of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan.

(b) 1. For a member who begins participating in the Legislators' Retirement Plan prior to January 1, 2014, the election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530.

2. a. For members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014, the General Assembly reserves the right to amend, suspend, or reduce the benefits and rights provided under KRS 6.500 to 6.577 if, in its judgment, the welfare of the Commonwealth so demands, except that the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall not be affected.

b. For purposes of this subparagraph, the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall be limited to the accumulated account balance the member has accrued at the time of amendment, suspension, or reduction.

c. The provisions of this subsection shall not be construed to limit the General Assembly's authority to change any other benefit or right specified by KRS 6.500 to 6.577, for members who begin participating in

the Legislators' Retirement Plan on or after January 1, 2014, except the benefits specified by subparagraph 2.b. of this paragraph.

3. The provisions of this paragraph shall not be construed to limit the General Assembly's authority to amend, reduce, or suspend the benefits and rights of members of the Legislators' Retirement Plan as provided by KRS 6.500 to 6.577 that the General Assembly had the authority to amend, reduce, or suspend, prior to July 1, 2013.

(c) An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(d) Notwithstanding the provisions of this subsection:

1. A legislator who becomes a member of the Legislators' Retirement Plan on or after September 1, 2008, but prior to January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his monthly creditable compensation, as defined in KRS 61.510(13).

2. A legislator who becomes a member of the Legislators' Retirement Plan on or after January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), of which:

a. Five percent (5%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used to provide funding for benefits provided under KRS 21.402; and

b. One percent (1%) of his or her monthly creditable compensation, as

defined in KRS 61.510(13), shall be used exclusively to help fund retiree health benefits as provided by KRS 6.577 and shall not be refunded to the member if the member withdraws his or her accumulated account balance as provided by KRS 21.460. The amounts deducted under this subdivision shall be credited to an account established pursuant to 26 U.S.C. sec. 401(h), within the fund established by KRS 6.530.

- (2) A legislator entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 6.500 to 6.577.
- (3) When any legislator makes a delayed election of membership in the Legislators' Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service. However, any credit he then has in the Kentucky Employees Retirement System,

earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Legislators' Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.

(4) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(5) When any legislator elects membership in the Legislators' Retirement Plan in

accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.

- (6) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552. Service purchased under this subsection on or after January 1, 2014, shall not be used to

determine the member's participation date in the Legislators' Retirement Plan.

➔SECTION 2. KRS 6.518 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) For purposes of this section, "bona fide promotion or career advancement":

(a) Means a professional advancement in substantially the same line of work held by the member in the four (4) years immediately prior to the final five (5) annual years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the member that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and

(b) Does not include any circumstance in which a legislator participating in the Legislators' Retirement Plan takes a position of employment with an employer participating in any of the other state-administered retirement systems.

(2) (a) For members retiring on or after January 1, 2018, the plan shall, for each of the retiring member's last five (5) annual years of service in the General Assembly or with any employer participating in any of the state-administered retirement systems, identify any annual year in which the creditable compensation used to calculate benefits in the Legislators' Retirement Plan increased at a rate of ten percent (10%) or more annually over the immediately preceding annual year's creditable compensation.

(b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for an annual year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the member's creditable compensation from the immediately preceding annual year shall not be included in the creditable compensation used to calculate the

# Unofficial Document

- member's monthly pension benefits. If the creditable compensation for a specific annual year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring member's monthly pension benefits, then no reduction in creditable compensation shall occur for that annual year. Reductions to creditable compensation as provided by this paragraph shall include any creditable compensation used to calculate the retiring member's benefits, including creditable compensation earned in another state-administered retirement system.
- (c) If the creditable compensation of the retiring member is reduced as provided by paragraph (b) of this subsection, the retirement system shall, notwithstanding KRS 21.460 and as applicable, refund the member contributions attributable to the reduction in creditable compensation.
- (3) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring member on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring member prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.
- (4) Subsections (2) and (3) of this section shall not apply to increases that are the direct result of a bona fide promotion or career advancement.
- (5) The Judicial Form Retirement System board of trustees shall determine whether increases in creditable compensation during the last five (5) annual years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to

implement this section.

(6) This section shall not apply to employees participating in the hybrid cash balance plan as provided by KRS 21.402.

➔SECTION 3. KRS 6.520 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the three (3) years during which the member had the highest creditable legislative compensation.
- (2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.
- (3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982, that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of

years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the three (3) years during which the member had the highest creditable legislative compensation.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982 but prior to January 1, 2014, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the three (3) years during which the member had the highest creditable legislative compensation.

Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a), except that the salary used to determine final compensation, if applicable, shall be based on the creditable compensation in KRS 61.510(13) for service while a member of the General Assembly whether or not a member of the Legislators' Retirement Plan.

(b) For members contributing on or after June 20, 2005 but prior to January 1, 2014:

Upon retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits as provided in KRS 61.680(2)(a) and in the same manner as for the other retirement systems using the highest salary regardless of the system in which it was earned. For purposes of this paragraph, "retirement" means the month in which the member elects to begin receiving benefits or benefits become payable due to the member's death.

(c) A member who has an account in the Legislators' Retirement Plan and the Judicial Retirement Plan may combine his service in both plans for purposes of determining:

(e) For the purposes of this section, any reference in the KRS sections listed above to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.

(3) Any other statute to the contrary notwithstanding, a member of any state-administered retirement system who has ceased to qualify for membership but subsequently returns to a qualified status, shall, for the purposes of determining the date of entry into the state-administered retirement system for the subsequent period or periods of service, be deemed to have never left the retirement system.

➔SECTION 5. KRS 21.360 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

January 1, 2014, which shall be used to fund benefits as follows:

- b. One percent (1%) of the monthly official salary to be used exclusively to help fund retiree health benefits as provided by KRS 21.427 and which shall not be refunded to the member if the member withdraws his or her accumulated account balance as provided by KRS 21.460. The deducted amounts under this subdivision shall be credited to an account established pursuant to 26 U.S.C. sec. 401(h), within the fund established by KRS 21.347.

(b) The election shall be effective to establish membership in the system as of July 1, 1978, or as of the date the judge or justice took office, as the case may be. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet, and shall constitute an authorization by the member, to the secretary, to thereafter cause to be deducted from the member's official salary, each month, the amount required by paragraph (a) of this subsection, as a voluntary contribution by the member towards the funding of the retirement system. For a member who began contributing to the Judicial Retirement Plan prior to January 1, 2014, the contribution shall continue until the judge or justice is vested in a service retirement allowance equal to one hundred percent (100%) of final compensation. Thereafter employee contributions shall be discontinued but continued service and retirement benefits shall not be affected thereby.

(2) A judge or justice entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office in 1980 or who elected membership in the Kentucky Employees Retirement System may elect membership not

later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 21.350 to 21.510.

- (3) (a) When any judge makes a delayed election of membership in the Judicial Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Judicial Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a judge, which he then has or which he subsequently regains while being an active member of the Judicial Retirement Plan, shall be transferred to and counted as service credit in the Judicial Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system, if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service.
- (b) Any credit he then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a judge, shall not be affected. Notwithstanding any provisions of KRS 61.680 to the contrary, final compensation used to determine benefits for any service credit remaining in the Kentucky Employees Retirement System shall be based on the highest years of compensation as a judge whether the years occur before or after the judge elects membership in the Judicial Retirement Plan.
- (c) No person may attain credit in more than one (1) of the retirement plans or systems

# Unofficial Document

mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Judicial Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Judicial Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially-assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.

- (4) Membership and benefit rights for judges and justices (other than Judges of the District Court), and for the commissioners and administrative director, who took office prior to July 1, 1978, shall be dependent upon valid elections having been made under this section (and KRS 21.355 and 21.365) prior to the 1978 amendment to this section. The terms of such elections, including the contribution rate, shall continue to govern for the duration of the member's service.
- (5) When any Judge of the District Court in office on July 1, 1978, elects membership in the Judicial Retirement System in accordance with this section, his membership in the Kentucky Employees Retirement System shall terminate as of July 1, 1978, and any credit in that system he earned for service as a Judge of the District Court shall be nullified; provided that the effect of such service to validate any other service credit in that system shall not be nullified.
- (6) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee

contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 21.345 to 21.570 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(7) An election once made under this section, either to participate or not to participate in the Judicial Retirement Plan, shall be considered to apply, to all future service in any office covered by the plan, whether such service is in the same or a different office, and whether or not it is continuous.

- (1) In a situation in which, by reason of federal tax law, the failure to commence the payment of retirement benefits to a vested member of the Kentucky Judicial Retirement

Notwithstanding the provisions of KRS 21.360 and 61.680, a member who began participating in the Judicial Retirement Plan prior to January 1, 2014, may, at his option, continue to be a participating member of the plan thereafter until he retires, or, may elect to cease to be a participating member of the plan, in which latter event he shall not be required to become a participating member of the Kentucky Employees Retirement System.

- (b) If the Internal Revenue Service denies the request for a private letter ruling as provided by paragraph (a) of this subsection, this section shall be void.

2. Seventy-five percent (75%) of the plan's geometric average net investment return in excess of a four percent (4%) rate of return.

Service purchased under this subsection on or after January 1, 2014, shall not be used to determine the member's participation date in the Judicial Retirement Plan.
- (5) If the taking of a refund of contributions by a member of the Kentucky Judicial Retirement Plan, when first entitled thereto, would subject the member to a federal excise tax, by reason of the refund's being made before the member has reached an age

designated by the federal taxing act, and the member has elected, pursuant to subsection (2) of this section, to defer taking a refund, so much of the contributions as would have been subject to the excise tax shall accrue interest at the rate of six percent (6%) per annum, from the date the member first could have taken a refund until the date the refund is taken or the date as of which the federal excise tax no longer would apply to a refund, whichever is sooner, the interest to be paid by the plan at the time of the refund. (b) For purposes of this subsection, the amount of benefits the member has accrued at

The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder.
- (b) For purposes of this subsection, "grandfathered service" means service purchases for which a member, whose membership date in the system is prior to July 1, 1999, is eligible to purchase under KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, that were available for all members of the system to purchase on August 5, 1997.

2. Multiple service purchases may be combined under a single installment agreement, except that no employee may make more than one (1) installment purchase at the same time.
3. For after-tax installment purchase of service agreements, the employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal or a portion of the remaining principal.
4. Before-tax installment purchase of service agreements shall be irrevocable, and the employee shall not be able to stop installment payments or to pay off the remaining balance of the purchase of service agreement, except upon termination of employment or death.
5. One (1) year of installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.
6. 7. The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
8. If the employee utilizing an installment purchase of service agreement dies, retires, does not continue employment in a position required to participate in the retirement system, or elects to stop an after-tax installment purchase of service agreement, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal or a portion of the remaining principal of the installment purchase of service agreement by lump sum, subject to the restrictions of paragraph (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of this subsection, except that payment by the member shall be filed with the system prior to the member's effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased, except as provided by subsection (22) of this section.
9. If the employer does not report installment payments on an employee for sixty (60) days for an after-tax installment purchase of service agreement, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the

10. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

11. If payments have ceased under subparagraph 8. or 9. of this paragraph and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments, subject to the restrictions of this subsection. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection.

(d) Except as provided by paragraph (a)2.a. of this subsection, the cost of purchasing service shall not be picked up, as described in KRS 16.545(4), 61.560(4), or 78.610(4), by the employer.

(e) The cost of purchasing service credit under any provision of this section, except as provided by subsections (1) and (20) of this section, shall be determined by the delayed contribution method as provided by KRS 61.5525.

(f) Member payments, including interest, properly received pursuant to this subsection shall be deposited to the member's account and considered as accumulated contributions of the individual member.

The credit from a Kentucky institution of higher education, the Council on Postsecondary Education, or the Higher Education Assistance Authority shall not be used toward the minimum fifteen (15) years of current service required by KRS 61.559(2)(c) and (d) or to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(c) A member of the Kentucky Employees Retirement System or the County Employees Retirement System who begins participating on or after September 1, 2008, may retire with no reduction in benefits if the member is fifty-seven (57) years of age or older and has an age and years of service total of at least eighty-seven (87) years. (3) Subsections (1) and (2) of this section shall not apply to members who begin participating in the system on or after January 1, 2014. Members who begin participating in the system on or after January 1, 2014, shall receive the retirement benefits prescribed by KRS 61.597.

Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.
- (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if

any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment.

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691; and
5. Any retired member who was reemployed prior to March 26, 1974, shall begin

- (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.

- (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. (9) If the retired member is under a contract, the member shall submit a copy of that contract to the retirement system, and the retirement system shall determine if the member is an independent contractor for purposes of retirement benefits. The retired member and the participating employer shall submit the information required or requested by the systems to confirm the individual's employment or volunteer status.

(10) If a member is receiving a retirement allowance, or has filed the forms required for a

retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began;

161.623(2), shall be consolidated for the purpose of determining eligibility and amount of benefits, including those members who participate in the hybrid cash balance plan within the Kentucky Employees Retirement System, the County Employees Retirement System, and the State Police Retirement System on or after January 1, 2014;

2. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for twenty-seven (27) year retirement for an employee who begins participating before September 1, 2008, but not the amount of benefits;
3. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation, excluding compensation earned under KRS 161.155(10), shall be determined as if all service were in one (1) system;
4. If the member has prior service in more than one (1) system administered by Kentucky Retirement Systems, he shall obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate the prior service in each system for purposes of determining consolidated benefits under this subsection; and
5. Upon the determination of benefits, each system shall pay the applicable amount of benefits due the member.

(b) The provisions of paragraph (a) of this subsection shall be waived if the member:

1. Notifies the system of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System,

or County Employees Retirement System; or

2. Fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky Retirement Systems within one (1) month of the member's effective retirement date in the systems administered by Kentucky Retirement Systems.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in the system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) (a) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked-up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership.

(b) Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in the plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have

service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System.

(c) A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems or Kentucky Teachers' Retirement System shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days

after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(5).

(5) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up the employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of the transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to

determine eligibility under KRS 61.510(21).

- (7) (a) Notwithstanding the provisions of subsection (2) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, except that total service in all systems, unless prohibited by KRS 161.623(2), shall be used to determine the reduction for early retirement, if any. Except as provided in KRS 21.360, the final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.
- (b) Paragraph (a) of this subsection shall be waived if the member fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky Retirement Systems within one (1) month of the member's effective

(8) Each retirement system from which the member retires shall pay a retirement allowance upon receipt of required forms and documents, except that no retirement system shall pay a retirement allowance or annuity until all forms and documents are filed at all retirement systems in compliance with each system's requirements.

➔SECTION 30. KRS 61.702 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (b) The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status, except as provided in subsection (8) of this section. Notwithstanding the provisions of any other statute, recipients shall be included in the same class as current state employees in determining medical insurance policies and premiums.
- (c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (7) of this section.

(d) Notwithstanding anything in KRS Chapter 61 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving contributions and premiums from, and providing benefits pursuant to this section to, persons entitled to continuation coverage under 42 U.S.C. secs. 300bb-1 et seq., regardless of whether such persons are recipients of a retirement allowance.

(2) (a) Each employer participating in the State Police Retirement System as provided for in KRS 16.505 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance trust fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.

(b) 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member having a membership date on or after September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520.

2. The employer shall file the contributions as provided by subparagraph 1. of this paragraph at the retirement office in accordance with KRS 61.675 and 78.625. Any interest or penalties paid on any delinquent contributions shall

Notwithstanding any minimum compensation requirements provided by law, the deductions provided by this paragraph shall be made, and the compensation of the member shall be reduced accordingly.

4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(1) or 61.552(20), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not

- act as a reduction or offset to any other contribution required of a member or recipient under KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852.
5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 through the use of separate accounts.

If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall pay the balance, not to exceed the monthly contribution; or

The percentage of the monthly contribution paid for the spouse and each dependent child of a recipient who was in a hazardous position shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.
- (c) The insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, KRS 61.515, and 78.520 shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 provides coverage

The General Assembly reserves the right to suspend or reduce the benefits conferred in this subsection if in its judgment the welfare of the Commonwealth so demands.

(f) An employee whose membership date is on or after September 1, 2008, who retires and is reemployed in a regular full-time position required to participate in one (1) of the systems administered by Kentucky Retirement Systems shall not be eligible for health insurance coverage or benefits provided by this section and shall take coverage with his or her employing agency during the period of reemployment in a regular full-time position.

➔SECTION 44. KRS 161.155 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) As used in this section:

- (a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;
- (b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;
- (c) "Immediate family" shall mean the teacher's or employee's spouse, children including stepchildren and foster children, grandchildren, daughters-in-law and sons-in law, brothers and sisters, parents and spouse's parents, and grandparents and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's or employee's home;
- (d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers or employees for use by teachers or employees who have exhausted all sick leave and other available paid leave days; and

(2) Each district board of education shall allow to each teacher and full-time employee in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher or employee if he or

she presents a personal affidavit or a certificate of a physician stating that the teacher or employee was ill, that the teacher or employee was absent for the purpose of attending to a member of his or her immediate family who was ill, or for the purpose of mourning a member of his or her immediate family. The ten (10) days of sick leave granted in this subsection may be taken by a teacher or employee on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher or employee under the provisions of subsection (4) of this section.

(3) A school district shall coordinate among the income and benefits from workers' compensation, temporary disability retirement, and district payroll and benefits so that there is no loss of income or benefits to a teacher or employee for work time lost because of an assault while performing the teacher's or employee's assigned duties for a period of up to one (1) year after the assault. In the event a teacher or employee suffers an assault while performing his or her assigned duties that results in injuries that qualify the teacher or employee for workers' compensation benefits, the district shall provide leave to the teacher or employee for up to one (1) year after the assault with no loss of income or benefits under the following conditions:

(a) The district shall pay the salary of the teacher or employee between the time of the assault and the time the teacher's or employee's workers' compensation income benefits take effect, or the time the teacher or employee is certified to return to work by a physician or surgeon duly qualified under KRS Chapter 342, whichever is sooner;

(b) The district shall pay, for up to one (1) year from the time of the assault, the difference between the salary of the teacher or employee and any workers' compensation income benefits received by the teacher or employee resulting from the assault. (5) Accumulated days of sick leave shall be granted to a teacher or employee if, prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher or employee is unable to commence his or her duties on the opening day of the school year, but will be able to assume his or her duties within a period of time that the board determines to be reasonable.

(6) Any school teacher or employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.

The plan may include limitations upon the number of days a teacher or employee may annually contribute to the bank and limitations upon the number of days a teacher or employee may annually draw from the bank. Only those teachers or employees who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher or employee. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.

(8) (a) A district board of education shall establish a sick leave donation program to permit teachers or employees to voluntarily contribute sick leave to teachers or employees in the same school district who are in need of an extended absence from school. A teacher or employee who has accrued more than fifteen (15) days' sick leave may request the board of education to transfer a designated amount of sick

- leave to another teacher or employee who is authorized to receive the sick leave donated. A teacher or employee may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.
- (b) A teacher or employee may receive donations of sick leave if:
1. a. The teacher or employee or a member of his or her immediate family suffers from a medically certified illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the teacher or employee to be absent for at least ten (10) days; or
  - b. The teacher or employee suffers from a catastrophic loss to his or her personal or real property, due to either a natural disaster or fire, that either has caused or will likely cause the employee to be absent for at least ten (10) consecutive working days;

  3. The teacher or employee has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and
  4. The teacher or employee has complied with the school district's policies governing the use of sick leave.
- (c) While a teacher or employee is on sick leave provided by this section, he or she shall be considered a school district employee, and his or her salary, wages, and other employee benefits shall not be affected.
- (d) Any sick leave that remains unused, is not needed by a teacher or employee, and will not be needed in the future shall be returned to the teacher or employee donating the sick leave.

- (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (9) A teacher or employee may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
- (10) (a) After July 1, 1982, a district board of education may compensate, at the time of retirement or upon the death of a member in active contributing status at the time of death who was eligible to retire by reason of service, an employee or a teacher, or the estate of an employee or teacher, for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service for inclusion in the calculation of the employee's or teacher's retirement allowance only at the time of his or her initial retirement; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- (b) For a teacher or employee who begins employment with a local school district on or after July 1, 2008, the maximum amount of unused sick leave days a district board of education may recognize in calculating the payment of compensation to the teacher or employee under this subsection shall not exceed three hundred (300) days.
- (11) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the

Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. This credit shall be for the purposes set forth in subsection (10) of this section.

- (d) On the basis of the results of the valuations, the board of trustees shall make necessary changes in the retirement system within the provisions of law and shall recommend the contributions payable by the state within the limits specified in KRS 161.550.
- (e) For any change in actuarial assumptions, funding methods, retiree health insurance premiums and subsidies, or any other decisions made by the board that impact system liabilities and actuarially recommended contribution rates for employers and that are not made in conjunction with the actuarial investigation required by paragraph (b) of this subsection, an actuarial analysis shall be completed showing the projected impact of the changes on funding levels, unfunded liabilities, and actuarially recommended contribution rates for employers over a twenty (20) year period.
- (2) Actuarial factors and actuarial cost factor tables in use by the retirement system for all purposes shall be determined by the actuary of the retirement system and approved by the board of trustees by resolution and implemented without the necessity of an administrative regulation. The assets of the system shall be valued at market value, or at a modified market value determined by the board to be a prudent measure of asset value.
- (3) A copy of each five (5) year actuarial investigation, actuarial analysis, and valuation required by subsection (1) of this section shall be forwarded electronically to the Legislative Research Commission no later than ten (10) days after receipt by the board, and the Legislative Research Commission shall distribute the information received to the committee staff and co-chairs of any committee that has jurisdiction over the Kentucky Teachers' Retirement System. The actuarial valuation required by subsection (1)(c) of

this section shall be submitted no later than November 15 following the close of the fiscal year.

➔SECTION 47. KRS 161.420 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

All of the assets of the retirement system are for the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system. The board of trustees shall be the trustee of all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment, or repeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

- (1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the dividends and interest income earned from investments during the immediate past fiscal year shall be set aside into the expense fund or expended for the administration of the retirement system;
- (2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. A member may not borrow any amount of his or her accumulated contributions to this fund, or any interest earned thereon. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim these contributions shall be transferred from the teachers' savings fund to the guarantee fund. The accumulated contributions of a member shall be transferred from

the teachers' savings fund to the allowance reserve fund in the event of retirement by reason of service or disability;

(3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities and survivor benefits, including any sums appropriated for meeting unfunded liabilities, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520 and 161.525;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520 and 161.525. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member;

(5) (a) The medical insurance fund, which is an account established according to 26 U.S.C. sec. 401(h), shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675, including:

1. For individuals who become members before July 1, 2008, one and one-half percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. Of this amount, three-quarters of a percent (0.75%) shall derive from member contributions as provided by KRS 161.540 and three-quarters of a percent (0.75%) from a state appropriation;

2. For individuals who become members on or after July 1, 2008, two and one-

# Unofficial Document

half percent (2.5%) of the gross annual payroll of all members shall be deposited to this fund. Of this amount, one and three-quarters percent (1.75%) shall derive from member contributions as provided by KRS 161.540 and three-quarters of a percent (0.75%) from a state appropriation;

3. Effective July 1, 2010, the member contributions required under KRS 161.540(1)(c);

4. Effective July 1, 2010, local board of education, agency, and organization contributions required under KRS 161.550(3), unless the board of trustees establishes a trust fund under 26 U.S.C. sec. 115 for health care purposes, in which case the board may direct those contributions to that trust fund;

5. Employer medical insurance fund stabilization contributions as set forth in KRS 161.550, unless the contributions are made to a trust fund under 26 U.S.C. sec. 115 established by the board for this purpose; and

6. Interest income from the investments of the fund from contributions received by the fund under subparagraphs 1. to 5. of this paragraph, and from income earned on those investments.

(b) All claims for benefits under KRS 161.675 shall be paid from this fund or from any trust fund under 26 U.S.C. sec. 115 as established by the board for this purpose. Any amounts deposited to the fund that are not required to meet current costs shall be maintained as a reserve in the fund for these benefits. The board shall take the necessary and appropriate steps, including promulgating administrative regulations and procedures to maintain the status of the medical insurance fund as an account subject to 26 U.S.C. sec. 401(h);

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses

directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept and expend without limitation in a manner either expressed by the donor or deemed to be in the best interest of the membership, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund;

(7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of Section 403(b) of the Internal Revenue Code by a retired member of the Teachers' Retirement System with accounts that existed on or after July 1, 1996. The contributions shall not be picked up as provided in KRS 161.540(2). Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to manage this program;

(8) The supplemental retirement benefit fund shall consist of those funds contributed by the employer for the purpose of constituting a qualified government excess benefit plan as described in Section 415 of the Internal Revenue Code for accounts that existed on or after July 1, 1996. The board of trustees shall promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program; and

(9) The life insurance benefit fund shall consist of amounts accumulated for the purpose of providing benefits provided under KRS 161.655. The board of trustees may allocate to this fund a percentage of the employer and state contributions as provided under KRS 161.550. The allocation to this fund will be in an amount that the actuary determines necessary to fund the obligation of providing the benefits provided under KRS 161.655.

➔SECTION 48. KRS 161.460 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

No trustee or employee of the board of trustees shall:

- (1) Have any interest, direct or indirect, in the gain or profits of any investment or transaction made by the board;
- (2) Directly or indirectly for himself or as an agent for another, use any of the assets of the retirement system in any manner except to make current and necessary payments authorized by the board;
- (3) Become an endorser, surety, or obligor for moneys loaned to or borrowed from the board;
- (4) Have a contract or agreement with the retirement system, individually or through a business owned by the trustee or the employee;
- (5) Use his or her official position with the retirement system to obtain a financial gain or benefit or advantage for himself or herself or a family member;
- (6) Use confidential information acquired during his or her tenure with the retirement system to further his or her own economic interests or that of another person; or
- (7) Hold outside employment with, or accept compensation from, any person or business with which he or she has involvement as part of his or her official position with the retirement system. The provisions of this subsection shall not prohibit a trustee from serving as an employee of an agency participating in the Kentucky Teachers' Retirement

System.

➔SECTION 49. KRS 161.470 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) The membership of the retirement system shall consist of all new members, all present teachers, and all persons participating under the retirement system as of June 30, 1986, except as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29. The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership.
- (2) Service credit shall be forfeited upon withdrawal. If a member again enters service it shall be as a new member, except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and reestablish his service credit as provided in subsection (3) of this section.
- (3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit.
- (4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.
- (5) Membership in the retirement system shall be terminated:

- (a) By retirement for service;
- (b) By death;
- (c) By withdrawal of the member's accumulated contributions;
- (d) When a member, having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years; or
- (e) For persons hired on or after August 1, 2000, when a member is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment as provided in subparagraphs 1. and 2. of this paragraph.

1. Notwithstanding any provision of law to the contrary, a member hired on or after August 1, 2000, who is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment shall forfeit rights and benefits earned under the retirement system, except for the return of his accumulated contributions and interest credited on those contributions.
2. The payment of retirement benefits ordered forfeited shall be stayed pending any appeal of the conviction. If the conviction is reversed on final judgment, no retirement benefits shall be forfeited.

Except for paragraph (e) of this subsection, upon termination of member accounts under this subsection, funds in the account shall be transferred to the guarantee fund. Inactive members may apply for refunds of these funds at any time. The terminated service shall be reinstated, if not withdrawn by the member, in the event that the member returns to active contributing service.

- (6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the member return all of his accumulated contributions with regular interest, including any payments made by the member to the state accumulation fund, but the member shall have no claim on any contributions made by the state with a view

to his retirement or to contributions made to the medical insurance fund. If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for Social Security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form. A member may not withdraw any part of his or her contributions to the retirement system except as provided by this subsection.

(7) Except as provided in KRS 161.520 and 161.525, in case of death prior to retirement, the board of trustees shall pay to the estate of the deceased member, unless a beneficiary was otherwise applicably designated by the deceased member, then to the beneficiary, all of his accumulated contributions, with regular interest, including any payments made by the member to the state accumulation fund, but the estate or beneficiary shall have no claim on any contributions made by the state with a view to the retirement of the member or to contributions made to the medical insurance fund.

(8) Any active contributing member of the Kentucky Employees Retirement System, the County Employees Retirement System, the State Police Retirement System, or the Judicial Retirement System may use service, under that retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

➔SECTION 50. KRS 161.480 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Each person, upon becoming a member of the retirement system, shall file a detailed statement as required by the board of trustees and shall designate a primary beneficiary or two

(2) or more cobeneficiaries to receive any benefits accruing from the death of the member. A contingent beneficiary may be designated in addition to the primary beneficiary or cobeneficiaries. The member may name more than one (1) contingent beneficiary. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the Kentucky Teachers' Retirement System, except in the event of subsequent marriage or divorce. Subsequent marriage by the member shall void the primary beneficiary and any cobeneficiary designation, even that of a trust, and the spouse of the member at death shall be considered as the primary beneficiary, unless the member subsequent to marriage designates another beneficiary. A final divorce decree shall terminate an ex-spouse's status as either primary beneficiary, cobeneficiary, or contingent beneficiary, unless subsequent to divorce the member redesignates the former spouse as primary beneficiary, cobeneficiary, or contingent beneficiary. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of a member's contributions to the retirement system as provided under KRS 161.470(7). A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. The provisions of this section shall be retroactive as they relate to election of beneficiaries by members still in active status on the effective date of this section. The provisions of this section shall not apply to any account from which a member is drawing a retirement allowance or to the life insurance benefit available under KRS 161.655.

➔SECTION 51. KRS 161.500 IS REPEALED AND REENACTED TO READ AS

FOLLOWS:

- (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.
- (2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.
- (3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.
- (4) No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

➔SECTION 52. KRS 161.507 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the

United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

- (4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall pay to the retirement system the full actuarial cost of the service credit purchased as provided under KRS 161.220(22). These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
- (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.
- (5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the

information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump sum. The member shall pay the full actuarial cost of this service in the military reserves or the National Guard as provided in KRS 161.220(22). Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

➔SECTION 53. KRS 161.515 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position on a full-time basis, which would be covered if in Kentucky.
- (2) (a) An active contributing member who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. All members who elect to purchase this service shall pay to the retirement system the full actuarial cost as provided under KRS 161.220(22). For each year of which the retirement system shall accept payment, one (1) year of service credit shall be given. For members who purchased this service under the cost formula as it existed under this subsection on June 30, 2005, this credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another

# Unofficial Document

retirement system financed wholly or in part by public funds.

- (b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit.
- (c) A member having service referred to in subsection (2)(a) or (2)(b) of this section who purchased this service under the cost formula as it existed under those subsections on June 30, 2005, may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.
- (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.
- (4) A member, having completed service as a volunteer in the Kentucky Peace Corps created

by KRS 154.1-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.

- (5) Service purchased under this section by members who at the time of purchase are employed by employers other than those described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a) and (b), with a retirement factor of two and one-half percent (2.5%) for each year of service that was originally performed on or after July 1, 1983, and two percent (2.0%) for each year of service performed before July 1, 1983. Service purchased under this section by members who at the time of purchase are employed by employers described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a), with a retirement factor of two percent (2.0%) for each year of service, regardless of when the service was performed.

➔SECTION 54. KRS 161.520 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

- (1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:
- (a) One hundred eighty dollars (\$180) per month with no restriction on other income;
  - (b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or

- (c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1). In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life, except as provided in subsection (6) of this section. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision;
- (2) (a) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars (\$200) per month in the case of one (1) child, three hundred forty dollars (\$340) per month in the case of two (2) children, four hundred dollars (\$400) per month in the case of three (3) children, and four hundred forty dollars (\$440) per month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.
- (b) Notwithstanding any provision of law to the contrary, the surviving spouse may elect to receive a lump-sum refund of the member's account in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section only if the surviving spouse is designated as the primary beneficiary and:
1. Is a biological or adoptive parent of all children eligible for a benefit under

- this subsection and has not had his or her parental rights terminated; or
2. Has been appointed as legal guardian of all of the children eligible under paragraph (a) of this subsection.
- (c) To elect a lump-sum refund of the member's account under paragraph (b) of this subsection, the surviving spouse who is designated as the primary beneficiary must sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsection (1) of this section. The surviving spouse shall not waive the survivorship benefits available under this subsection or subsections (1) and (6) of this section if any of the member's children have attained age eighteen (18) or older unless all of those children consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection;
- (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars (\$200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(14). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.
- (b) Notwithstanding any provision of law to the contrary, the surviving spouse shall not elect to receive a lump-sum refund of the member's account in lieu of the

survivorship benefits payable under this subsection and subsection (1) of this section unless:

1. The surviving spouse is designated as the primary beneficiary;
2. The surviving spouse has been appointed by the court as guardian, conservator, or other fiduciary with sufficient general or specific authority to waive the survivorship benefits available under this subsection for any child or children age eighteen (18) or older who have been adjudicated incompetent to make decisions on their own behalf by a court of law; and
3. Any child or children age eighteen (18) or older who are mentally competent to make decisions on their own behalf as attested to by two (2) physicians' statements consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection.

(c) If eligible to elect a lump-sum refund of the member's account, the surviving spouse shall sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsections (1) and (2) of this section;

(4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member;

(5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars (\$165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period;

- (6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent, or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency;
- (7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary;
- (8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable;
- (9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, or in the event that the surviving spouse elects not to receive survivorship benefits on his or her own behalf or on behalf of any of the member's children as permitted under subsections (2) and (3) of this section, the board of trustees shall pay to the estate or the designated beneficiaries of the deceased member a refund of his accumulated contributions as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated contributions at the time of death, the board of trustees

shall pay to the estate or designated beneficiaries of the deceased member the balance of the accumulated contributions;

(10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits; and

(11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a legally adopted survivor at the time of the death of the member. This provision shall be retroactive to include a child who was born after January 1, 1990, and is a legally adopted survivor of a member whose death occurred prior to July 15, 2008.

➔SECTION 55. KRS 161.522 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Upon the death of a member retired for disability who had a minimum of twenty-seven (27) years of service at the time of death, except as provided in KRS 161.661(6), the spouse, if named as the primary beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the annuity that would have been paid to the deceased member had retirement for service been effective on the day immediately preceding the member's death. This option shall be available only during the entitlement period described under KRS 161.661(3) and (4) prior to the recalculation of the member's disability allowance under KRS 161.661(5). In selecting this right, the spouse shall

be limited to selecting an option providing a straight life annuity with refundable balance or a term certain option. There shall be a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members who die on or after July 1, 1984, except that the member shall have been retired for disability with a minimum of thirty (30) years of service if either of these two (2) conditions were met prior to July 1, 1990.

➔SECTION 56. KRS 161.525 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as the primary beneficiary of the member's retirement account, or in the absence of an eligible spouse a legal dependent of the member, if named as the primary beneficiary, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or a term certain option. A spouse may receive the annuity provided by this section at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520; however, a legal dependent, other than a spouse, may not receive these payments if children have qualified for benefits under that section.

(2) A spouse qualifying for an annuity under subsection (1) of this section may defer the

payments in order to reduce the actuarial discounts to be applied due to age.

- (3) Upon death of a member in active contributing status at the time of his death, who had a minimum of twenty-seven (27) years of service, the spouse, if named as the primary beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986.

The picked-up member contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the member contribution, and the picked-up member contribution shall be in lieu of a member contribution. Each employer shall pay these picked-up member contributions from the same source of funds which is used to pay earnings to the member. The member shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Member contributions picked-up after August 1, 1982, shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as member contributions made prior to August 1, 1982.

The cost of purchasing this service shall be calculated by adding both the employer and member contributions that would have been paid to the Kentucky Teachers' Retirement System had the individual purchasing this service participated in the Kentucky Teachers' Retirement System instead of the optional retirement plan, less the amount contributed to the Kentucky Teachers' Retirement System by the postsecondary education institution as provided by KRS 161.569(5), or KRS 161.569(5)(a)2. as it existed on June 30, 2007. (4) The board may publish the summary plan description in the form of a comprehensive pamphlet or booklet, or in the form of periodic newsletters which shall incorporate all the information required in the summary plan description within a period of two (2) years. Any changes in statutory requirements or administrative practices which alter the provisions of the plan as described in the summary plan description shall be summarized as required in subsection (2) of this section and furnished to active contributing members in the form of a supplement to a comprehensive booklet, or reported in the periodic newsletter.

(5) The board shall provide to annuitants so much of the summary plan description as they need to understand changes in benefits which apply to them.

➔SECTION 66. KRS 161.585 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

2. No information shall be disclosed under this paragraph from an account that is paying benefits to a beneficiary due to the death of a member or annuitant.

Retirement System requiring the production of any data, information, or records, it is sufficient if the employee of the Kentucky Teachers' Retirement System charged with the responsibility of being custodian of the original, or his or her designated staff, delivers within five (5) working days by certified mail or by personal delivery to the person specified in the subpoena either of the following:

1. Legible and durable copies of records certified by the employee or designated staff; or
2. An affidavit stating the information required by the subpoena.

(b) The production of records or an affidavit shall be in lieu of any personal testimony of any employee of the Kentucky Teachers' Retirement System unless, after the production of records or an affidavit, a separate subpoena is served upon the retirement system specifically directing the testimony of an employee of the retirement system. When a subpoena is served on any employee of the retirement system requiring the employee to give testimony or produce records for any purpose, in the absence of a court order requiring the testimony of or production of records by a specific employee, the system may designate an employee to give testimony or produce records upon the matter referred to in the subpoena. The board of trustees may promulgate an administrative regulation for the recovery of reasonable travel and administrative expenses for those occasions when an employee of the retirement system is required to travel from his or her home or office to provide testimony or records. Recoverable expenses may include the wages, salary, and overtime paid to the employee by the retirement system for the period of time that the employee is away from the office. The cost of these expenses shall be borne by the party issuing the subpoena compelling the employee's travel. The board of trustees may also promulgate an administrative regulation

- establishing a reasonable fee for the copying, compiling, and mailing of requested records.
- (c) The certification required by this subsection shall be signed before a notary public by the employee and shall include the full name of the member or annuitant, the member or annuitant identification number assigned to the member or annuitant by the retirement system, and a legend substantially to the following effect: "The records are true and complete reproductions of the original, microfiched, or electronically stored records which are housed in the retirement system's office. - (g) Records of the Kentucky Teachers' Retirement System that are susceptible to reproduction may be proved as to foundation, identity, and authenticity without

preliminary testimony, by use of legible and durable copies, certified in accordance with the provisions of this subsection.(h) The provisions of this subsection shall not be construed to prohibit the Kentucky Teachers' Retirement System from asserting any exemption, exception, or relief provided under the Kentucky Rules of Civil Procedure or other applicable law.

(5) For purposes of this section, "records" includes retirement estimates, affidavits, and other documents prepared by the Kentucky Teachers' Retirement System in response to information requested in a lawful subpoena or order issued by a court of law.

➔SECTION 67. KRS 161.590 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) At retirement the total service credited to a teacher shall consist of prior and subsequent service rendered by him for which service credit has been allowed.

(2) Kentucky service, presented at the time of retirement, may not be used in calculating benefits under KRS 161.525, 161.620, or 161.661, if such service has been used to increase benefits in another retirement system, not including Old Age and Survivors Insurance Benefits under the Social Security Administration.

(3) No service credit shall be added to a member's account after the effective date of retirement for service.

➔SECTION 68. KRS 161.595 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) Upon service retirement, a member of the Teachers' Retirement System may obtain credit for all or any part of the service otherwise creditable under the Kentucky Employees Retirement System, the County Employees Retirement System, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of the full actuarial cost of the service credit purchased

as defined in KRS 161.220(22). Such payments shall not be picked up, as described in KRS 161.540(2).

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

➔SECTION 69. KRS 161.600 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) Effective July 1, 1988, a member of the retirement system may qualify for service retirement by meeting one (1) of the following requirements:

(a) Attainment of age sixty (60) years and completion of five (5) years of Kentucky service;

(b) 1. For an individual who becomes a member before July 1, 2008, attainment of age fifty-five (55) years and completion of a minimum of five (5) years of Kentucky service with an actuarial reduction of the basic allowance of five percent (5%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number; and

2. For an individual who becomes a member on or after July 1, 2008, attainment of age fifty-five (55) years and completion of a minimum of ten (10) years of Kentucky service with an actuarial reduction of the basic retirement allowance of six percent (6%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number;

(c) Completion of twenty-seven (27) years of Kentucky service. Out-of-state service

- earned in accordance with the provisions of KRS 161.515(2) may be used to meet this requirement; or
- (d) Completion of the necessary years of service under provisions of KRS 61.559(2)(c) if the member is retiring under the reciprocity provisions of KRS 61.680. A member retiring under this paragraph who has not attained age fifty-five (55) shall incur an actuarial reduction of the basic allowance determined by the system's actuary for each year the member's service credit is less than twenty-seven (27).
- (2) Any person who has been a member in Kentucky for twenty-seven (27) years or more and who withdraws from covered employment may continue to pay into the fund each year until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during the member's last full year in covered employment, less any payment received for accrued sick leave or accrued leave from an employer. The member shall be entitled to receive a retirement allowance as provided in KRS 161.620 at any time after withdrawing from covered employment and payment of contributions under this subsection. No member shall make contributions as provided for in this subsection if the member is at the same time making contributions to another retirement system in Kentucky supported wholly or in part by public funds.
- (3) Service credit in the Kentucky Employees Retirement System, the State Police Retirement System, the Legislators' Retirement Plan, the County Employees Retirement System, or the Judicial Retirement System may be used in meeting the service requirements of subsection (1)(a), (b), and (c) of this section, provided the service is subsequent to July 1, 1956. Upon death, disability, or service retirement, a member's accounts under all state supported retirement systems shall be consolidated, as provided by this section and by KRS 61.680, for the purpose of determining eligibility and amount of benefits, which

shall include medical benefits. Upon determination of benefits, each system shall pay the applicable percentage of total benefits. The effective date of retirement under this subsection shall be determined by each retirement system for the portion of the payments that will be made.

(4) No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with administrative regulations of the board of trustees. A member may withdraw his or her retirement application, postpone his or her effective retirement date, or change his or her retirement option if these elections are made no later than the fifteenth day of the month in which the member has made application for retirement.

(5) The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to the member's death.

➔SECTION 70. KRS 161.605 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Any member retired by reason of service may return to work in a position covered by the Kentucky Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

(1) Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair

market value basis as determined by the retirement system, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Nonqualified service credit purchased under the provisions of KRS 161.5465 or elsewhere with any state-administered retirement system shall not be used to meet the thirty (30) year requirement set forth in this subsection. Out-of state teaching service provided in public schools for kindergarten through grade twelve (12) may count toward the thirty (30) year requirement set forth in this subsection even if it is not purchased as service credit, if the member obtains from his or her out-of-state employer certification of this service on forms prescribed by the retirement system;

(2) Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered;

(3) Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable including but not limited to data provided by the Education Professional Standards Board and the Department of

Education to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall assure that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the superintendent of the school district assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis;

- (4) Under this section, an employer may employ full-time a number of retired members not to exceed three percent (3%) of the membership actively employed full-time by that employer. The board of trustees may reduce this three percent (3%) cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the three percent (3%) cap upon a determination that an increase is warranted to help address a shortage in the number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 161.220(21). A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met. A district's written request to exceed its quota shall be submitted no sooner than two (2) weeks after the start of the school year;

(5) A member returning to work in a full-time or part-time position under subsection (1) or (2) of this section will contribute to an account with the retirement system that will be administered independently from and with no reciprocal impact with the member's original retirement account, or any other account from which the member is eligible to draw a retirement allowance. A member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under KRS 161.540. The new account shall independently meet the five (5) year vesting requirement as well as all other conditions set forth in KRS 161.600(1) before any retirement allowance is payable from this account. The retirement allowance accruing under this new account shall be calculated pursuant to KRS 161.620(1)(b). This new account shall not entitle the member to a duplication of the benefits offered under KRS 161.620(7) or 161.675, nor shall this new account provide the benefits offered by KRS 161.520, 161.525, 161.620(3), 161.655, 161.661, or 161.663. A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the Kentucky Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's initial retirement. A member who returns to work under subsection (1) or (2)

of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by KRS 161.470;

(6) The board of trustees may annually, on July 1, adjust the current daily rate of a member's last annual compensation, for each full twelve (12) month period that has elapsed subsequent to the member earning his or her last annual compensation, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each annual adjustment shall become part of the member's daily rate base. Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations. Notwithstanding any other provision of law to the contrary, a member retiring from a local school district who returns to work for a local school district under subsection (1) or (2) of this section shall be entitled, without any reduction to his or her retirement allowance or any other retirement benefit, to earn a minimum amount equal to one hundred seventy dollars (\$170) per day;

(7) (a) A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis

shall have separated from service for a period of at least three (3) months before returning to work for any employer.

(b) As an alternative to the separation-from-service requirements in paragraph (a) of this subsection, a retired member who is returning to work for the same employer in a full-time position under subsections (1) and (2) of this section may elect a separation-from-service of not less than two (2) months followed by a forfeiture of the retired member's retirement allowance on a month-to-month basis for each month that the member has separated from service for less than twelve (12) full months. A retired member returning to work for the same employer in a part-time position, or for a different employer in a full-time position, may elect an alternative separation-from-service requirement of at least two (2) months followed by a forfeiture of the member's retirement allowance for one (1) month. During the period that the member forfeits his or her retirement allowance and thereafter, member and employer contributions shall be made to the retirement system as a result of employment in any position subject to membership in the retirement system. The member shall contribute to an account with the retirement system subject to the conditions set forth in subsection (5) of this section. For purposes of measuring the separation-from-service requirements set forth throughout this section, a member's separation-from-service begins on the first day following the last day of paid employment for the member prior to retirement.

(c) Failure to comply with the separation-from-service requirements in this subsection voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service;

(8) (a) Effective July 1, 2004, local school districts may employ retired members in full-

- time or part-time teaching or administrative positions without limitation on the compensation of the retired members that is otherwise required by subsections (1) and (2) of this section. Under provisions of this subsection, a local school district may only employ retired members to fill critical shortage positions for which there are no other qualified applicants as determined by the local superintendent. The number of retired members that a local school district may employ under this subsection shall be no more than two (2) members per local school district or one percent (1%) of the total active members employed by the local school district on a full-time basis as defined under KRS 161.220(21), whichever number is greater. Retired members returning to work under this subsection shall be subject to the separation-from-service requirements set forth in subsection (7) of this section. Retired members returning to work under this subsection shall waive their medical insurance coverage with the retirement system during their period of reemployment and receive medical insurance coverage that is offered to other full-time members employed by the local school district. Retired members returning to work under this subsection shall contribute to an account subject to the conditions set forth in subsection (5) of this section. Retired members returning to work under this subsection shall make contributions to the retirement system at the rate provided under KRS 161.540. The employer shall make contributions at the rate provided under KRS 161.550. Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at the rates determined by the retirement system's actuary that reflect any accrued liability resulting from the reemployment of these members.
- (b) The Department of Education may employ retired members in full-time or part-time teaching or nonteaching positions without the limitations on compensation

otherwise required by subsections (1) and (2) of this section to fill critical shortage areas in the schools it operates, including the Kentucky School for the Blind, the Kentucky School for the Deaf, and the Kentucky Virtual High School, and to serve on audit teams. The department shall be subject to the same requirements as local school districts as provided in paragraph (a) of this subsection, except the Kentucky Teachers' Retirement System shall determine the maximum number of employees that may be employed under this paragraph;

(9) The return to work limitations set forth in this section shall apply to retired members who are returning to work in the same position from which they retired, or a position substantially similar to the one from which they retired, or a position described in KRS 161.046 or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the return to work limitations set forth in this section. The board of trustees shall determine whether employment in a nonteaching position is subject to this subsection;

(10) The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714;

(11) Any member retired by reason of service may waive his or her annuity and return to full-time employment in a position covered by the Kentucky Teachers' Retirement System under the following conditions:

(a) The member shall receive no annuity payments while employed in a covered position, shall waive his or her medical insurance coverage with the Kentucky Teachers' Retirement System during the period of reemployment, and shall receive the medical insurance coverage that is generally offered by the member's active employer to the other members of the retirement system employed by the active

- employer. The member's estate or, if there is a beneficiary applicably designated by the member, then the beneficiary, shall continue to be eligible for life insurance benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in paragraphs (b) and (c) of this subsection;
- (b) Any member who waives regular annuity benefits and returns to teaching or covered employment shall be entitled to make contributions on the salaries received for this service and have his retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1), less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by postretirement employment, and dependents and spouses of the members shall not become eligible for benefits under KRS 161.520, 161.525, or 161.661 because of postretirement employment;
- (c) When a member returns to full-time teaching or covered employment as provided in subsection (b) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member shall be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time of the original retirement due to service or age may be reduced or eliminated due to additional employment if full-time employment is for one (1) consecutive contract year or longer; and
- (d) A member retired by reason of service who has been employed the equivalent of

twenty-five (25) days or more during a school year under KRS 161.605 may waive the member's retirement annuity and return to regular employment covered by the Kentucky Teachers' Retirement System during that school year a maximum of one (1) time during any five (5) year period, beginning with that school year;

- (12) Retired members may be employed in a part-time teaching capacity by an agency described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. Retired members may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by an agency described in KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the retirement system. The return to work provisions set forth in subsections (1) to (8) of this section shall not apply to retired members who return to work solely for an agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment

of the two (2) combined;

- (13) When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (12) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (12) of this section; and
- (14) For retired members who return to work during any one (1) fiscal year in both a position described in KRS 161.220(4)(b) or (n) and in a position described under another provision under KRS 161.220(4), and for retired members who return to work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and an administrative or nonteaching capacity, the board of trustees shall adopt a methodology for a pro rata apportionment of days and hours that the retired member may work in each position.

