 71, sec. 6,
24 amended subsection (1) of that statute to correct improper formatting and replace an
25 incorrect reference to "paragraph (a) of this subsection" with "subdivision a. of this
26 subparagraph" in what is now subsection (1)(c)2.b. of that statute. During codification, it
27 was brought to the attention of the reviser of statutes that a second reference to

1 "paragraph (a)" in subsection (1)(c)3.a. of that statute should have also been corrected to
2 read "subparagraph 2.a. of this paragraph", but it was not. The reviser of statutes has
3 determined that changing that language to conform with the correct reference is
4 necessary, but that it is not a manifest clerical or typographical error the reviser is
5 authorized to independently correct under KRS 7.136(1)(h).

6 (4) Section 5 of this Act amends KRS 154.33-510, relating to definitions
7 concerning the use of the Kentucky Appalachian regional development fund. The lead-in
8 language for that statute that precedes the list of definitions is, "As used in KRS 154.33-
9 501 to 154.33-585, unless the context otherwise requires:". The range of statutes KRS
10 154.33-501 to 154.33-585 was composed of 22 statutes; however, 16 of those statutes
11 were repealed in 2015 in 2015 Ky. Acts ch. 58, sec. 7. Therefore, the reference to the
12 depleted range of statutes is no longer appropriate, and should now read, "As used in this
13 subchapter, unless the context otherwise requires:".

14 (5) Section 6 of this Act amends KRS 243.200, relating to an alcoholic beverage
15 transporter's license. As amended by 2014 Ky. Acts ch. 22, sec. 14, subsection (9)(b) of
16 that statute contains an erroneous reference to "residence requirements" of KRS 244.090.
17 Although certain licensees were previously prohibited from employing any person who
18 "has not had an actual bona fide residence in this Commonwealth for at least one (1)
19 year" or "is not a citizen of the United States," the General Assembly removed the state
20 residency requirement from the statute in 1978 Ky. Acts ch. 194, sec. 19, and the national
21 citizenship requirement in 1998 Ky. Acts ch. 522, sec. 20. Therefore, the reference to
22 KRS 244.090 concerning residency requirements is obsolete. The remaining reference to
23 KRS 243.100 is correct.

24 (6) Section 7 of this Act amends KRS 402.100, relating to marriage licenses. In
25 subsection (2)(b) of that statute, there is an incomplete, and, therefore, incorrect reference
26 to "KRS 402.050(c)" regarding religious societies authorized to solemnize marriages.
27 KRS 402.050, subsection (1), contains the list of persons authorized to solemnize

1 marriage, so the incorrect cite to "KRS 402.050(c)" should be corrected to read "KRS
2 402.050(1)(c)."

3 (7) Section 8 of this Act repeals KRS 158.650, 158.680, 158.685, and 158.710,
4 which were enacted in 1990 as part of the Kentucky Education Reform Act, and
5 contained the initial phase of temporary reform remedies that were designated to expire in
6 1996. Since the provisions of those statutes expired in 1996 and have not been followed
7 since, it is now appropriate to remove them from the statutory database by repealing
8 them.

9 (8) Sections 9 and 10 of this Act contain amendments to KRS 156.160 and
10 160.107 to conform with the repeal of KRS 158.685 by deleting references to that statute
11 number in other statutory text.

12 PART B

13 CORRECTION OF INADVERTENT DRAFTING ERRORS IN STATUTORY TEXT

14 ➔Section 2. KRS 311.685 is amended to read as follows:

15 (1) The board, before suspending, revoking, imposing probationary or supervisory
16 conditions upon a licensed acupuncturist, imposing an administrative fine, issuing a
17 written reprimand, or any combination of these actions regarding any licensed
18 acupuncturist under KRS 311.671 to 311.686, shall set the matter for a hearing
19 under the provisions of KRS Chapter 13B.

20 (2) After denying an application under KRS 311.671 to 311.686 or issuing a written
21 admonishment, the board, at the request of the aggrieved party, shall grant a hearing
22 under the provisions of KRS Chapter 13B.

