17 existing resources and to encourage shared planning.

18 (b) ~~[In addition to the four (4) days required under paragraph (a) of this~~
19 ~~subsection, a minimum of two (2) hours of self-study review of suicide~~

27 the minimum one hundred eighty-five (185) days that a teacher shall be

1 employed.

2 1. A flexible schedule option shall be reflected in the school's professional

12 or the administrator's individual growth plan. The supervisor shall give
13 prior approval and shall monitor compliance with the requirements of
14 this paragraph. In the case of teachers, a professional development
15 committee or the school council by council policy may be responsible
16 for reviewing requests for approval.

18 (4) days of the minimum school term for holidays; provided, however, any
19 holiday which occurs on Saturday may be observed on the preceding Friday.

20 ~~(d)~~~~(e)~~ Each local board may use two (2) days for planning activities without
21 the presence of students.

22 ~~(e)~~~~(f)~~ Each local board may close schools for the number of days deemed

25 President of the United States or the Governor of the Commonwealth of
26 Kentucky;

27 2. Local emergency which would endanger the health or safety of children;

1 and

2 3. Mourning when so designated by the local board of education and
3 approved by the Kentucky Board of Education upon recommendation of

8 described in subsection (3)~~(e)~~~~(f)~~2. of this section, and regulations setting
9 forth the guidelines and procedures to be observed for the approval of waivers
10 from the requirements of a student instructional year in subsection (1)(f) of
11 this section for districts that wish to adopt innovative instructional calendars,
12 or for circumstances that would create extreme hardship.

13 (b) If a local board of education amends its school calendar after its adoption due
14 to an emergency, it may lengthen or shorten any remaining student attendance
15 days by thirty (30) minutes or more, as it deems necessary, provided the
16 amended calendar complies with the requirements of a student instructional
17 year in subsection (1)(f) of this section or a variable student instructional year
18 in subsection (1)(h) of this section. No student attendance day shall contain
19 more than seven (7) hours of instructional time unless the district submitted

23 consecutive days for the purpose of permitting professional school
24 employees to attend statewide professional meetings.

25 2. These two (2) days for statewide professional meetings may be
26 scheduled to begin with the first Thursday after Easter, or upon request
27 of the statewide professional education association having the largest

- 1 paid membership, the commissioner of education may designate
2 alternate dates.
- 3 3. If schools are scheduled to operate during days designated for the
4 statewide professional meeting, the school district shall permit
5 employees who are delegates to attend as compensated professional
6 leave time and shall employ substitute teachers in their absence.
- 7 4. The commissioner of education shall designate one (1) additional day
8 during the school year when schools may be closed to permit
9 professional school employees to participate in regional or district
10 professional meetings.
- 11 5. These three (3) days so designated for attendance at professional
12 meetings may be counted as a part of the minimum school term.
- 13 (b) 1. If any school in a district is used as a polling place, the school district
14 shall be closed on the day of the election, and those days may be used
15 for professional development activities, professional meetings, or
16 parent-teacher conferences.
- 17 2. A district may be open on the day of an election if no school in the
18 district is used as a polling place.
- 19 (c) All schools shall be closed on the third Monday of January in observance of
20 the birthday of Martin Luther King, Jr. Districts may:
- 21 1. Designate the day as one (1) of the four (4) holidays permitted under
22 subsection (3)~~(c)~~~~(d)~~ of this section; or
- 23 2. Not include the day in the minimum school term specified in subsection
24 (1) of this section.
- 25 (6) (a) The Kentucky Board of Education, or the organization or agency designated
26 by the board to manage interscholastic athletics, shall be encouraged to
27 schedule athletic competitions outside the regularly scheduled student

1 attendance day.

2 (b) Beginning with the 2009-2010 school year, any member of a school-
3 sponsored interscholastic athletic team who competes in a regional
4 tournament or state tournament sanctioned by the Kentucky Board of
5 Education, or the organization or agency designated by the board to manage
6 interscholastic athletics, and occurring on a regularly scheduled student
7 attendance day may be counted present at school on the date or dates of the
8 competition, as determined by local board policy, for a maximum of two (2)
9 days per student per year. The student shall be expected to complete any
10 assignments missed on the date or dates of the competition.

