# Unofficial Document

*examination is collected.*"; and

On page 9, after line 19, by inserting the following:

*"(6) No provider shall issue an initial prescription for contact lenses, or renew an initial prescription for contact lenses for a patient, without having performed an in-person comprehensive eye health examination of the patient.*

*(7) This section shall not:*

*(a) Limit the discretion of an optometrist, osteopath, or physician to direct a patient to utilize any technology or telehealth service deemed appropriate for any treatment and care of the patient;*

*(b) Limit the sharing of patient information, in whatever form, between an optometrist, osteopath, or physician; or*

*(c) Apply beyond ocular health and eye care."*