23 (3) Except for final orders denying an initial application or renewal for licensure or
24 final orders issued pursuant to KRS 13B.125(3), all final orders of the board
25 affecting an acupuncturist's license shall become effective thirty (30) days after
26 notice is given to the license holder unless otherwise agreed; however, the board's
27 panels may provide that a final order be effective immediately when, in the panel's

1 opinion, based upon sufficient reasonable cause, the health, welfare, and safety of
2 patients or the general public would be endangered by delay.

3 (4) Any acupuncturist who is aggrieved by a final order of the board denying an initial
4 or renewal application for licensure or rendering disciplinary action against a
5 license holder may seek judicial review of the order by filing a petition with the
6 Circuit Court of the county in which the board's offices are located in accordance
7 with KRS Chapter 13B. Decisions of the board's panels relating to petitions for
8 reinstatement of revoked licenses are not final orders for purposes of this statute,
9 and are not subject to judicial review.

10 (5) The court shall not award injunctive relief against the board without providing the
11 board with the reasonable opportunity to be heard.

12 (6) An acupuncturist whose license has been revoked may, after five (5) years from the
13 effective date of the revocation order, petition the board to reissue the license to
14 again practice acupuncture in the Commonwealth of Kentucky.

15 (7) The board shall not be required to issue a new license, and a decision of the board
16 not to reissue a license shall not be subject to judicial review. A license shall not be
17 reissued following a petition under subsection (6) of this section unless the former
18 license holder satisfies the board that he or she is presently of good moral character
19 and qualified both physically and mentally to resume the practice of
20 acupuncture~~[medicine]~~ without undue risk or danger to patients or the public.

21 (8) In the event the board reissues a revoked license under the circumstances as
22 described in this section, the reissued license shall be under probation for a period
23 of not less than two (2) years nor more than five (5) years with conditions fixed by
24 the board, including a condition that any violation of the remaining conditions of
25 probation shall result in automatic revocation of the license.

26 ➔Section 3. KRS 343.020 is amended to read as follows:

27 (1) (a) The Governor shall appoint an Apprenticeship and Training Council

1 composed of four (4) representatives from employer organizations, four (4)
2 representatives from employee organizations, and three (3) at-large members
3 who shall serve for a term of four (4) years and until their successors are
4 appointed and qualified. The commissioner of the Department of Workplace
5 Standards, the commissioner of the Department for Workforce Investment,
6 and the chancellor for the Technical Institutions' Branch in the Kentucky
7 Community and Technical College System shall be ex officio members of the
8 council. The chairman shall be elected by vote of the Apprenticeship and
9 Training Council.

10 (b) The regular members of the council shall each have one (1) vote. In the event
11 of a tie vote among the regular members, the commissioner of the Department
12 of Workplace Standards shall have the right to cast the tie-breaking vote. Each
13 member of the council shall receive his or her actual and necessary expenses
14 incurred in attending its meetings.

15 (c) The council shall meet at the call of the commissioner and shall aid him or her
16 in formulating policies for the effective administration of this chapter. The
17 commissioner with the advice of the council shall have the authority to make
18 and revise such rules and regulations as he or she may deem appropriate to
19 carry out the provisions and purposes of this chapter.

20 (2) (a) On July 15, 2014, the term of the at-large members appointed on December
21 31, 2011, shall expire, and the Governor shall appoint three (3) at-large
22 members representing the general public to the Apprenticeship and Training
23 Council.

24 (b) ~~Subsequent~~ Members shall serve terms of four (4) years and shall serve until
25 their successors are appointed and qualified.

26 (3) The council shall be attached to the Labor Cabinet for administrative purposes.

