2. Student assessment results;

3. Progress toward achieving English proficiency by limited English proficiency students;

4. Quality of school climate and safety;

5. High school graduation rates;

6. Postsecondary readiness for each high school student, which shall be included as an academic indicator, and shall be measured by:

The Kentucky Workforce Innovation Board, in conjunction with the Kentucky Department of Education, may revise the lists before the Kentucky Department of Education disseminates the lists to all school districts to be used as postsecondary readiness indicators.[The board shall determine how student assessment and program assessment data from the 2011-2012 and 2012-2013 school years shall be used and reported within the new accountability system].

(d) 1. The Kentucky Department of Education shall pay for the cost of an assessment taken by a high school student for attaining an industry-recognized certification, credential, or licensure if the student consecutively completes at least two (2) related career pathway courses approved by the department prior to taking the assessment.

2. If a high school student has not completed the two (2) course requirement described in subparagraph 1. of this paragraph but meets
performance-based experience eligibility and passes an assessment, the department shall provide a weighted reimbursement amount to the school district for the cost of the assessment based on the level of demand of the certificate, credential, or license earned. The Kentucky Board of Education shall promulgate regulations establishing the performance-based experience eligibility requirements and weighted reimbursement amounts.

(2)(3) A student's test scores shall be counted in the accountability measure of:

(a) 1. The school in which the student is currently enrolled if the student has been enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; or
2. The school in which the student was previously enrolled if the student was enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; and

158.6471 and 158.6472 and KRS Chapter 13A to establish more rigorous action, intervention, and appropriate consequences for schools that fail to exit comprehensive support and improvement status described in Section 12 of this Act. The consequences shall be designed to improve the academic performance and learning environment of identified schools and may include but not be limited to:

(a) A review and audit process to determine the appropriateness of a school's or district's classification and to recommend needed assistance;

(5)(7) After receiving the advice of the Education Assessment and Accountability Review Subcommittee, the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS
158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a three (3) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when one (1) or more schools in the district fail to exit comprehensive support and improvement status after three (3) consecutive years of implementing the turnaround intervention process described in Section 12 of this Act if the district fails to achieve its goals set by the board. The board shall revise the district accountability system based on the revised assessment program, including program and student assessments, to be implemented in the 2011-2012 school year as required in KRS 158.6453.

Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the three (3) year assessment period which are beyond the control of the school.

Section 5. KRS 158.6458 is amended to read as follows:
