2 KRS 160.340, have been amended to allow the professional staff members of a
3 school to be involved in the decision making process as they work to meet
4 educational goals established in KRS 158.645 and 158.6451. The policy may
5 include a requirement that each school council make an annual report at a public

 27 for removing a superintendent, a member of a school council, or school board

1 member from office or grounds for dismissal of an employee for misconduct
2 in office or willful neglect of duty.

3 ~~[(e) Notwithstanding paragraph (d) of this subsection and KRS 7.410(2)(c), if the

 15 on information contained in a record of an adjudication of delinquency or
 16 conviction of an offense received by the school pursuant to KRS 610.345 or from
 17 any other source. Nothing in this subsection shall be construed to prohibit a local
 18 school board or school official from instituting disciplinary proceedings against any
 19 student for violating the discipline policy of the school or school district or taking
 20 actions necessary to protect staff and students. Actions to protect staff and students
 21 may be taken only after the principal makes a determination that the conduct of the
 22 student reflected in the records of the school or obtained by the school from the
 23 court indicates a substantial likelihood of an immediate and continuing threat that
 24 the student will cause harm to students or staff, and that the restrictions to be
 25 ordered represent the least restrictive alternative available and appropriate to
 26 remedy the threat, and that the determination and supporting material be
 27 documented in the child's record. The action of the principal, in addition to or in

1 lieu of any other procedure available, may be appealed by the child or the child's
2 parent or guardian to the superintendent of the school system or to the Circuit Court
3 in the county in which the school is located, and the appealing party may be
4 represented by counsel.

5 (2) No school, school administrator, teacher, or other school employee who has custody

8 pursuant to KRS 610.345 shall disclose the fact of the record's existence, or any
9 information contained in the record or received from the record to any other person,
10 including but not limited to other teachers, school employees, pupils, or parents
11 other than the pupil, or parents of the pupil who is the subject of the record.

12 (3) The child and his parent or guardian shall have a civil cause of action against the
13 school board and against any school administrator violating subsection (1) or (2) of
14 this section or divulging information in violation of KRS 610.345 or 610.340. This
15 civil cause of action shall be in addition to any other criminal or administrative
16 remedy provided by law.

17 (4) Nothing in this section shall be construed to prohibit a local board of education
18 from establishing districtwide standards of behavior for students who participate in
19 extracurricular and cocurricular activities, including athletics. A school principal
20 may deny or terminate a student's eligibility to participate in extracurricular or
21 cocurricular activities if the student has violated the local district behavior standards

25 standards of behavior have been violated.

26 ➔Section 3. KRS 158.197 is amended to read as follows:

2 the guidelines and procedures to be observed for the approval of waivers from
3 the requirements of a student instructional year in subsection (1)(e) of this
4 section for districts that wish to adopt innovative instructional calendars, or
5 for circumstances that would create extreme hardship.

6 (b) If a local board of education amends its school calendar after its adoption due
7 to an emergency, it may lengthen or shorten any remaining student attendance

9 amended calendar complies with the requirements of a student instructional
10 year in subsection (1)(e) of this section. No student attendance day shall
11 contain more than seven (7) hours of instructional time unless the district
12 submitted and received approval from the commissioner of education for an
13 innovative alternative calendar.

14 (5) (a) 1. In setting the school calendar, school may be closed for two (2)
15 consecutive days for the purpose of permitting professional school

23 statewide professional meeting, the school district shall permit
24 employees who are delegates to attend as compensated professional
25 leave time and shall employ substitute teachers in their absence.
26 4. The commissioner of education shall designate one (1) additional day
27 during the school year when schools may be closed to permit

1 professional school employees to participate in regional or district
2 professional meetings.

3 5. These three (3) days so designated for attendance at professional
4 meetings may be counted as a part of the minimum school term.

5 (b) 1. If any school in a district is used as a polling place, the school district
6 shall be closed on the day of the election, and those days may be used
7 for professional development activities, professional meetings, or
8 parent-teacher conferences.

9 2. A district may be open on the day of an election if no school in the
10 district is used as a polling place.