PART C

CORRECTION OF IMPROPER IN-TEXT STATUTORY REFERENCES

➔Section 4. KRS 134.452 is amended to read as follows:

(1) Notwithstanding any other provisions of this chapter, a third-party purchaser of a certificate of delinquency shall be entitled to collect only the following prelitigation fees:

(a) The amount actually paid for the certificate of delinquency;

(b) Interest as provided in KRS 134.125, calculated on the amount actually paid to the county clerk from the date the certificate of delinquency was purchased until paid; and

(c) 1. Prelitigation attorneys' fees, which may include amounts incurred for collection efforts and costs related to notification, processing, research, communication, compliance, legal costs, documentation, and similar expenses, from the date the third-party purchaser purchases the certificate of delinquency from the county clerk, to the date on which the notice required by KRS 134.490(2) is mailed by the third-party purchaser.

2. The amount that may be collected by the third-party purchaser as prelitigation attorneys' fees shall be subject to the following limitations:

a. i. If the amount paid for a certificate of delinquency is between five dollars (\$5) and three hundred fifty dollars (\$350), actual reasonable fees incurred up to one hundred percent (100%) of the amount of the certificate of delinquency, not to exceed three hundred fifty dollars (\$350);

ii. If the amount paid for a certificate of delinquency is between three hundred fifty-one dollars (\$351) and seven hundred dollars (\$700), actual reasonable fees incurred up to eighty percent (80%) of the amount of the certificate of

1 delinquency, not to exceed five hundred sixty dollars (\$560);
2 and

3 iii. If the amount paid for a certificate of delinquency is above
4 seven hundred one dollars (\$701), actual reasonable fees
5 incurred up to seventy percent (70%) of the amount of the
6 certificate of delinquency, not to exceed seven hundred
7 dollars (\$700); and

8 b. If a third-party purchaser is the owner of more than one (1)
9 certificate of delinquency against the same taxpayer, actual and
10 reasonable prelitigation attorneys' fees for all certificates of
11 delinquency against the same taxpayer shall not exceed one and
12 one-half (1.5) times the maximum amount permitted in
13 subdivision a. of this subparagraph for the largest tax bill owed by
14 the taxpayer.

15 3. The amounts allowed by subparagraph 2. of this paragraph shall not
16 accrue to the account of the delinquent taxpayer, nor be charged by the
17 third-party purchaser against the delinquent taxpayer all at one (1) time
18 unless the amount of certificate of delinquency is one hundred seventy-
19 five dollars (\$175) or less. The third-party purchaser may accrue to the
20 account of the delinquent taxpayer, and charge the delinquent taxpayer
21 an amount equal to the lesser of prelitigation attorney's fees incurred by
22 the third-party purchaser since the prior notice was sent or one hundred
23 seventy-five dollars (\$175), for each notice sent to the delinquent
24 taxpayer, provided that:

25 a. The total aggregate amount of prelitigation attorneys' fees that may
26 accrue to the account of the delinquent taxpayer and be charged by
27 the third-party purchaser against the delinquent taxpayer shall not

1 exceed the limitations established by subparagraph 2.a. of this
2 paragraph~~[(a) of this subsection]~~; and

3 b. Additional fees shall not accrue to the account of the delinquent
4 taxpayer or be charged by the third-party purchaser against the
5 delinquent taxpayer more frequently than every ninety (90) days,
6 regardless of how many notices the third-party purchaser may
7 send.

8 (2) If the delinquent taxpayer and the third-party purchaser enter into a payment
9 agreement, the third-party purchaser may collect the installment payment processing
10 fee authorized by KRS 134.490(5).

11 (3) (a) In addition to the fees established by subsections (1), (2), and (4) of this
12 section, a third-party purchaser may collect actual, reasonable attorneys' fees
13 and costs that arise due to the prosecution of collection remedies or the
14 protection of a certificate of delinquency that is involved in litigation. Fees
15 and costs permitted under this subsection include fees and costs incurred from
16 the first day after the notice required by KRS 134.490(2) is sent through the
17 day any litigation is finally concluded.