➔SECTION 71. KRS 161.612 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Effective July 1, 2002, any individual occupying a position on a part-time basis that requires certification or graduation from a four (4) year college or university as a condition of employment and any individual providing part-time or substitute teaching services that are the same or similar to those teaching services provided by certified, full-time teachers shall be a member of the Kentucky Teachers' Retirement System, according to the conditions and only to the extent set forth in this section, if the individual is employed by one (1) of the public boards, institutions, or agencies set forth in KRS 161.220, excluding those public boards, institutions, and agencies described in KRS 161.220(4)(b) and (n). Members providing part-time and substitute services shall participate in the retirement system as follows:

- (1) Members providing part-time and substitute services shall accrue service credit as

provided under KRS 161.500 and be entitled to a retirement allowance upon meeting the service retirement conditions of KRS 161.600. The board of trustees shall adopt a methodology for accrediting service credit to these members on a pro rata basis. The methodology adopted by the board of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall be calculated pursuant to KRS 161.620, except that the provisions of KRS 161.620(3) shall not apply. Members providing part-time and substitute services who meet the service retirement conditions of KRS 161.600 may also be eligible to participate as approved by the board of trustees in the medical insurance program provided by the retirement system under KRS 161.675. Members providing part-time and substitute services shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under KRS 161.540. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by KRS 161.470;

(2) The board of trustees shall adopt eligibility conditions under which members providing part-time and substitute services may participate in the benefits provided under KRS 161.520, 161.655, 161.661, and 161.663. The board of trustees may permit members providing part-time or substitute services to participate in other benefits offered by the retirement system by promulgating administrative regulations that establish eligibility conditions for participation in these benefits. All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness;

(3) In addition to the pro rata methodology adopted by the board of trustees under

subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services;

(4) Notwithstanding any other provisions of this section to the contrary, instructional assistants who provide teaching services in the local school districts on a full-time basis in positions covered by the County Employees Retirement System who are used as substitute teachers on an emergency basis for five (5) days or less during any one (1) fiscal year shall not be considered members of the Teachers' Retirement System during that period in which they are serving as substitute teachers for five (5) days or less;

(5) The board of trustees may adopt a pro rata methodology to determine the annual compensation of members providing part-time and substitute services in order to determine benefits provided under KRS 161.661 and 161.663. Members providing part-time and substitute services who had retirement contributions posted to their accounts during the previous fiscal year and who have not had those contributions refunded to them are eligible to vote for the board of trustees;

(6) The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership; and

(7) The provisions of this section are not subject to KRS 161.714.

➔SECTION 72. KRS 161.615 IS REPEALED AND REENACTED TO READ AS

FOLLOWS:

- (1) The board of trustees is authorized to implement a limited defined contribution plan for the sole purpose of providing retirement allowance payments for retired members who have been approved by the retirement system for full-time reemployment as provided in KRS 161.605.
- (2) The defined contribution plan shall be administered separately from the regular benefits provided for members of the retirement system, except that the contributions to the plan shall be invested in the same manner as other contributions to the retirement system.
- (3) The provisions of this section apply only to those retired members who were permitted to return to work under the critical shortage provisions of KRS 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not apply to any retired member returning to work on or after July 1, 2002.
- (4) Separate member accounts shall be maintained for participants in this plan which shall reflect the annual contributions made to the participant's account based on the rates and interest levels specified in KRS 161.605.
- (5) When the retiree's reemployment terminates, the total contributions and accrued interest in the participant's account will be paid in a lump-sum payment or on an actuarial straight life monthly basis to the retiree. If the member dies prior to making application for a retirement allowance under this plan, the beneficiary designated by the participant for this plan shall receive a refund of the funds in the account. If there is a remaining balance in the account at the death of the participant after retirement from this plan, it shall be paid to the beneficiary designated by the participant for this benefit.
- (6) Retired members shall be eligible to receive their retirement annuity when approved for reemployment and participation in this plan. Service as a reemployed retiree may not be used in any manner for credit under the regular retirement benefit plans provided by the

retirement system.

➔SECTION 73. KRS 161.620 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, 1998, and thereafter, except as otherwise provided by this section, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university. The annual retirement allowance for each year of service performed by members of the Teachers' Retirement System who are members under the provisions of KRS 161.220(4)(b) or (n) shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section;

(b) For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008, except those persons who become members under KRS 161.220(4)(b) or (n), and who upon retirement have earned less than ten (10) full years of service credit, the retirement allowance shall be two percent (2%) of the member's final average salary for each year of service. For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008, except those persons who become members under KRS 161.220(4)(b) or (n), and who upon retirement have earned at least ten (10) full years of service credit, the annual allowance for each year of service shall be two and one-half percent (2.5%) of the member's final

- average salary;
- (c) The board of trustees may approve for members who initially retire on or after July 1, 2004, and who become members before July 1, 2008, except those persons who are members under KRS 161.220(4)(b) or (n), a retirement allowance of three percent (3%) of the member's final average salary for each year of service credit earned in excess of thirty (30) years. This three percent (3%) factor shall be in lieu of the two and one-half percent (2.5%) factor provided for in paragraph (b) of this subsection for every year or fraction of a year of service in excess of thirty (30) years. Upon approval of this three percent (3%) retirement factor, the board of trustees may establish conditions of eligibility regarding the type of service credit that will qualify for meeting the requirements of this subsection. This subsection is optional with the board of trustees and shall not be subject to KRS 161.714;
- (d) For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2008, except those persons who become members under KRS 161.220(4)(b) or (n), the retirement allowance shall be:
1. a. One and seven-tenths percent (1.7%) of the member's final average salary for each year of service if the member has earned ten (10) or less years of service at retirement;
  - b. Two percent (2%) of the member's final average salary for each year of service if the member has earned greater than ten (10) but no more than twenty (20) years of service at retirement;
  - c. Two and three-tenths percent (2.3%) of the member's final average salary for each year of service if the member has earned greater than twenty (20) but no more than twenty-six (26) years of service at retirement; or

- d. Two and one-half percent (2.5%) of the member's final average salary for each year of service if the member has earned greater than twenty-six (26) but no more than thirty (30) years of service at retirement; and*
- 2. Three percent (3%) of the member's final average salary for each year of service earned in excess of thirty (30) years of service at retirement subject to the same terms and conditions as set forth in paragraph (c) of this subsection;*
- (e) For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2008, who are members under KRS 161.220(4)(b) or (n), the retirement allowance shall be:*
- 1. One and one-half percent (1.5%) of the member's final average salary for each year of service if the member has earned ten (10) or less years of service at retirement;*
- 2. One and seven-tenths percent (1.7%) of the member's final average salary for each year of service if the member has earned greater than ten (10) but no more than twenty (20) years of service at retirement;*
- 3. One and eighty-five hundredths percent (1.85%) of the member's final average salary for each year of service if the member has earned greater than twenty (20) but less than twenty-seven (27) years of service at retirement; or*
- 4. Two percent (2%) of the member's final average salary for each year of service if the member has earned twenty-seven (27) or more years of service at retirement; and*
- (f) The retirement allowance of a member at retirement, as measured on a life annuity, shall not exceed the member's last yearly salary or the member's final average salary, whichever is the greater amount. For purposes of this section, "yearly salary" means the compensation earned by a member during the most*

- recent period of contributing service, either consecutive or nonconsecutive, preceding the member's effective retirement date and shall be subject to the provisions of KRS 161.220(9) and (10).
- (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option shall be increased in the amount of one and one-half percent (1.5%), provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.
- (3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than four hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection, except the following:
- (a) Individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2008; or
- (b) Members whose retirement allowance payment is reduced below the minimum allowance as a result of its division in a qualified domestic relations order or any other provision permitted under KRS 161.700.
- (4) The minimum retirement allowance provided in this section shall apply in the case of

members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

(5) Effective July 1, 2008, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed three and one-half percent (3.5%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2008-2010 biennium budget appropriation.

(6) Effective July 1, 2009, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding

provided in the 2008-2010 biennium budget appropriation.

- (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.
- (8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code.
- (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's retirement annuity. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

➔SECTION 74. KRS 161.623 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active contributing member for unused sick-leave days in accordance with this section.
- (2) Upon the member's application for service retirement, the employer shall certify the

retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620. Notwithstanding any statute to the contrary, sick-leave credit that is accredited under this section or by one (1) of the other state-administered retirement systems shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance from the Kentucky Teachers' Retirement System.

- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.
- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(10) or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.
- (7) Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(10) shall be based on the full actuarial cost as defined in KRS 161.220(22).
- (8) For an individual who becomes a member on or after July 1, 2008, the maximum

amount of unused accumulated sick leave that may be considered for addition to the member's retirement account for purposes of determining the retirement allowance under KRS 161.620 shall not exceed three hundred (300) days.