11 (c) All schools shall be closed on the third Monday of January in observance of
12 the birthday of Martin Luther King, Jr. Districts may:

13 1. Designate the day as one (1) of the four (4) holidays permitted under

23 tournament or state tournament sanctioned by the Kentucky Board of
24 Education, or the organization or agency designated by the board to manage
25 interscholastic athletics, and occurring on a regularly scheduled student
26 attendance day may be counted present at school on the date or dates of the
27 competition, as determined by local board policy, for a maximum of two (2)

1 days per student per year. The student shall be expected to complete any
2 assignments missed on the date or dates of the competition.

3 (c) The school attendance record of any student for whom paragraph (b) of this
4 subsection applies shall indicate that the student was in attendance on the date
5 or dates of competition.

6 (7) Students applying for excused absence for attendance at the Kentucky State Fair
7 shall be granted one (1) day of excused absence.

8 (8) Schools shall provide continuing education for those students who are determined
9 to need additional time to achieve the outcomes defined in KRS 158.6451, and
10 schools shall not be limited to the minimum school term in providing this
11 education. Continuing education time may include extended days, extended weeks,
12 or extended years. A local board of education may adopt a policy requiring its
13 students to participate in continuing education. The local policy shall set out the

22 defined in KRS 158.6451. A school district that has a school operating a model
23 early reading program under KRS 158.792 may use a portion of its grant money as
24 part of the matching funds to provide individualized or small group reading
25 instruction to qualified students outside of the regular classroom during the student
26 attendance day.

27 (9) Notwithstanding any other statute, each school term shall include no less than the

1 equivalent of the student instructional year in subsection (1)(e) of this section,
2 except that the commissioner of education may grant up to the equivalent of ten
3 (10) student attendance days for school districts that have an alternative instruction
4 plan approved by the commissioner of education for the use of alternative methods
5 of instruction, including virtual learning, on days when the school district is closed
6 for health or safety reasons, on nontraditional days, or on nontraditional time. The
7 district's plan shall demonstrate how teaching and learning in the district will not be
8 negatively impacted. Average daily attendance for purposes of Support Education
9 Excellence in Kentucky program funding during the student attendance days
10 granted shall be calculated in compliance with administrative regulations
11 promulgated by the Kentucky Board of Education.

12 (10) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection
13 (2) of this section, a school district shall arrange bus schedules so that all buses
14 arrive in sufficient time to provide breakfast prior to the beginning of the student
15 attendance day. In the event of an unforeseen bus delay, the administrator of a
16 school that participates in the Federal School Breakfast Program may authorize up
17 to fifteen (15) minutes of the student attendance day if necessary to provide the
18 opportunity for children to eat breakfast not to exceed eight (8) times during the
19 school year within a school building.

27 1. State and local requirements under this section are met regarding the

1 equivalent of the number and length of student attendance days, teacher
2 professional days, professional development days, holidays, and days for
3 planning activities without the presence of students; and

4 2. The provisions of the district's school calendar to make up student
5 attendance days missed due to any emergency, as approved by the
6 Kentucky Department of Education when required, including but not
7 limited to a provision for additional instructional time per day, are met.

8 (b) Additional time worked by a classified school employee shall be considered as
9 equivalent time to be applied toward the employee's contract and calculation
10 of service credit for classified employees under KRS 78.615 if:

11 1. The employee works for a school district with a school calendar
12 approved by the Kentucky Department of Education that contains a
13 provision that additional instructional time per day shall be used to make
14 up full days missed due to an emergency;

15 2. The employee's contract requires a minimum six (6) hour work day; and

16 3. The employee's job responsibilities and work day are extended when the
17 instructional time is extended for the purposes of making up time.

18 (c) Classified employees who are regularly scheduled to work less than six (6)
19 hours per day and who do not have additional work responsibilities as a result
20 of lengthened student attendance days shall be excluded from the provisions
21 of this subsection. These employees may be assigned additional work
22 responsibilities to make up service credit under KRS 78.615 that would be
23 lost due to lengthened student attendance days.