18 (b) For purposes of this subsection:

19 1. Actual attorneys' litigation fees up to two thousand dollars (\$2,000) may
20 be reasonable if the fees are based upon documented work performed at
21 a rate commensurate with hourly rates customarily charged by private
22 attorneys in that jurisdiction for similar services. A flat rate, without
23 hours documented for work performed, may be reasonable if the flat fee
24 is determined to be discounted from the usual and customary rates for
25 comparable work; and

26 2. Any attorneys' litigation fee in excess of two thousand dollars (\$2,000)
27 shall be allowed if authorized by the court upon a finding that the third-

1 party purchaser incurred actual attorneys' litigation fees in excess of two
2 thousand dollars (\$2,000) and that those attorneys' litigation fees were
3 warranted based upon the complexity of the issues presented in the
4 litigation.

5 (4) The third-party purchaser may collect administrative fees incurred for preparing,
6 recording, and releasing an assignment of the certificate of delinquency in the
7 county clerk's office, not to exceed one hundred fifteen dollars (\$115).

8 (5) The General Assembly recognizes that third-party purchasers play an important role
9 in the delinquent tax collection system, allowing taxing districts to receive needed
10 funds on a timely basis. The General Assembly has carefully considered the fees
11 and charges authorized by this section, and has determined that the amounts
12 established are reasonable based on the costs of collection and fees and charges
13 incurred in litigation.

14 (6) A certificate of delinquency owned by a third-party purchaser shall be deemed a
15 general intangible for the purposes of Article 9 of KRS Chapter 355.

16 ➔Section 5. KRS 154.33-510 is amended to read as follows:

8 KRS 154.33-550.

9 ➔Section 6. KRS 243.200 is amended to read as follows:

10 (1) (a) A transporter's license may be issued as a primary license to a person engaged
11 in business as a common carrier. A transporter's licensee may transport
12 alcoholic beverages to or from the licensed premises of any licensee under this
13 chapter if both the consignor and consignee in each case are authorized by the
14 law of the states of their residence to sell, purchase, ship, or receive the
15 alcoholic beverages.

16 (b) A transporter's license shall be issued only to persons authorized by proper
17 certificate from the Department of Vehicle Regulation to engage in the
18 business of a common carrier. Holders of a transporter's license issued under
19 this section may transport alcoholic beverages in Kentucky only in conformity
20 with the provisions of their common carrier certificate issued by the
21 Transportation Cabinet. Such licensees are specifically prohibited from
22 transporting alcoholic beverages anywhere within the state, except upon the
23 route authorized by their respective common carrier certificates.

24 (2) (a) No person, firm, or corporation operating motor vehicles for hire over the
25 highways of this state, under authority of a Certificate of Convenience and
26 Necessity issued by the Transportation Cabinet, covering the same territory or
27 highways designated in the certificate as irregular common carrier issued by

1 the Interstate Commerce Commission shall be authorized or permitted to
2 transport any alcoholic beverages in this state until the carrier has procured an
3 appropriate transporter's license from the department, and filed with the
4 department a statement of the proposed route of the territory over which the
5 carrier proposes to transport alcoholic beverages.

6 (b) The statement of route shall be accompanied by an exhibit consisting of a
7 Kentucky road map with the proposed route clearly indicated by suitable
8 marking.

9 (c) The proposed route shall be restricted to designated federal highways, except
10 as to access side roads to distilleries and terminals. The side roads shall be the
11 nearest and most traveled route from the distillery to the designated federal
12 highway, and shall be no more than seven (7) miles from the federal highway.

13 (d) When the carrier has obtained a transporter's license for distilled spirits and
14 wine from the department for transportation over designated routes, pursuant
15 to a regular common carrier certificate, no additional license shall be required
16 upon filing of the designated routes and exhibit required under this section.

17 (e) The license shall be issued to a person legally transporting alcoholic beverages
18 to allow transportation of the beverages over numbered Kentucky state
19 highways, or officially prescribed detours from those highways.