➔SECTION 75. KRS 161.630 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) A member, upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves. No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in KRS 161.620. This section does not apply to disability allowances as provided in KRS 161.661(1).
- (2) The retirement option chosen by a retiree at the time of service retirement shall remain in force unless the retiree elects to make a change under the following conditions:

  - (a) A divorce, annulment, or marriage dissolution following retirement shall, at the election of the retiree, cancel any optional plan selected at retirement that provides continuing benefits to a spousal beneficiary and return the retiree to a single lifetime benefit equivalent as determined by the board; or
  - (b) Following marriage or remarriage, or the death of the designated beneficiary, a retiree may elect a new optional plan of payment based on the actuarial equivalent of a single lifetime benefit at the time of the election, as determined by the board. The plan shall become effective the first of the month following receipt of an application on a form approved by the board.
- (3) Except as otherwise provided in this section, a beneficiary designation shall not be changed after the effective date of retirement except for retirees who elect the life

annuity with refundable balance or the predetermined years certain and life thereafter option. A member may remove a beneficiary at any time, but shall not designate a substitute beneficiary. If a member elects to remove a beneficiary, the member's retirement allowance shall not change regardless of the retirement option selected by the member, even if the removed beneficiary predeceases the member.

(4) A member who experiences a qualifying event under subsection (2) of this section and who elects a new optional plan of payment shall make that election within sixty (60) days of the qualifying event.

➔SECTION 76. KRS 161.655 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) Effective July 1, 2000, the Teachers' Retirement System shall:

(a) Provide a life insurance benefit in a minimum amount of five thousand dollars (\$5,000) for its members who are retired for service or disability. This life insurance benefit shall be payable upon the death of a member retired for service or disability to the member's estate or to a party designated by the member on a form prescribed by the retirement system; and

(b) Provide a life insurance benefit in a minimum amount of two thousand dollars (\$2,000) for its active contributing members. This life insurance benefit shall be payable upon the death of an active contributing member to the member's estate or to a party designated by the member on a form prescribed by the retirement system.

(2) The member may name one (1) primary and one (1) contingent beneficiary for receipt of the life insurance benefit. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of the life insurance benefit. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the

retirement system. In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent marriage or divorce. A valid marriage license shall terminate any previously designated beneficiary, even that of a trust, and establish the spouse as beneficiary unless, subsequent proof of the marriage, the member or retired member redesignates someone other than the new spouse as the beneficiary. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.

- (3) Application for payment of life insurance proceeds shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and payment of proceeds by the life insurance benefit under this section.
- (4) Suit or civil action shall not be required for the collection of the proceeds of the life insurance benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the proceeds of the life insurance benefit.
- (5) Upon the death of a member of the Teachers' Retirement System, the life insurance provided pursuant to subsection (1) of this section may be assigned by the designated beneficiary to a bank or licensed funeral home.

➔SECTION 77. KRS 161.661 IS REPEALED AND REENACTED TO READ AS

FOLLOWS:

- (1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary. Members with twenty-seven (27) or more years of service credit are eligible for service retirement only.
- (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.
- (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.
- (4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon

recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit. The service credit shall be valued at the same level as service earned by active members as provided under KRS 161.600 and 161.620.

(5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.

(6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

- (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).
- (8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.
- (9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.
- (10) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.
- (11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.
- (12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall

constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars (\$40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars (\$40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars (\$40,000). The board of trustees may annually increase the forty thousand dollar (\$40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%).

(13) All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-seven thousand dollar (\$27,000) limitation shall be increased to forty thousand dollars (\$40,000) and may be adjusted by the board of trustees by the consumer price index in the manner described in subsection (12) of this section. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees.

(14) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all

applications for disability retirement and upon all applicant statements, medical certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the retirement system. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The retirement system may secure additional medical examinations and information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of KRS 161.250(2).

(15) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

(16) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

(17) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of

employment in the prohibited position.

(18) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. The Kentucky Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.

➔SECTION 78. KRS 161.650 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) In the case of death of a member who has retired by reason of service or disability, any portion of the member's accumulated contributions, including member contributions to the state accumulation fund and regular interest to the date of retirement, that has not, and will not be paid as an allowance or benefit shall be paid to the member's beneficiary in such manner as the board of trustees elects.

(2) The member may designate a primary beneficiary or two (2) or more cobeneficiaries to receive any remaining accumulated member contributions payable under this section. A contingent beneficiary may be designated in addition to the primary beneficiary or the cobeneficiaries. The member may designate two (2) or more contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a trust may be designated as

beneficiary for receipt of any remaining accumulated member contributions. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. Cobeneficiaries shall be composed of a single class of individuals, or trusts where permitted, who will share in equal proportions in any payment that may become available under this section. - (1) For purposes of this section, "bona fide promotion or career advancement":

- (a) Means a professional advancement in substantially the same line of work held by the employee in the four (4) years immediately prior to the final five (5) fiscal years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the employee that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and*
- (b) Does not include any circumstance where an elected official participating in the Kentucky Employees Retirement System or the County Employees Retirement System takes a position of employment with a different employer participating in any of the state-administered retirement systems.*
- (2) (a) For employees retiring from the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System on or after January 1, 2018, the systems shall, for each of the retiring employee's last five (5) fiscal years of employment, identify any fiscal year in which the creditable compensation increased at a rate of ten percent (10%) or more annually over the immediately preceding fiscal year's creditable compensation. The employee's creditable compensation in the fiscal year immediately prior to the employee's last five (5) fiscal years of employment shall be utilized to compare the initial fiscal year in the five (5) fiscal year period.*
- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for a fiscal year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the employee's creditable compensation from the immediately preceding fiscal year shall not be included in the creditable compensation used to calculate the retiring employee's monthly retirement allowance. If the creditable compensation for a specific fiscal*

- year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring employee's monthly retirement allowance, then no reduction in creditable compensation shall occur for that fiscal year.
- (c) If the creditable compensation of the retiring employee is reduced as provided by paragraph (b) of this subsection, the retirement systems:
1. Shall refund the employee contributions and interest attributable to the reduction in creditable compensation; and
  2. Shall not refund the employer contributions paid but shall utilize those funds to pay down the unfunded liability of the pension fund in which the retiring employee participated.
- (3) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring employee on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring employee prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.
- (4) Subsection (2) of this section shall not apply to:
- (a) A bona fide promotion or career advancement as defined by subsection (1) of this section;
  - (b) A lump-sum payment for compensatory time paid to an employee upon termination of employment;
  - (c) A lump-sum payment made pursuant to an alternate sick leave program under KRS 78.616(5) that is paid to an employee upon termination of employment;
  - (d) Increases in creditable compensation in a fiscal year over the immediately

- preceding fiscal year, where in the immediately preceding fiscal year the employer reported the employee as being on leave without pay for any reason, including but not limited to sick leave without pay, maternity leave, leave authorized under the Family Medical Leave Act, and any period of time where the employee received workers' compensation benefit payments that were not reported to the plan as creditable compensation;
- (e) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime hours worked while serving as a participating employee under any state or federal grant, grant pass-through, or similar program that requires overtime as a condition or necessity of the employer's receipt of the grant; and
- (f) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime performed during a state of emergency declared by the President of the United States or the Governor of the Commonwealth of Kentucky.
- (5) (a) For employees retiring on or after January 1, 2014, but prior to July 1, 2017, the last participating employer shall be required to pay for any additional actuarial costs resulting from annual increases in an employee's creditable compensation greater than ten percent (10%) over the employee's last five (5) fiscal years of employment that are not the direct result of a bona fide promotion or career advancement. The cost shall be determined by the retirement systems.
- (b) Lump-sum payments for compensatory time paid to an employee upon termination of employment shall be exempt from this subsection.
- (c) Kentucky Retirement Systems shall be required to answer inquiries from participating employers regarding this subsection. Upon request of the employer

- prior to the employee's change of position or hiring, the systems shall make a determination that is binding to the systems as to whether or not a change of position or hiring constitutes a bona fide promotion or career advancement.
- (d) For any additional actuarial costs charged to the employer under this subsection, the systems shall allow the employer to pay the costs without interest over a period of one (1) year from the date of receipt of the employer's final invoice.
- (6) The Kentucky Retirement Systems shall determine whether increases in creditable compensation during the last five (5) fiscal years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.
- (7) Any employer who disagrees with a determination made by the system in accordance with this section regarding whether an increase in compensation constitutes a bona fide promotion or career advancement for purposes of subsection (5) of this section may request a hearing and appeal the decision in accordance with KRS 61.645(16).
- (8) For the fiscal year beginning July 1, 2017, and subsequent years, the Kentucky Retirement Systems shall provide a means for employers to separately report the specific exceptions provided in subsection (4) of this section within the reporting system utilized by the employers for making employer reports under KRS 16.645, 61.675, and 78.545. The Kentucky Retirement Systems shall continually provide communication, instructions, training, and educational opportunities for employers regarding how to appropriately report exemptions established by subsection (4) of this section.
- (9) This section shall not apply to employees participating in the hybrid cash balance plan as provided by KRS 16.583 and 61.597.