11 (c) The school attendance record of any student for whom paragraph (b) of this
12 subsection applies shall indicate that the student was in attendance on the date
13 or dates of competition.

14 (7) Students applying for excused absence for attendance at the Kentucky State Fair
15 shall be granted one (1) day of excused absence.

16 (8) Schools shall provide continuing education for those students who are determined
17 to need additional time to achieve the outcomes defined in KRS 158.6451, and
18 schools shall not be limited to the minimum school term in providing this
19 education. Continuing education time may include extended days, extended weeks,
20 or extended years. A local board of education may adopt a policy requiring its
21 students to participate in continuing education. The local policy shall set out the
22 conditions under which attendance will be required and any exceptions which are
23 provided. The Kentucky Board of Education shall promulgate administrative
24 regulations establishing criteria for the allotment of grants to local school districts
25 and shall include criteria by which the commissioner of education may approve a
26 district's request for a waiver to use an alternative service delivery option, including
27 providing services during the student attendance day on a limited basis. These

1 grants shall be allotted to school districts to provide instructional programs for
2 pupils who are identified as needing additional time to achieve the outcomes
3 defined in KRS 158.6451. A school district that has a school operating a model
4 early reading program under KRS 158.792 may use a portion of its grant money as
5 part of the matching funds to provide individualized or small group reading
6 instruction to qualified students outside of the regular classroom during the student
7 attendance day.

8 (9) Notwithstanding any other statute, each school term shall include no less than the
9 equivalent of the student instructional year in subsection (1)(f) of this section, or a
10 variable student instructional year in subsection (1)(h) of this section, except that
11 the commissioner of education may grant up to the equivalent of ten (10) student
12 attendance days for school districts that have an alternative instruction plan
13 approved by the commissioner of education for the use of alternative methods of
14 instruction, including virtual learning, on days when the school district is closed for
15 health or safety reasons, on nontraditional days, or on nontraditional time. The
16 district's plan shall demonstrate how teaching and learning in the district will not be
17 negatively impacted. Average daily attendance for purposes of Support Education
18 Excellence in Kentucky program funding during the student attendance days
19 granted shall be calculated in compliance with administrative regulations
20 promulgated by the Kentucky Board of Education.

21 (10) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection
22 (2) of this section, a school district shall arrange bus schedules so that all buses
23 arrive in sufficient time to provide breakfast prior to the beginning of the student
24 attendance day. In the event of an unforeseen bus delay, the administrator of a
25 school that participates in the Federal School Breakfast Program may authorize up
26 to fifteen (15) minutes of the student attendance day if necessary to provide the
27 opportunity for children to eat breakfast not to exceed eight (8) times during the

1 school year within a school building.

3 apply to a school district that misses student attendance days due to emergencies,
4 including weather-related emergencies:

5 (a) A certified school employee shall be considered to have fulfilled the minimum
6 one hundred eighty-five (185) day contract with a school district under KRS
7 157.350 and shall be given credit for the purpose of calculating service credit

11 professional days, professional development days, holidays, and days for
12 planning activities without the presence of students; and

13 2. The provisions of the district's school calendar to make up student
14 attendance days missed due to any emergency, as approved by the
15 Kentucky Department of Education when required, including but not
16 limited to a provision for additional instructional time per day, are met.

17 (b) Additional time worked by a classified school employee shall be considered as
18 equivalent time to be applied toward the employee's contract and calculation
19 of service credit for classified employees under KRS 78.615 if:

20 1. The employee works for a school district with a school calendar
21 approved by the Kentucky Department of Education that contains a
22 provision that additional instructional time per day shall be used to make
23 up full days missed due to an emergency;

24 2. The employee's contract requires a minimum six (6) hour work day; and

25 3. The employee's job responsibilities and work day are extended when the
26 instructional time is extended for the purposes of making up time.

27 (c) Classified employees who are regularly scheduled to work less than six (6)

1 hours per day and who do not have additional work responsibilities as a result
2 of lengthened student attendance days shall be excluded from the provisions
3 of this subsection. These employees may be assigned additional work
4 responsibilities to make up service credit under KRS 78.615 that would be
5 lost due to lengthened student attendance days.