20 (3) A transporter's license may be issued to a steam, diesel, or gasoline boatline,
21 desiring to haul alcoholic beverages in barrels or in unbroken case lots, if it
22 maintains published river-rail rates, but licensees shall not be restricted to routes
23 covered by such river-rail rates.

24 (4) A transporter's license may be issued as a primary or supplementary license to any
25 nonresident distiller, winery, or wholesaler who is authorized by the state of his or
26 her residence and the federal government to receive and transport distilled spirits
27 and wine. The nonresident licensee may transport for himself or herself only,

1 distilled spirits and wine from the licensed premises of a Kentucky manufacturer,
2 distiller, winery, or rectifier to the transporter's licensed premises only, and
3 beverages on which the Kentucky tax has been paid may be transported from the
4 licensed premises of a nonresident distiller, winery, or rectifier to wholesaler
5 licensees within the Commonwealth of Kentucky, if he or she transports the
6 alcoholic beverages in a truck or other vehicle owned and operated by a nonresident
7 licensee. Each truck or vehicle shall have affixed to its side a sign in uniform letters
8 of at least three (3) inches high containing the name of the company and the state
9 and federal permit numbers for the vehicles.

10 (5) An application for a transporter's license shall include a statement that the applicant,
11 if granted a license, will allow any authorized field representative of the department
12 to stop and examine the cargo of any truck or vehicle in which alcoholic beverages
13 are being transported within the boundaries of the Commonwealth of Kentucky.

14 (6) All persons or entities holding a transporter's license shall be required to file reports
15 with the Department of Revenue on or before the fifteenth of each month, covering
16 the preceding month's transactions. Only one (1) report may be submitted to cover
17 each unit shipment of alcoholic beverages transported into and from the state. Each
18 Department of Revenue report shall show the state license number, the name and
19 address of consignor and consignee, shipping date, delivery date, and number of
20 cases according to size contained in each shipment, and shall be signed by an
21 official of the company handling the shipment.

22 (7) A transporter's license may be issued as a primary license to a person or entity
23 wishing to transport distilled spirits and wine through this state over the public
24 highways. A transporter's license authorizes the holder to transport distilled spirits
25 and wine during the period of the license. The driver of a vehicle so transporting
26 shall be in the possession of a copy of the license and bills of lading, consignment,
27 or other evidence of ownership of the cargo which tally with the cargo. Failure of

1 the driver to be in possession of these documents shall be prima facie evidence of
2 illegal trafficking. The transporting of distilled spirits and wine without a
3 transporter's license shall subject the offending party to the penalties established in
4 KRS 243.990.

5 (8) A transporter's license may be issued as a primary license to a person wishing to
6 transfer distilled spirits or wine from a licensed transporter to one (1) truck from
7 another. The licensee may receive from and tender to transporters duly licensed
8 under this section those distilled spirits and wine consigned to licensees under KRS
9 243.020, in the Commonwealth of Kentucky.

10 (9) (a) A transporter's license may be issued as a primary license to a person or entity
11 wishing to export malt beverages from the licensed premises of a Kentucky
12 brewer or from the warehouse of a licensed Kentucky distributor, or from
13 another state, through Kentucky. A transporter's license may be issued to an
14 applicant who holds a beer wholesaler or distributor's license issued by the
15 state into which malt beverages are to be transported, or who is licensed by the
16 state to transport those malt beverages.

17 (b) Applicants for the transporter's license under this subsection, and their
18 employees, may be exempt from the residence requirements of KRS 243.100~~f~~
19 ~~and 244.090~~.

20 (c) A transporter's license shall authorize the holder to transport malt beverages
21 from the licensed premises of a Kentucky brewer or from the warehouse of the
22 licensed Kentucky distributor, or from another state, through Kentucky, if the
23 licensee transports the malt beverages in a truck or other vehicle carrying a
24 transporter's license and owned and operated by its employees.

