

1 AN ACT relating to weights and measures.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 363.590 is amended to read as follows:

- 4 (1) The director shall issue from time to time reasonable regulations for the  
5 enforcement of KRS 363.510 to 363.850, which regulations shall have the force and  
6 effect of law. These regulations may include:
- 7 (a) Standards of net weight, measure, or count, and reasonable standards of fill  
8 for any commodity in package form;
  - 9 (b) Rules governing the technical and reporting procedures to be followed and the  
10 report and record forms and marks of approval and rejection to be used by  
11 inspectors of weights and measures in the discharge of their official duties;
  - 12 (c) Exemptions from the sealing or marking requirements of KRS 363.650 with  
13 respect to weights and measures of the character or size that the sealing or  
14 marking would be inappropriate, impracticable, or damaging to the apparatus  
15 in question; ~~and~~
  - 16 (d) Rules governing the registration of servicemen and service agencies; **and**
  - 17 **(e) Rules governing the examination procedure for price verification.**
- 18 (2) These regulations shall include specifications, tolerances, and other technical  
19 requirements for weights and measures of the character of those specified in KRS  
20 363.610, designed to eliminate from use without prejudice to apparatus that  
21 conforms as closely as practicable to the official standards, those:
- 22 (a) That are not accurate;
  - 23 (b) That are of such construction that they are faulty (that is, that are not  
24 reasonably permanent in their adjustment or will not repeat their indications  
25 correctly); or
  - 26 (c) That facilitate the perpetration of fraud.
- 27 (3) The specifications, tolerances, and other technical requirements for commercial

1 weighing and measuring devices, together with amendments to those requirements,  
2 as recommended by the National Institute of Standards and Technology and  
3 published in the most recent editions of the National Institute of Standards and  
4 Technology handbooks and supplements to the handbooks, or in any publication  
5 revising or superseding the handbooks or supplements to the handbooks, shall be  
6 the specifications, tolerances, and other technical requirements for commercial  
7 weighing and measuring devices of the State of Kentucky, unless modified,  
8 amended, or rejected by a regulation issued by the director. For the purposes of  
9 KRS 363.510 to 363.850, apparatus shall be deemed to be "correct" when it  
10 conforms to all applicable requirements promulgated as specified in this section.  
11 Other apparatus shall be deemed to be "incorrect."

12 ➔Section 2. KRS 363.904 is amended to read as follows:

13 (1) No article or commodity shall be sold or offered for sale and use in Kentucky as  
14 motor fuel unless it conforms to the following:

15 (a) The motor fuel shall be labeled and posted in accordance with applicable  
16 federal and state laws; and

17 (b) The motor fuel shall conform to the latest ASTM specifications for that  
18 particular type, class, and grade of motor fuel, except when one (1) or more  
19 of the following circumstances exists:

20 1. When a federal law or a federal administrative regulation imposes  
21 requirements in conflict with the ASTM standard, as provided by KRS  
22 363.902(3); ~~or~~ ~~and~~

23 2. When the Governor determines that circumstances present, or are  
24 likely to present, a disruption in motor fuel supply, the Governor or  
25 the Commissioner or the secretary of the Energy and Environment  
26 Cabinet, as designated by the Governor, may issue a temporary waiver  
27 of ASTM specifications for motor fuel. The temporary waiver shall be

1                   effective for a defined period of time and shall be the shortest  
 2                   practicable time period necessary to permit the correction of the  
 3                   disruption in motor fuel supplies.

4    **(2)** For gasoline containing up to ten percent (10%) ethanol, in which case the vapor  
 5       pressure limit for each class shall be increased by one (1) pound per square inch,  
 6       and the ASTM V/L (vapor to liquid ratio) specification shall be~~is~~ waived.  
 7       Additionally, the department shall adopt a minimum temperature for fifty percent  
 8       (50%) distillation of gasoline containing up to ten percent (10%) ethanol through  
 9       the promulgation of an administrative regulation in accordance with KRS Chapter  
 10      13A.

11 ~~**(3)**~~~~(2)~~ The motor fuel compliance with ASTM shall be determined in accordance  
 12       with the test methods prescribed in the latest ASTM publications.

13 ~~**(4)**~~~~(3)~~ All shipments of motor fuel shall state on either the bill of lading or invoice  
 14       the destination of the shipment and that the shipment meets the standards and  
 15       specifications required in this section. The division may obtain a sample of any  
 16       shipment of motor fuel for testing. Motor fuel blending components shall be exempt  
 17       from this section until they are offered for sale as motor fuel by the refiner or  
 18       manufacturer.

19       ➔Section 3. KRS 363.906 is amended to read as follows:

20       The department shall levy and collect annual fees in the amount of fifty dollars (\$50) per  
 21       facility from the owner or operator of a retail facility for the purpose of funding the  
 22       administration of the motor fuels quality program. The fees shall be deposited into an  
 23       interest-bearing account in the State Treasury. Money unexpended at the close of a fiscal  
 24       year shall not lapse but shall be carried forward to the next fiscal year for future use. The  
 25       annual fees shall be paid to the department by January 31~~shall collect a fee for~~
