11 *compensation to the member.*

12 *(2) (a) For members retiring on or after January 1, 2018, the plan shall, for each*  
13 *of the retiring member's last three (3) annual years of service in the General*

16               increases in creditable compensation during the last three (3) annual years of  
17               employment prior to retirement constitute a bona fide promotion or career

19               KRS Chapter 13A to administer this section.

20       (6) The provisions of this section shall not apply to employees participating in the

13       ➔Section 3. KRS 61.598 is amended to read as follows:

14       (1) For purposes of this section, "bona fide promotion or career advancement":

15       (a) Means a professional advancement in substantially the same line of work held  
16       by the employee in the four (4) years immediately prior to the final five (5)  
17       fiscal years preceding retirement or a change in employment position based on  
18       the training, skills, education, or expertise of the employee that imposes a  
19       significant change in job duties and responsibilities to clearly justify the  
20       increased compensation to the member; and

21       (b) Does not include any circumstance where an elected official participating in  
22       the Kentucky Employees Retirement System or the County Employees  
23       Retirement System takes a position of employment with a different employer

7 (5) fiscal year period.

8 (b) Except as limited or excluded by subsections (3) and (4) of this section, any  
9 amount of increase in creditable compensation for a fiscal year identified

11 than the employee's creditable compensation from the immediately  
12 preceding fiscal year shall not be included in the creditable compensation  
13 used to calculate the retiring employee's monthly retirement allowance. If  
14 the creditable compensation for a specific fiscal year identified under  
15 paragraph (a) of this subsection as exceeding the ten percent (10%)  
16 increase limitation is not used to calculate the retiring employee's monthly  
17 retirement allowance, then no reduction in creditable compensation shall  
18 occur for that fiscal year.

19 (c) If the creditable compensation of the retiring employee is reduced as  
20 provided by paragraph (b) of this subsection, the retirement systems:

- 21 1. Shall refund the employee contributions and interest attributable to  
22 the reduction in creditable compensation; and
- 23 2. Shall not refund the employer contributions paid but shall utilize  
24 those funds to pay down the unfunded liability of the pension fund in  
25 which the retiring employee participated.

26 (3) In order to ensure the prospective application of the limitations on increases in  
27 creditable compensation contained in subsection (2) of this section, only the