25 (10) A transporter's license may be issued as a primary or supplemental license to a
26 person, except a retailer, wishing to transport malt beverages for hire. A
27 transporter's license shall authorize the licensee to transport malt beverages for hire

1 to or from the licensed premises of any licensee, except retailers, if both the
2 consignor and consignee in each case are authorized by the law of the states of their
3 residence to sell, purchase, ship, or receive the malt beverages. A transporter
4 licensee may transport malt beverages for hire to or from the licensed premises of
5 any licensee under KRS 243.040 in counties containing a population of less than
6 forty thousand (40,000) if both the consignor and consignee in each case are
7 authorized by the laws of the states of their residence to sell, purchase, ship, or
8 receive the malt beverages.

9 (11) No person except a railroad company or railway express company shall transport or
10 cause to be transported any distilled spirits or wine, unless expressly authorized to
11 do so by law.

12 (12) Distilled spirits and wine may be transported by the holder of any license authorized
13 to transport distilled spirits and wine to and from express or freight depots and the
14 licensee's premises.

15 (13) A licensed alcoholic beverage store operator may move, within the same county,
16 alcoholic beverages from one of the operator's licensed stores to another without a
17 transporter's license. However, the licensed store operator shall keep and maintain,
18 in one (1) of his or her stores in that county, adequate books and records of the
19 transactions involved in transporting alcoholic beverages from one (1) licensed
20 store to another in accordance with standards established in administrative
21 regulations promulgated by the board. The records shall be available to the
22 department and the Department of Revenue upon request.

23 (14) Distilled spirits and wine may be transported by any licensed retailer selling
24 distilled spirits or wine, by the package or by the drink, from the premises of a
25 licensed wholesaler to the licensed premises of the retail licensee. Any retailer
26 transporting alcoholic beverages under this subsection shall do so in a vehicle
27 marked in conformity with administrative regulations of the department. Both the

1 wholesaler and the retailer engaging in activity under this subsection shall be
2 responsible for maintaining records documenting the transactions.

3 ➔Section 7. KRS 402.100 is amended to read as follows:

4 Each county clerk shall make available to the public the form prescribed by the
5 Department for Libraries and Archives for the issuance of a marriage license. The
6 department shall issue a marriage license form which provides for the entering of
7 information identifying each party as a "bride," "groom," or "spouse." This form shall
8 provide for the entering of all of the information required in this section, and may also
9 provide for the entering of additional information prescribed by the Department for
10 Libraries and Archives. The form shall consist of:

11 (1) A marriage license which provides for the entering of:

12 (a) An authorization statement for any person or religious society authorized to
13 perform marriage ceremonies to unite in marriage the parties named;

14 (b) Vital information for each party, including the full name, date of birth, place
15 of birth, race, gender, condition (single, widowed, or divorced), number of
16 previous marriages, occupation, current residence, relationship to the other
17 party, and full names of parents;

18 (c) A statement signed by both parties swearing that, to the best of their
19 knowledge, the information provided on the form is correct; and

20 (d) The date and place the application was made.

21 (2) A marriage certificate which provides for the entering of:

22 (a) A statement by the person performing the marriage ceremony or the clerk of
23 the religious society authorized to solemnize the marriage ceremony that the
24 ceremony was performed. The statement shall include the name and title of
25 the person performing the ceremony or the name of the religious society
26 solemnizing the marriage, the names of persons married, the date and place of
27 the marriage, and the names of two (2) witnesses;

- 1 (b) A statement by the person performing the marriage ceremony of his legal
2 qualification under this chapter to perform the ceremony, such statement to
3 include the name of the county or city where his license to perform marriage
4 ceremonies was issued or, in the case of religious societies authorized by KRS
5 402.050(L)(c) to solemnize marriages, the name of the city or county where
6 the religious society is incorporated. The provisions of this paragraph shall not
7 be construed to require the clerk of a religious society to be present at the
8 marriage so long as the witnesses of the society are present;
- 9 (c) The printed name and dated signature of the person performing the ceremony;
10 and
